FOREWORD.

When I took over charge of the Chair of Comparative Philology in the University of Calcutta in September 1917, the thought occurred to me that the subject might best be illustrated for our Indian students through the medium of Sanskrit and Avesta. Latin and Greek are out of question in India and so the linguistic group nearest to Sanskrit (viz. the Iranian) was chosen. I set myself to prepare a course of Selections from Avesta and Old Persian and the present book is the outcome of this effort.

My first thanks go to Sir Asutosh Mookerjee. With characteristic insight he grasped my views on the subject and helped me very materially in getting the courses altered to suit the new requirements. For this, and far more for his continued encouragement and for the great interest he has always shown in my work, I give him my heartfelt thanks.

In the second place my thanks are due to my respected co-religionist, Mr. R. D. Mehta, C.I.E., of Calcutta, for very generously offering to pay the cost of printing this volume. He also has all along given me encouragement and support.

In the third place I have to record the debt I owe to my teachers in Avesta: Professor Bartholomae of Heidelberg and Professor Jolly of Würzburg. The former, than whom I found no better teacher, first initiated me into the study of Iranian Languages and the latter has always been my best friend and critic ever since my student days in the University of Würzburg. Nor must I forget here to mention Dr. P. Giles, Master of Emmanuel College, Cambridge, whose lectures on the Comparative Grammar of Indo-European Languages first taught me what the Science of Language means, and Professor E. J. Rapson of Cambridge, who was the first to teach me the critical methods of modern Western scholarship and has ever since been my revered guide and friend. I must also mention here Professor Geldner of Marburg, with whom I stayed but one day, but whose inspiring words have guided me through all my subsequent studies.

Next in order come my friends and critics who have always helped me greatly during the progress of this work. Foremost among them is Shams-ul Ulma Dr. J. J. Modi of Bombay, who has been always ready with his friendly but incisive criticism. He has certainly not spared me in any sense and I acknowledge it here with deep gratitude. My next valued critic has been Pandit Vidhusekhara Bhaṭṭācārya of the Viśva-bhārati at Śantiniketan. In both these erudite scholars I found, besides mere criticism, true friendship and a constant desire to help.

Last of all I owe to my pupils more than I can express in words. Their presence in my lectures, their frank questions and the interest they have always shown in their work have constituted the best reward for my work and have always led me on to greater effort.

The delay caused in the publishing of this work has been due to the great difficulty of composing a work of this kind, which needed types of such varied languages. To begin with, an entirely new set of types had to be cast. For all this work (the first of its kind undertaken in India, I believe), the Baptist Mission Press, Calcutta, deserves the greatest credit. It has been decided now to publish ten out of the eighteen "Selections" of the *First Series* as "Part 1". The rest will come out, let me hope, within a short interval from now. This will form Part 2, and it will also include an essay entitled "An Introduction to Iranian Studies," referred to in the footnotes as "Introduction."

One word more. I have my own notions of life and other deeper questions which are embraced under the term "religion." These form the "coloured glasses" through which I view my own Scriptures. I could not have avoided my own ideals even though I had desired to do so; but I must claim that I have tried to be as fair in my interpretations as was possible for me to be. I do not think I have in any case twisted either the sense of a word or the grammar to suit my special notions. There is one thing, however, of which I am absolutely convinced and it is that all religions have their roots in Wisdom, not in Ignorance.

I. J. S. TARAFOREWALA.

THE UNIVERSITY,
CALCUTTA.

Y(āṣ)t [The numbers are as in Darmes-
teter's translation]

Y(ounger) A(verta)

Z(oroaster, -oroastrian)

The declensional forms of nouns, etc., are generally indicated by two figures, the first denoting the case and the second the number. (The cases are in the following order 1. nom., 2. acc., 3. ins., 4. dat., 5. abl., 6. gen., 7. loc., and 8. voc.)

Similarly for verbal forms the first figure indicates the person and the second the number.

Other abbreviations not in this list are self-evident.

NOTE.

The text used here is that of Geldner. But there are a few variations I have ventured to make. I indicate below the chief points to be observed in the text as printed here.

1. Wherever I have made any notable change in a word, I have indicated it in a footnote, and in most cases the reading I have adopted is also mentioned by Geld. in his v.l.

2. In metrical passages I have followed Geldner's divisions as far as possible, and I have like him indicated defective lines or *pādas* by +. It will be noted that the putting of this + is not the same as in Geldner's text. I have tried to follow my own ear in this respect as far as I have understood the theory of Avesta metre.

3. Words which seem to be in excess of metrical requirements I have enclosed within brackets (). Here too I have followed my own ear rather than copy Geld. entirely.

4. Occasionally I have tried to scan rhythmically (*not* strictly metrically)* passages which Geld. prints in prose. Such passages I have put down continuous as in Geld., but have indicated the divisions by upright lines |. I have occasionally used brackets here too to indicate what seem to me extra words. I have indicated such passages by putting § at the beginning.

5. In some places I have ventured to suggest other readings and they are discussed in the notes in the proper places.

6. I have made full use of European punctuation and other symbols.

As regards the translation I have tried to be literal as far as possible. Compound words and single words of Av. translated by a phrase in Eng. have been indicated by joining up the parts by means of hyphens.

Haoma Yašt—Yasna IX.

1. At², ⁴ the hour³ (of) early-morning¹ Haoma⁵ came-up⁶ to Zərəuštra⁷, (who was), preparing-for-worship⁹ the fire⁸ and¹¹ (was) chanting¹² the Gāōs¹⁰. Unto¹³ him¹⁴ asked¹⁵ Zərəuštra¹⁶: "Who¹⁷, O Hero¹⁸, art thou¹⁹, whom²⁰ I²¹ see²⁶ the noblest²⁵ of all²² material²⁴ creation²³, shining²⁸ with (thing) own²⁷ eternal³⁰ life²⁹?"

2. Thereupon¹ this³ Haoma⁵, the righteous⁶, of-far-spreading-radiance⁷, replied⁸ unto me²: "I⁸ am⁹, O Zərəuštra¹⁰, Haoma¹¹, the righteous¹², of far-spreading-radiance¹³. Fix-(thy)-desires-earnestly¹⁴, ¹⁵ upon me¹⁵, O Spitama¹¹; worship¹⁸ ²⁰ me¹⁹ (in order) to enjoy²¹ (of me); hymn²², ²⁵ me²⁴ in hymn(s)-of-praise²⁴, as²⁶ the other²⁸ Saōšyanta²⁹ have (in the past) *praised³⁰ me²⁷."

3. Thereupon¹ said² Zərəuštra³: "Salutation⁴ unto Haoma⁵! Which mortal¹⁰, O Haoma⁹, (was) the first⁸ (who) worshipped¹² thee⁷ for (the sake of) the material¹¹ world¹³? What¹⁴ blessing¹⁶ unto him¹⁵ was granted¹⁷? What¹⁸ profit¹⁹ to him¹⁹ accrued²⁰?"

4. Thereupon¹ this³ Haoma⁵, the righteous⁶, of-far-spreading-radiance⁷, replied⁸ unto me²: "Vivahvat⁸ (was) the first¹⁰ mortal¹¹ (who) worshipped¹³ me⁹ for (the sake of) the material¹² world¹⁴. This¹⁵ blessing¹⁷ unto him¹⁶ was granted¹⁸, this¹⁹ profit²² to him²⁰ accrued²¹: namely²³ to him²⁴ a son²⁵ was born²⁶, who²⁷ (was) Yima²⁸ the King²⁹, the magnificent³⁰, the most-resplendent³¹ of (all) created-beings³², (who shone forth) among mortals³⁴ like-unto-the-sun-in-appearance³³. Who³⁵ made³⁶ during his³⁷ rule³⁸ (both) animals⁴⁰ (and) human-beings⁴¹ undying³⁹, (and) waters⁴³ (and) vegetation⁴⁴ ever-fresh⁴²; (there was) inexhaustible⁴⁷ food⁴⁶ for feeding⁴⁵ (his subjects).

5. "During¹ the rule² of the illustrious³ Yima¹ (there) was⁴ neither⁵ (excessive) gold⁶ nor⁷ (excessive) heat⁸, neither⁹ was¹¹ (there) old-age¹⁰ nor¹² death¹⁴, nor¹⁵ (was there) envy¹⁵ created¹⁷ of-the-Daśva¹⁶. Father²⁰ and²² son²¹ moved-about²³ (seeming only) fifteen¹⁸ in appearance²⁵ as long as²⁶ Yima²⁸ the magnificent²⁷, the son³⁰ of Vivahvat²⁹ reigned³¹."

* Gōdā, gōdā-gūzo but I have chosen the reading given by Kan. Bēsch. and others.
† I have made this a compound.

12. (Zaraθuštra asked:) "Which¹ mortal⁵, O Haoma⁴, (was) the fourth⁸ (who) worshipped⁷ thee² for (the sake of) the material⁶ world³? What⁹ blessing¹ unto him¹⁰ was granted¹²? What¹³ profit¹⁶ to him¹⁴ accrued¹⁵?"

13. Thereupon¹ this³ Haoma⁵ the righteous⁴, of-far-spreading-radiance⁷, replied⁴ unto me²: "Pourušaspa³ (was) the fourth¹⁰ mortal¹¹ (who) worshipped¹³ me⁹ for (the sake of) the material¹² world¹⁴. This¹⁵ blessing¹⁷ unto him¹⁶ was granted¹⁸, this¹⁹ profit²² to him²⁰ accrued²¹: namely²³, to him²⁴ thou²⁵ wast born²⁶, thou²⁷, O righteous²⁸ Zaraθuštra²⁹, in the House³⁰ of Pourušaspa³¹, (thou who art) opposed-to-the-Daēvas³² (and) follower of the Law³⁴ of-Ahura³³.

14. "Famed¹ through (all) Airyana² Vaējah³, thou⁴, O Zaraθuštra⁵, (wast) the first⁶, (who) recited-aloud⁹ the Ahuna⁷-Vairya⁸, with-the-proper¹⁰ visions¹⁰ (of metre and syllables), four-time¹¹, (and yet) another¹² (time) with-a-louder¹³ chant¹⁴.

15. "Thou¹, O Zaraθuštra⁴, caused³ all⁴ the Demons⁵ to-hide-under-the-earth², who⁷, before⁸ this⁹ * ran-about¹² upon¹³ this¹⁴ earth¹⁵ in-human-shape¹¹, (thou) who¹⁶, (art) the strongest¹⁷ (and) bravest¹⁹, who²⁰, (art) the most active²¹ (and) the swiftest²², (and) who²⁴ hast become²⁵ in-the-highest-degree-victorious²⁶ among the creatures²⁸ of the (two) Spirits²⁷."

16. Thereupon¹ Zaraθuštra³ said²: "Salutation⁴ unto Haoma⁵! Haoma⁶ (is) excellent⁶, well-created⁸ (is) Haoma⁹, truth-created¹⁰ (also); created-by-excellence¹² (and) health-giver¹³; well-shaped¹⁴, working-for-good¹⁵ (and) victorious¹⁶; golden¹⁷-hued¹⁸ (is he) with-bending-twigs¹⁹; just-as²⁰ (he is) best²² for (the body of) the drinker²¹, (so) also²⁴ (he) best-points-out-the-way²⁵ unto (his) soul²³."

17. I ask⁵ of thee², O Golden-hued³ for¹ fervour⁴, for⁶ power⁷ (and) for success⁹ (as well); for¹⁰ health¹¹ (and) for¹² the means-of-gaining-health¹³ for¹⁴ advancement¹⁵ (and) for¹⁶ increase¹⁷; for¹⁸ strength¹⁹ of-(this)-whole-body²¹, (as well as) for²² wisdom²³ all²⁴-embracing²⁵: —for²⁶ (all) this²⁷ (I ask) so that²⁸ in (all) lands²⁹ I may move-about³¹ free-at-will³⁰, over-coming³³-opposition³², (and) conquering³⁵ the-unbeliever³⁴.

* Z.'s advent.

Haoma.—The word is the same as the Skt. *सोम* and essentially expresses the same idea as in the Veda. But there can be traced in the Av. a twofold conception of the name. In the first place it is the name of a Being or a Divinity occupying a definite place in the Av. Pantheon, and in the second place it is the name of a Plant used in the sacrificial ritual. In our present selection (Yas. IX) the first conception is predominant. The second conception, however, predominates in Yas. X.* There are other places too in Av. where Haoma is mentioned, notably in Yas. LVII (19-20)† where the former conception is predominant. In one or two other places there is the mention of perhaps another Haoma. Thus in Yas. XI. 7,‡ there is a warrior of that name mentioned, who worshipped *Dravāspa* || and *Aži* and through the help thus secured made captive *Fragrasyāna* (فراسیان—*Afrāsiyān* of Shah.), the arch-enemy of *Kava-Husrava* (کیخسرو—*Kai-Khushrū* of Shah.). This Haoma is also mentioned in Shah., but it is probable that he is identical with the Haoma of our present piece. There is a fourth Haoma mentioned in the Av. in Yt. XIII. 116 but beyond his mere name as a holy man there is no further detail given.¶

The Divinity Haoma is mentioned in close connection with Haoma the plant. In fact it would not be too far wrong to say that he was responsible for introducing the Haoma cult among the Aryans, and it is very likely that the plant used at the sacrificial ritual derived its name from him. He is specially distinguished by his epithets *dūraoša* (of far spreading radiance) and is also called *frīšmi* (the Renovator). In another place he is called *yaθrya* (यथिय)—the King; which reminds one of the Ved. *सोमो राजा*. It is notable also that though the majority of the epithets used for Haoma the Divine Being are such as can be only applied to the Plant by a stretch of imagination,** still there are two at least used in Yas. IX. 16 (*zairigaonō* and *nāmyāuś*) and one in Yas. LVII. 19 (*zairi-dōiθrō*) which can only apply to the Plant. But it may be noticed by referring to the text that in the first case both the words could be left out without any injury to the whole, and in the second case the epithet is distinctly disturbing the metre and is palpably a later insertion. In course of time we do find that the plant is coming more and more to the front and the person who introduced it is getting forgotten. It were well if the upholders of the "Personification-theory" would bear this fact constantly in mind.

* Sel. XIX, Part II. It may be here noted that the Haoma Yašt as used in Z. ritual is made up of both the Yasnas IX and X. † Sel. II, below. ‡ Sel. XX, Part II.

¶ See Yt. IX. 18. (Sel. XXII, Part II).

¶ Modi, Dict.

** For a fuller discussion of this point see Introduction.

1. *hāvanim*—2/1 adj. Note the -i when in Skt. we get -i. This is the rule in Av. for the 2/1 of nouns in -i and -u. "Morning" lit., "the time of the Haoma Sacrifice," *हवनिम्*. From \sqrt{hu} —*हु*. The day among the Zoroastrians is divided into five periods or *gāhs* (in Av. *zanya*—*यन्*) each having a special prayer appropriate to it, and each being associated with certain Powers. These are, beginning with midnight:

(i) *uṣahina*— $\sqrt{uṣ}$, to shine (cf. *उषस्*)—from midnight till dawn; associated with *Barəjya* (Increaser of corn) and *Nmānya* (Lord of the house).

(ii) *hāvani*— \sqrt{hu} —(*हु*)—from dawn to midday—associated with *Sāvayhi* (Increaser of Prosperity) and *Viśya* (Lord of the village).

(iii) *rapithwana*—from *ayarə*, day and *piθwa* middle, (cf. Eng. *piñh*),—from midday to 3 P.M. In the last five months of the Z. year this period too is called *hāvani*, sometimes also "the second *hāvani*." This is associated with *Frādaṭ-fəu* (Increaser of cattle) and *Zantuma* (Lord of the province).

(iv) *uzayeina*—origin doubtful—from 3 P.M. to sunset; associated with *Frādaṭ-vira* (Increaser of mankind) and *Daṣyuma* (Lord of the country).

(v) *aiwisrūθrəma*—*aiwi* (*अवि*) and *sru*, (*स्रु*)—from sunset to midnight; associated with *Frādaṭ-hujyāiti* (Increaser of all good creation) and *Zarəθuštrəma* (lit., the holiest *Zarəθuštra*, i.e. the Supreme Head of Religion).

ā—*आ* at, upon, during.

ratūm—2/1 m. Note -ū. Time, *रातु*. There is another word *ratu* which means a leader (almost always in the spiritual sense). Kan. thinks that both these have come from \sqrt{ar} , *अ*, to go. (Dict. pp. 439f.).

Haomō—1/1 m. *होमः*. The *visarga* if preceded by *a* is represented in Av. combined with the preceding *a* as *o*. The name is used partly for the *Haoma* plant and sometimes for the *Yazata* (or *देवता*) presiding over the *Haoma* sacrifice. See Introductory note.

upāit—3/1 impf. \sqrt{i} (*इ*) with *upa*, (*उप*)—came up to, *उपैत्*.

Zarəθuštrəm—2/1 m. The name of the Prophet of Irān has been variously explained by Western scholars from *zaraṭa* (\sqrt{zar} —*ज़र*) old and *uštra*, (*उष्ट्र*) camel or from *zaraṭa* (*वरित्त*) tawny and *uštra*, i.e. either "the keeper of old camels" or "the keeper of tawny camels." Parsi writers rather would like to have the word mean "he who has the golden radiance" * (*zaraṭa*—*वरित्त*—golden and *uštra*— $\sqrt{uṣ}$ to shine—radiance). For details of his life, etc., see the various books on the subject notably Jackson's *Zoroaster*.† His date seems to have been now fixed at much earlier than 660 B.C. which used to

* Lassen and Windischmann translate the name "golden-star."

† The origin of the name is fully discussed in an Appendix in that book, pp. 147 ff.

be given in older works, though Jack. seems to favour the older view. See Introduction.

Ātrem. (v.l. *Ātarēm*, *Āθrēm*) 2/1 m.—Fire. Probably the word is connected with *अवर्ष*. The Pers. *آتیش* (*ātish*), fire, is from 1/1 *Ātarš*. The Ved. *अनात्र* (later *अनामत्र*) is also probably connected.

pairi-yaoždabəntəm—2/1 pres. pt. par. of *yaoždā* to purify (lit. prepare for worship) witl. *pairi* (परि). The *yaoždā* itself is a comp. verb made up of *√yaz* (यज्) and *√dā* (धा). The root *dā* is often thus compounded with nouns or with other roots, e.g. *χruždā* (क्रुध् + धा) to harden, *ni-χ^uabdā* (नि + अप् + धा) to lull to sleep, *pazdā* (पद् + धा) to stamp on the ground, *māzdā* (मज् + धा) to pay heed to, etc. In Skt. there is only one such example of a word with धा quotable—*अधा*, though other comp. verbs are not uncommon. See Whit. §§ 1090 ff. The *dā* may have a caus. value. (Jack. A.G. § 692).

gāθās-ca—2/3 f. *गाथाच*. The enclitic particle *ca* is always joined on to the previous word and where the visarga (I.E. -s) is at the end of the previous word the Sandhi shows the -s; e.g. *Haomō* (हामः) but *Haomas-ca* (होमश्च), *gaθā*—गाथा: but *gaθās-ca*—गाथाच. The *gāθās* are the oldest portions of the Av. scriptures. They are metrical and are supposed to have been the words of Z. himself. See Introduction and also the introductory notes to the Gāthā selections.

srāvantəm—2/1 pres. pt. caus. par.—*√sru* (श्रु)—*श्रावन्तम्* lit. to cause to hear, i.e. to recite. This caus. form, *srāvaya*, is regularly used in this sense throughout the Av. In P. Guj. we have retained the same word *सारवु* e.g. *बारावोवद् सारवा* (to chant the (marriage-) blessings).

ā-dim (v.l. *ā-dəm*)—*आ-तम्*—*dim* is an obsolete form for 2/1 of the pron. 3 per. (*təm*). There are several other forms (also enclitic like *dim*) used for the 2/1 of the 3 per. pron. They are *hīm*, *im*. In O. Pers. *sim* is also found. In some Prak. dialects the form *सोस्* or *शोस्* is found.

perəsat—3/1 Impf. augment omitted. The augment is more often omitted in Av. than not. *अश्अत्*. *√perəs*, Pers. *پرسیدن* (*pursidan*) to ask.

kō—*कः*—who.

narə—8/1—*ने नर*. The word is used more in the sense of the Skt. *वीर*.

ahi—2/1 Pres. *अहि*—(thou) art. *√ah*—*अस* to be.

yim—2/1 m.—whom. The form must have been originally **yəm* (यम्) but generally in the neighbourhood of the palatal sounds *y*, *c*, *j* and *ž* the -*m* changes to -*im* e.g. *vācim* (वाचम्), *bajina* (बाजन्), *drujim* (द्रुजम्), but *drujem* also is found.

azəm—*अश्अम्*—I.

vispahe—8/1 m.—of all, of the whole—*विस्वस्*.

ap̥hūs—6/1 m. of *ap̥hu*, life, creation. There is a variant form of the word *ap̥hu* also found frequently, namely *ahu* (अहु). The *y* inserted before the *h* is governed by rather complex rules, and in the declension we find both the variants *ahu* and *ap̥hu* used side by side. So also *vohu* and *vay̥hu* (वहु). But *Ahura* (अहुर) has only one form.*

astvatō—6/1 m. of *astvaṭ* (अस्थित्) lit. "possessing bones," i.e. the corporeal or material world; always used as opposed to spiritual and referring to things on the physical plane.

sraēštēm—2/1 adj. sup.—best, noblest—अहम्. The *ṛ* and *ṛ̥* of Skt. are regularly represented in Av. by the diphthongs *aē* and *aō*. Cf. the modern London dialect of English which pronounces "laidi" for "lady" and "raud" for "road".

dādarəsa (v.l. *dādarəsēm*)—1/1 pft. *√darəs* (दरस्) to see—दरस्. In Av. as also in Ved. the perfect does not necessarily have a past significance. The idea is more that of being *दरोक्ष*, i.e. happening in the presence of the speaker. Note also the long vowel *dā*°.

χ^vahe—6/1 of *χ^va*—one's own—अस्व. The *ṣ* of Skt. is represented by *l* in Av. and the *h* by *hva* (G.A.) which becomes *χ^va* (Y.A.). The *h* in the *hva* is a strong spirant which makes the transition to *χ^va* easier.† Pers *khūd* (*khūd*) self has the *khva* which is Av. *χ^va* (cf. स्वतः).

gayche—6/1 of *gaya*, life *√gi* to live. Cf. जीव, *βίος*.

χ^vanvatō—6/1 pres. pt. *√χ^van*—shining. The gen. here is used almost adjectively: according to strict syntax we should get *χ^vanvanēm*. The genitive case is used in Av., as also in Veda, very freely in place of other cases.‡ Here *χ^vahe gayche* should be in the ins. but both are in the genitive and the *χ^vanvatō* in the genitive is due to case attraction.

aməšahe—6/1 of *aməša*, immortal, undying—अमर्त्यः; adj. to *gayche*. The equation Skt. *rt* = Av. *š* was first given by Bartholomae, e.g. अमर्त्य (*अमर्त) —*aša*, मर्त्यः—*mašyō*. (Here the *š* for *ṣ* is due to the *y*).

2. *daṭ*—Thereupon—दात् (दत्).

mē—4/1—to me—मे (महम्). The *-ē* final is a sign of the older dialect where all final vowels are long. In Y.A. all final vowels except *ō* are shortened. Thus we get in Y.A. the form *me*. The dialect of this piece is about midway between G.A. and Y.A.

aēm—1/1—This. Anticipates *Haomō* in the next *pāda*. (Reich. § 569)

paityaoxta (v.l. *paity-aoxta*)—3/1 aor. atm. *√vac* with *paity* प्रति—replied. In Skt. it would be par. प्रत्यवोचत्. The atm. form shows, as might be expected, the weak grade with *samprasāraṇa*, cf. उवाच.

ašava—1/1—Righteous, lit., "possessing *aša*"—अशवा. Note the short final *-a*.

* Jack. A.G., §§ 108-129.

† Jack. A.G., § 130.

‡ अमर्त्यमर्त्यान्वे दहो.

dūraoṣō—1/1. The word is a comp. and various meanings are suggested of its second component *aoṣa*. The first part is *dūra* (दूर) far, wide-spread-ing. *aoṣa* may mean (1) radiance $\sqrt{uṣ}$ to shine, or (2) sickness— $\sqrt{uṣ}$ to be faint, to be weak, or (3) death—also from $\sqrt{uṣ}$ to be weak, to faint. Thus the meanings of the compound would be, respectively, (1) “of-far-spread-ing-radiance” (Barth.) * or (2) “warding off sickness” (Kan.); or (3) “warding off death” (Wolff). All these make good sense and any of them may be the correct one.

ahmi—1/1 pres. \sqrt{ah} —अहि—(I) am.

ā . . . *yāsagruha*—2/1 imp. atm. $\sqrt{yās}$ (to desire), with *ā*—desire ar-dently, आवाचस. The Skt. वाच् to beg is cognate, and probably इष् (इष्ट) to wish is also connected. Note the equation (*a*)*gruha* = (अ) ख.

mām—2/1—me—मां.

Spitamā—8 1—A patronymic name of Z. from his ancestor of that name. The genealogy is given thus in Bun. and other works:—

Zarathustra—*Pouruṣaspa*—*Paetiraspā*—*Aurvat-aspa*—*Hqecat-aspa*—*Ca-ṣnuṣ*—*Paetiraspāt*—*Haridarṣna*—*Haridar*—*Spitamā*. The name of *Spitamā* was used as a family name by his descendants; hence Z. is often called *Spentamāna*. The meaning of the name seems to be “the holiest, the noblest” from \sqrt{spi} (वि) to be white, to be pure (Kan.), hence it may be translated by the Skt. \times चित्तम (= चित्तमन).†

frā . . . *hunvayuha*—2 1 imp. atm. \sqrt{hu} (हु) with *frā* (प्र)—प्रवृणुष Press out.

χ^oaratō—4/1 of *χ^oarō*—for drinking. A verbal infinitive. The meaning is the same as the Skt. पीतये. $\sqrt{\chi^o ar}$ (*hvar*) to eat. Cf. Pers. خور (*khur-dan*) to eat.

aoi . . . *stūdi* (v.l. *avi*, *ai*, *ave*)—2 1 Imp. par. $\sqrt{stū}$ (स्तु) with *aoi* (अभि)—praise अभिस्तुषि (Ved., later °वि). *aoi* is spelt elsewhere as *awi*, *aiwi*, *aihi*, etc. The ending -*di* is I-E. and is found in Veda—Grk. -*θi*—later Skt. वि. The -*वि* survives in the later यवि.

staomaine—7/1 of *ōman*—in (a) hymn of praise (Kan.). *सोमनि*. Reich. takes it as a dat. inf. and trans. the sentence; “praise me that I may be praised.”

yaṯa—just as—यथा—Note the final -a.

aparaciṭ—1/3—others—अपरैचिṭ. The enclitic -*ciṭ* is added more often in Av. than in Skt. and to a greater variety of stems, cf. *azam-ciṭ*, *taē-ciṭ* (below 22), etc.

Saoḡyantiō—1/3 fut. pt. par. $\sqrt{śu}$ to work, to do good, to worship,—

* Hb. air. D., but in Wb. he supports the third interpretation.

† Note the element -*aspa* in these names, implying that it was a family of warriors.

‡ *Spina* and *Spenta* are cognate. See below 22.

𑀧𑀸 (?)—*Saošyant* is the name given to an order of Beings who appear in the world from time to time to fight the evil and to re-establish the law of *Aša* (Righteousness) in the world. The sense is not restricted to the future alone but may refer to the past as well. Hence the word may be used, as here, in the general sense of "those who work for the good of humanity," i.e. Prophets and Teachers of the Law. In a stricter sense, especially when used in the singular, the name denotes a special Teacher who is to appear in the future and re-inaugurate the golden age, somewhat like the *Kalki-avatāra* of the Hindus. This *Saošyant* is said to be the seed of Z. who is to be born in the future.*

stavān—3/3 subj. par. स्तवान्—used in a general sense in a relative clause—did praise. Reich. takes the word in the sense of the future taking *Saošyantō* literally in the future sense translating *stavān* as "shall praise thee."

3. *nāmō*—Salutation—नमः

Haomāi—4/1—to Haoma—होमाय

kaša—1/1—a variant of *kō*, who. The word occurs also as *kas*, or *kaš* when used in a compound or with enclitics, e.g. *kasnū*, *kaste*, etc. The *kaša θwām* seems to be a similar use though *θwām* is not enclitic. The *-a* inserted is merely to ease the pronunciation.

• *paoiryō*—1/1—first, almost used adverbially. पूर्यः

mašyō—1/1—mortal—मर्त्यः

astvaiθyāi—4/1 f.—material—अस्थिवत्यै

hunūta—3/1 impf. atm., augment dropped. Worshipped, lit. pressed out. Note the atm. In the Av. the atm. is used far more frequently in its original sense than in Skt., the sense namely, of the subject of the verb, profiting by the action (cf. the "middle voice" in Grk.). Another point to note is the long *-nū* where the Skt. would show the short vowel—अनुनुत. This is due to the strong stress accent in Av. which developed in place of the original pitch accent of the I.-E. Ursprache, which latter has been preserved almost intact in the Vedas. The Av. even in the earliest period tended to have the stress-accent shifted to one fixed syllable, viz. the penult, hence the long *-nū* in the present case.

gəθyāi—4/1 of *θi* f.—for (the sake of) the world. *gi* (cf. *gayehē* above). Pers. گیتی (*gīti*) world.

kā—1/1 f.—what? का.

ahmāi—4/1—to him—अहमे.

ašiš—1/1 f.—blessing—आशीः Note the quantity of the vowels which very often do not quite correspond between Av. and Skt.

* Modi. Dict., under *Zarathuštra*, also *Saošyant*.

erendvi—3/1 pass. aor. \sqrt{ar} —to give, to grant—was granted. The Skt. word *अर* is connected with this. This is a special form of the aor. See Whit. §§ 842 ff., Reich. § 232.

ciṭ—1/1 n. a variant (palatalised *) of *ka*—What? The m. form is *ciṣ* which is found in the Veda in the phrases *सक्तिः* and *नक्तिः*. The *ciṭ* shows the final *-ṭ* after analogy of *yaṭ*, *taṭ*, etc. Cf. Lat. *quid*. Skt. shows the *चिन्* only as the indefinite enclitic particle in *चिन्ति*, etc.

jasat—3/1 aor. augmentless. \sqrt{jas} —to come—came, accrued. The root is connected with the Skt. *जस्*.

āyaptm—2/1 n.—profit. \sqrt{ap} (*आप्*) to obtain with *ā*—*आप्तम्*. The *-y-* is euphonic to avoid the hiatus.

4. *Vivāṇhā*—1/1 of *Vivāṇhvat*—*विवस्वन्*—Father of *Yimā* (*यम*) and grandson of *Hoshang*, who was the grandson of *Gaya-Maretan* the first human being. In the Veda also *यम* is called *वैवस्वन्*. The name is also written *Vivāṇhana* or *Vivāṇhuša*.

hā—1/1 f.—this, *हा*.

taṭ—1/1 n.t.—this, *तत्*.

yaṭ—conj., exactly as in Skt.—namely, that.

hē (v.l. *hi*)—8/1 of the dem. pron. enc.—his, *हस*. There is a variant *hē* also found in Av. Cf. Prāk. *he*. See below 28.

puθrō—1/1—Son, *पुत्र*.

us-zayuta—3/1 impf. atm. \sqrt{zan} (*जन्*) to be born, with *ut*, augmentless—was born—*उज्जायन्*.

yō—1/1 rel. pron.—who.

Yimō—1/1—*यमः*. The names in Av. and Veda are identical in every respect. Literally it means a twin, probably because there is mention of his twin sister *Yamī*, though in the Z. literature she is not mentioned till much later. This is evidently an old Aryan legend of the first progenitors of mankind. *Yama's* rule was the golden age of the world (cf. Ven. II, Sel. X below). But he was also the first human being who died and after his death he became the ruler of the dead. Cf. RV. X. 14.

xšaētō—1/1—Ruler. $\sqrt{xši}$ (*श्*) to rule. *Yima* always has the title *xšaēta* added to his name and this full name *Yimō-Xšaētō* (*Yima the King*) has given the Persian name *جمشید* (*Jamshid*) found in Shah. The O. Pers. form of *xšaētō* is *xšāyathiya* found constantly in the Cuneiform Inscriptions, where also it means King or Ruler.

hwaθwō—1/1 adj.—Magnificent—*हु* (*हु*) and *vāθwa* prosperity (from \sqrt{van} to win, to conquer, to protect, to prosper). The word may mean "possessing great prosperity or magnificence" or "possessing large flocks."

* Owing to the palatal vowel *i*, by the law of Vellutis.

or "having a large retinue" (Kan.). It may also mean "the good protector" (सुरक्षक).

χ^varənaṇḥastəmō—1/1 sup. of *χ^varənaṇḥvant*—most illustrious, most resplendent. Lit., most possessed of *χ^varənaṇḥ* ($\sqrt{\chi^v ar}$ —सर् to shine). This *χ^varənaṇḥ* has almost exactly the same sense as the वेजस् of Skt. literature. The words सर्, सूर्य, सूर्य, Lat. *sol*, Grk. ἥλιος, Pers. *khoreh*),* are cognate.

zātānām—6/3 of p. pt. of \sqrt{zan} (जन्) to be born—Of those born, i.e. of created things—जानानाम्.

hvarə-darəō—1/1—Comp. of *hvarə* the sun and *darəsa* appearance—having the appearance of the sun. Note the retention of *hv* in this word.

mašyānām—6/3 of *mašya*—Of mortals, among mortals—मर्त्यानाम्.

yač—1/1 n. rel. pron.—This refers to *Yima*. In Av. the neu. rel. pro.* is often used for all genders and numbers as a sort of general relative. (Kan. A.G. § 604).

kərənaot—3/1 impf. augmentless of \sqrt{kar} to do—made. In the Av. as in Veda the \sqrt{kar} (कृ) is used in the कृ class. (कृ) कृषीत्

aīḥe (v.l. *aḥhe*, *aḥhe*)—6/1 of dem. pro. m.—his (own)—अह्ये. The regular G.A. form is *ahyā* and in Y.A. *ahe* for the m. The form *aīḥe* is formed after the analogy of the fem. *aīḥā* (अह्याः) where owing to the epenthetic *i*, the *ḥ* change to *ḥ*. The two nasals *ḥ* and *ḥ* are hard to distinguish in pronunciation and in actual practice are not sounded differently. The *ḥ* is the guttural nasal = Skt. ऋ and the *ḥ* has a slightly palatalised value and occurs with an *i* or *e*, i.e. with palatal vowels. Sometimes however mss. show wrongly the *ḥ* even when the palatal vowel is dropped, e.g. *aḥhe*, *aḥhā*, etc. Note also the reflexive sense of the dem. pron. when referring to the subj. of the principal sentence.†

χšaθrāda—5/1 of *χšaθra* (अश्व) —Power, rule, kingdom. The form of the abl. ending *-āda* is peculiar to Av. This is really made up of the regular ending *-āḥ* + *ā* (a postposition) which when joined together give *-āḥā*, subsequently *-āda*. Skt. अश्वारा = अश्वार् + आ. But the postposition *ā* was invariably used with the abl. form, especially if it had a sense other than the regular abl. sense of "from." Thus the *-āda* became a regular ending for the abl. by the enclitic postposition *ā* being incorporated with the original ending. Another point to note about the abl. ending is, that the *-āḥ*, which originally, as also in Skt., belonged to the stems in *-a* (अ) only, was in the Av. extended to all nouns, thus completely replacing the original, I.E. *-as* (अस्).|| The sense of the abl. here may be taken as (1) referring to space, "in his kingdom," (2) referring to time, "during his rule," or (3) causal, "owing to his rule."

* The Per. word means वेजस्.

† Kan. calls the *yač* "the relative particle."

‡ Reich. § 598

|| Jack. A.G. § 228.

amaršanta (v.l. *amarəšanta*, *amarəšinta* Kan.)—2/2 fut. pt. $\sqrt{\text{mar}}$ (𑀢𑀺) to die with negative prefix *a-* (𑀅𑀺)—undying, immortal.—𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺 (Ved.).

pasu-vira, a *dvandva* comp., 2/2—animals and men—𑀧𑀺𑀓𑀺𑀢𑀺𑀓𑀺𑀢𑀺 (Ved.).

aphaošmne—2/2 pres. pt. atm. f. of $\sqrt{\text{huś}}$ (𑀢𑀺𑀓𑀺) to dry up with negative prefix *a-* not drying up, ever fresh—𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺𑀓𑀺𑀢𑀺

āpa-urvaire, a *dvandra* comp. 2/2—waters and vegetation. The original words are *āpa* and *urvarā*. *āpa* is Skt. 𑀅𑀺𑀢𑀺: water, but in Av. it is used in all numbers. The word *urvarā* corresponds to Skt. 𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺, but means vegetation. The Pers. 𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺 (*urvar*) tree is a derivative. The Lat. *arbor* also seems to be a cognate.

χ^vairyān—3/3 opt. par. $\sqrt{\text{χ}^v\text{ar}}$ —to eat (Kan.). They (i.e. the people) might eat. Kan. takes this to be an independent sentence. Reich. however takes *χ^vairyān* to be an inf. 2/1 object of the verb *kərənaot* and compares the sentence with the Vedic construction where the inf. is used as obj. of the finite verb, e.g. 𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺 𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺 𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺.* Reich. translates “made for feeding.”

χ^varətam (v.l. *təm*)—2/1—Food—cognate object of *χ^vairyān*.

ajayamnam (v.l. *ajyannam*)—2/1 Pres. pt. atm. $\sqrt{\text{jyā}}$ to decay, to be exhausted (cf. Skt. 𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺)—Inexhaustible.

5. *χ^vādre* (v.l. *ōbrahe* evidently due to attraction of the two genitives on either side) 7/1—In the kingdom or during the rule.

aurvahr—6/1—Illustrious, renowned. $\sqrt{\text{ar}}$ to be noble. Skt. 𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺 is connected.

nōit . . . *nōit*—neither . . . nor. *Nōit* by itself is much stronger as a negative and may be rendered “never.”

aotam—noun, 1/1 n. -Cold (cf. Av. *aodar*—cold, Skt. 𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺: in the sense of cloud in the Veda).

āpha—3/1 pft. $\sqrt{\text{ah}}$ (𑀅𑀺𑀢𑀺) to be—There was, 𑀅𑀺𑀢𑀺.

garmanam—noun 1/1 n.—Warm, 𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺, *θέρμος*

zaurva—1/1 f.—note the shortening of the final *ā* of *zaurvā*. Old age—𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺.

mərətyuš—1/1 m.—Death, 𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺.

araskō (*āπ*)—1/1—meaning is doubtful as it is used only in one other place† besides. Probably it means envy.—Pers. 𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺 (*rashk*) envy. Is 𑀅𑀺𑀢𑀺𑀓𑀺𑀢𑀺 connected? Barth. (Wb. 187) says that though derivation and tradition agree as to the meaning envy still the meaning “illness” would suit the context better. He thinks *yaskō* might have been the original reading.

* RV. VII. 21. 3; Reich. § 690.

† Yt. XV. 16, which is exactly the same passage.

daēvo-dātō—1/1—Comp. of *daēva* demon and *dāta* p. pt. of \sqrt{da} (दा) to create—created by the demon. The word *daēva* is the same as the Skt. दैव, \sqrt{div} (दिव) to shine, but the meanings are opposite. Similarly we find *Ahura* and अहुर the same philologically but with opposite meanings. This points to a period of Indo-Iranian unity which was later disturbed by some religious quarrel. In fact the names of a great many Hindu deities are used for demons in *Av.* and *vice versa* in the *Veda*. It is however remarkable that अहुर in the oldest *Veda* has got the good sense while *daēva* is nowhere thus used in the *Av.**

pancadaśa—1/2 adj.—fifteen (years old), referring to the *pi.a-puθras-ca* (पिता पुत्रश्च —father and son. The age of 15 was considered to be the age of the first blossoming of youth in ancient Iran hence the word implies "in the first bloom of youth."

fracarōiθe—3.2 subj. ātm. \sqrt{car} (चर्) to move with *frā* (प्र)—move about. *प्रचरेथे

raodaēša—7/3 (*raodaēšu* + *ā*). The *ā* is a postposition (= in) amplifying the sense of the loc. See above *xšaθrāda*. The word *raoda* (\sqrt{rud} —वृध्—to grow) means growth, stature, when used in plu. it means appearance, form. In appearance.

kataras-ci—*ci*, as in Skt., is indefinite in sense. *katura* (com. of *ka*) means one of the two (Gk. *πορ'apos*—कतरः—either of them, i.e. both of them. This word is evidently a later addition made in order to emphasise the sense fully, as it does not fit in with the metre.

yavata—As long as—यवत्.

xšayōit—3¹ acc.—Ruled—(अ)जयत्.

Vivajuhātō—6.1—Of V.—विजयतः.

6. *butyō*—1/1—Second—द्वितीयः.

7. *Āncyō*—1.1.—The father of *Θraētaona*. In *Veda* the name is found as आपय, in *Pah.* as *Āspiyān* and in *Shah.* we find it as أبين (*Ābīn*). He was famed for his great wealth because he has always the epithet "pouroyo" (पुयगुः possessing many cows)† given him in *Pah.* books.

visō—6.1 f. of *vis* family—विशः.

sūrayā—6/1 f. valiant—सूरायाः.

Θraētaonō—1/1. This name is found in *Veda* as चेतान with the surname आपय added (RV. I. 158. 5.). This personage is also mentioned in the *Veda* as having slain a three-headed monster and delivered the cows, though later on this exploit has been transferred to *Indra* (RV. X. 8. 8.). The *Veda* moreover in other passages uses the name चित आपय for the same personage.

* Haug, pp. 267 ff. See also Introduction.

† Another epithet of his is *pūtorā*, possessing many bulls (cf. *taurus*).

8. *janat* (v.l. *zanat*)—3/1 impf. $\sqrt{\text{jan}}$ (*zan*)—**जन्**—to slay. (**जन्**, **जन्तु**.)

θri-zafnēm—2/1—with three jaws—The word *zafan*, *√zaf* (*jap*), *जप* to gape, is used only for the *daēvas* or their creation. Corresponding to words used for ordinary or good people, i.e. the creation of the Good Spirit, the "*ahura*" words, there is a whole series of "*daēva*" words in Z. literature. This custom continues even to-day among the Parsis, e.g. *𐬔𐬀𐬭𐬀* to sleep, but the "*daēva*-word" is *𐬔𐬀𐬭𐬀𐬭𐬀*; *𐬔𐬀𐬭𐬀* to eat and *𐬔𐬀𐬭𐬀𐬭𐬀* and so on through a whole series. In German there are a few such pairs of words, e.g. *Mund* (mouth) but *Maul* (used for animals).

*कमरधन् (= कुम्भधन्) on analogy of किरर, कपूरर the inter. pron. being used in the sense of contempt. Kan. in his Dict. gives another derivation, *hamara* empty space (cf. Lat. *camera*) and धा (धा) to enclose, hence meaning lit. an empty head.*

* See also Barth., Wh. 440.

χšvas-ašim—2/1—*χšvas* six (𐬬𐬀—Grk. ἑξ—Lat. sex) + *aši* eye (𐬀𐬎𐬎𐬎), a *daēva*-word. These three words of course refer to *Dahāka* and the two serpents growing out of his shoulders.

hazaṅrā-yaoxšti—2/1—of a thousand wiles. *hazaṅrā* thousand, Pers. *hazār* (𐬵𐬀𐬵𐬀), *yaoxšti*—𐬵𐬀𐬎𐬎𐬎—art. *Dahāka* was very learned in the arts and sciences of his day and hence this epithet. It is not used in any special *daēva*-sense because in another place we find a blessing uttered in these words: *hazaṅra-yaoxštyō bavāhi yuθa Ažōiš Dahākāi aya-daēna* (he thou learned in a thousand arts like *Azhi-Dahāka*, the follower of the wicked faith) Yt. XXIII. 3.

aš-aoyajñem—2/1—possessing much power *-aš*—is a prefix used often in the sense of very or excessive, like the Skt. अति; it is often spelt also *aš*.^{*} *aoyajñ*—𐬀𐬵𐬀𐬎𐬎𐬎—power. *Dahāka* had obtained the power by *tapas* but had misused it like *Rāvaṇa* and other demons of mythology.*

daēvim—2/1—devilish—𐬀𐬵𐬀𐬎𐬎𐬎.

drujəm (v.l. °*jim*)—2/1 f.—This is the root-noun, *druj*—to oppose, hence opponent, enemy; 𐬀𐬵𐬀𐬎𐬎𐬎. Hence it means the Arch enemy and all his creation. Modern P. Guj. 𐬀𐬵𐬀𐬎𐬎𐬎.

ayəm—evil, 𐬀𐬵𐬀𐬎𐬎𐬎.

gaēθāvyō (v.l. °*vayō*)—The suffix is a variant of °*yō* (𐬀𐬵𐬀𐬎𐬎𐬎); 4/3 of *gaēθā* creation. The 𐬀𐬵𐬀𐬎𐬎𐬎 of Skt. is often represented in Av. by *w* and sometimes by *b* and the *b* and *v* interchange (𐬀𐬵𐬀𐬎𐬎𐬎𐬎𐬎𐬎).

drvantəm—2/1 pres. pt. √*dru* (𐬀𐬵𐬀𐬎𐬎𐬎) to run away. Lit. running away, later used specifically for one who runs away from the Law of God hence an infidel, unbeliever (Kan.). It is used in exactly the same signification as the Skt. word 𐬀𐬵𐬀𐬎𐬎𐬎 or the Christian word *heathen*. In P. Guj. it survives as 𐬀𐬵𐬀𐬎𐬎𐬎 or 𐬀𐬵𐬀𐬎𐬎𐬎.

fraca-kərəntat—3/1 impf. par. √*kəret* (𐬀𐬵𐬀𐬎𐬎𐬎, 𐬀𐬵𐬀𐬎𐬎𐬎) to cut and *fraca* (𐬀𐬵𐬀𐬎𐬎𐬎) forth or out. When used as a *daēva*-word it means to create; the idea being that the *daēva* creation is not properly finished but is as it were hewn out anyhow and misshapen monsters are the result.

Aprō-Mainyuš—1/1. The Evil Spirit; lit., the destroying spirit *ayra* (√*ay* 𐬀𐬵𐬀𐬎𐬎𐬎 to decrease, to ruin, to destroy) and *mainyu* (√*man* 𐬀𐬵𐬀𐬎𐬎𐬎 to think). Per. 𐬀𐬵𐬀𐬎𐬎𐬎 (*Ahriman*). God, Ahura-Mazda, has created two spirits, the Good Spirit (*Spənto-Mainyuš*) and the Evil-Spirit (*Aprō-Mainyuš*). They are both of equal power and they are to be in eternal opposition to each other. From this eternal opposition proceeds all evolution. See Gāθ. Ahu. XXX (Sel. XXIV). This is the so-called "Dualism" taught by Z.; but they who call the faith Dualistic forget that Z. has distinctly stated that

Ahura-Maza is above them both.* This Dualism reminds one of *पुरुष* and *प्रकृति* of the Sāṅkhyas, while Ahura-Mazda above them both is comparable to ईश्वर in the Yoga philosophy.

avi—against—*अवि*.

yām . . . *gaēhām*—The rel. here has almost the sense of the dem. or of the def. art.

mahrkūi—4/1 inf. *marac* (मरच्) to twist, to torture, to ruin (cf. Guj. मरचकुं)—In order to torment or to destroy.

Ašahe—6/1—of *Aša*. *Aša* (neu.), *अश* orig. meant Law or Truth, the Divine Order in Creation, somewhat like the conception of *धर्म* in India. In fact *Aša* meant to Irān what *धर्म* meant to India. In some places the *Aša* has been personified as a Divinity who occupied a definite place in the Divine Hierarchy. He is then called sometimes *Aša* and sometimes *Aša-vahišta* (later *Arštibesh*). He leads the creation of the Good Spirit against the *Druj* and the forces of *Agro-Mainyūš*. See Introduction.

9. *Orityō*—third—*अतीत्यः*

10. *Orītō*—The son of *Sāma*. His son *Kərəsāspa* was much more famous and the latter is known in Pahl. looks as *Sāma* also. *अति* of the *Vēdas*, *अति* (*Atrī*).

Sāmanām—plu. indicating family as in other I-E. languages. This *Sāma* is not to be confounded with the *Sām* of the Shah, the son of *Nariman* and the grandfather of *Rustam*. Both these were connected according to Bun. but the exact connection is not given.†

saristo—the most powerful—the most prosperous—*सर्विष्ठः*

pu'ra—1 2—*पुत्रा* (Ved.).

us-zayōiše—3'2 aor. pass.—(two) were born.

Urvāxšaya—A son of *Orīta*. He was a religious teacher and famed for his great wisdom. (See Yt. XXIII.) He was slain by a foe called *Hitāspa*, and in order to avenge him, his brother *Kərəsāspa* invoked *Rāma Yazata* and succeeded in slaying *Hitāspa* (*Rāma* Yt. and *Zamyād* Yt.). *Kərəsāspa*—The name is philologically the Skt. *कृशाश्व*. He is the greatest hero mentioned in the Av. His name occurs in many places. He belonged to the *Sāma* family and being the greatest among them was often distinguished as "the *Sāma*" (Pahl. *Zand-i-Vohuman* Yt.). He has been remembered as having preformed many wondrous deeds, for, like a true knight-errant, he used to wander about eager for adventures and for relieving human suffering. Among his most notable deeds may be mentioned: (1) the slaying of the horned dragon as described here; (2) the slaying of his brother's murderer; (3) vanquishing the monster *Gandarava* (*गन्धर्व*?) who lived on the

* The later Z. literature sometimes identifies Ahura-Mazda with the Good Spirit (Ven. I. 7).

† Modi, Dict. *Sāma*.

11. *sr̥vareṃ*—horned. The word is originally a compound *sr̥ū* + *bara* = *𐬰𐬀𐬭𐬀𐬵𐬀*. This also illustrates the irregular representation of Aryan *bh* by Av. *v*. There are no true mediae aspirates in Av. In G.A. they are all deaspirated while in Y.A. a series of spirant sounds (*γ*, *δ*, *w*) are developed to represent the original aspirates. But there has been a good deal of crossing and overlapping. The development can best be seen in the diagram below:—

Aryan (= Skt. also)

G.A.

Y.A.

aspo-garēṃ—horse-devouring. *√gar*—𐬀𐬭𐬀 to swallow.

narō-garēṃ (v.l. *nara*^o, *nare*^o)—man-devouring. In the declension of the stem *nar-* (𐬀𐬭𐬀) we often find the base *nar-* (Reich. § 361). The second *a* is evidently epenthetic in origin occurring in G.A. forms having the terminations beginning with *b* (I.E. *bh*), e.g. *narābyō* (𐬀𐬭𐬀𐬵𐬀:). In Y.A. the form would have been *narō-garēṃ*.

višavantēṃ (v.l. *viš*^o, *viš*^o) poisonous—𐬵𐬀𐬱𐬀𐬵𐬀𐬵𐬀 Cf. Grk. *íos*, Lat. *virus*.

zairitēṃ—yellow—𐬵𐬀𐬵𐬀𐬵𐬀.

viš—1/1 n.—Note that in Skt. the word is transferred to the *-a* declension.

araodaṭ—One of the few cases where the augment is retained. *√raod*:*δ*—𐬀𐬭𐬀—to grow, lit. grew, i.e. spread.

ārštyo-barəza—1 l or 3/1 of *zagh* neu.—To the height of a spear. The Pah. trans. says *asp-bā-lūk*, i.e. to the height of a horse, which as Barth.† remarks comes to about a spear's height. The Skt. trans. of Nair. gives *कुर्बुमुहर्बुम्* which seems to have misled Kan. into translating "to the depth of a thumb." With *ārštya* cf. Skt. *अर्ष्टि*; *barəza* is height *√barəz* (𐬵𐬀𐬵𐬀 a variant of 𐬵𐬀𐬵𐬀) to increase.

ayaṇha—3 l of *ayaṇha*—kettle. Lit. iron or metal. 𐬀𐬵𐬀𐬀𐬀. Cf. Lat. *aes*. Goth. *aiz* (bronze).

pitūm—food. *पि* (Ved.) also means nourishment or food.

pacata—3 l impf. atn.—*𐬵𐬀𐬵𐬀𐬵𐬀. Note atn.

rapithwinēṃ. See note on *hāvani* above, 1.

zrvānēṃ—2 l m.—Time. The word is probably connected with *χρόνος* (**χρoFvos*). The word has been borrowed in Arm. *zruan*, Pah. *zrvān*. Mod. Per. زمان (*zamān*) is a derivation through Pah. In Y.A. we often get the phrase *zrvāne akarane* "time without end." This has become a charac-

teristic feature of later Z. cosmology, which may in some respects be compared with that of the unknown and unknowable *परमब्रह्म* of Vedānta philosophy. See Introduction.

tapsat-ca—3/1 impf. \sqrt{tap} तप—grew hot. Cf. Lat. *tepsco*, Pers. *تپیدن* (*tapsidan*) or *تفیدن* (*tafsidan*) to be heated.

hō—ः here used as a def. art. Barth. (Wb. 1719) notes that this demonstrative continues the preceding relative clause (*yim upairi* K. . . . etc.) with which this clause is co-ordinated.

mairyo—serpent—*मारः* (Kan.)—Per. *مار* (*mār*) serpent. Reich. following Barth. translates “scoundrel”. \sqrt{mar} to destroy.

χ^{his}saṭ-ca.—3/1 impf. $\sqrt{\chi^{his}}$ —खिह—sweated. Kan. takes it as equal to Skt. *खिह* and translates “hissed”; but this is not very probable.

frūnš—adv. forth, away प्राक्.

frasparaṭ—3/1 impf. \sqrt{spar} (स्फुर) with *frā* (प्र)—sprang away—*प्रास्फुरन्*. Cf. Grk. *σπέρω*, Lat. *speruō*.

yačšyantiṃ—2/1 f. pres. pt. \sqrt{yah} (यश्) to boil—boiling.

āpam—Note the sg. number as distinguished from the Skt. *आपः* always plu. The gender however is fem. in both.

parāṅhāt—3/1 subj. atm. \sqrt{ch} (च) to throw with *parā* (परा). For the subj. used for impf. see Reich. § 189 and note 1 (p. 95) and § 631. The reason for the sub. here seems to be the relation of cause and effect between *frasparaṭ* and *parāṅhāt*. But in other cases the falling together of these two forms seems to be partly phonetic and partly syntactical.

parāš—adv. *पराश्*—away, aside, in another direction.

tarštō—1/1 ppt. of \sqrt{thrah} —तश्—frightened—*तश्*:—Cf. Grk. *τρίω*, Lat. *terreo*.

apatacat—3/1 impf. $\sqrt{tac/k}$ with *apa*—Fled away. Ved. *तपि*, Pers. *تاختن* (*tākhtan*) to attack, to gallop. . .

nairē-maṇā—Of heroic soul—*नरमना*: *नर* here is to be understood as *नोर*.* In Shah. the word is used as a proper noun—*نریمان* (*Narimān*) the father of *سام* (*Sām*) who was the father of *ذال* (*Zāl*) and the grandfather of *رستم* (*Rustam*).

12. *tūiryō*—fourth—*तुरीयः* (see *āxtūirim* below 14).

13. *Pouruṣaspō*.—The father of Z. His name seems to signify according to Barth. “having gray horses” (Barth. compares *वक्त्र*, *वह्नि* (हि), *व*, Per. *پیر* *pīr* old).† The *-aspu* as a part of name is very common in ancient Persia (cf. Z’s genealogy under Spitama above, 2) and probably indicated

* Cf. also *ko nare nāi* ? in 1, above.

† Wb. 908.

a warrior (*Raθēštār*). The derivation commonly accepted however is that indicated in *Vištāspa Yt.* 2 and *Yt.* XXIII. 4. "*Pouru-aspəm bavāhi yaθa Pouruśaspəm* (Be possessed of many horses like P.).* P. lived on the banks of the river *Darja* at the foot of a mountain (*Ven.* XIX. 4).† This is all the information found in Av. regarding P. But Pah. has some more details. According to Bun. and other works he was the son of *Paitirāspa* and had a brother named *Arāsti*. He married *Duydā*, the daughter of *Frahimrava* of the family of *Zaviši* (also *Ven.* XIX. 6)† and Z. was their only child. The family of P. traced descent from *Spitama* as seen above and *Spitama* himself was a descendant of a younger branch of the Royal house of *Θraētaona* (*Faridūn*) :

Spitama—Vaētišta — Ayūzəm — Rajašne — Durāsrəm — Maīnyōš-ciθra
(*Minūchehr—مینوچه‌هر*)—*Airyava* (*Irach—ایرچ*)—*Θraētaona* (*Faridūn—فریدون*).

tūm—thou—تو.

us-zayayha—2/1 impf. atm. Thou wast born, उदजायथः. The ending is -yha (*-ḥa), cf. Grk. -σo. This is a rare form.

ərəzvō—8 l. O Righteous (One) Kan.—(ॐ)^x वरुणः Barth. ‡ takes it as an adv. and trans. "truly," "in very deed" (like the Skt. वरुण) and regards it as a stereotyped case-form (6 l) of *ərəzu*. Thus also Geld.

nmūnahe—6 l of *nmūna*—house, family. In G.A. the form *dēmāna* is found and sometimes even in Y.A. The origin is from Aryan *damānu* which owing to a strong stress accent on the penult dropped the first vowel or changed it to the neutral and colourless *a*. In the former case, by regular Sandhi assimilation, the **dmānəm* becomes *nmūnəm*. Note also that the penult now is always long.—Skt. दम, Grk. δέμω.

vidaēvō—opposed to the *daēvas*. The *vi* is from I-E. **dei* ; cf. Lat. *bi* in *bi-sect*, etc.

Ahura-ḥkačō—Follower of the law of Ahura. See above 10.

14. Barth. take the first "pāda" *srūto Airyene Vaējahe* with the preceding stanza (13).

srūtō—Famed—वसुतः ; refers to Z.

Airyene Vaējahe (v.l. *jahi* Kan.) 7/1 n.—Through *Airyana Vaējagh*. This is the ancient name of the original home of the Aryan peoples. Of the I-E. peoples one branch called themselves *Ārya* (lit. noble) || and they carried this name and bore it with pride all through their history. (Cf. the utter contempt implied by the word वनार्य). One offshoot of this *Āryan* branch dwelling in what may have been the plateau of Central Persia perhaps extending up to and including Bactria, called the land of their origin

* *Sol.* XXIII, Part II.

† *Sol.* XIV below.

‡ *Wb.* 355.

|| See *Encyc. Brit.* (9th ed.) art. *Āryans* by Max Müller.

Airyana Vaējāṇh. The word *Vaējāṇh* is cognate with बीज and means "seed" or "origin." Hence the Pah. form *Ē-ān-Vēz* and the Mod. Pers. ايران ويز (*Irānvēz*) shortened to ايران (*Irān*).^{*} Kanga's reading *ṽahi* gives the true original 7:1 of the noun. The reading adopted in the text (Geld.) is also probably accurate where the constant association with *Airyana* (an *a-stum*) may have shifted the declension of *Vaējāṇh* also to conformity with it. Note that comp. names in Av. decline both their members.

Akunam Vairim—2/1 m.—The hymn beginning *Yathā-Ahu vairyo*.† This is the holiest of the three principal prayers of Z. religion and is supposed to have been even anterior to Z. The other two are those beginning *Aṣam Vohū*‡ and *Yeyhe hatām*.||

frāsrāvayō—2/1 impf. caus. par. √*srū* with *frā*—प्राश्रवयः. didst chant aloud.

vīharəwāntəm—adj. to *Ahu Vair*.—"with the pauses observed" (Reich.); "with proper divisions of metre and syllables" (Gold.); "spread abroad," i.e. "well-known" (Kan.). There is the tradition that the *Ahu Vair* chanted with proper attention to the accent and metre and with a proper understanding of its meaning equals in merit the chanting 100 *Gāthās* (Yas. XIX).¶ This supports Geld.'s view. The form is made up of √*bar* with *vī* and the suffix *vant*, like Skt. छनन्

āxtūirīm—2/1 adj.—Has been translated in various ways: (1) "spread in four directions"; (2) "that which is to be chanted four times (e.g. during the Haoma sacrifice, see Ven. X. 12, Yas. XXVII); (3) "chanted four times" (because this prayer belongs to the class of hymns known as *vaca caṣrusā-mrūta*, i.e. words that are to be spoken or repeated four times, see Ven. X. 11). The word is made up of *ā* + *tūirīm* (a variant of तुरीयम्) on the analogy of चातुश्चम् **. The consonant *χ* between has had a remarkable history which will be evident on regarding the pedigree of *tuiri*—*tur*.:—

I.E. **q̥atur* gives in the weak grade a form like **kturi-am* with probably a strong stress on the *i*. Both grades are represented in the Aryan branch: the strong one in चतुर, Av. *catur*; and the weak in तुरीय (**kturīy*), Av. *tuiri*—(**χtur*). The *χ* therefore reappears whenever chance favours it, as here. The weakening of the first syllable, even up to the extent of complete disappearance, is paralleled also by other words in Av. Some of the most remarkable cases are G.A. *piā* (Yas. XLVII. 2) and even G.A. *tā* (Yas. XLVII. 3.) for Ar. *piā* (पिता); Y.A. *tūiryō* (Vis. XII. 15, पित्र्यः; *tāū* (for **piāū*) (Yt. VIII. 47) for पितृनाः; also *taṭ-ūpō* (Yt. XIII. 44) for पतन्-वापः (possessing falling water).††

aparam—The other half, the second half (Reich. and others).—Once again (Kan.) अपरम्.

* See also Introduction.

† Sel. VII a. below.

‡ Sel. VII b.

|| Sel. II.

¶ Sel. VIII a.

** B. V. X. 14. 6, also Whit. § 1313 a.

†† Reich. § 173 a.

hraoždēhya—3/1 of com. of *hraoždya* adj. to *frasrūiti*. From *hrut* (ह्रुत्) + *√dā* (दा) (cf. *yaōdā* above, 1), lit. to be angry, hence to be hard, to be obdurate. Also by a transference of meaning “to be loud (in voice).” Hence the word means “with (or in) a higher pitch” “with a louder chant” (Reich.)—“more intensely” (Kan.).

frasrūiti—3/1. Chanting. The ins. is the ins. of manner. Reich. § 447 c.

15. *zəmagūzō* (v.l. *°gūrō* Geld.) 2/3 of *°gūz*—Hidden under the earth—* *𐬵𐬀𐬭𐬀* (from * *𐬵𐬀𐬭𐬀*). *zəma*—earth (cf. Skt. *जम्*. Gr. *χάμη*, Lat. *humī*, Russ. *zemlya*, Pers. *زمین* *zamin*) and *gūza* p.pt. of *√guz*—(गुञ्) to hide. The comp. is really *aluk* for the *zəmar* is really the 7/1 *zamarə*. (Barth. Wb. 1665).

* *ākərmavō*—2/1 impf. atin. of *√kar* (कृ) with *ā*. When used with two accusatives (here *zəmar-gūzō* and *vīspe daēva*) it means “to make a person . . .”. The sense is entirely causal—“Thou didst cause all the D. to be hidden underneath the earth.”

vīspe-daēva—2/3—all the demons. Note the form *daēva* with short vowel at the end. The form *daēvāpho* (देवाफः) is also found. “In the *Gāthas*,” says Reich. (A.R., p. 98), “the concept of *Daēva* is connected with *ušig*-, *kavay*- and *karapan*.* The priests and professors of the old belief, which designated the concept of God by *daēva* (Skt. देव), offered opposition, as may be easily understood, to the introduction of the Zoroastrian religion; cf. Yas. XXXII. 3. seq., 9. seq., XXXIV. 8. seq., XLIX. 1. seq. As the new belief was accepted the very meaning of *daēva* grew obscure and the ‘false gods’ became demons and evil spirits.”

yōi—1/3 G.A. (Y.A. *yaē*)—Who—वे. Skt. *य* = G.A. *यि* regularly.

para—before—पर.

ahmāt—5/1 of the dem. pron.—this (time), now—अहमात्

vīrō-raōda—3/1—In human shape. *raōda* means shape or size, see also above 5. Note also the word *vīra* in Av. means generally a human being whereas *nar*- means a hero: cf. *naire-manā* above 11.

apatayən—3/3 impf. par. *√pat* (पठ्) to run. Ran about. The *√pat* when denoting movement is used in the *daēva* sense. Note also the retention of the augment.

paūti—upon—पति. Governs the ins. here.

āya—3/1 of the pron. *ā*. *ā* + *ā* giving *āyā* (the *y* being euphonic), hence *āyō*—अयौ

zəmd—3/1.

yō—refers to the *tūm* above, i.e. to Z.—यः (यं)

* See below 13, for explanations of these terms.

aojīštō—sup. 1/1—strongest—most possessed of power—**ओजिष्ठः**:

tancištō (v.l. °jīštō Kan.)—sup. 1/1 from *taxm* (√*tak*, **तक्** to be swift, to be brave)—bravest. Cf. O.H.G. *degan*, “a hero”; Pers. **تاهم** (*tahm*) in the name **تاهمتان** (*tahmtan*) used in Shah. as an epithet of Rustam meaning “strong-bodied.” Probably the O. Per. word *taumā* (f.), “race” or “family” is also connected. This latter gives Mod. Pers. **لکھم** (*lukhm*) in the sense of “pedigree” or “family.” The root **तक्** is also mentioned in Skt.

θwaxšīštō—most active, cf. Skt. **लक्ष्** as in **लक्ष्मीयसा वयसः** (RV II. 33. 6). Is **इक्ष** also connected?

āsištō (v.l. *asi*°) swiftest; cf. **आसि**.

āš-varəθrajaštāmō—sup. 1/1—In the highest degree victorious. For *āš* see above 8. *varəθrajaštāma* is sup. of *varəθrajan* (**वरध्वज**) “victorious.” The name *Varəθrayna* is used for one of the *Yaratas* also, found in Per. as **يارام** (*Bahrām*).*

Mainivā—6/2 of *mainyu*—of the two Spirits. See above 8, under *Ayro-mainyuš* **अयरोमन्यो**:

dāmān—2/3 used for 7/3 (Kan.)—Among the creatures (in the sense of **दृष्टि**). Barth. takes it to be 6/1 (the sg. implying a collective). Skt. **धामन्** is cognate.

16. *vayhuš*—1/1 cf. *vohu* or *vayhu*—Excellent—**वहु**. For the declension see note on *ayhəuš* above 1. Cf. Ir. *fin*. worthy. Grk. **εὖς**—clever.

hudātō—1/1 of the p.pt. √*dā* (**धा**)—well-created—***दुधानः** (°**दित**)

aršdātō—1/1—Created by truth, truth-created. G.A. *arəš* is an adv. formed by adding suffix. -s to *arəz* (**अरज**). Is **अरि** cognate with *arəš*? Y.A. *arš* truth.

vayhuš-dātō—I propose to read this as a compound meaning “created by (√*dā*=**धा**) *Vohu* (the Spirit of Truth or Excellence).” It is also notable that in the *Farvardin Yašt* (Yt. XIII. 119) the name *Vayhušdāta* (cf. Skt. **वयुधुतः**) is mentioned as being that of a great king and ruler.

baēšazyō—Health-giving (Kan.)—Healing (Reich.)—**भेषज्यः**:

hukərəfš—1/1 of *hukəhrp*—**हुकृप्**; cf. Arm. *Kerp*. The epithet means “well shaped,” “beautiful”; cf. the epithet *huraōda* used always of *Sraoša*.†

hvarəš—1/1, from *hu* (**हु**) + √*varəz* (**वर्ज्**) to act. Cf. Pers. **ورزشیدن** (*varzi-dan*) to practise and **ورزش** (*varzish*) custom, Goth. *waurkjan*, Eng. *work*)—One who works for good.

varəθrajaš—1/1—**वरध्वजः**—Victorious.

* Romanized as *Varharan* from the Pahl. form *Varhrān*.

† See II.

zairi-gaonō—1,1 from *zairi* (वरि) “yellow” or “golden” and *gaona* (गुण) “colour.” The word *gaona* is specially used with reference to the colour of the hair and it often used to mean “hair.” Probably the Skt. गुण (=string) is also connected. Cf. Af. غون (*ghūn*) hair, Pers. گون (*gūn*) colour. The idea of *zairi-gaonō* is exactly paralleled in RV. IX. 65. 8. चक्षुः (sc. सोमस्य, वर्णस्य .. वरिस्य..).

nāmyāsuš—1/1—“with bending twigs” or “with soft twigs.” नम्यासुः *nāmi* is used adjectivally only here and is cognate to Skt. नम—Pers. نرم (*narm*) soft.

yatha χ^aarəntē vahistō—“If they drink of him he is the best”. (Reich.) Evidently refers to the Haoma being best for the body, because the soul is referred to in the next *pāda*.

χ^aarəntē is taken by Reich. as 3/3 pres. atm. χ^aar (خوردن *khurdan*, to eat. Kan. takes it differently and perhaps better: *χ^aarəntē* as 4/1 of the pres. pt. used with a strong base* irregularly. And he translates “just as he is best for the drinker (i.e. for his body).” This balances well with the following.

urunaē-ca—4 1 of *urvān* (ravān) soul (Pers. رَوَن *ravān* soul). This is the immortal part of the human being which is the true man as it were and responsible for all actions during the life on earth.† The origin of the word is doubtful. Kan. takes it to be connected with *uru* (उरु) “broad” (Dict.). Can it be connected with *var* (वर) to choose a sort, of pres. pt. atm., referring to the freedom of the human soul to choose good or evil as he thinks best? This idea of free-will is a cardinal doctrine of the Z. faith. Jack. (A.R.) supports this view. The human being according to Z. theology is a complex of several principles which are variously enumerated.‡ According to Yas. XXVI. 4 there are: 1. *ahū*, 2. *daēna*, 3. *baodah*, 4. *urvān*, and 5. *fravaši*. Yas. LV. 1. however gives 1. *tanu*, 2. *azd*, 3. *uštāna*, 4. *kahrp*, 5. *taviši*, 6. *baodah*, 7. *urvān*, and 8. *fravaši*.

pāthmaingōtāmō—He who best points out the way. Sup. of *pāthman*.

17. *nī ... mruyē*—1 1 pres. atm. √*mrū* (मृ) to speak with *nī* (नि) to request (Kan.). Barth. takes it as “call down,” or “invoke.”

te—6,1 pron. enc.—Kan. trans. literally “I request (of thee) for thy fervour etc.” I think it better to understand here 6,1 used for 5/1 understanding “I request from thee”; cf. “I request of thee.”

zāire—8/1 m.—O Golden-one—दे वरे.

madəm—2 1 of *mad* दा (मद)—fervour, ecstasy. Barth. takes it to mean

* Cf. *fiyante* 4/1 (see Jack. A.G. § 291 paradigm).

† In P. Guj. the word मर्या has by a strange process come to mean the dead body or corpse.

‡ See Introduction, also Yas. XXVI. (Sel. III. below.)

|| For an attempted reconciliation of this twofold classification see Introduction.

literally intoxication due to drinking fermented Haoma juice (see Yas. X ; Sel. XIX, Part II). Kan. translates "wisdom."

aməm—Power, strength. Ved. अम means impetus.

varəθrayənm—Victory—वार्चेन्नम् is the nearest Skt. equivalent.

dasvərə (v.l. *dasvaram*)—2 1 n.—Always used with *baēšaza* and means "health" (of the body). Cf. the word *dāśma-nī* * lit. "leading to health," i.e. "health-giving."

bašazəm—means of gaining health—भेषजम्

fradaθəm—success, advancement, progress forwards (Barth.) ; prosperity (Kan.) Used in the sense of हृदि according to Nair. Skt. trans. From *frā* + √dā. ५. १. १.

varədaθəm (v.l. *verə*° Kan.)—increase, multiplying. Same word as हृ This probably refers to the increase in the numbers of the faithful, which Z. would naturally require as a boon from Haoma.

aojō—2 1 n.—बोजम्—strength.

vīspō-tanūm—2 1 adj. n.—of the whole body — विश्वतनु—note the use of *vīspa* in the sense of "whole."

mastīm—Kan. takes it as from *maz* (मद्) + *ti* (ति) and translates "greatness." Barth. translates "wisdom" connecting it with √*mand* to impress on the memory; cf. Grk. μαθεῖν (*μαρθάνω*) to ascertain, Goth. *memdon*. The word is evidently used in the sense of spiritual wisdom and the joy that comes of it. Cf. Pers. مستی (*mastī*) used by Hāfiz and other poets to mean religious ecstasy produced by drinking the "wine."

vīspō-paēsagham—all-embracing. Barth. translates "many-sided." Kan. takes it quite literally (cf. Skt. विश्वपेशसम्) "possessing all kinds of brilliance." *paēsa* (√*paēs*, पिश to colour, to adorn) means adornment or ornament (in the sense of भूषण); cf. *stəhrpaēsagham* below 26. Mills translates much like Kan. "wisdom of all kinds which adorns." Dar. agrees more or less with Barth.

tač—तच्—this (i.e. all that has been mentioned above).

yatha—so that—यथा. This sense of *yatha* ("so that," "in order that") when used in the final clause may be paralleled in the Veda also; cf. यथा वः सक्तु वासवो अनाष्टया यथाऽऽसय (R.V. X. 103. 13), या देवा हव्यमहे...यथा भवेम नौ० हवे अनामाः (R.V. VII. 97. 2.).†

gaēθāhva—7, 3. Cf. *raodēšva* above 5.—Among living beings (Barth.)—In (all) the lands (Kan.)—√*gay* to live (cf. above 3). The Per. جهان (*jeḥān*) earth is also cognate so also Af. فیللی (*ghīlī*) herds.

vasó-ṣṣaθrō—1/1 adj.—lit. having power at will, used adverbially almost in the sense of “at will.” From *vasa*, will (√*vas*, to desire, to will; cf. वस्, उवस् etc.) and *ṣṣaθra* power (वस्).

fracarāne—1/1 imp. atm.—√*car* (चर्) with *frā* (प्र), प्रचरे. Note the use of the atm.

ṭhaēṣō-taurvā—1/1—*ṭhaēṣō* enmity (द्वेष्) and *taurvā* (cf. तूर्वस्) from √*taurv* to overcome. Overcoming the enmity (or opposition to his mission).

drujəm-vanō—√*van* (वन्) to conquer—Conquering the unbeliever. This is to be regarded as an अवलुक् compound.

18. *taurvayeni*—1 1 imp. par.—√*taurv* (तूर्व)—I may overcome.

ṭhiṣvatān—6/3 of the enemies (⁂ द्विषताम्).

ṭhaēṣō—2/3 of *ṭhaēṣō* (*ṭhaēṣagh*—enmity). The plural indicates all acts of enmity.

yāθwām—6/3, the ending -ām here being irregular.—Of sorcerers, of wizards—यानुवाम्. Cf. Pers. جادو (jādū) magic.

pairikanām—6/3 of *pairikā* f.—Sorceress, witch. Cf. Pers. پری (perī). The origin of this word is obscure. Some take it from √*par* to seduce. Doubtless there is cross-influence of √*par* to fly (Per. پريدن *parīdan* to fly). The name is always used in Av. in conjunction with *yātu*, and it seems to apply to the female of this species of evil beings who seduce and lead astray followers of the Law and of the Z. faith.

sāθrām—6/3 of *sātar* tyrant (शस्त्र)—from √*sah* (वस् - शास् to rule), lit. a ruler and by deterioration of meaning a ruler who abuses his power.* It is one of the tenets of the Z. faith to combat tyrants and to relieve the oppressed: cf. the phrase in *Nirang-i-kustī-bastan*—“*duš-pādiṣāhā awādiṣāhā bāt*” (may tyrant rulers be broken).

kaoyām—6/3 of *kavi* (कवि)—The original meaning of the word is “royal” or “imperial,” and it has been used as a prefix to the names of the kings of the Kayanian † House. They are mentioned in Av. and in later Pers. works. The most famous of these are *Kava-Husrava* (Per. کيخسرو *Kaikhushrū*); Yt. IX. 18, and Yt. XV. 32: and *Kava-Vištāspa* (Per. کي گشناسپ *Kai-Gustāsp*) who was the first to aid Z. in his work and who became his first and greatest disciple. But it was another branch of the same family of the Kayanians who were the most violent opponents of Z. In the Gāthās the name *Kaoy*—is used for these royal opponents of Z. who

* Cf. “O, it is excellent To have a giant’s strength; but it is tyrannous To use it like a giant.” (Shaks. *M.* for *M.* II. 2).

† This name *Kayanian* is also a derivative from *Kavi*. The Ved. कवि is cognate. कवि is *Kava* *Us* of Av. and *Kāus* of Shah.

stood for the old *daēva* worship. Hence in Y. A. the word is used in an extended sense of any enemy of the Z. religion. The Pāz. form is *kit*. The word however is used in the very special sense of “those who are clever enough to see the truth but who would not”—“those who have eyes but would not see.”

karafnām-ca—6/3 of *karfan* (करफ). The word is used always in association with *kavi* in both G. A. and Y. A. The special signification is “those who have ears but would not hear” The Parsis use in Guj. the word करफिष in a sense much stronger than the Skt. करफ—in the sense of one wantonly cruel or one who delights in cruelty.

mairyanām-ca—See above 11.—Of serpents (Kan.)—माराणां—Mills trans. “murderers”; Dar. says “robbers”; Har. “the wicked”; Barth. “scoundrels.”

bizangrānām—two-legged. The word अङ्गा is connected—द्विजानां.

aṣṣmaoyanām-ca—*aṣu* + *maoy* (√ *mu*—मु to distort, to make silly)—Those who distort the holy truth (Barth.).

vahrkanām-ca—of wolves—वकाणां. It is noteworthy that the wolf is the type of evil in the Av. while the dog is particularly sacred.

caθwara-zangrānām—four-legged.

haēnyās-ca—6/1. The word *haēnā* (हेना) is a *daēva*-word. It would be better to take 6/1 as being used here by case attraction for 2/3 (object of *taurvayeni*). In fact the 2/3 form would be *haēnayā*.*

pərəθu-ainikayā—6/1—पश्यनीकायाः—With an extensive front.

davāiθyā—6/1 pres. pt. √ *dav* to speak which is a *daēva*-word (cf. *yō davalā* below, 24). Kan. takes √ *dav* as identical with *dab* or **daw* (दम्) and so trans. “deceiving” दवन्त्याः or दभन्त्याः

patāiθyā—√ *pat* when it means “to be in swift motion” is a *daēva*-word. On rushing; पतन्त्याः Cf. 15 above.

19. *iməm*—2/1 m.—× इमम्.

θwām—2/1 instead of 5/1 due doubtless to the attraction of the two words following.

paoirīm—first; almost used adverbially.

yānəm—gift—√ *yam*, यम् (यम्) to favour. Cf. यन्तम् पुनश्च RV. V. 67. 2.

jaiḍyemi—√ *jad*, जद्—to request, to ask—جستن (*justan*) to seek.

vahištəm ahūm—the best world—वसिष्ठमसुम्. The two words are invariably found together in the special sense of the world of the righteous here.

* Beich. § 367. Geld. mentions the v.l. *haēnayā-ca* which would rather spoil the metre.

after, i.e. paradise. The Pers. بهشت (*bihisht*) is used in exactly the same sense and is derived directly from *vahišta*; P. Guj. वैरेख.

aṣaonām—6/3—Some translate as “of the righteous” quite literally. But the *par.* in *jaidyemi* makes it better to translate “for the righteous.” The use of 6/3 for 4/3 is quite usual. Z. would be more likely to plead for others who lead the holy life than ask paradise for himself.

raocapham—bright—रौचयम्.

vispō-χ^vāθram—Barth. derives *χ^vāθram* from *hu* + *āθra* (breaking ?)* and translates “happiness.” Kan. derives from *χ^van* to shine, to be radiant, to be happy + *-θra* suffix. In either case the comp. means “all glorious” Mills (Yas. LXVIII. 11).†

bitim—दि

drvatātəm health—*drva* (दुव) strong; *√dar* (द) to hold fast.

aiṣhāse—(v.l. *aiṣhāse*, *aiṣhās-ca*)—6/1 f. of the pron. stem *a* equal to Skt. अथाः—The regular form should be *aiṣhā* and with an epenthetic *i*, *aiṣhāi*. The final *-se* is remarkable. The form *aiṣhās* is regularly found with enclitics like *ca* and it occurs often enough to be regarded as a regular formation and the *a* may be due to metrical or euphonic reasons (cf. *kasəθwām* above, 3) or it may be due to the peculiarity of Av. having redundant vowels in the body of or at the end of words. If the reading *aiṣhāse* is accepted it may be regarded as influenced by the mas. *ahe*. The meaning of the word is more than a mere demonstrative. It has the force of a personal possessive pronoun—“this . . . of mine,” “this my . . .”

-tanvō—6/1—तनोः. The word is joined on to the preceding *aiṣhāse* because of the intimate connection between the two.

θritim—third—तृतीयम्.

darəyo-jitīm—long existence, long continuance * दीर्घजीतिम् (जीवितम्).

uštānahe—6/1—The word is often translated as “life.” But what it really means is “the vital power . . . inherent in the body and lost at death” (Jack. J.A.O.S.). In Yas. XLIII. 16; *ašəm χγūt uštānā aojānyhavaŋ*, the 3/1 *uštānā* means “with full vigour.” In Afrin. I. 8, the word seems to mean the same as *jiti*:—*āfrināmi darəyo-χšaθrəm χšaθrahe*, *darəyo-jitīm uštānahe*. The nearest equivalent to *uštāna* seems to be प्राण. *uštāna* is to be carefully distinguished from *urvan*.

20. *tūirim*—fourth—तृतीयम्.

aēšō—1/1—full of power, one who can do what he likes (*√iṣ*—इष), hence happy (Barth.). Reich. translates “influential” or “efficient,” Kan. takes

yaθa-aēšō as a comp. and translates "according to my wish," "at will" (* यथेच्छः).

*amavā*¹—1 1—Possessing *amc* or power, courageous—अमवान्.

θrāfēdō (v.l. *θrāfδō*)—well-satisfied (θrāf- -हृष्टः). With my task accomplished.

fraχstāne—1/1 sub. 'imp. ?) atm. √ *stā* with *frā*—note the force of the atm.—I may move about.² The insertion of the χ has to be noted after the उपसर्गे *frā*, and it is partly responsible for the shortening of the *ā* of *frē*. The insertion of the χ before syllables beginning with *s* + consonant is a common phenomenon in Iranian; cf. *Xšras*, *χstūt*, *spxχstīm*, etc.*

paχdam—fifth. The Skt. form पञ्चि† is connected and O.H.G. *funfo* seems also cognate. The derivation is probably in the following wise:—

1-2. * *pugkto*—Ar. * *pukθa*—Av. *puχda*.

The suffix is the same as seen in Skt. चतुर्थ, पष्ठ. Av. shows only two ordinals in -θda, *puχda* and *hupθa*. (Whit. mentions the rare forms पञ्चथ and पष्ठथ in Skt. also, § 487 c.)

vanat-pəšanō (v.l. °.piš³)—battle winning. The word *pəšana* is cognate with व्रतना. It is, in the mas., also the name of a *daēva*-worshipper (see Yt. V. 109). A variant *parat* (fem.) is also found.‡ From √ *parat* (पृथ्); cf. Pers. بُرد (burd) battle or war.

21. *χstūm*—sixth—षष्ठम्. For the χ see *fraχstāne* above, 20.

paurva—1 3 used almost as adv.—beforehand. The plu. form refers to the "we" implied in "*būiðyōimaide*." See Reich. § 610.

tāyūm—thief or highwayman—तानुम्.

gaðem—Used almost always with *tāyu* in sense of a bandit or a murderer. The word seems to be the same as *gaðu* (गध्) evil, unholiness. In the Pah. trans. of Yas. LXV. 8, the word is written *gaðak*, but owing to the peculiarity of Pah. writing Dar. has read it *sak* and has translated "Scythian."⁴

būiðyōimaide—1 3 opt. atm.—√ *baod*—बुध् to know, to be aware of. Note atm.

mā is used here with the opt. though the usual practice is to have *mā* with imp. and *nōit* with opt. But in Y.A. *mā* is used with the opt. if the preceding coordinate clause is positive and is connected by way of contrast with the clause containing *mā*.¶ It may also be noted that the opt. is used here with almost the force of the imp. so that the translation should be with *let*, not *may*.

* Reich. § 174.

† Seen also in पञ्चिरथ a name of इमरथ

‡ Yt. XI. 15.

§ Études Iran. II. 355

¶ Reich. § 655.

ciš—Any one. A palatalised variant of the inter. pron. (1/1 m.) used indefinitely. The word is enclitic. RV. shows the form *कि*: in phrases like *नाकि*: and *नकि*:. The n. shows palatalisation in Skt.—*चित्*. Cf. Lat. *quo*—*quisque*, Gk. *πο-τίς*, O. Bul. *kuto*—*čito*.

paurvō—The form is 1/1 referring to the sg. *ciš*. Used adverbially; see above *paurva*. Cf. also *paoiryō* above 14.

būīdyāētā—3/1 opt. atm.—note atm.

vispe—1/3 in form but 2/3 in sense—The use of the form *vispe* is so frequent esp. in phrases like *vispe-daēva*, etc., that it is used for other cases as well, see 24 below. *विषे* for *विधान*.

22. There is a clear break in the argument here. The requests of Z. and the dialogue have ended.

aēibis—3 3 of dem. pron.—*इभि*: ins. used for dat. (Reich, § 428). This is partly due to phonetic decay which is specially noticable in Av. among all cases which have the *'h*-endings. Partly also this is due to the overlapping of cases due to the very rare use of ins. in Av.* This phenomenon is called *syncretism*.

yōi—1/3—*ये*. The regular G.A. form.

aurvantō—2 3—Horses (Kan.)—*अवन्तः*. From *'ar*—*अ* to be swift. Reich. takes this as 1 3 and translates "Heroes." He explains the construction as "incorporation of the antecedent."†

hita—2/3 p.pt. pass. *'hi*—*हि*—*वि*—*वि* to bind, to restrain—well-trained. The word is used in du. or pl. and refers to teams of horses.

taxšanti—urge. The use of *'taxš* in this sense is probably due the suffix *-s* added to the root *tak* (to run) almost like a *विकार*.

arəndum—2/1—Battle, victory. The acc. of the goal to be reached or attained. Kan. translates "race-course" which is not at all unlikely as the Iranians in common with the Indians had a great love for racing and for horses. Barth. (Wb. 196) says the origin is uncertain, but he says it is probably cognate with the form *arənāvi* (see above 3) and that it probably meant that which is gained, i.e. victory. Cf. O. H.G. *ernust*.

zāvare—2 1 n.—Strength—Pers. *زاور* (*zaor*) strength—The word *zavah*† (Power) is probably connected. Kan. postulates *'zu* to be strong—Skt. *जवत्* (?).

baṣṣaiti—grants. *'baṣṣ*—*भस्* (though not used in that sense) a derivative from *'baj* with *-s* suffix. Originally the word seems to have meant "to divide." Pers. *بخشیدن* (*bakshidan*) to grant.

āzizandītibis—3 3 pres. pt. f. *'zan* (*जन्*) to bear + *ā* conjugated in the third or reduplicating class—the ins. is used for dat.‡—To those who are bearing.

* Giles, Phil. § 805.

† § 738.

‡ Yae. XXXIII, 12.

|| Reich. § 470 calls this "a mistake" of the Y.A. dialect.

dadāiti—grants; (lit.) makes $\sqrt{dā}$ (दा).

ṣāetō-puθrīm; (v.l. -^oθrēm.)—2/1 i. Possession (i.e. birth) of a brilliant son— $\sqrt{kṣi}$ to shine (cf. Skt. क्षा). Kan. translates as if he had adopted this reading—"a brilliant son." It may be mentioned here that among orthodox Parsis even now the women recite the Haoma Yašt during pregnancy with the object of getting fine children.

ašava-frazaintīm—faithful descendants—religious progeny. The word is collective hence sg. Cf. Skt. वंश, Pers. فرزند (*farzand*), offspring.

taē-ciṭ—1/3 for 4/3 m. doubtless owing to the attraction of *yōi*, etc., following. The *ciṭ* is the indef. enc. pron. used here almost in the sense of all (lit. any one). Translate "all those who."

katayō (कटाय.)—1/3—Ready, willing; from \sqrt{kan} —कम् (Barth. Wb. 433). In the Hb. air. D., however, he takes *yōi katayō* as "every one who" (cf. यन्मिषिन्) taking *kati* as an inter. pron. stem (cf. कतिपय). Kan. takes it to mean "householders" which is certainly better, because the word *kata* is found in Ven. II. 26 to mean "house" or "dwelling place." In Ven. V. 10, 11, the word means a sunken receptacle dug out in the floor to receive the dead body before its final removal. The origin would be from \sqrt{kan} (कम्) to dig. Cf. Pers. کاه (*kah*) house, Goth. *hēthyō* room. The reading *patayō* has also been suggested.

nasko-frasāṅhō—1/3—Studying the scriptures (Barth.)—Teaching the scriptures (Kan.). The Nasks were the collections of the ancient Av. texts which were contained in 21 separate books or groups of texts. These are enumerated in Pah. books.* *frasāṅhō* from $\sqrt{sāḥ}$ —शास् with *frā*—प्र

āphante—3/3 pres. atm.—lit. sit— $\sqrt{āh}$ —आश्—to sit. The word is often used to denote habit or continuous action so here the translation is "are occupied." Note atm.

spānō—2/1 of *spānah* n.—Holiness (Barth.). Wisdom (Kan.). Probably the word *spanta* is connected; cf. Lith. *szvēntas*, O. Bul. *svētic*, holy.† The word *spitama* may also have been a variant of *spantama*.

23. *tās-ciṭ*—1/3 for 4/3 f. as in *taē-ciṭ* above 23. Also *ciṭ* has the same force.

kaininō—1/3 of *kainin* f.—Virgin, unmarried girl. The stems *kainyā* and *kaini* are also found. Barth. states that the form in -i is the most correct. Cf. Skt. कन्या; in Caspian dialects *kina* means "daughter."

āphaire—3/3 pres. atm. $\sqrt{āh}$ —आश् to sit—See above, 23, *āphante*. The -r- ending in atm. is used in Av. more often than in Skt. (Reich. § 257).

darəyem—adv.—for a long time. Originally a case form 2/1 (दोषम्). Cf. निरम्.

* See Introduction for details.

† Barth. Wb. 1621.

ayrvō—1/3 adj.—unmarried. Kan. (Dict.) explains the derivation as from *a* (negative) + *γru* (गृह, husband). Reich. needlessly takes *γru* as meaning “heavy” or “pregnant.”

haiθim—true, faithful—सत्यम्. Barth. in quoting this passage (Wb. 1521 under *rōda* and also 1761) marks this word (*haiθim*) as doubtful and proposes to read *paiθim* (पतिम्). This seems somewhat unnecessary, because *rōda* means nearly the same thing.

rādam—lover, husband. Probably adj. here, “loving.” From √*rā* δ/d (राष्) to protect. The Skt. राधा might be a feminine cognate.

mošu—quickly (Kan.), as soon as (Reich.)—Ved. मधु.

jaidyamnō—pres. pt. pass. √ *gad* (गद्) or √ *jad*, to speak—being requested, being entreated मन्त्रमानः.

huṣratuṣ—1 1—the wise one (Reich.)—the powerful one (Kan.)—वृषतुः. Perhaps the clause *mošu* . . . *huṣratuṣ* goes with each sentence beginning from *Haoma aēibiš yōi aurvanto* . . . (22)

24. *tam-ciṭ*. The *ciṭ* here is probably emphatic. May be translated “him indeed.”

Kərəsānīm—Name of an opponent of the Māzdayasna faith. He is the Aryan कश्मनुः who in the Veda figures as a guardian of Soma. In the Av. he becomes the opponent of Haoma and consequently represents the evil side. The Pah. version gives the name as *kalasyākā**, and this word has had a strange history. In the later Pah. writings it denotes the Christians. There is also the word *kilisjā* (from Grk. ἐκκλησία) which means a Christian church, and no doubt the similarity of sound helped the similarity in meaning as well. But this has confused some of our ancient commentators. Nair., for instance, explains the present use as referring to the Christians, which is obviously improbable. The Pah. word *kalasyākā* is used in the *Bahman Yašt* (III. 3 5) as meaning Christian and in the same Yt. (II. 19) we get the phrase *Akandgare kilāsyākih*, i.e. “Alexander the Christian.” This obvious anachronism is due to the loose employment of the epithet to denote any non-Persian †, like the word *यवन* in India or رومی (*rūmī*) in Mod. Per. Alexander having been the arch-enemy of Persia and the Z. faith the Persians of the Sassanian period naturally applied to him the term by which they used to designate their contemporary foes of the Christian empire of Byzantium.‡

apa—from. अप.

ṣṣaθrəm—2/1—power. K. was dethroned by Haoma and driven from his kingdom.

nišādayat—3 1 impf. caus. par. √ *had* (हद्) + *ni* (नि)—lit. “made to sit down” i.e. “cast down” or “dethroned.”

* Barth., Wb. 476, marks the word as doubtful and reads *Karasyak*.

† Very probably this has led Dar. (Z.A. II. 93.) to say that *Kərəsāni* symbolises Alexander and the Greek domination in Persia.

‡ Mod. Dict. under *Kərəsāni*.

raosta—3/1 s-aor.—Kan. derives from $\sqrt{\text{raod}}$ (𑀲𑀸𑀓, 𑀲𑀸𑀓) to grow and translates “grew big” or “swelled up” (with his great schemes). Barth. gives the $\sqrt{\text{raod}}$ 𑀲𑀸𑀓 to weep or “to bewail.”

ṣṣaθrō-kāmya (𑀲𑀸𑀓)—Kan. takes this as 7/1 and translates “in pride of sovereign power.” Reich. following Barth. translates “with apprehension for his reign,” i.e. fearing he may lose his kingdom. He takes it as 3/1 and explains the case as “instrumental of cause” (§ 451). In either case the ending is irregular. If 7/1 we can quote parallel examples like *zastaya*, *nmānaya*, etc., the termination being $-aē + a$ (ā) postposition (cf. *raodaēṣva* above, 5, for the postposition).* If we accept 3/1 we have to explain the form as $^o kāmā + ā$, the *y* being euphonic (Reich. § 333, where he traces the influence of the pron. dec. in such forms).

• *ḍavata*—bragged—see *darāidya* above 18.

mī goes with *daiṣhava* later on in the next line.

apām—adv.—hereafter, henceforth—originally a case form 2/1 of *apa* cf. *darāyam* above 23.

āθrava—priest—𑀲𑀸𑀓𑀲𑀸𑀓 is connected. Kan. derives from *Ātar* (fire) + $\sqrt{\text{van}}$ (𑀲𑀸𑀓) to win.

• *aiwištis*—Teaching or study (especially religious). Reich. takes it as 2/3 f. obj. of *varāidyē*. He derives it from $\sqrt{\text{ah}}$ (𑀲𑀸𑀓) with *aiwi* (𑀲𑀸𑀓) and compares 𑀲𑀸𑀓𑀲𑀸𑀓. The suffix in this case is $-ti$. Kan. translates “teacher” (1/1 in apposition to *āθrava*) and derives from *aiwi-stā* (𑀲𑀸𑀓𑀲𑀸𑀓).

varāidyē—dat. inf.—for the spreading or increase of—𑀲𑀸𑀓𑀲𑀸𑀓. Kan. takes the words “of the Māz. religion” as the obj. understood of this inf.

daiṣhava—7/1 of *daiṣhu* (*daṣṣu*) country, kingdom. See also below 27.

carāt—3/1 subj.—May go about.

vispē—1/1 in form but 6/3 in sense because it is syntactically connected with *varāidinām*.

vanāt—3/1 subj. $\sqrt{\text{van}}$ (𑀲𑀸𑀓), to win, to overcome; governs gen.

nī . . . *janāt*—3/1 subj. $\sqrt{\text{jan}}$ (𑀲𑀸𑀓) + *nī*, to strike down, to overthrow.

25. *ušta*—Hail!—Here interjection. The word *uštā* means “health.” Probably connected with $\sqrt{\text{uṣ}}$ (𑀲𑀸𑀓) to be warm, referring to the heat of the human body. Skt. 𑀲𑀸𑀓 is also probably cognate.

$\chi^vā$ —3/1 of pron. $\chi^vā$ —by (thine) own—𑀲𑀸𑀓𑀲𑀸𑀓 (𑀲𑀸𑀓)

aojayha—3/1 of *aojayh*—𑀲𑀸𑀓𑀲𑀸𑀓. Note the shortening of final vowel regularly found in Y.A. except where the *Gāθ.* form is consciously or unconsciously imitated, as in $\chi^vā$ above.

apivatahe—2/1 pres. atm. $\sqrt{\text{vat}}$ (*vaēt*) + *aipi* to know or understand. The Skt. 𑀲𑀸𑀓 (𑀲𑀸𑀓) is perhaps cognate but the “pada” is different.

* Kan. A.G. § 96, p. 69; also Jack. A.G. § 239 and even Reich. § 331.

pourvacām—6, 3—lit. “many sayings” (Barth.). Full (spoken) words (पुर वचुव, Kan.), i.e. words replete with meaning.

arəzuḡdanām—Rightly, i.e. truthfully, spoken—अरुज्जानाम्.

pairi-frāsa (ān.)—3/1—lit. “by asking round,” by cross-questioning. √*parəs*—पश्, to ask. The Eng. *paraphrase* suggests both the sound and the sense. Skt. *परिप्राशस्, the form प्रतिप्राशः, occurs in AV.*

parəsahi—पश्सि.

vācim (v.l. °*cim*, °*cām*)—speech—वाचम्.

The idea here is that H. trusts his worshippers to be truth-speaking and straight, hence he does not test them in round-about ways.

26. Geld. prints this as prose, though the passage can hear being represented metrically by putting proper stops—it must however be confessed that most of these divisions would be either too long or too short. These suggested divisions are indicated in the text.

frā . . . *baraṭ*—3/1 impf. par. augmentless—brought (forth), प्राभरत्.

paurvanim—2/1 adj.—the first.

aiwiyāgham—The sacred girdle made of 72 strands of wool twisted together into three bundles of 24 each and then woven together into a thin hollow tape-like shape. This is the sacred girdle called *Kusti* which is worn by every Z. from the day of the investiture to the moment of death. The ceremony of investiture takes place between the ages of 7 and 15 and was probably nearer the higher limit in ancient Iran. This ceremony is called the *Navajōt* (lit. new-birth) and corresponds exactly to the उपनयन- ceremony in India. Cf. also the idea implied by द्विज. One contrast may be pointed out, namely that while the Hindu यज्ञोपवीत is worn across the shoulder the *Kusti* is worn round the waist—more like the मेखला. From √*yāh* (याश्) + *aiwi* (अभि) to wrap around. See also Introduction.

stehr-paēsayham—Star-begemmed. The -hr- in *stehr* is noticeable owing probably to a strong stress accent on the first member of the comp.† Skt. *क्षारव (नारव), cf. also क्षमिः‡. The phrase is mostly used with *Mainyū-tāstēm*. There is probably here a reference to the ancient Aryan myth about Orion's belt. Tilak in his *Orion* || discusses this passage at length and comes to the conclusion that the girdle of Haoma and the यज्ञोपवीत mentioned in the verse of the *Brahmopanishad*, यज्ञोपवीतं वरुणं वविं प्रजापदेर्दत्तवर्चं पुरस्तात्, are identical with the belt of Orion, star-studded like that of Haoma.

Mainyū-tāstēm—woven by the (two) Spirits. √*tās*—तश्—Prs. نواشیدن (*tawashidan*) to weave. The long ū fits the metre better but Geld. has it short.

vayuhim—excellent.

* प्रतिप्राशो वचि—S.B.E. XLII. p. 305.

† Whit. § 1273.

‡ क्षुभिरवा विविञ्जे (the other—the Night—decked herself with stars) RV. VI. 49. 3. || Chap VI.

daēnām—Religion. Pers. دین (*dīn*) religion. Barth. is doubtful about the origin. Geld. connects it with √*lāy*—to see, to observe and compares Skt. ली, and Prs. دیدن (*dīdan*) to see. There is another *daēnā* (which means the inner Ego or conscience) which also may be connected.* The word is in apposition to *aiwyaŋghem*.

māzdayasnīm—Mazdā (God)-worshipping. *Mazdā* + *yasna* (यज्ञ), √*yas* (यज्) to worship. The Religion of Mazdā is as it were the protecting girdle of Haoma.

āt—Since then.

aīŋhe—6/1 m.—Refers to the *daēnā*-girdle of H. The gen. with p. pt. in *-tā* is a notable construction; cf. *kainīna arupaēta mcsyānām* (maidens not wedded to men), Yt. XVII. 55.† Note that the identical form is used for fem. as well.

aiwyaštō—1/1 p. pt. m. √*yās* + *aiwi*—invested with (the girdle), or entrusted with (the commandments of the religion). Both the meanings seem to be implied in the phrase *aīŋhe aiwyaštō* which may refer to either *aiwyaŋgha* or *daēnā* equally well. Probably it has been meant to be understood thus in this double sense.

barənuš—2/3 governed by *paiti*—heights. √*barəz*— \times बर्ह (बर्ध)—to increase.

paiti—upon—प्रति

guirīnām—6/3—of the mountains—गिरिषाम्.

drājayhe (द्र.)—adv.—For a long time. Orig. 2/1 of *darəya* (Reich.). Barth. takes it to be an inf. 4/1 of √*drag* to hold fast, to guard.‡ Kan. takes it as 4/1 of *drājayah*. The meaning is “through the ages.” For the form, cf. *darāz* also Per. دراز (*darāz*) long.

aiwiḍāiīš-ca (اى.)—2/3 f.—Words (Reich.)—Mandates (Kan.). Defence (Wolff).|| Barth. in Hb. air. D. translates “vestments,” but in Wb. gives “words.” The word seems cognate with अभिधान

gravas-ca (ग्र.)—√*grab*—ग्रभ्—to hold, to grasp. Cf. Eng. *grip*.—Support or stay (Wolff); sentences (Barth.). Kan. translates “hymns” from √*gar*—गृ—to sing.

māḡrahe—6/1—Of the Scripture—मन्त्रा would convey fully the sense.

The last sentence from *āt aīŋhe* . . . etc. has been variously rendered :

“Thenceforth, invested with this (girdle) thou hast made thy abode on the tops of mountains (and there thou recitest) through the ages the commands and hymns of the Scriptures” (Kan.)¶

* Barth, Wb. under *daēna*. † Reich. § 501. ‡ Wb. 774. || Trans. of Avesta. ¶ Kh. A. b. M. The above is however a free rendering of the Gujarati version of Kan.

"Thenceforth . . . mountains, (thou who art) the stay and support (Schirm und Stutz) of the Scriptures" (Wolff).

"Thenceforth . . . mountains, in order to guard the words and sentences of the Scriptures." (Barth.)*

27. *nmanō-paite*—8 1—For *nmana* see above 13.

vis-paite—*vis* orig. means a collection of families or houses, i.e. a clan—Lord of the village, Kan. translates *vis* by "street." See above 7.

zantu—Province. Kan. says "town" (cognate with जन).

daighu-paite—Lord of the land or of the country—Pah. *dehpat*, Pers. *dih* (dih) land, دیکن (dihkân) a landholder.

Note the natural arrangement of the political organisation in Persia, "House," (in a political sense) is the smallest of the political units of the old Iranian race, which are thus divided: *nmāna*, "house," (family) *vis* "village" (union of families), *zantu* "country" (union of villages), *daighu*—"land" (union of countries).†

The climax in the arrangement *nmāna*, etc., is noteworthy and is frequently repeated throughout the Avesta.

spanaighu—3 1—See *spāno* above 22. Through holiness or through wisdom.

vaēdyā—Wisdom; *vaed*—* वेद (विद्) to know.—विद्या.

amāi-ca—4 1—For courage.

mārvōya . . . *tanu*—4 1—for my own body. *mārvōya* is a variant of *māiḃya* (* मय्यम्, मय्यम्). The word *tanu* is often used as an emphatic ref. pron., cf. Gāθ. xxx. 2. (Sel. xxxiv, Part II). The *mārvōya* is clearly an instance of case-attraction. This word ought to have been *mana* (6 1).

upa-mruye—1/1 pres. atm.—I invoke. Note the atm., "I think of thee" i.e. "I remember thee" (Kan.). *mru* might be the Skt. मरु.

θrimāi-ca—4 1—Strength, courage, satisfaction. Kun. translates "happiness."

yaf introduces an explanatory adj. or phrase—Reich. § 749. For the n. gender see above 4.

pouru-baoṣṣmahe (ān.)—6 1 for 4 1 referring to *θrimāi*. Barth. translates "bringing salvation or succour to many"; *baug*, to save. In a note however (Wb. 901) he says that if there were another passage where the word occurred one could be able definitely to say whether or not there was any connection with भुवन्ति (and भवन्ति?).‡ Kan. translates "full of joys."

28. *vi* . . . *bara*—Take away from—विधर

baēššbiš—3/3 for 5/3 according to Kan., "from the wickednesses." Reich. says that 3/3 is used instead of 2/3 (§ 427) and translates "take away the enmity."

* Wb. 529.
for "country."

† Reich. A.R. p. 99. Note that he uses "country" for "province" and "land" for "country."
‡ In Skt. भुज् may also be used in the sense of protecting.

manō—2/1 n.—Mind or thought (Kan.). Reich. takes it to mean "plot" or "design" and the other German scholars are of the same opinion. They translate "(take us) away from the designs of the angry ones." There are syntactical objections to this however, as *vi . . bara* according to its natural sense should govern the abl. of the thing from which the worshipper wants to be taken away. Kan. seems therefore more correct and more natural.

graməntām (v.l. *°nəntām*)—6 3—Angry or passionate (Barth.); *√gram* to be hot; cf. *𐬔𐬀*. Pers. *𐬔𐬀* (*gharm*) hot; O.H.G. *gram* (angry). Eng. *warm* is also cognate. Kan. derives from *gar* (*𐬔𐬀*) poison and translates 'poisonous (-minded)' or wicked. "Angry enemies" (Mills). The g.n. refers to the *ṭhaēšēbiš* above.

cis-tā—And whosoever. The *cis* is 1/1 n. while *cit* is 1/1 n. See *mā-ciš* above 21.

ahmi—7/1 n.—in this—*𐬀𐬨𐬌𐬀*. Found also as *ahmaja*.

aighe—7/1 f.—in this—*𐬀𐬔𐬀𐬨𐬀* (*𐬀𐬔𐬀𐬨𐬀*).

visi (v.l. *vise*)—7 1.

zanvō—7/1. The regular Av. loc. ending for m. st. m. in *-u* is *-au* (cf. *guri*). In the G.A. however we occasionally get *-ā*, e.g. *χratā*.* In Y.A. this becomes regularly *-ō* which combining with the *-u* gives *-vō*. The *-v-* may be occasionally dropped, e.g. *haētō*—*𐬀𐬨𐬀*—on the bridge. This *-ō* is probably in orig. the 6/1 ending. (Jack. A.G. § 265).

aēnaphā—1 1 of *°hvant*—lit. full of injury, harmful. Revengeful (Kan.).

gaurvaya—2/1 imp. par. *ga arəw* (*grab*)—*𐬔𐬀* (*𐬔𐬀*) to take away.

-hē—enclitic 6/1 of the pron. 3rd per.—See *šē* below.

padave—5 2—*𐬀𐬨𐬀* *𐬀𐬨𐬀* + *𐬀𐬨𐬀* (Ar. *𐬀𐬨𐬀*—*𐬀𐬨𐬀*)—From (his) legs—A *daēva*-word.

pairi . . . vərənūidi—2/1 imp. par. *√var* (*𐬀*) + *pairi* (*𐬀𐬨𐬀*)—lit. turn upside down—*𐬀𐬨𐬀𐬀𐬨𐬀𐬀*. Take away or destroy (Kan. and others).

-šē—enclitic 6/1. *he* and *šē* are enclitics used in Y.A. frequently both for 4/1 and 6/1 and in a few cases *hē* seems to be used for the plu. (Jack. A.G. § 395).

uši—lit. "ear," hence intellect. Per. *𐬀𐬨𐬀* (*hūsh*) intellect. When used literally to mean "ear" the word is in the *ahura*-sense, the *daēva*-word is *kərma* (*𐬀𐬨𐬀*).

skəndem . . . kərənūidi—lit. reduce to disorder (to pieces), i.e. completely destroy—*𐬀𐬨𐬀𐬀* (cf. *𐬀𐬨𐬀𐬀* RV. VI. 53. 7-8).

29. *zbaraθaēibya*—*𐬀𐬨𐬀*. 4/2 of *°raθa*—leg (*daēva*). *√zbar* (*𐬀𐬨𐬀*) to be crooked.

* Yas. XLVIII. 4. Probably *ā* or *āx* was the older pronunciation of the Skt. *𐬀𐬨𐬀* as well.

fratuyā—2/1 pres. opt. par.—√*tu* (तु) + *frā* (फ़)—Give strength. Pers. توانیدن (*tuwānīdan*) to be able.

gavaēibya—4/2—hands (*daēva*). *zasta* (जस्त) is the corresponding *ahura*-word.

aiwi-tūtuyā—2/1—pft. opt. par. √*tu*+*aiwi*, to strengthen.

zām—2/1 f.—The earth. *zama* is another form.

mā . . . *vaēnōi*—3 1 opt.—The opt. 3 per. with *mā* is remarkable. The sense is almost imp.—“let him not see” rather than “may he not see” Cf. verse 21 above. √*vin*—वेति—Pers. بین (*bīn*) saw.

Note the sudden transition from 2 per. to 3 per.

ašibya—3/2—see above 8.

gām—Taken by some to be a var. of *zām* in the sense of “creation”, so Kan. The word *gāuš urvān* (Gāθ. Ahu. XXIX. 1.) is used to denote “the spirit of creation.” (Cf. the idea of गोपाल in Skt. mythology.) Some people take it literally to mean “cattle.” See Sel. XV below.

aēnaphaiti—den. verb, from *aenah* (इनस्) injury—does harm, injures. The verbal form occurs only here.

kahrpəm—2 1 of *kəraf* f.—Body. See *hu-kərafš* above 16. The cognate Skt. कर्प has only the 3/1 कर्पा found in Veda.

30. In this and the following two *karḍhs* some portions are given by Geld. as prose. They have been arranged here metrically to indicate where rhythm requires the break, the metre however does not always come right. See also 26 above.

paiti—पति—against, with gen.

ažoš—6 1 of *aži*—serpent.

simahē—6 1 adj.—dreadful (Kan.)—Reich. takes it as a noun and translates “a horror” i.e. “a horrible thing.”

visō-vaēpahe—emitting poison, √*vaēp*—वप्—to omit.

nāšəmnaī—4 1 of pt. of *s*. aor. atm. √*naš* (नश्) to perish, to be destroyed (Barth. Wb. 1055). The sense here, says Reich., is future (§ 669). Hence the translation given both by Reich. and Barth. is “(for fear) lest the righteous be destroyed.” But in Hb. air. D. Barth. takes *nāšəmnaī* as pres. pt. atm. and translates “for the protection (or welfare) of the righteous.” This is from √*naš* to attain, to reach. Kan. takes it in the latter manner.

ašane—4 1 instead of 6/1 by case-attraction.

vadars—2 1 n.—weapon √*vad* (वद्) to slay.

jaiḍi—2/1 imp. √*jan* (जान्)—जन् to slay, to strike—Smite -^xजधि (जधि).

vivarəzdavato (विवर) —6/1 of p. pt. par. √*varəd* (वरद्) to increase, hence “One who has grown great,” i.e. proud (Barth.). Kan. takes it as act. p.

pt.* $\sqrt{\text{varaz}}$ (to work) with prefix *vī* (against) and translates "working against (the Law of God)."

$\chi r v i \delta y a t \bar{o}$ —6/1—Cruel, bloodthirsty. Connected with $\chi r v i$; $\chi r v i$, raw flesh. The Eng. word *raw* is also cognate.

$z a z a r \bar{a} n \bar{o}$ —6/1 pft. pt. $\sqrt{\text{zar}}$ (χ , χ χ χ) to be angry. Angry, fuming. Per s. $\bar{a} z u r d a n$ ($\bar{a} z u r d a n$) to injure is cognate.

31. $d r v a t \bar{o}$ —6/1 of *drvant*; see above 8.

$s \bar{a} s t a r \bar{s}$ —6/1 of *sāstar* $\sqrt{s \bar{a} s}$ (χ χ χ) to rule—Oppressor or tyrant. The word *sāstar* (χ χ χ) lit. meant "prince" or "ruler" then it degenerated in meaning. This, says Barth.,† is due to the influence of another *sāstar* (connected with *sādra*, pain) on the meaning.

$\bar{a} i w i v \bar{o} i \delta d a y a n t a h e$ ($\bar{a} i$.)—6/1 pres. pt. par. of *aiwi* + the comp. verb *vōiḍdā* (to smite) to lift up (a weapon).‡ Here Barth. takes the phrase *aiwivōiḍdayantahe kamərəḍəm* to mean "holding up (proudly) his wicked-head." Kan. takes *kamərəḍəm* as subject of *paiti* and translates "against the head of the man who injures." The comp. verb *vōiḍdā* is from $\sqrt{\text{voi}}$ (to injure) + $\bar{a} d \bar{a}$ (cf. *yaoḍdā* above 1). Also connected is *vōiyna* (χ χ χ)—an inundation, Skt. χ χ χ also seems cognate.

$a h \bar{u} m - m \bar{a} r \bar{a} n c \bar{o}$ —6/1—Life-destroying or soul-destroying— $\sqrt{\text{marənk'c}}$, χ χ χ , to twist, to torture (cf. Hin. χ χ χ , (Huj. χ χ χ). *mahrka* (above, 8) is cognate.

$m \bar{a} s . . . d a \bar{\theta} \bar{a} n a h e$ —6/1 of pres. pt. atm. of the comp. verb *māzda* (*man* + *dā*), to bear in mind, to remember. The components of the comp. verb are separated, which is a common phenomenon in both Skt. and Av. Cf. *yā zras-ca dāt* (that she may believe and . . .) Yt. IX. 26.; χ χ χ (RV. II. 12. 5).|| See also Whit. § 1031ff. In later Skt. we get periphrastic forms (like the pft.) whose two components are separated by other words intervening—cf. χ χ χ χ χ χ χ (*Raghu*. IX. 61); χ χ χ χ χ χ (*Ib*. XIII. 36). Kan. offers another suggestion also ¶, that *mās-vaca* may be taken as a *dvandva*-comp. (2/2) meaning "creed and word" and *daṭhānahe* would then mean "holding (outwardly)."

$\delta y a \bar{o} \bar{\theta} n \bar{a} i \bar{s}$ —3/3—In actions, lit. by actions.

$a p \bar{\theta} y a n t a h e$ —applying or observing. $\sqrt{\text{ap}}$ (χ χ χ) to obtain. In the *-aya* class means to follow out, to observe (Reich.).

32. $j a h i k a y \bar{a} i$ —4/1 for 6/1 of *jahikā*, a woman of ill-fame, a wicked woman. The peculiar use of dat. is paralleled in the Brāh. literature of Skt., e.g. χ χ χ χ :

$y \bar{a} t u m a i t y a i$ —full of magic (for subduing her victims), full of wiles.

* A.G. § 563. This is formed by root + *ta* + *cat*. Cf. χ χ χ . See Whit. §§ 959-960.

† Wb. 1574. ‡ Cf. G.Θ. Ahu. XXII. 10. (*yas-əd vadarə vōiḍdāt aī ānə* (and he who lifts up weapon against the righteous). || Reich. A.R. p. 100. ¶ Kh.A.v.b.M., in a footnote on this passage.

maoḍanō-kairyāi (ān)—delighting in (forbidden) pleasures, voluptuous. The word *maoḍana* (√*maod*, मृदु) has a bad signification. Cf. Eng. *lust* as contrasted with Ger. *Lust* (desire).

upaštā-bairyāi (ān). Barth. (Wb.) says it is obscure. The first part is evidently the same as उपल (lap) and the second is from √*bar* (बृ) to bear. Kan. says شهوت پرست (*shahvat-parast*) lustful * which seems a very likely rendering.

yēṇhe—6/1— m. in form used for the f. this is doubtless owing to the greater use of the m. form. Whose, यस्याः.

frafravarti—3/1 pres. inten.—flutters or tosses about. √*fru*, वृ, to fly.

auram—1/1 n.—Cloud, अमृ.

vūtō-ḥūtəm—Wind-tossed, वानचुतम् ;

yaṭ used merely to introduce the repetition which marks the end of the hymn or chapter (Reicu.)†. May be translated by “verily,” “indeed” or a similar mildly emphatic word. Kan. omits it in his trans.

hē—4/1 m. used for the f. referring to the *jahikā*; see above 28.

* Kh. A. b. M. He reads however *upasta*°.

† The Upanishads also show a similar repetition at the end of chapters.

* The first "verse" is used only for liturgical purposes and so is omitted here. The real Yašt begins at 2. The Roman figures indicate the *hazdaks* or sections. † See notes below.

‡ First sentence of 2, repeated here and elsewhere.

|| 3 and 4 repeated here and elsewhere.

II.

Sraoša Yast—Yasna LVII.

I. 2. We worship¹⁰ Sraoša¹ the Holy², the beautiful³, the victorious⁴, bringing-prosperity⁵ to-the-world⁶, the Righteous-one⁷, of Righteousness⁸ the Master⁹.

Who¹¹ first¹² of the creatures¹⁴ of Mazdā¹⁵, having-spread¹⁵⁻¹⁶ the Barasman¹⁷, worshipped¹⁸ Ahura¹⁹ Mazda²⁰, worshipped²¹ the Holy²⁸ Immortals²². (and) worshipped²⁴ (both) the Maintainers²⁶ and Creators²⁶, who²⁷ (both have) fashioned²⁹ the whole²⁸ of (this) creation³⁰.

3. For his¹ splendour² and⁴ for (his) glory³, for his⁵ strength⁶ and⁸ for (his) victory⁷, (and) for his⁹ worship¹⁰ of the Worshipful-Ones¹¹, him¹² (do) I worship¹³ with well-sounding¹⁴ hymn¹⁵, Sraoša¹⁶ the Holy¹⁷, with libation¹⁸, and²⁰ the exalted²² Aši¹⁹. Vānuhi²¹, and²⁴ the beautiful²⁶ Nairya²⁵. Sāgha²⁵; and²⁸ may the victorious³² Sraoša³⁴ the Holy³⁴ come³⁰ unto²⁷ us²⁹ for help³¹.

4. We worship³ Sraoša¹ the Holy². We worship⁶ the exalted⁶ Lord⁴ who⁷ (is) Ahura³ Mazda⁹, who¹⁰ (is) the highest¹² in holiness¹¹, who¹³ (hath) reached-the-highest¹⁵ through holiness¹⁴. We revere¹⁹ all¹⁶ the commandments¹⁷ of Zaratustra¹⁸, we revere²⁴ besides²¹ all²⁰ well-performed²² deeds²³, both^{26*} (those) performed²⁵ and²⁸ (those that) shall-be-performed²⁷. (That man) among-those-that are³⁰ of whom²⁹ Ahura³⁶ Mazda³⁶, through³⁹ (his) holiness^{38†}, knoweth³⁷, (that he) verily³¹ (is) better³⁴ as-regards³⁵ acts-of-worship³², (and those women) too⁴¹ of whom⁴⁰ (Ahura Mazda knoweth likewise)—(all such,) both^{43*} men⁴² and⁴⁵ women⁴⁴ (do) we revere⁴⁶.

II. 5. We worship¹⁰ Sraoša¹ the Holy² . . . the Master⁹. ‡

2. Who¹ first² spread⁴ the Barasman³, (consisting of) three-twigs⁵ and⁷ five-twigs⁷ and⁸ seven-twigs⁹ and¹⁰ nine-twigs¹¹ too¹³, and¹⁵ (each was) up-to¹³ the-knee¹⁴ and¹⁸ (upto)-the-middle¹⁶ of-the-leg¹⁷ (in length), for the worship²¹ and²² for the praise²³ and²⁴ for the propitiation²⁵ and²⁶ for the glorification²⁷ as-well²⁸ of the Holy²⁰ Immortals¹⁹.

For his¹ splendour² . . . and⁴⁵ women⁴⁴ (do) we revere⁴⁶. ||

III. 7. We worship¹⁰ Sraoša¹ the Holy² . . . the Master⁹.

* *Id.* "and."

† I.e. because such a man leads a holy life of righteousness (*ašē*).

Who¹ overtake⁴ all² those³ after⁷ whom⁵ they⁶ go-in-pursuit⁸; they¹⁰ (are) never⁹ (themselves) overtaken¹² from-behind¹¹: who¹³ speed-on¹⁶ bearing¹⁷ him^{18*}, the excellent¹⁹ Sraoša²⁰ the Holy²¹, (together) with (his) double¹⁴ weapon,¹⁵ whether²² he takes²⁵ (his course) in easternmost²³ Hind²⁴, (or) whether¹⁶ in westernmost²⁷ Niyna²⁸.

For his¹ splendour² . . . and⁴⁵ women⁴⁴ (do) we revere⁴⁶.

XII. 30. We worship¹⁰ Sraoša¹ the Holy² . . . the Master⁹, who¹¹ tall¹² (of form and) high-girded¹³ sits¹⁶ among the Creations^{15†} of Mazda¹⁴.

Who¹ thrice² every³ day⁴ and^{6†} every⁵ night⁷ comes-down¹⁰ to this⁸ region⁹, namely¹¹, the-shining¹³ X^vanira¹² holding-firm¹⁶ in-both-(¹⁴)-hands¹⁵ the weapon¹⁴, sharp¹³-edged¹⁷, (and) self¹⁹-speeding²⁰ (to be used) against²² the skulls²¹ of demons²³;

32.|| (the weapon) for hewing-down¹ of Aprō² Mainyu³ the wicked⁴, for hewing-down⁵ of the Demon-of-Wrath⁶ with-the-bloody⁷-mac⁸, for hewing-down⁹ of the Māzana¹⁰ demons¹¹, (yea) for hewing-down¹² of every¹³ (single) demon^{14‡}.

For his¹ splendour² . . . and⁴⁵ women⁴⁴ (do) we revere⁴⁶.

XIII. 33. We worship¹⁰ Sraoša¹ the Holy² . . . the Master⁹.

Both^{2**} here³ and⁴ hereafter⁵, yea^{6***} here⁵, and⁸ especially⁹ (over) this¹⁰ entire⁷ earth¹¹ (do we extol) all¹² (the mighty deeds) of Sraoša¹³ the Holy¹⁴, of the brave¹⁵ Word¹⁷-incarnate¹⁶, of the hero¹⁸ with-(manly)-courage-endowed^{19,20}, of the Warrior²³ mighty²²-of-arms²¹, of the cleaver²⁵-of-the-skulls²⁴ of demons²⁶; (and) the conquests²⁹ of the conquering²⁷ Lord-of-victory²⁹, (and) the victories³² of the holy³⁰ conqueror³¹ and³⁴ (his all-) conquering³³ (spirit and) greatness³⁵ (do) we extol³⁶—(the greatness) which³⁷ (is) of Sraoša³⁹ the Holy⁴⁰, and³⁸ which⁴¹ (is) of the adorable⁴⁴ Aršti⁴³ as well⁴².

34. We revere⁶ all¹ dwellings² guarded⁴-by-Sraoša³, wherein⁵ the Holy⁸ Sraoša⁷ is welcomed¹¹, loving⁹ (and) beloved¹⁰, and¹² (where) the man¹³ (becomes) holy^{14††} (and) richer¹⁵-in-good-thoughts¹⁶, richer¹⁷-in-good-words¹⁸, (and) richer¹⁹-in-good-deeds²⁰.

For his¹ splendour² . . . and⁴⁵ women⁴⁴ (do) we revere⁴⁶.

* Lit. "whom." † The "Holy Immortals" and the other "Worshipful Ones." ‡ Lit. "or." § The sense "runs on" from verse 31. ¶ Orig. plu. ** Lit. "and." †† In consequence of the presence of Sraoša.

NOTES.

1. Kanga—Khordeh Avesta bā Māeni (5th ed.), pp. 280ff.

2. Jackson—Avesta Reader, No. III.

3. Mills, S.B.E., Vol. XXXI, pp. 297ff.

Sraoša occupies among the angel hierarchy of Zoroastrianism a very exalted rank. He is in some respects regarded as next to Ahura Mazda and his immediate ministers the Aməša-Spəntās. Hence he is regarded as the highest of the Yazatas. His work is to look after human souls. Day and night he watches over humanity keeping off the daēvas with uplifted weapon. During the three days succeeding death the human soul is directly under the protection of *Sraoša* and hence his hymns are always chanted as the principal prayers during the funeral ceremonies. When on the dawn of the fourth morning after death, the departed soul is judged for his actions during his life on earth, it is *Sraoša*, who, as one of the judges in association with Miθra (Mēhr), judges him and assigns him his reward. During life too the human soul is under the care of *Sraoša* and he takes special care of the human beings during the hours of darkness. The cock, who by his crowing, marks the end of the powers of darkness, who rule at night, and the dog who guards us during the hours of darkness, are both animals sacred to *Sraoša*. The Pah. books (notably the *Bundehish*) give a great many details about *Sraoša*. He is the messenger of Ahura Mazda to humanity and he occasionally is mentioned as being joint sacrificial priest with Ahura Mazda Himself at certain ceremonies. So great is his position in Z. literature that in all ceremonies the very first hymn recited is an invocation to *Sraoša* (the *Sraoša Bāz*).

I. 2. *Sraoṣəm*—2 1. The name is taken by scholars to be from the \sqrt{sru} (𐬰) to hear. It seems to mean "obedience", the obeying or carrying out of the Law of Righteousness which is the Law of Ahura. Cf. also Yas. LX, 5 (Sel. IV), where the word *sraoša* is used lit. in the sense of "obedience".

aṣīm—2 1 of *aṣya*; invariably used as an epithet of *Sraoša* and used for no one else. Lit. "the Righteous", "the Holy", i.e. he who upholds Aša.

huraodəm—from *hu* (𐬨) good and *raoda* (𐬭𐬀𐬯𐬭𐬀𐬰𐬀; \sqrt{rad} -, 𐬭𐬀𐬯𐬭𐬀𐬰𐬀) growth or form. See above Yas. IX. 5. Beautiful. Lit. of fine appearance. "Fair of form" (Jack.); "tall formed" (Dar.).

frādaṭ-gaēdəm—Bringing-prosperity. *frādaṭ* is pres. pt. of $\sqrt{dā}$ with *frā* to increase, to prosper. The Pers. *farāz* (𐬀𐬭𐬀𐬰𐬀), exalted, is cognate, also *farjād* (𐬀𐬭𐬀𐬰𐬀) cry for help, complaint.

ratūm—Leader, Master, Lord. See note on the same word in Yas. IX. 1. Barth. thinks that there is no connection between *ratu*, time (𐬭𐬀𐬰𐬀) and *ratu*, leader.* The word *ratu* in the sense of "leader" is always opposed to *ahu*, the former being used invariably in the sense of a "spiritual leader" and the latter in a material sense. Cf. the prayer *yaθā ahū vairyo* below (Sel. VIIa). Barth. however (Wb. 1498) says that *ahu* is an arbitrator

(*Schiedesrichter*) as opposed to the *ratu* the judge (*Gerichtsherr*). This is not very clear. But elsewhere (Wb. 282, under *ahu*) he mentions that the *ahu* was always a warrior whereas the *ratu* belonged to the higher caste and was the judge. These correspond to the Greek βασιλεύς (king) and to the person who held the office of διαγνώων (investigating) respectively. This rather supports the idea of material and spiritual leaders. Jack. says definitely "spiritual leader". Haug takes *ahu* to be the spiritual leader and *ratu* as the material, also Modi.

yazamaide—1/3 pres. atm. √yaz (यज्). We worship. The ending *-maide* is the same as -मये (*-मये) with an epenthetic *i* inserted. Cf. Grk. -μετα. Reich. § 256.

dāmān—1/3 used for 6/3. Kan. takes it as 7/3 in meaning. The ending *-ān* is used with n. nouns in *-an* for practically all cases. (Jack., A. G., § 308).

frastərəntāt—5/1 n. p. pt. pass. √star (स्तर) with *frā* (फ्रा), to spread. Through spreading. The abl. is governed by the word *paiti* giving the sense of the Lat. abl. absolute—having spread. See Reich. § 676. Cf. *yō . . . rapithwinān . . . frāyazaitē frasnātaēibya zastāēibya . . . frastərəntāt paiti barəsmən, uzdātāt paiti Huomāt, raocintāt paiti Āθrāt srāvayamnāt paiti Ahunāt Vairyāt*, Afrin. IV. 5. "who worships the *rapithvina* (midday) with hands washed, having spread the *Barəsmən* (and) having invoked *Haoma*, (and) having lighted the fire, (and) having chanted the *Ahura Vairya*". The word *frastərənta* is translated by Dar. and others as "tied up". In the ceremony the twigs are tied up, but they are first laid out or spread out before being made into bundles.

barəsmən—5/1 attracted by the case of the previous word for 2/1. The *barəsmən* twigs were twigs of the *Haoma* plant (or of the pomegranate) used in certain ceremonies. They are first laid out and then tied up in bundles. The number varies according to the ceremony to be performed.* Nowadays brass or silver wires are used in place of the twigs. The phrase *barəsmən star* recalls the वरिचः of the Vedas and probably these are philologically identical. Some writers have identified the *barəsmən* with the कुश grass but this is not correct, because the *barəsmən* is never used as a seat for the divine beings.† The custom seems to be a very old one. Strabo mentions it‡ and it is probably the same custom which is referred to in Ezekiel VIII. 16–17. The Roman Flamines also worshipped the fire with a certain number of twigs held in the hand.

yazata—3/1 impf. atm. augmentless—यजन्त.

Aməšə Spəntā—2/3 the *-ə* at the end shows that the form is G.A. The Holy Immortals. The *Ameshāspends* of later Z. theology. These are the six ministers of *Ahura*, who might be compared to the "archangels". They are *Vohu-Manō* (*Bahman*), *Aša-Vahišta* (*Ardibeshi*), *Xšaθra-Vairya* (*Shahri-*

* For details consult Modi Dict. pp. 140f.
Per. pp. 369ff

† Haug, p. 288, Reich. (A. R. p. 102) says that in Yezd the *tamariak* is used and the twigs are bound with a strip of mulberry bark. See also Jack.

‡ XV. 3. 24.

var), *Spanta-Āmaiti* (*Spendārmad*), *Haurvatāt* (*Khurdād*) and *Amərətāt* (*Amerdād*).^{*} Sometimes the texts mention seven *Ameshaspendas* because *Ahura Mazda* is counted as one, as it were *primus inter pares*. *Sraoša* is occasionally also ranked among them.

Pāyū Ōworəštāra—2/2. Each of these words is 2/2 and hence Jack. has some justification in taking these two words as a देवताद्वय comp.† According to him, *Pāyū* means “(two) Protectors” (√*pā*-पा) and *Ōworəštāra* means “(two) Judges” and hence the whole comp. means “the two, viz. the Protector and the Judge”. Jack. explains these as *Miθra* [मिथ्र, Pers. مهر (*mehr*)] the Protector and *Rašnu*† the Judge. These two sit in judgment over the soul, on the morning of the fourth day after death, after the *Cinva*-bridge is crossed. Kan. takes each word separately, (2/2)|| and trans. “the (two) Protectors (and) the (two) Creators”—they being identical, being *Spanta-Mainyu* and *Agrō-Mainyu* who have created and who maintain this world. See note on the latter name in Yas. IX. 8 above, Barth. understands (Vib. 889) that the two are *Miθra* and *Ahura*.

Ōworəštō—3 2 pres. par. Make or create; used as an *ahura*-word. The contrasted *daēva*-word is *kərənt-* (cf. Yas. IX. 8.). This word is connected with the √*taš* (तश्) to cut into shape and the word *taršvak* (one who has created)‡. Cf. Afy. ترشح (*tarshaj*) Axe.

3. *ahē*—6/1 of the dem. pron. stem *a*. The G. A. form is *ahyā*. The variants *aphe* and *aighe* are also found—अप्य.

raya—3 1 f. Splendour (√*rā*-र- to shine).

X'arənaŋha-ca—3 1 m. Glory. See above, Yas. IX. 4.

ama—3 1 m. Courage (Kan.); strength (Jack.).

yasna—3/1 m. Worship, praise (Jack.); fame (Guj. योनि Kan.

Yazatanām—6/2. Orig. p. pt. pass. of √*yaz* (यज्) to worship. Jack. (A. G. § 786, note 2) says that the ending *-ta* in this case has “partly a gerundive force” and compares *arazata* (रजन), silver. Lit. “the worshipful-one”, “the adorable one”, the name is specially applied to an order of Beings comparable to Angels of Christianity or to the *Devas* of the Hindus, who help in various ways in securing the welfare of the world and the carrying on of God's work therein. The *Ameshaspendas* are the highest among the *Yazatas*. Jack. and Barth. take the word as referring to *yasna* preceding and translate: “For his worship of the *yazatas*”. Kan. takes the sense as being “run on” and refers the word to *təm* following and translates, “For his fame, him among the *Yazatas* (do I worship)”;—*Sraoša*, as the highest of the *Yazatas*, being as it were specially marked out as an object of worship.

yazāi—1 1 subj. pres. atm. I worship.

surunvata—3 1 pres. pt. √*śru* (श्रु), to hear. Lit. audible, loud, here used

* For details see Introduction.

† Cf. Whit. § 1255.

‡ The name means “the Just”. The Pers. راست (*rašt*) “upright” or “just” is cognate.

|| Geld. text agrees here.

¶ Yas. LXX. 1.

yeghē-hātām is one of the three holiest prayers of the Avesta. The other two are *yabā-ahū-vairyō* (*Ahunā-Vairya*) and *aṣəm-vohū**. All these three have been variously translated by various scholars. The *yeghē-hātām* is regarded by Geld. as a later imitation of Yas. LI. 22.† Moulton in his *Early Religious Poetry of Persia* (pp. 117f.) says, "It is not in the Gāthic dialect but in later Avestan, though it is of course possible that it has been transferred by adaptation . . . Geldner observes that it is an imitation of the last stanza of the Fourth Gāthā, . . . it seems very possible that it was derived from it by simply paring down the 14 syllable line to the more familiar metre. That makes its post-Gāthic date fairly certain".‡ That last verse runs as follows:

yehyā¹ mōi² aṣā³ hacā⁴ vahistam⁵ yesnē⁶ pairi⁷
vāēda⁸ Mazdā⁹ Ahurō¹⁰, yōi¹¹ āgharō¹². cā¹³ hēnti¹⁴. cā¹⁵,
tāi¹⁶ yazāi¹⁷ x¹⁸āi¹⁹ nāmēni²⁰ pairi²¹. cā²² jasāi²³ vāntā²⁴.

(That person) of whom¹ Ahura¹⁰ Mazda⁹ through⁴ (his) holiness⁸ knoweth⁵ (that he is) the best⁶ towards me²|| as-regards⁷ acts-of-worship³—(all) such¹⁶|| (persons), both^{13**} who¹¹ have existed¹² and¹⁵ (who) are existing¹⁴, shall I revere¹⁷ by (their) own¹⁸ names¹⁹ and²¹ (I) shall draw²²-near²⁰ (to them) with praises²³.

See Yas. LXI for the praises of this prayer; Yas. XXI is a commentary upon this (Sel. VIII c. below).

yeghē—6/1 m. Of whom. This is the "object" of *vāēdā* hence the gen., what Reich. (§ 503) calls the "objective genitive" (cf. Whit. § 297). Reich. (p. 477) following Barth. in this passage considers that the m. is used for f.;—a point which is not at all clear. The mas. is quite correct here, because the corresponding fem. comes later on, *yāghām-ca*. If at all, we may say that the sg. is used when we may expect the plu. (*yaeṣām*) because *yāghām-cā*, *tās-cā*, *tās-ca* are all plu. The construction is *ad sensum* (Reich. § 608).††

hātām—6/3 pres. pt. √ah (अह्) to be. Of living beings—अनाह्.

āi—This is a particle used sometimes in the sense of the Skt. अह. Here it is merely mildly emphatic somewhat like अह or अह, verily. Orig. it is 5/1 of the pron. stem *a*. This is the Y. A. form, the G. A. being *āi*.

yesne—7/1. Note change of *yasna* to *yesna*. Reich. (§ 158) says the change of *a* to *e* is due to the *e* in the following syllable.

pairi—governs the loc. *yesne*; परि. Note the final *i*, the language being Gāth.

vaghō—Com. of *vohu* (वहु). Holier.

vāēdā—3/1 pft. par. G. A. √vid to know. वेद. Note that it governs the genitives *yeghē* and *yāghām-cā*. Cf. अ हि जातानां वेद.

hacā—through, on account of. Lit "with," used with ins. or abl. (√hac, अह, to go with), this being probably 3/1 of the root-noun. Cf. O. Per. *hacā*, with; Per. *ā* (az) with or from.

* See below Selection No. VII.

† See below Selection XXVIII, Part II.

‡ Kan.

however maintains that the prayer is exceedingly ancient and says it was composed by Z. himself.

Kh. A. b. M. p. 1, footnote. || The "me" probably refers to Z. ¶ Lit. "these."

** Lit. "and."

†† Also Reich., A. B., p. 102.

yāghm-cā—6/3 f. "object" of *vaeθa*. We have to understand, *mutatis mutandis*, the words *hatām... hacā* with this fem. counterpart.* The Z. religion has never made any distinction of sex and has always spoken of both the sexes in terms of perfect equality.

tās-cā—2/3 m. They (the men).

tās-cā—2/3 f. They (the women).

The variety of translations may be judged by the following selections made from among the various versions by various scholars:—

(i) (To that one) of beings do we offer, whose superior (fidelity) in the Sacrifice Ahura Mazda recognises by reason of the sanctity (within him; yea, even to those female saints also do we sacrifice), whose (superior fidelity is thus likewise known; thus,) we sacrifice to (all, to both) the males and the females (of the Saints).—Mills, S.B.E., XXXI, p. 268.

(ii) All those beings^a of whom Ahura Mazda knows the goodness^b for a sacrifice (performed) in holiness, all those beings male and females^c do we worship.—Dar., S.B.E., XXIII, pp. 30-31.

[Notes:—(a) the Amesha Spentas (Pahl. Comm. ad Yesna XXVII. fin.).

(b) The benefits which they dispose, and which they impart as rewards to the righteous. (c) The first three Amesha Spentas (whose names are mas.)

and the last three (whose names are fem.)].

(iii) वे विश्वमानेभ्यः एवं इजिन्त्या उपरि वत्सस्य

महाशानिनः शानिनः (किस इजिन्त्योः अजरमन्दस्यार्थे प्रचुराः कुर्वन्ति) वे तु वे तुष ?) पुण्यं वत्सिन्तिव (किस वत्सिन्तिव पुण्यप्रसादं अजरमन्दो वेति)।

समवाधिकान् तान् [तांश्च] ताश्च आराधये (किस नरस्त्री आश्रितान् अभिवाक्षि-
तान्) ॥

—Nair. Skt. Trans.†

(iv) Whomsoever (male or female) among the living beings, Mazda Ahura knoweth as one to whom through Aša the better portion doth fall, all such beings (male and female) do we reverence.—Reich., p. 20. (See also Barth. Wb. 1270.)

(v) The man among all that are, the women too, to whom for (his) prayer (*yasna*) the Wise Lord knows the better portion doth fall in accordance with Right, these men and women do we reverence.—Mlt., E.R.P., p. 117.

(vi) Among living beings whoever is better in acts of worship, of such Ahura Mazda (Himself) is aware on account of His holiness—all such both men and women do we revere.—Kan., Kh. A. b. M., p. 39.

II. 5. Note the repetitions of this as well as other passages throughout this hymn as a sort of refrain.

6. *frasterenata*—3/1 impf. atm. Spread.

θryaxētis—2/3 f. (Made up of) three-twigs—विषष्टिः. Note the insertion of *χ* here; cf. *χētūm* above Yas. IX. 21, also *yaoχētūm* (Yas. IX. 8) and below, *ā-χēnūs*. The word is often used as a collective in n. sg. Here it explains *barəma* (Jack., A. G., § 891).

* So also Mills in S.B.E., XXXI.

† Collected Skt. writings of the Parsia, Pt. II., p. 14.

ā-χēnūs-ca—2/3; *ā + žnū*. Up to the knee, i.e. knee-deep. The insertion of the *χ* before *žnū* is found only with the prep. *ā*, with other *upasargas* it is not found, e.g. *frañnu*. This *χ* has no value etymologically (Jack., A. G., § 77, note 1*); cf. *χēmākəm*, *χēmāt*, etc. For the formation of the comp., cf. *चमिष्ठ*, Jack., A. G., § 889 and Whit. § 1310. Kan. says that this refers to the length of the twigs used. The length of the twigs is stated in Nir. to be three spans and the thickness that of a barley-corn, and their number is to be either 3, 5, 7, 9, 12, 15, 21, 33, 69 or 551 according to the ceremony to be performed. They should be cut from a tree whose trunk is perfectly sound.†

maidīyōi-paitištānās-ca (v.l. *maidīyō*, Kan.)—2 3 comp. of *maidīyōi* (मद्यौ), middle + *paitištāna* (प्रतिष्ठान), leg (lit. that by which we stand). Half-a-foot (or leg) high (Jack.†); reaching up to the middle of the leg (Kan.). The *ā-* from *ā-χēnūs* is to be supplied here also, *ā-maidīyōi*⁠.

yasnāi-ca—4/1 m. For the worship.

vahmūi-ca—4/1 m. of *vahma* prayer, praise or glorification. Barth. (Wb.) derives it from *√van*, to win; Jack. gives *√vaf* to pray (cf. *ufyemi*||); Kan. Dict. derives this word from *√vagh* (वघ्) to love, to revere.

χsnaoθrāi-ca—4/1 n. For the propitiation. *√χsnu* (खस्नु) to propitiate.

frasastayaē-ca—4/1 f. For the glorification—प्रशस्तये.

The phrase *yasnāi-ca...frasastayaē-ca* occurs frequently throughout the Av.

III. 8. *frasvāvayaŋ*—3 1 impf. caus. *√sru + frā*. Chanted aloud (*frā*). See above Yas. IX. 14.

afsemanivān—2 3 n. Metrical passages; from *afseman* (n.), measure or metre used specially for Gāthie verses. Cf. Yas. IX. 14. Kan. trans. "Together with the verses (بیت bait)". He derives it from *√afs*, to cut (?).

vacastaštivaŋ (ũr.)—2 1 n. used instead of 2/3. With properly arranged strophes. *vacastašti*, f. specially refers to the divisions of the Gāthie stanza. From *vacah* (वचस्) and *taš* (तश्) to arrange. According to Barth. (Wb. 1340) the use is almost adverbial.** For the metrical divisions of the Gāthie verses see Gold. Text, Introductory Note to Yas. XXXV.

maŋ-āzaingtiš—2 3 f.; a comp. made up of *maŋ* with and *āzaingti* (*√zan*—ज्ञ to know) explanation. The word *maŋ* is originally 5 1 of the pron. stem *sma* (स्म, स्मन्) (Jack., A. G., § 140). The Pah. phrase *Avistāk-vazand* means "Avesta and the Commentary" and the phrase wrongly understood has given us the popular name *Zend* for the language itself (Jack., A. G., Int., p. xii).

maŋ-paitifrasd—2 3 f. With the questions and answers, i.e. with the catechism.†† Jack. however translates "with answers to the questions";

* Also ib. § 168. † Haug, p. 397, note 2. Modi, Dict., mentions the numbers 23 and 35 as well.

‡ A. R., Gloss. || Kan., Dict., derives this from *√rap*—to weave (cf. Pers. بافتن *bāftan* to weave), and explains the special sense of *ufyemi* "I pray" as being metaphorical, "weaving the hymns."

¶ In Skt. the root means to sharpen and *वधोच* means "whetstone", RV. II. 39, 7. ** See Whit.

† 1107. †† So, on the Gāthie Revelation.

(स प्रतिपत्ता: (°^x प०११:). √*paras* (प०११) + *ṛaiti*. In Vis. XIV. 1, we get the word *mat-parasvim* in almost the same sense; cf. also Yas. IX. 25.

IV. 10. *driyaōs-ca*—6 l of *driyu* m. A poor man. Pers. *درویش* (*dervish*) lit. means a poor man, hence used in the sense of a *संयाचिन्*.

driyās-ca—6 l of the f. of *driyu*. The f. is made by adding -ī and the y drops out before the i: *driyu* + ī = *driyvi*, *drīvī* (Jack., A. G., § 187., 1).

amavat—2 l n. Strong.

nmānəm—2 l. Is used in the sense of “a refuge”. Cf. “Lord, thou hast been our dwelling place in all generations”, Psalms, xc. 1.

hām-tāsti—Lit. puts together i.e. fashions. *hām* is the same as *सय* and *तस्त* is *सु* to build. Kan. reads ‘*tāstam*, in which case the previous two words as well as this would be 1 l n. to be construed with *asti* understood. Kan. translates “who is the well-fashioned strong refuge”

pasca—prep. governing the acc. After. The Skt. form *पश्चात्* is the abt. Pers. *پس* (*pas*) after.

hū—6 l of *hvar*, the sun. This special form of 6 l is peculiar to Y. A.* and is used only with *frāṣmō-dāiti* (Jack., A. G., § 334).

frāṣmō-dāitīm—2 l f. obj. of *pasca*. The word is used only with *hū* and means “setting (of the sun)”. Nair. in his Skt. trans. says *प्रद्युम्नराशिनिर्वाण*, i.e. the time between the sunset and the setting in of complete darkness—in other words, the evening *सय*. The etymology is uncertain. The word *frāṣmi* which occurs in Yas. X. 21 and in 19 below may be connected. In the former passage (*Huoməm frāṣmīm frādat-gaēθəm yazamaide*) Barth. translates *frāṣmi* as “refreshing”† while Kan. translates “prosperity-giving” and derives it from *frāš* forward (‘*anc* *सय*) to move with *frā* (प्र); cf. Pers. *فراز* (*farāz*) high, exalted).‡ Both however give the meaning “sunset” to *hū frāṣmō-dāitīm*. In his derivation Kan. agrees with Har. who also takes it as connected with *frāš* and explains *frāṣmō-dāiti* as “the attaining (‘*dā*, *दा*) the goal of the progress”.¶

Aēšməm—The Demon of Wrath. He is represented as having the seven principal vices and he is one of the chief among demons. The name appears to be identical with *Asmodeus* (*Aēšma-daēva*) of the Apocryphal book of Tobit (III. 8).** In G. A. this word personifies the anger of the evil-minded against the good-creation especially against cattle (cf. Gāθ, XXIX. 1; XLVIII. 7). The anger due to drunkenness is also personified as *Aēšma* (Yas. X. 8). From ‘*aēs* to put oneself in rapid motion. Grk. *αἶ*, *a* and Lat. *irā* are probable cognates. The modern Pers. *خشم* (*khāsham*) anger is a direct derivation, the initial *خ* (*kh*) being due to a faulty reading of the Pah. word which may be read both *aēšma* as well as *xašma*.

storəθwata—3 l adj. Striking down or smiting down to the ground (Barth.); levelled or uplifted (Kan.). Kan. adds that this word is used of a weapon which has to be aimed at an object by bringing it up to the level of

* The regular form is *hūrō*. † Hb. air. D. See also Bel, XIX, Part II. ‡ Dict. ¶ Kan. by a very curious slip says *surise* in his translation of this passage, Kh. A. b. M., p. 284. ¶ Her., Man. Av., Gloss. °° Haug., p. 357.

the eyes ($\sqrt{\text{star}}$ to stretch, to level), e.g. a bow. He contrasts the word *erəduwa* (𐬀𐬀𐬌𐬎) which is used of a weapon which is lifted up to strike, e.g. a sword.* See below 16.

snaiθiṣa—3/1 n. of *snaiθiṣ*, a weapon, $\sqrt{\text{snab}}$ (𐬀𐬎𐬌) to smite, to destroy. Battle-axe (Mills).

viṣrūmantəm—2/1 adj. Very sore, deep (Kan.); bruising (Jack.). Barth. (Wb. 436) remarks that the word lit. signifies that which lets out blood and that by a strange transposition of meaning the word is used (e.g. in Ven. IV. 30 and 33) to mean an injury of the mildest type, that, namely, in which no blood is let out. The $\sqrt{\text{xrū}}$ means to hurt, lit. to make raw or bloody. Cf. Skt. 𑖦𑖯𑖱, Av. *xvara*, Eng. *raw* (O. Eng. *hraw*).

xvareṃ—wound. From $\sqrt{\text{xvar}}$ to injure. The $\sqrt{\text{xvar}}$ to eat (Pers. 𐬭𐬀𐬭𐬀𐬎 *khurdan*, to eat) is probably connected.† In the Ven. this word means a visible mark left on the body which may have been inflicted by a weapon.

jainti—3/1 pres. $\sqrt{\text{jan}}$ (𐬀𐬙𐬎). Smites; 𐬀𐬙𐬎.

aṭ-ca—2/1 n. of pron. stem *a*. Then, thereupon.

bāda—Continually (Jack. who connects it with Skt. 𑖧𑖯𑖱). *Kan. takes it as an assertive particle, somewhat emphatic in value; vorily, assuredly. Barth.† supports this view. The word is probably derived from $\sqrt{\text{bā}}$ (𐬀𐬎) to appear, to shine forth (5/1 of the root-noun ?). Skt. 𑖧𑖯𑖱 and 𑖧𑖯𑖱𑖱 may be cognates.

jaynvā—1/1 pft. pt. $\sqrt{\text{jan}}$ to smite. Smiting; 𐬀𐬙𐬎𐬀𐬙𐬎.

paṭi-xvaphayeiti—Breaks to pieces (Kan.). $\sqrt{\text{xvāh}}$ (𐬭𐬀𐬭𐬀𐬎) to crush, with *paṭi*. Barth. translates “presses back” (Wb. 875).

aojā—Kan. takes it as 2/1 n. Strength. Jack. understands it to be 1/1 m., “the strong man”.

nāidyāghem—2/1. Kan. derives it from $\sqrt{\text{nid}}$, 𐬀𐬎𐬌𐬎 to scorn and translates it as “scorning” and takes *aojā* preceding as “object” of this word. He translates *yatha aojā nāidyāghem* as “the man who thus scorns his (i.e. Sraoṣa’s) power.” Alternatively he suggests in a footnote|| the translation: “Just as a strong man (crushes) the oppressor” (from $\sqrt{\text{nad}}$ to oppress, to injure). Jack. takes the word to be 2/1 adj. comp. and compares 𐬀𐬙𐬎𐬀𐬙𐬎 and translates, “Just as a strong man (crushes) the weaker one”. Cf. Yas. XXXIV. 8. The same word occurs in Yas. XIII. 16, where it is regarded by Dastur Darab as identical with the name of the Vedic sage 𑖧𑖯𑖱𑖱.

V. 11. *taxmēm*—See *tancistō*, Yas. IX. 15.

āsūm—Swift; 𐬀𐬙𐬎𐬀𐬙𐬎.

darəitəm (𐬀𐬙𐬎) (v. l. *reəitəm* Kan.)—Daring, from $\sqrt{\text{darəṣ}}$, 𐬀𐬙𐬎𐬌, to dare. Kan. translates “terrible (to the *daəva*)”.

berəzaidim (v. l. *ōtim*)—2/1 adj., made up of *berəz* and *dəi* (𐬀𐬙𐬎). Of high wisdom. High-spirited, valiant (Jack.); of high insight (Barth.); observ-

* Kh. A. b. M. in a footnote on p. 284.

† So Jack., A. R., Gloss.

‡ Wb. 953.

|| Kh. A. b. M., p. 284.

¶ J. R. A. S., 1898, p. 391. See also Barth. Wb. 481 for a discussion of this point.

ing from a high standpoint, i.e. far-sighted or liberal-minded (Kan.).* The epithet is used for Sraoša only here. In three places it is used of the great disciple and supporter of Z., the King Kava Vištāspa (Yt. V. 108, IX. 29†, XVII. 52). The reading °tim has been merely rendered *buland* (high or great) in Pah.

12. *haca*—Prep. used with ins. or abl. and meaning accordingly “with” or “from”.

arəzaēibyō—5/3. From battles. √*arəz*—*अरश्* to strive. Barth. compares *ἀρέω* “to reach out. Cf. Pers. *razm* (razm) battle.

vavanvā—1/1 pft. pt. √*van*. Victorious; *ववन्वान्*.

paiti-jasaiti—*प्रतिजसति*. √*jas* corresponds to *जस्*. The √*jam* corresponding to *जम्* is used in a few forms and the variants *jim* and *gam* are also known.‡

vyaxma (v.l. *vyū°*, Kan.)—2/1 n. Assembly. √*ac* (*अच्*) with *vi*, to assemble.

VI. 13. *yūnām*—6/3 of *yvan* or *yūn* (Jack., A. G., § 314, n. 1). Of the youths, among the youths. Are these the Immortal Yazatas who are ever young? Cf. *युवनी* as applied to *अवस्* and the epithet “young” used with the other Vedic deities (as in RV. VIII. 29. 1).

aojišto, etc.—Cf. Yas. IX. 15.

parō-katarštəməm (ān.)—The Pah. trans. says *pēs-kāmak-tum*, “foremost in loving”?; most desirous or eager (Kan.); most enterprising (Hur.). The form is made up of *para* (*पर*) + √*kam* (*कम्*) + suff. *tar* (*तृ*) + suff. *tama* (super. *तम*). Barth. and Jack. divide *paroka* (*पराक*, at a distance) + *taršta* (*तश्च*, frightened); lit. he who makes (the *daēvas*) frightened from a distance; he who is fled away from even at a distance (Jack.). On the whole the Pah. rendering seems best and it has the additional recommendation of being traditional.||

paitištata—2/3 imp. par. √*iš* (*इश्*) + *paiti* (*प्रति*). Desire eagerly, *प्रतीक्षत mazdayasna*—8/3.

14. *dūrāt*—adv. originally 5/1 of *dūra*. The 7/1 form *dūire* (or *dūraē-ca*) is also found, but here the 5/1 is preferred because the other cases are also abl.

haca is a prep. which means either “with”, “together” or “from”, “away” and is used accordingly with either ins. or abl.

nmānāt and other words in abl. Note that the 5/1 ending *āt* has become in Av. common to all nouns and pron. irrespective of the final letter.

aγdā—1/3 f. adj. Evil or wicked (Kan., Barth.); Jack. takes it to be a noun and translates “calamities”.

iθyejā—1/3 f. adj. Destructive (Kan.). Jack. and Barth. take it as a noun, 1/3 n., and translate “distresses”, “troubles”. √*θyaj*, *त्यज्*, to destroy; the *i* is prothetic.

* *बुद्धिदीपो नखर दीर्घाचारहार* Kh. A. b. M., p. 285 and Dict.

† Sel. XXIII, Part II.

‡ Kan., A. G., § 310.

|| Dar. rightly lays a deal of stress on the tradition as represented by Pah. On this point see also Browne *Lit. Hist.* I, pp. 68-70.

vōiyndā—1/3 f. Troubles or obstacles (Kan.); plagues (Jack.); inundations (Barth.). Barth. says it is probably connected with *vaēga* (वेङ्ग). Kan. connects it with विष्णु and derives from $\sqrt{\text{zan}}$ (जन्) + *vi*. The meaning "inundation" is appropriate in other passages where the word occurs, but here Jack. and Kan. seem more correct.

yeiṇti—3 3 pres. par. $\sqrt{\text{yā}}$ (या). Go, fly.

yeḡhe—7/1 f. pron. *yā* (Reich. § 400; Jack., A. G., § 399). The f. is due to the fact that the last noun used (*daiḡhu*) is fem. The form is probably from **yasyā* m. (cf. Ved. यस्या, यस्या etc.). The influence of *aiḡhe* is also apparent. The form for 6/1 m. is also the same (see above *yeḡhe hatām*). But the sense here is clearly loc. Hence it is not very correct when Barth. (Wb. 1227, note 28) says that the sense is always gen.

nmanaya—7 1. This case-form occurs only here. The G. A. form is *demāna*, the *s* being apparently put in only to help the pronunciation. Cf. O. Per. *māniya* and Mod. Per. مان (mān). After this word, the others—*vis*, *zaptu* and *daiḡhu*—should also be understood in 7 1.

paiti-zantō—1/1 p. pt. pass. $\sqrt{\text{zan}}$ to know, with *paiti*. Welcomed. Kan. agrees in the translation but derives (with a query) from $\sqrt{\text{jam}}$ (जम्) with *paiti* and says that lit. it means "to go up to a guest" hence "to welcome him". Skt. प्रत्युद्गच्छ is used similarly, hence Kan. is correct.

nā-ca—1 1 of *nar* (न). The man (i.e. he dwelling in the house, village, etc.).

frāyō—Com. of *frā* (*frāyayh*, प्रायः) which becomes *frāyō* as first member of a compound. Lit. "more." Kan. translates "more good-minded" etc. Jack. says "rich in good thoughts" and explains, "i.e., the man who has more good (than bad) thoughts". So also Barth. Wb. 1019. The idea seems rather that the presence of *Sraoša* makes them richer in good-thoughts, etc. The Hād. N. has also *frāyo-dušmatā*, etc., as contrasted with *frāyō-humatā*, etc., in the fem.

VII. This *Karde* is also found in the *Sraoša Yašt Hādōxt* (Yt. XI. Kar. 2.) This latter *Sraoša Yašt* is taken from the *Hādōxt Nask* (*Nask* XX). The two *Yašts* are distinguished by the fact that the *Yas. LVII* is called popularly *Sraoša Yašt Vaḡi* (वग्गी), i.e. the Greater *Sraoša Yašt*. Because it occurs in the *Yasna* it is also called in the Persian *Revāets* the *روش یشت* (*Sarūsh-Yasht-i-Izashni*). The same is used during the ceremonies for the first three nights after death, hence also the name sometimes given, *یشت سی شب* (*Yasht-i-si-shab*) or *Yašt-of-the-three-nights*.

15. *vananō*—1 1 pres. pt. atn. $\sqrt{\text{van}}$ (वन्). Conqueror. The atn. part. in *-āna* (Av. *-ana*) with thematic verbs is more common in Av. than in Skt. (Jack., A. G., § 507, Whit. § 741a).

kayaḡahe—6/1 m. Originally the word *kayaḡa* meant some special type of sin. The word is found in this sense only in composition with others, e.g. in Vis. III. 4. *evistō-kayaḡaḡem* which Kan. renders "without sin." Barth. (Wb. 442) says "who does not know * the *kayaḡa* sin" and he adds that the

* Cf. Grk. *ἀγνοεω* (not knowing), Goth. *unwīe*.

context there makes it evident that the sin is that "of holding the religion or holy matters in contempt",* i.e. the sin of heresy. The word then has acquired the sense of one who has committed that sin. Hence the word, as here, means "a heretic". Kan. simply says "a wicked man".

kāidyehē—6 1 m. Lit. one who belongs to the *kayaḍa*, i.e. the follower of a heretic. The Pali. version seems to take this as a fem. of *kayaḍa*:—*ke vanitar-i-kastārān-i-zanūn* (who is the conqueror of female *kayaḍas*). The formation of a fem. form with the ह्रस्व of the first syllable is a very exceptional phenomenon (Barth. Wb. 463), and besides this, the ending is definitely the mas. 6 1 ending.†

janta—1 1 of °tar. Smiter—जन्ता. Note the short final.

daēvaŋgā—6 1 adj. Devilish; qualifying *drugō*.

•*harāa*—1 1 of °tar. Protector. √har to protect (cf. Lat. *sal-vere*).

aiwŋāxša-ca—1 1 of °tar. Watcher. √axš (cf. ईक्ष्) + *aiwi* (आवि) to watch carefully.

fravōiš—6 1 f. Progress, prosperity. Thus Jack., who says that the Pali. rendering supports this. Barth. though agreeing puts a query mark after this (Wb. 991). Jack. therefore translates "the prosperity of all mankind". Kan. says "the progress of all the world". In a footnote‡ Kan. suggests that the word may mean "moving" and thus the rendering would be "the whole moving world". In the latter case it would be from √fru to move (cf. *frafravaiti* above, Yas. IX. 32). Mills (S.B.E., XXXI, p. 301) says "migrations of the tribes".

16. *anavaghabdāmnō*—1 1 pres. pt. atm. of √abdā (χ'ap—अव, to sleep + √dā—अट् with *an* (अन, neg. pre.) and *ava* (अव). Never falling asleep. The compound verb *χ'abdā* is of a fairly numerous class already discussed under *paṇiri-yaozōdā*, Yas. IX. 1 (also *mās* . . . *daθānahe*, ib. 31.). The *dā* in such cases seems to have a causal force.¶ Note also the peculiar change from *χ^va* to *gha*.

zāēnagha—3 1 n. With vigilance. √zi to impel, to awaken. Barth. (Wb. 1650) takes it to be 1 1 adj. and translates "watchful" so also Mills "vigilant". P. Guj. जेन, zeal.

nipāiti—3 1 pres. par. √pā (पट् to protect + *ni* (नि). Watches over. guards.

nīshaurvaiti—3 1 pres. par. √har to protect + *ni* (नि). Protects. The *ś* inserted after the *ni* and before the *h* is reminiscent of an original Ar. *s* and is "an attempt at etymological restoration".¶ This occurs only in cases where the *upasarga* ends in *i* or *u*, when the Skt. would show a ऋ, in such cases the original Ar. *s* which in Av. has become *h* initially is restored in a palatalised form *ś*; but the *h* is retained as well. E.g., *hu*—हू; but *aiwiś-*

* *aśarānam* ... *viato-fraorvitim* *viato-kayaḍam* (a holy person who knows the religion and does not know the sin of *kayaḍa*).

† This may however be explained away as "attraction".

‡ Kh. A. b. M., p. 272.

Jack., A. G., § 692.

¶ Ib., § 754. 2.

*huta**—**हृतिवुत** (Yas. XI. 3.)†. *pairiśxvuxta*—**परिखवत** (Yas. XI. 8)†. The same peculiar inserted *ś* is found occasionally with reduplication under similar conditions, i.e. after *i* or *u* in the preceding syllable, e.g. *hiśhaxti*—**हिषहि**.

arəδwa—3/1. Uplifted. See note on *starəθwata* above, 10. Cf. **अर्ध**, Grk. *ὀρθός* (right), Lat. *arduus*.

17. *pascaēta* . . . *ya*—Since when; **पसात्** . . . **यत्**. Cf. the Biblical phrase *after that*.

huśxwafu—3/1 pft. per. **हृखवफ**, **हृखव**. Sleeps—**सुषाव** (Kan. Dict. p. 601; Barth. Wb. 1862). But in the Kh. A. b. M. (p. 272) and also in Dict. he gives the alternative of taking the word as 1/1 participial adj. with the prefix *hu*-(**हृ**) and takes the verb *asti* as understood, thus translating "who is never soundly sleeping". Thus also Jack. But surely it is better to say of Sraoṣṇa that he is never asleep than merely that he does not sleep soundly. For the insertion of the *ś*, see above *niśhaurvaiti* (16).

daiditəm—3/2 impf. par. **द** (**दा**) to create. (The two Spirits, *Mainiyū*) created. The inserted *i* is to be noted (cf. **दवौत**). The term. -*təm* is the same in form as Skt. **तम्** (2/1). The same is the case with the primary term. 3/2 par. which in Av. is often -*θō* (for -**तस्** 3/2) though the -*tō* is also found.|| See above Yas. IX. 15 (*Mainivā dānān*), as regards the idea of both the Spirits creating the world. See also above verse 2.

hiśārō—Protector. **ह** *har* to protect. The form is an orig. redup. form **hihāra*, the change of the second *h* to *ś* is due to the same reason as the insertion of *ś* in *niśhaurvaiti*. The word governs the acc. *gaēθā* (2/3).

vīspaiś—3/3 for 2/3. Mills seems to connect this with *daēvaēibyō*.

ayān-ca—2/3 n. The two forms *ayan* and *ayar* (both neu.) are found mixed up in the declension as often happens with neu. nouns in -*ar* and -*an* (Jack., A. G., § 337). Kan. mentions¶ that there is sometimes a distinction observed between the two, *ayan* being used for the hours of daylight, as contrasted with night (*xšafnas-ca*) as here, whereas *ayar* means the whole day of 24 hours. Cf. Pers. **پَرِ** (*parer*),[§] day before yesterday. In Guj. (dia.) the word **परार** is used to mean day before yesterday or the year before last.

xšafnas-ca—2/3 f. Night. Cf. **शब**, Pers. **شب** (*shab*) night.

yūidyēiti—**युयि**. Note par. here.

Māzanyaēibyō—Belonging to *Māzana* (mod. **مازندران**—*Māzandrān*). This district south of the Caspian and north of Balkh, has played the same part in the Persian Epic as Lankā has done in the Rāmāyaṇa. It has been notorious as the home of demons, and one of the most difficult exploits of Rostam was the conquest of Māzandrān. Even to-day the Parsis use the term **مازندران** to indicate a person who defies all attempts at being curbed or one who obeys no law.

* V.l. (wrongly divided) *aiśiā-huśa*.

† Selection XX, Part II.

‡ Pers. **خواب** (*khab*).

sleep is a cognate. || Jack., A. G., 440, note.

§ Dict., p. 43.

hadā—With, वय (वय). The word वय (O. Per. ॐ *hadā*) is said to be cognate.

18. *hō*—Sc. Sraoša.

frānāmaite—3/1 pres. sub. atm. 'nam (नम) + frā (फ्र). Bows down i.e. submits (Kan.). Jack. and others translate "flees from" or "turns from", construed with *parō* (from) and the abl. or loc. (Barth. Wb. 1041). It is better to take *parō* to mean "before".

θwōēšāt—5/1 m. Through fright. 'wis (विष) to be frightened. The θ is prefixed to the 'wis by "false analogy" with 'θwiš (दिष) thus we get the regularly used 'θwiš.

frā . . . *namante*—Note the separation of the वय and the verb *remir* iscent of early language.

anusō—2/1 n. used as an adv. Against their will. 'vas, to wish.

tarētō—1 l for 1'3.

tamayhō—6/1 n. used for 2/1 (acc. of the verb of motion). Darkness which is the natural habitat of the demons. Cf. तमस.

dvarēnti (val. °te, Kan.) 'dvar to rush. A *daēva*-word.

19. *frāšnīš*—See above 10, note on *frāšnōdāitīm*. Kan. translates "prosperity-bringer". Barth. (Hb. air. D.) says "refreshing". Mills* (also Jack.) translates "the reviver" and explains, "the renovator as completing the progress which makes things fresh—*frāšō-karēti*". The word is found used as an epithet of *Haoma*.

srirō—Beautiful, खीर. Probably refers to *χ^vahe gayēhe χ^vanvatō* in Yas. IX. 1.

ṣṣābryō—Royal, kingly, वशिष्ठ. Cf. the phrase सोमो राजा of the Veda. *zairi-dōiθrō*—(Golden-eyed, a constant epithet of *Haoma* due to the yellow flowers of the plant†. *dōiθrō* may be connected with 'dai (dā) to see; Per. دیان (*dīdan*) to see. Is Skt. दिष, to show, cognate? The word *dōiθra* is an *ahura*-word, the *daēva*-word being *ašī†*.

barēzište—7/1 super. of *barēz*, high. वशिष्ठ.

barēzahi—7/1 n. Height.

Haraiθyō . . . *barēzayā*—6 l f. The word *Haraiti-bareza* is best translated as "the mount *Haraiti*". The name becomes in mod. Per. البرز (*Alborz*). The variant *Harā* is also found in Av. It has been derived from 'har (वर, व to flow) and hence may mean a place from which the waters flow, hence a mountain watershed. Another suggested derivation is that the element *har* is Semitic as is found in *Ar-rarat*, *Har-mon*, *Her-at* (?) and other place names (Modi). The Bun. mentions 2244 peaks in the range. For the idea that *Haoma* dwells in lofty mountains cf. Yas. IX. 26. This mountain is the mount मेरु of Av., hence Nair. says मेरोरपरि.

20. *havacā*—Of gracious words (Mills). This and the other epithets refer to *Haoma*. Mills also suggests an alternative rendering "who excites

* S.B.E., XXXI, p. 302. † This plant is said to be *Asclepa acida* or *Sarcostemma viminalis* (Vedic India by Z. A. Ragosin, p. 171). ‡ The Guj. word खीर is used by Pārsis in the *daēva*-sense.

Is this also cognate? Mar. खीर.

to much speech", but it is of doubtful value. The word is originally *hu-vaō** (हुववाः) but drops the *u* owing to the rule of Av. orthography that three exactly similar strokes should be reduced to two. Thus *uv* and *iy* become *v* and *y*†.

pāpō-vačā (𑀧𑀲.)—Whose words protect. 𑀧𑀲𑀭𑀮𑀮𑀮 (पा). The Pah. says *pānak gowišn* (lit. protecting speaker).‡ Kan. says that it means "reciting the *Pāpa-Nask*", which he explains is one (the 6th) of the 21 books which made up the Av. texts in the days of the Zoroastrian Empire. This *Nask* is said to have dealt with the seasons of the year and their appropriate ritual. Dar. agrees with the Pah. version as also Nair. (Skt.) रक्षावाचम्.

pairigā-vačā (v. l. °gā-va°, Jack.) (𑀧𑀲.)—Who properly chants the (sacred) words everywhere (Barth. Wh. 864). He derives it from *pairi* (परि) and 𑀧𑀲𑀭𑀮𑀮𑀮 (गै) to chant and compares the Skt. वामनाः. "Speaking timely words" (Dar. and Jack.). The Pah. has *pa hangām gowišn* (speaking according to the time) and Nair. (Skt.) says यन् येन युज्यते वक्तुम्. Kan. sees here also a reference to another *Nask*—the 8th—which dealt with ethics. Kan. is certainly correct as far as the names of the *Nasks* go, but probably the meanings of the names themselves are as indicated in the Pah. version. And there is perhaps also a play on words. Mills trans., "who intones our hymns on every side".

paithimnō—1 1 pres. pt. atm. 𑀧𑀲𑀭𑀮𑀮𑀮 (in the 4th, दिव- class), to possess||. Lit. being master or lord of (with acc.) hence possessing, पत्यमानः||. The change of *y* to *i* is a common occurrence (Jack., A. G., § 63). The variant form *paithimnā* (*Fravashayō*) is also found.**

višpōpaīsim—2/1 adj. All-adorning, manifold; lit. of all brilliance. Mills says "of every brilliant form". "Of varied brilliance" Dar.

mastim—Cf. above Yas. IX. 22. Greatness (Kan.), understanding (Mills), wisdom (Jack.).

pouru-āzaitīm—Cf. above *maī-āzaitiš* (8). Rich in understanding (the meaning of the holy texts).

paurotatəm—2 1. obj. of *paithimnō*. Lit "priority", hence "mastery" (Jack.); first place, pre-eminence. Mills, though he gives the sense all right, conveys the impression that this word is an adj. of *Haoma*.

21. *vāreθrayni*—1 1 n. Victorious. The form is made up of *vareθrayna* + *i* (*tad.* -affix). The 𑀧𑀲𑀭𑀮𑀮𑀮 is rather remarkable because in Av. the 𑀧𑀲𑀭𑀮𑀮𑀮 with *tad.*-affixes is rarer than in Skt. (Jack., A. G., § 825d; Whit. § 1204). As a matter of fact only about half a dozen instances, besides the present one, are quotable, the most common being *āhūiri* (belonging to the Ahura religion), *māzdayasni* (belonging to Mazda worship), and *hāvani* and *ārētya* above (IX. 1 and 11).

hazayrō-stūnəm—1000-pillared. *stunā* f. a pillar (𑀧𑀲𑀭𑀮𑀮𑀮 (a var. of 𑀧𑀲𑀭𑀮𑀮𑀮).

* When written thus separately the *r* takes the initial form. † Jack., A. G., § 68. ‡ Quoted by Barth. Wh. 888. § Lit. to be Lord (वर्ति) of. 𑀧𑀲𑀭𑀮𑀮𑀮 पत्यमानः RV. VII. 18. 8. ** Yt. XIII. 42.

viḍātəm—1 l p. pt. n. √*dā* (दा) with *vi*. Built. Kan. trans. "strong".

χ^{vā}-raoχšnəm—1 l adj. n. *χ^{vā}* (खा=खन् + *raoχšna* (रोचन्). Self-shining. Cf. Pers. روشن (*roshan*), shining.

antara-naēmāt—5/1 of *naēma* (n.) side. Cf. नैमधिनि, lit. "putting on the other side", hence, battle*. Pers. هف half, lit. "one side". Lit. from the inner-side, from within.

n'stara-°—outside.

22. *snaiθiš*—Mills trans. here, as elsewhere (10 and 16), battle-axe, or halbert. See also below 29 and 31.

visata—3 l impf. atm. √*vis* (विश्). Has become. Note the sg., each being a separate idea. Kan. trans. "has agreed to", "has approved of". He says the *Ahuna-Vairya*, etc., have agreed to serve as the weapons of Sr.

Yasnas-ca Haptayhātīš—1 l. The *Yasna Haptayhātī*, lit. the *Yasna* of the seven *Hās* or chapters. *Hā* (chapter) is from √*hā* (हृ, हृ to cut, hence it means lit. a part or section. This *Yasna* consists of chapters 35-42 of the *Yasna* portion of *Av*. The essential seven *Hās* are 35-41, *Hā* 42 being a supplement. It is given as Sel. XXI in Part II.

Fəuṣas-ca Māθrō—1 l. Lit. the hymn (*Māθra*) of the cattle (*fəu*—पशु). The hymn of prosperity. This is the special name given to the 58th *Hā* of the *Yasna*. The name is given on account of the word being repeated often in the hymn and aptly describing its contents. According to *Yas*. LXL. 33 this hymn formed part of the *Hādoxt Nask*.

-karətayō—1 3. Sections of the *Hās* of the *Yasna*† or of other hymns or religious works. "Verses" in the biblical sense. From √*karə* (कर) to cut. Pers. کار (kardeh) section, P. Guj. करदो. The Pahl. rendering seems to understand the word from √*kar* (क) to do and trans. "acts of worship". Nair. says रजनि (sc. *Yasna*) कर्तुं काम The Nir. says that the hymn *Yephe hāqəm* is meant here because this is used in all sacrifices. Dar. follows this tradition and trans. "acts of worship".

X. 23. *haozāθwa-ca*—3 l. n. Through good (or great) wisdom (Kan.): *hu* (हु) + *zāθwa* (zan—जन्, ज्ञा to know). Wise conduct (Mills); gracious knowledge, reverence (Jack.); thorough knowledge (Barth. Wb. 1738).

vaēdyā-ca—3 l. f. विद्यया च; through knowledge.

avāin (v. l. *avān*, Kan.)—3 3 impf. par. √*ar* + *ava*. अवायन्, descended. Kan. takes his v.l. to be from √*ar* to protect and translates " (the Holy Immortals) protect (i.e. rule over) (the world) ".

avi—अभि upon. Nair. trans. उपरि.

haptō-karšvarim—2/1 adj. f. Consisting of the seven lands. (उपरि) वप्तोपवत्ता (पश्चिमाय) Nair. There are seven (*hapta*—वप्ति) regions of the universe according to the Bun.‡ called *karšvara* (Pers. کیشور—*kishwar*). The land and water are equal in area and the seven refer to the land-divisions. These are (1) *X^{vā}aniratha* in the centre, (2) *Savahi* to the East, (3) *Arəzahi* to the West, (4) *Fradaθafšu* and (5) *Vidaθafšu* to the South, and (6) *Vouru-barəšti* and (7) *Vournjarašti* in the North. Modi (Dict.) seems to

* RV. I, 72, 4, etc.

† The *kardehs* in this hymn, for instance, are marked with roman figures.

‡ Bks. V and VII.

think they refer to the climatic zones of geography. Din., Bk. I mentions that because the earth is round only $3\frac{1}{2}$ Karšvars are illuminated at a time. These are described in detail in Pah. books, especially in Bun. XI. There does not seem to be any communication possible between the various Karšvars.

(1) *X^vaniratha* which is put last (and not the least, because it is best known to us mortals) in the old texts and is called therefore the *haptaṭha* (the seventh). There seems to have been an idea (Hād. I. 14.) that this is the only one inhabited by human beings. It is in the centre; and in its very centre stood the *Hara-barzaiti* (see above 19).^{*} It was the cradle of the Aryan race because the land of *Airyana Vaēja* was situated within it. Six distinct human races are said to have inhabited this continent (or zone?). The name *X^vaniratha* seems to have been derived from *x^vani*, splendid ($\sqrt{x^van}$ = to shine) and *ratha* (chariot?). The epithet *bāmi* shining is often added to it. (See below 31).

(2) *Savahī* (du.), lit., East, morning; cognate with *svar* (*sūram*), bright. The du. form is due to the fact that it is always associated with *Arazehi*. (cf. रोहो). See also Kan., A. G., §§ 85, 87.

(3) *Arazahī* (du.), lit., West. The name is connected with *araza* (darkness) in the comp. *arazaurviēsa* (the second part of the first half of the night, i.e., the period between full darkness† and midnight). Barth. (Wb. 353) thinks that राउ is cognate.

(4) *Fradadafšū*—situated south-east from the central *X^vaniratha*. Kan. trans. the name as “Cattle-protecting” (Cattle-breeding?).[†] This form also is du.

(5) *Vidaḍafšū* (du.)—situated in the south-west. “Obtaining cattle” (P), “rich in cattle” (P).

(6) *Vouru-barəšti* (du.)—situated in the north-west. The name is from *vouru* (उर, high) and *barəšty* (बहि—peaks)—“the land of lofty peaks”.

(7) *Vouru-jarəšty* (du.)—situated in the north-east. *jarəšty*, बहि (P) is a variant of बहि, see Grass. Wb. 984 and 1679).

24. *yō . . . daēnayāi*—This *pāda* is included by Geld. in the previous verse. I have followed Jack. and Kan.; Mills too seems to have taken it the same way.

daēno-disō—Teacher (of religion); from \sqrt{dis} (दिस्) to show, to point out.

daēnayāi (v. l. yā^{a} Kan.)—This is a tautology, hence probably Barth. (Wb. 667) marks the word as doubtful. For *daēnā* see Yas. IX. 26, above.

yām—Rel. pron. used in the sense of the def. art., Reich. 749-753. Cf. परि जो यदि यदयम् AV. (Whit. § 512 b).

^{*} Like मेरु among the Hindus. In fact Nair. trans. *Hara-barzaiti* by मेरु. There seems to be a great deal in favour of the polar theory of the Aryan Homeland. See Tilak's book *The Arctic Home in the Vedas*, where he draws copious comparisons with Avesta. † According to the orthodox Parsi custom, full darkness begins when the hair upon the arms becomes invisible.

aya—3/1 f.

daēnaya—3/1 f. Note the ending -a; a; Skt. would have °दाया.

fraoranta—3/1 impf. atm. √*var* (𐬯) + *frā* (𐬯). Note the atm. This is a "technical term" meaning to profess a religion, used with the ins. (Barth. Wb. 1362). The root is conjugated in the 9th (𐬯) class. Thus also Jack.* Kan. trans. "was pleased". Mills trans. "Ahura Mazda has been confessed with faith" (S. B. E., XXXI, p. 303), and adds in a footnote that this meaning, if correct, "would show a very great degradation from the lore of the Gāthās". See below Yas. XII. 7. (Sel. V).

aḡava—1/1. So Jack. and Kan. Mills needlessly takes 3/1 and trans. "with faith".

frā—Note the 𐬯𐬯𐬯 alone used for the repetition instead of the full verb; Jack., A. G., § 752. 2. Cf. *nī* used similarly above, Yas. IX. 17.

The six "Holy Immortals" are mentioned here by name and in their order. These names occur in the Z. calendar for the names of the first seven days of the month, that of Ahura Mazda being the first.† These six *Ameša-Spentas* are:

1. *Vohu-Manō*—lit., Good-mind. He is the principal of the Holy Immortals, and his name occurs throughout the Av. literature. He rules over the human mind and also over the animal kingdom. Especially he is the guardian of cattle; and hence on the day of the month bearing his name (the 2nd) and also during the whole month bearing his name (at present the 11th‡) orthodox Parsis abstain from meat. He is *Bahman* of the later Z. works.

2. *Aša-Vahišta* (later *Ardibesht*)—lit., Best-Righteousness. He is the Lord of Righteousness and Purity and is the *Aša* of the Gāth. Later on, because fire became the material symbol of purity, he came to represent the Holy Fire. We Parsis use his name as synonym for Fire. He is also the keeper of the keys of Heaven.

3. *Xšaetra-Vairya* (later *Shahrivar*)—lit., Sovereignty at will, i.e. Supreme Sovereignty. He rules over the mineral kingdom and especially over metals.

[It may be noted in passing that these three are orig. neu. in form as is also evident from the text where the names are 1/1. The next three names are fem.].

4. *Spenta-Ārmaiti* (later *Spendārmad*)—lit., the Holy Ārmaiti (=Harmony or Bounty?). She rules over the Earth and Womanhood and typifies Wisdom and Obedience.

5. *Haurvatās* (later *Khurdād*)—lit., Wholeness, or Perfection, or Salvation. She rules over the waters. She is constantly in association with *Amərətātās*.||

6. *Amərətātās* (later *Amerdād*)—lit., Immortality. She represents the

* See also Jack., A. G., § 62. 2. † See Sirozāh II. (Sel. XXIV, Part II). See also Int. and also

Modi, Diet. ‡ Originally the 2nd month. See Introduction.

See Kan., A. G., §§ 85ff.

|| Hence used in the du.

Immortal Life. She rules over the vegetable world. The last two form a pair which in other mythologies are represented by "the waters of life" and "the tree of life".

frašno—*𐬥𐬀𐬎𐬎𐬀*, Pers. *پرشش* (*pursish*) question. Jack. thinks this means the Revelation of God personified. Kan. takes it to mean "he who questions regarding the faith or God", i.e. a seeker after God. Dar. renders it like Jack.* Barth. (Wb. 813 and 1010) says that it refers to the questions asked by Z. to Ahura which were answered by the revelation of Ahura's word.† In any case the sg. is used collectively for plu.

-tkaēšō—see above, Yas. IX. 13. Jack. trans. "the Law of Ahura". Kan. says, "the Teachers of the Law of Ahura". Sg. used for plu. It may be noted that in *Gāθ.* the word, when used by itself, implies a *false* doctrine. Hence we always find in Y. A. the epithet *Ahura* (or some derivative of it, e.g. *āhūriš*) prefixed to it. Cf. *paoiryōtk*^o, Yas. XXVI. 4. (Sel. III). Mills translates this passage very loosely thus: "and the question to the Lord is asked and Mazda's lore (is written)".‡ I have adopted Kanga's trans. but the following alternative may also be suggested for the last line: "which also did reveal (lit., did profess) the questions (put) to Ahura (by Z.) and the revelation of Ahura (in reply)".

25. *frā*—*𐬥𐬀* used as a prep. in the sense of "for" or "during".

ada—here (Kan.); then, so (Jack.). Barth. (Wb. 55-56) says that the word is an adv. and means "therefore." It is used always at the beginning of a sentence or clause and with the opt. to imply a wish or invocation. He regards the *frā* put first in this clause as wrong. See below also.

'vaēibya—4 2 of *dway* m. The dropping of the initial *d* is paralleled, in Lat. *bis*, Guj. *बि*, also in *विंशति*. Geld. text prints the medial form of the *v* for this word, hence I have used the apostrophe in the transcription. Jack. explains this as connected with *𐬯𐬀𐬨𐬀𐬎𐬎𐬀*—G. A. *uōibya*—Y. A. **uwaēibya*—^x*uwaēibya*—*'vaēibya* (A. G., § 6, note 1).

ahubya—4 2 m. Kan. trans. this by "life" (*जीवनी*) and in the next *pāda* by the word "world" (*दुनिया*). It is better to take both the times in the former sense and understand the repetition as for emphasis. Mills takes it thus and trans.: "for the lives; yea, for both".

nō may be taken as 2 3 or 6 3 and either will give good sense.

nipayā—2 1 opt. par. Kan. takes it as ben. mood.

ai—Oh! Pers. *ای* (*ay*).

ahē-ca aghūš—Note the case. Trans. "(the life) of this world". *ahu* (*aghu*) here means the world.

manahyō—1 1. Lit. belonging to the *mainyu* (spirit), hence spiritual. Nair. Skt. trans. says *महोदय*. Mills trans. "mental".

pauri—*परि*, against, from.

drvtaṭ—Wicked, fiendish (Jack.). So also Barth. (Wb. 777)|| who

^o Quoted by Kan. in a footnote Kh. A. b. M., p. 291. † f. Yas. XI. 5-6 (Sel. V), also Gāθ. Ukt. XLIV (Sel. XVI). S.B.E., XXXI, p. 303. See also Jack., A. G., p. xxv, § 34.

regards this as a variant of *draṇvant* (*druj*). See also Yas. IX. 8, above. Mills takes it as "unhappy". Kan. gives the lit. sense of "rushing on", "attacking". Nair. Skt. trans. says दुर्गतिमान्.

draṇbyō—5/3 adj. qualifying *haēnāēibyō* (f.), but the form is m. or n. The sense is the same as *patībyā* in Yas. IX. 18.

us . . . *garəwnān*—3/3 sub. pres. par. class 9, √*garəw*. Lift against; lift up high (Kan.). Cf. Skt. **गृह्* (*गृह*).

xrūram—*क्रूरम्*, cruel, bloody (Mills). See *viṣṛumantam* above 10.

drafšēm—Banners (sg. for plu.). So Mills who trans. "spears" but adds in a footnote* that probably "bannered spears" are meant. If this is true it may refer to lances such as our modern lancers use. Barth. (W. 771) translates this in the sg. and says it typifies the energy of Irān. Cf. Yt. I. 11: *haēnayās-ca* . . . *xrūram drafšēm barəntyā* (of the army bearing the bloody standard). Skt. *द्रुश*, Pers. *درفش* (*dirafsh*), banner, Fr. *drapeau*. The famous national flag of Irān was called the *Jāuš drafšō* (Yas. X. 14.)† which had beer, according to the story (in Shāh. and elsewhere), originally the leather apron of *Kāva*, the Blacksmith. He was a subject of Zohak (Aži Dahāka)‡ and he rose in revolt when two of his sons were required to feed the two monsters growing from the tyrant's shoulders. Probably also a bull's head was embroidered upon the original standard; P. Cuj. *गजानो भुंजो*.

parō—Against, with abl.

draomābyō—5/3 of °*man*, n. Assaults, onslaughts; a *daēva*-word.

yā (f.) as it stands may refer to *haēnā* (f.) of the previous line. But more probably it refers to *draoman* (n.) being merely influenced by the *yā* in the previous line. Suggested reading *yā*, which is the real 2/3 of the n.

dušdā—1/1 m. Evil-minded, evil-knowing (Kan.). From *duš* + *dāh* (f.), wisdom; **धा* (*धा*).

drāvayāt—3/1 caus. sub. pres. par. √*dru*. Causes to rush, i.e. launches (against us). Sub. in rel. clause, as in Skt.

maī usually governs ins., here it is irregularly the abl., probably due to the influence of *maī* itself which is orig. 5/1 (see above 8).

Viđātəu (v. 1. °*dātəu* Kan.)—The Demon of Destruction; Death (Kan.). From √*dā* (*धा*) + *vi* (*वि*), to destroy. As a proper name it is used for a Demon usually associated with *Aēšma* and *Vāyu* (*वायु*). Generally he is known by the name *Astō-vidātu* (lit. bone-breaker), i.e. the destroyer of the *astvaīti gaēdā*. Also found as *Viđōtu*.|| Probably he is the *विषाख* of RV., who is a separate deity in RV., VI. 50. 12; IX. 81. 5; etc.

daēvō-dātāt—The *daēva* here is the arch-fiend *Agrō-mainyuš*.

26. *aḍa* here begins the sentence as it should. See above 25. The Skt. *च* is also used in the same sense of "therefore" and also occurs as the first word of the sentence generally; cf. RV., I. 55. 5, etc.¶

* S. B. E., XXXI, p. 303.

† Sel. XIX, Part II.

‡ Yas. IX. 8, above.

|| Modi. Diet.

¶ Grass., Wb. 42-43.

dayā—2/1 aor. opt. (ben.) √*lā* to grant.

hitāzibyo—4/3 of *hita*. See above, Yas. IX. 22.

tanubyō—to (our) hodies.

pouru-spaxātim—Complete subjection (Kan.); full watch over (Jack.).

From √*spas* (cl. 4), to see; cf. *स्य* (spy), *पश्यति* (× *स्यस्यति*), Lat. *specio*. The pri. suf. *-ti* is added and the *χ* is inserted before the conjunct *st* (see above Yas. IX. 21). Pah. trans. says *pūr pāspānih* (Pers. *پاسبانی*—*pāsbāni*) "keeping full watch". The word occurs only in one other place, Yt. IX. 1 (Sol. XXII. Part II), where Kan. trans. correctly like Jack.

ibīṣyantiṇām—Kan. trans. "of the envious (*बदेषा*) people".

paiti-jaitim—Smiting down. From √*jan* (*जन्*) + *paiti* (*प्रति*)

duṣmāinyunām—Lit. evil-minded (towards us), hence enmities. Pers.

دشمن (*dushman*), enemy.

haθrā-nivāitīm—Complete conquest. *haθrā* (complete) is the same as the Skt. *सर्व* (Ved. *सर्व*) which is made on analogy of *सर्व*, *तत्त्व*, *यत्त्व*, etc. and means everywhere (*सर्वत्र*). Cf. *सर्वत्र* .. *पौषाम्* RV., V. 35. 4; *सर्वजित् इन्द्रः* RV., IX. 27. 4, etc. *nivāiti* is from √*van* to conquer, to win + *nī*; hence it means conquest or overthrow. Barth. (Wb. 1764) trans. "conquest at one stroke", taking *haθrā* = at once. Kan. in Kh. A. b. M. (p. 292) trans. "strength to overthrow" but not in Dict., where he agrees with the rendering of Barth.

hamarathanām—Adversaries, foes (Jack. and others). Better take it lit., as "gathered together" (p. pt. pass. of √*ara*, *आ*). Cf. *सहति* a fight (RV., I. 32. 6, etc.).

aurvaθanām—Inimical, unfriendly. From *a* (neg.) + *urvaθa* (friend). The latter word is from √*rar* to choose. One of the sons of Z. is called *Urvataḥ-nara* (Friend of humanity ?).

27. *auruṣā*—The Pah. version and all commentators say "white." The names of colours are not very clear in ancient languages. The word is cognate with Skt. *अरुण** and *अरुण* in both of which the idea is that of red. The word also occurs in the *Tir Yašt* (Yt. VII. 2) where *Tir* (the star Sirius) is called *auruṣam*, *raoṣṇam*, *frādarasram*. Kan. there translates *auruṣam* correctly as "red".†

frādarasra—Beautiful (Kan.); seen afar (Jack.); shining forth (Barth. Wb. 1015). √*daras*, *दृश्* + *frā* प्र.

spenta—Holy. Mills objects to horses being called holy and suggests the trans. "powerful". The idea is that they are divine (see *asaya* below) and that they are bringers of blessings somewhat the same as Skt. *भद्र* in *भद्रा अवा वरिताः कुरुष्व* (RV., I. 115. 3).

viduāphō—Wise, knowing, विद्वान्. Mills says, "quick to learn".

* E.g. in *विद्वान् कुरुष्व अवा वरिताः पश्यात्* (RV., VII. 71. 1). † Sirius, as is well known, has changed his colour. The *Iliad* mentions him as red in colour; in fact the name itself signifies "fiery" or "burning". Seneca compared the star to Mars in colour and Ptolemy has put it down as red. (A. Clarke, *Problems in Astrophysics*, pp. 235ff; E. W. Maunder, *Astronomy without a Telescope*, p. 114).

asaya—Shadowless (Jack., A. R., p. 40)—**आसाय**. Cf. Pers. سایه (*sāyē*) shadow. This is a well-known characteristic of divine beings, as contrasted with the beings of the material world, that they cast no shadows. The same idea is found in Hindu mythology, e.g., Mbh. III. 57. 25. Mills proposes to read *āsava* (swift).*

mainivasayhō—Darting through heavens (lit. the spirit-world). From *mainyu* + *asah* (space, cf. **आस**). Kan. (Dict.) suggests as an alternative that the comp. is made up of *mainyu* + *vasayh* (divine will) and trans. “moving in accord with divine will”. Mills seems to have had some such idea in his mind, for he trans. “heeding orders from the mind”. The epithet is used for the horses of Sraoša and Miθra; and in one place† it is used for an arrow.

gazanti—Bear, **गजन्ति**.

srvaēna—1/3 m. Hard (lit. horny). Cf. *srvara* above Yas. IX. 11. Kan. very strangely trans. “leaden”, probably misled by the Pers. سرب (*surb*) lead.

safāyghō—1/3. Hoofs, **सफासः**. Note the Ved. plu. in **आसः**.

zaranya—3/1. With gold, **जिरणा**.

paiti-θwarštāyghō—1/3 p. pt. pass. √*θwar* + *paiti*. Shod (Jack.). The √*θwar* (*θwaras*) is inchoate and means “to create”, “to cut”. (See also Gāṭh. Ahu. XXIX. 1.)‡ Covered with (Mills); gilt with (Kan.); chased with or inlaid with (Barth. Wb. 795).

28. *āsyaygha*—1/2 m. com. of *āsu* (**आसु**). Swifter.

aspaēibya—5/2. The abl. is used as in Skt. The horses of Sraoša number four, but each pair of them is compared to and contrasted with a pair of earthly objects hence the du. throughout. Barth.|| thinks that this passage is a later insertion. The want of metre is perhaps a supporting bit of evidence.

vāraēibya—Rain (showers). Mills trans. “rain (-drops, as they fall)”. Cf. Skt. **वारि**, Pers. باران (*bārān*) rain.

maēyaēibya—5/2. **मेवाभ्याम्**.

vayaēibya—Birds; Skt. **वि**.¶ It may be noted that the word is used in Veda for the flying horses of the Aśvins (RV. I. 104. 1., etc.) or for those of the Maruts (RV., V. 53. 3).**

hwapatarataēibya (v.l. *hupal*°, *patarataēibya* Geld.). Well-winged (Mills). * **हृषयित**. Note the *hva* for *hu*.

hvasstayā—6/2 (? for 5/2). Well-aimed. Note the sudden change of case from abl. to gen.

aīghimananayā (v. l. *aīghī*°. Barth.). 6/2. pres. pt. pass. √*ah* (**आसमानायोः**). Barth. says that this form is a variant of *aīghyamanayā* (Wb. 279). Mills trans. “arrow as it flies”. He notes†† a v.l. *aīghē manayā* (himself reading

* Geld. does not note this among his v. l. though he mentions *aśava*, an evident mistake.

† Yt. VIII. 6; Kan. is not quite correct there in his trans., Kh. A. b. M., p. 224. ‡ Sel. XV. below. || Wb. 342. ¶ RV., I. 25. 7, etc. ** Grass, Wb. 1265. †† S.B.E., XXXI, p. 304, ftu. 4.

aṇḥamanayā) and for this reading he suggests the trans. "swifter than one's thought (?)".

29. *yōi*—1/3. यै. Note again the change from du. to plu. (the four horses).

viṣpō lē referring to the *aspa*, *vāta*, etc., of last verse.

apayēinti—3/3 pres. par. √*i* (इ) + *apa* (अप). Overtake.

yā—3/2 obj. of *paskāt*. Kan. reads *yōi* undoubtedly through the influence of the previous *yōi*.

ave—1/3 pron. stem *ava*. They. Skt. एव and Av. *āeva* (one) are cognates. Kan. reading *yōi* as noted above takes this as 2/3, and trans. the *pāda* thus: "(Those) who go in pursuit behind them", and connects it with what follows. The reading of Geld. would connect this with the preceding *pāda* (see trans.).

paskāt—adv. Behind, पश्चात्.

vyeinti—(to in pursuit. √*i* + *vi*.

āfēnte—3/3 pres. atm. √*āp* to obtain. Are overtaken. Note atm. used in a pass. sense. Kan. takes it as active in sense and trans. "they (those that go in pursuit) never overtake them (the horses of Sraoša) from behind".

vaēibya—3/2 n. See above 25.

snaiθižbya (v. l. *žibya*, Kan.)—3/2 n. Note the *ž* owing to Sandhi, the surd *š* becoming sonant *ž* while combining with the sonant *b*. Mills seems to take it as 5/2 and trans. "from both the weapons (hurled on this side and on that)". Barth. is unable to give any reason for the du.* The weapon of Sraoša is a sort of double weapon, a sort of halberd with a spear-point and an axe-head [see above *stərəθwata snaiθiša* (10) and *ərəθwa snaiθiša* (16)]. Or could it be because it was a two-handed weapon wielded by both hands (see *zastagō* below 31)?

frāyatayeinti—3/3 pres. par. Speed on. √*yaṭ* + *frā*.

vazəmna—1/3 n. pres. pt. atm. of √*vaz*, वज्, to bear. Bearing, carrying. Kan. takes it as 3/1 of a noun *vazəman* and trans. "in a chariot". Cf., रथेन वजन्ति.

yaṭciṭ . . . yaṭciṭ—Whether . . . or whether . . . Kan. takes the first as the rel. referring to Sraoša just as *yaṭ* was used above (Yas. IX. 4.) for Yima.

uṣastaire—7/1 adj. com. of *uṣas*, eastern. Easternmost.

Hindvō—7/1 m. India. Dar. trans. "river" and says it is the Indus.

āgaurwayēite—3/1 pres. atm. √*garəw* (गर्ह्) + *ā*, to seize, to take. Kan. (also Mills) trans. "takes (his course)".

daoṣataire—7/1 adj. com. of *doṣas* (cf. प्रदोषः). Westernmost.

Niṛne is practically *ṇr*, and is taken in the most varied fashion. Jack. and Barth. take it as 3/1 pres. atm. of √*gan* (गन्) + *nī* and trans. "smites down". Mills trans. "alights" (from his chariot). Kan. (Kh. A. b. M.)

follows Mills in his trans. of these two *pādas*: "When he takes his course from India in the East and when he alights down in the West". Dar. says* that Sraoša starts from the river in the East (Indus) and alights at the river in the West (Tigris). Barth. (Wb. 1814) gives a trans. of this passage which is not very clear to me: "Whether he seizes it in Eastern India or (whether) he is in the West and throws it down"†; the "it" probably refers to the *sa.athis* (see also Wb. 492). Kan. in his Diet. (p. 292) has the very illuminating suggestion that the word means *Niniveh*, though he does not give any references about this. The word *Niŷne* occurs in two places only, and in both the passages—here and Yt. X. 104—the first two *pādas* are identical. The latter runs as follows:—

- * *yeghe darəyā-ciṭ būzava fragrawənti Miθrō-aogayhō,*
 + *yat-ciṭ ušastaire Hinuō (āgaurayeite)*
yat-ciṭ daošataire Niŷne
yat-ciṭ sanake Rayhayā
yat-ciṭ vimaideṃ aiŷhā zəmo.

The last two *pādas* may throw some light on the nature of the word *Niŷne*, because evidently the four *pādas* are equally balanced. The phrase *sanake Rayhayā* also occurs in Yt. XII. 19, where it is in contrast with *aodaēnu Rayhayā* (18). These are rendered generally by Barth. as the "mouths of the *Rayhā*" and "the source of the *Rayhā*". This river is identified with the Tigris by Dar., but the identification is not certain.‡ At any rate the "mouths of the *Rayhā*" are generally placed in the South. The Pahl. work Bun. mentions (XX) two big rivers the *Arang* (= Av. *Rayhā*) and the *Veh-rōt*, which both rise out of *Hara-barəzaiti*; the former flows to the West and the latter to the East. But neither of these have been definitely identified (Barth. 1510-11). The *vimaide* has been translated as the centre of the earth, the region of *Hara-barəzaiti*. This is where the *aoda*|| (or the headwaters of the *Rayhā*) are to be found. The name *aoda Rayhayā* is found in Ven. I. 19 as the name of a country which was a republic.¶ When Ahura Mazda created this land, against it Agro Mainyuš created bitter cold winter. This points to a region in northern latitudes.** Thus the passage, Yt. X. 104, refers to lands at the four cardinal points. And in order to balance the first two of those *pādas* we must take *Niŷne* as the proper name of a land to the West. Hence the suggestion of Kan., that *Niŷne* might be *Niniveh*, is not so fanciful as may appear at first sight. Also note that the word *āgaurayeite* is metrically an extra, and even if omitted the sense of the passage is quite clear.

30. *barəzō*—Tall.

* Quoted by Kan., Kh. A. h. M., p. 293. † "Auch wenn er im östlichen Indien ist, er packt (ihn); auch wenn er im westlichen ist, er schlägt (ihn) nieder." ‡ It may have originally been identical with Skt. *राप्ती* (river) and then applied to a special river; cf. *सिन्धु*. || Skt. *अन्धः*.

¶ *aodrō* (Barth. Wb. 210).

** Dar. states that the north basin of the Tigris is noted for its severe cold. But I think that we must seek much further north for our land of *aoda Rayhayā*.

barəzyāstō—High-girded, i.e. with well-girt loins; "so high, yea, even to the girdle" (Mills). Pah. says *buland aiwyāst*. See above Yas. IX. 26.

dāmān—See above 2. The form is here used for 7/1.

nišaphasti—3/1 pres. par. √*had* (हृद्) + *nī* (निवृद्धि). Sits down. Pers. نشستن (*nishastan*) to sit. Jack. trans. "decends to", and Mills says, "stoops to."

31. *āθritīm*—Thrice: cf. *āxtūirīm* Yas. IX. 14, above.

hamahe—6/1 n. Entire. The sense is 7/1 (or 2/1 ?)—"during the entire day".

ayān as opposed to *xšapō*. See above 17.

hamayā—6/1 f.

xšapō—6/1 of *xšap*, night. The stem *xšafan* is also used.

karšvarə—2/1 n.

avazāiti—3/1 pres. par. √*vaz* + *ā* to arrive at (acc. case). Lit., drives towards.

bāmim—This epithet is applied invariably to *X^vaniratha*. It is from √*bā* (भा) to shine out. Hence it means brilliant, magnificent. In Yt. X. 50, this epithet is used for *Hara-barəzaiti*. And in Ven. XIX. 28 (Sel. XIV) the same epithet is applied to the dawn. Cf. Pers. بامداد (*bāmdād*) dawn.

zastayō (v. l. *ōtaya*, Geld., which is 7/1)—7/2. This is the reading adopted by Mills; Kan. has like Geld. In both (his) hands, वस्त्रयोः. Mills adds in a note (S.B.E., XXXI, p. 305) that the *ənaiθiṣ* must designate a double-handed weapon. This is probably also the reason of the dual *ənaiθiṣbya* above (29).

drazimnō—1 I pres. pt. atm. √*drag* to hold. Cf. O. Bul. *drūzati* to hold. Perhaps the Skt. दृढ (firm) is connected. See *drājanha* above, Yas. IX. 26; also Barth. Wb. 774.

brōiθrō-taēžəm (ān.) (v. l. *barō* Kan.; *ōtižəm*; *ōtaēžim*, Barth. Wb. 973)—Sharp-edged; sharp as a knife (Jack.). *brōiθro* means "sharp" according to Barth.* Kan. (Dict.) says it means a weapon for cutting such as a knife; from √*brāj* to cut; cf. व्रजति. Pers. بریدن (*burridan*) to cut. *taēžəm* sharp; cf. तेजस्, तिस्र, Pers. تیز (*tiz*) sharp, تیغ (*tigh*) sword, تيج (*tij*) arrow; Arm. *tegh* lance.

hva-raēyam (ān.)—Striking of itself (Jack.); which flies as of itself (Mills). Pers. trans. says, نیک راند (*nik ravandā*), well speeding. Whose stroke is strong (Barth. Wb. 1855), so also Kan. The word can be equivalent to ^xहवेनस् or हवेनस्. But though the Skt. वेन is connected, the Av. *raēya* means "stroke" when used by itself, as in Yt. X. 98, and in compounds it means "impact" (Barth. Wb. 1313). If we adopt the rendering of Mills it would again emphasise the double nature of the weapon which has a sharp edge and which can be hurled like a javelin. Self-flying weapons are common to all mythologies.

* The word is found in Ven. XVII. 2 and 4.

kamərəde—2/3 n.

32. *snabāi*—dat. inf. √*snab* (𑀭𑀸𑀓𑀾𑀢𑀺), to strike.

ṣrīm-draoś (v.l. *ṣrvi-draoś* Kan.)—6/1 ad. Of wounding mace (Jack.); of terrible weapon (Kan.); of bloody spear (Mills); Nair. Skt. *विंशमल*. Barth. regards the word *dru* as connected with I.E. **dru* tree (cf. *द्रुम*, *दाव*) and trans. "mace" (Wb. 540).

33. *idaṭ-ca*—Here *इ* (as opposed to *येत्य* or *अमुच*). Orig. an abl. form, found also as *idāṭ*.*

ainidāṭ-ca (अन.)—Hereafter, in the other world. **अनिच*.

aipi—Even, especially; *अपि* (but more with the force of *इव*). It emphasises the second *idaṭ-ca*; "especially here", *इयेव*.

ṣrīspā—2/3 f. All (the mighty deeds), Kan. (referring to the *vanaitiś* below); Mills says "all (the gifts)".

ta:u-māθrahe—6/1. Whose body is the *Māθra*; the Word incarnate (Jack.); incarnate in the *Māθra* (Mills, S.B.E., XXXI, p. 194 ftn. 2).

hām-varaitivātō (v.l. *°variti*°, *°varati*°, Kan.)—6/1. Endowed with manly courage (Jack.). Barth. (Wb. 1810) notes that the word *hām-varati* is always used with *nairya* manly; from *hām* (𑀭𑀸𑀓𑀾𑀢𑀺) and √*car* (𑀭𑀸𑀓𑀾𑀢𑀺) to cover, to endow. Mills renders "armed with shielding armour". Kan. says "protector" (he who shields us round).

bāzuś-aojanḥō—6/1. mighty armed; lit. "he who strength is in his arm". Cf. *महाबाहुः*.

raθaēštā—Warrior; lit. "he who stands up in the chariot"; **रथेष्ट*. This is the second of the three castes of the "twice-born" (*द्विज*) in ancient Persia.† These three are *Āθrava*—Priest (Yas. IX. 24 above), *Raθaēštār*—Warrior, and *Vāstrya*—Agriculturist. The fourth caste is *Hūitay*—Artisans. These are named in Yas. XIX. 17. (Sel. VIII. a).‡

-janō—6/1. Smiter; √*jan*—𑀭𑀸𑀓𑀾𑀢𑀺.

vanatō—6/1 pres. pt. √*van* to conquer.

vanaitiś—2/3 f. Victories. For the *-ti* suffix see Whit. § 1157 g.

vanaitivātō—6/1. Possessor of victory; Lord of victory.

vanaintim-ca—2/1 f. pres. pt. par. √*van* used as adj. Pertaining to victory, conquering.

uparatātēm—2/1 f. Superiority; *उपरतानि* (cf. RV. I. 151. 5. and VII. 48. 3. ||)

Arštōiš—6/1 of *Aršti* f. *Arštāt* or *Aršti*‡ is one of the *Yazatas* typifying the virtues of Loyalty and Obedience and Rectitude. Later known as *Āstād*. Cf. *अष्टिषेव* a Vedic name, whose son *अष्टिषेव* is mentioned thrice in RV. X. 98.

34. *-pāta*—2/3 n. Guarded.

* Yas. LXVIII. 21. † See Int. ‡ Also Barth. Wb. 908 (under *pīstra*); Reich., A. B., p. 106.

|| *उपरतानि* *वचन*. ¶ The form *Aršti* as a proper name occurs only here.

yəjyhāda—Wherein. Orig. an abl. f. rel. pron. used adverbially.

fryō friθō—Loving (and) beloved; प्रियः प्रीतः. Kan. reads *fritō*. The Eng. word *friend* is cognate.

paitizantō etc.—See above 17.

To the Fravašis—Yasna XXVI.

1. I extol⁶, invoke⁷, (and) weave⁸-(my-hymn of praise to) the excellent⁸, heroic⁸ (and) pure⁶ Fravašis⁵ of the Righteous¹: (and) we worship⁹ (those Fravašis) belonging-to-the house¹⁰, belonging-to-the-village¹¹, belonging-to-the-province¹², (and) belonging-to-the-country¹³, (and also) those-of-the-highest-priests¹⁴.

2. And² first^{4*} among all¹ these⁵ Fravašis⁵ (do) we worship⁷ here⁶ that⁹ Fravaši³, which¹⁰ (is) of Ahura¹¹ Mazda¹², (which is) both¹⁴⁺ the most-mighty¹³ and¹⁴ the most excellent¹⁵, both^{13†} the fairest¹⁷ and²⁰ the firmest, and²² the wisest²¹ and²⁴ the most-gracious²³, and²⁷ (which) through Righteousness²⁵ hath-reached-the-highest²⁶.

3. We worship⁶ the excellent², heroic³ (and) pure⁴ Fravašis⁵ of the Righteous¹, those^{7†} of the Holy⁹ Immortals⁸, the Rulers¹⁰ energetic¹¹, eyed¹², lofty¹³ (and) very-strong¹⁴, the mighty¹⁵ (ones) belonging-to-Ahura¹⁶, who¹⁷ (are) without-corruption¹⁸ (and) righteous¹⁹.

4. Here⁶ (do) we worship²⁰ the life-force¹⁰, and¹¹ the heart¹², and¹³ the mind¹⁴, and¹⁵ the soul¹⁶, and¹⁷ the Fravaši¹⁸ too¹⁹, of righteous-men⁷ and⁹ righteous-women⁸ of-the-ancient¹-faith², (and) of the first³ followers^{5||}-of-the-commandments⁴ (of Ahura), who²¹ strove²³ for righteousness²². We worship²⁷ the soul²⁵ of the bounteous²⁶ Mother-earth²⁴.

5. Who¹ strove³ for righteousness² (theirs are the Fravašis we worship):

we worship⁵ the Fravaši⁷ of the righteous⁶ Gaya⁴-Maretan⁵;

we worship¹⁷ here¹¹ both^{14†} the Holiness¹³ and¹⁶ the Fravaši¹⁵ of the holy¹² Zaraθuštra⁹ Spitama¹⁰

we worship²² the Fravaši²¹ of the righteous²⁰ Kava¹⁸. Vištāspa¹⁹;

we worship²⁷ the Fravaši²⁶ of the righteous²⁵ Isaī-vāstra²³ son-of-Zaraθuštra²⁴.

6. Here² (do) we worship¹⁶ the life-force⁶, and⁷ the heart³, and⁹ the mind¹⁰, and¹¹ the soul¹², and¹³ the Fravaši¹⁴ too¹⁵, of righteous-men⁸ and⁵ righteous-women⁴ among^{7||} (our) nearest-brothers¹; who¹⁷ strove¹⁹ for righteousness¹⁸, (along) with²⁰ all²¹ (the other) holy²² Fravašis²³; (viz.) those^{24†} of the righteous²⁵ (who-are-)gone²⁶, and²⁸ those^{27†} of the righteous³⁰ (who-are-) living²⁹, and³² those^{31†} of heroes³³ (yet) unborn³⁴, the heralds^{35**}-of-renovation³⁵, the Saešyants³⁷.

2. Jackson: Avesta Reader, No. 2.

3. Mills: S.B.E., XXXI, pp. 278-279.

The conception of *Fravaṣis* is a special feature of the Z. faith.* They are the eternal part as it were of all sentient beings in the universe. Human and higher beings have *Fravaṣis*. According to this Yas. the human being is made up of five principles—*ahu*, *daēna*, *baodah*, *urvān*, and *Fravaṣi* (see below 4).† Each sentient being from the human‡ up to Ahura Mazda himself has got his or her *Fravaṣi* existing through eternity. "The *Fravaṣis* of men are the archtypal souls clothed in ethereal forms, after whose model each human being is formed on earth . . . The very conception, however of a *Fravaṣi* as an archtypal causal soul, implies that each *Fravaṣi* is the pattern type both for the inner powers, and the outward form of bodily existence. The body of each man, with its peculiar physical, mental, moral, and spiritual capacities, is shaped and formed after the model which each particular *Fravaṣi* presents, and therefore it has to be admitted that the differences that we find among men, are due to the differences in the archtypal souls or *Fravaṣis* which inhere in mortal bodies . . . We have now to find some explanation as to the differences among the *Fravaṣis* themselves. Has the Almighty created these differences among the *Fravaṣis* simply to please His Divine Will, or is there a profound plan, an inscrutable justice, underlying the creation of these differences? Limited and faulty though our conception of Divine Power may be, we can never dissociate the ideas of harmony and justice from the acts of God, and according to that view, we cannot but take it for granted that, owing to numerous and sufficient causes, the *Fravaṣis* as they arise in the invisible world are made with comparatively endless differences. The *Fravaṣis* are not special creations without a past, nor are they created all at once for the first time. They are as much the product of evolution and of slow and steady growth, as everything else in this world".|| The *Fravaṣis* are, therefore, a part and parcel of the human being, and even when the man passes away from this earth the *Fravaṣi* "lives on" and helps God in His work of evolution. Of course it is but natural that in the Av. only the *Fravaṣis* of the good and holy ones are mentioned and adored, but that does not prove that the wicked have no *Fravaṣis* at all. Only they are of no use for helping the good creation onwards until they themselves come over to the path of Aḥa. The late Prof. Moulton takes a somewhat limited view of the *Fravaṣis*¶ and though he draws a number of very interesting comparisons with the ideas of ancestor-worship and of the *genius* among the Romans still one cannot quite agree with his essentially Christian point of view. The biggest

* See also Introduction. † For details see Introduction. ‡ The souls of various animals are mentioned in Yt. XIII. 74, but not the *Fravaṣis*. || Khan Bahadur N. D. Khandalawala in an article (*Fravaṣi and Rebirth*) in the *Cama Memorial Volume*, pp. 200-215. ¶ *Early Zoroastrianism* (Hibbert Lectures 1912), pp. 254ff.

source of our information regarding the *Fravašis* is the *Farvardin Yašt* (Yt. XIII) where the *Fravašis* of a 'large number of men and women and divine and semi-divine beings are mentioned.* In fact the Yt. constitutes a fairly extensive "Calendar of Great Men" of ancient Irān. The purpose served by these names is the same as that intended by Auguste Comte when he instituted the Positivist Calendar, namely,—“to impress on the public mind, a general conception of the Past, and to revive the sense of continuity in the ages”.† The invocation by name of the *Fravašis* of the great sons and daughters of ancient Irān, and of those who have done any great or notable service to the cause of the community or of the country, constitutes one of the principal features of our ceremonies on this day. Whenever a Zoroastrian passes away, who has done some notable good to his fellow-men, a general meeting of his co-religionists may decide to have his name on this "Roll of Honour and Remembrance", and thenceforth he or she is remembered by name in every ceremonial of importance. Thus we find to-day among the great and the good of Zoroaster's faith the names of Dadabhai Naoroji, of Phirozeshan Mehta, of Jamshedji Tata, to mention only three of those who have passed onwards comparatively recently. Nothing is so thrilling to the listeners, nothing which more inspires to worthily live the life laid down in the religion of Zoroaster, than to hear the names of these great souls who have "passed on" (*iristanəm*) repeated. Truly may we say that they live eternally in the hearts of the grateful generations that come after them.

1. This verse forms the first half of Yt. XIII. 21.

ašūunām (v.l. *ašao°*, *ašāv°*)—6/3 of *ašavan* (*ašao*n or *ašū*n).

vaṇuhiš—2/3 f. adj. of *vaṇhu*. वहीः, excellent,

staomi—1, i pres. par. √*stu* to praise. स्तोमि.

zbayemi 1/1 pres. par. √*zbā* (**zvā*, *zū*)—𐬀𐬵𐬀𐬭𐬀—to invoke.

ufyemi—1/1 pres. par. √*vaf*, to weave. The word is used metaphorically in the sense of "weaving a hymn", i.e. singing the praises of. Dar. and Sp. trans., "I make my own" (i.e. I meditate upon). This as Barth. points out‡ is due to a misreading of the Pah. script. The real word according to Barth. is *handēšīšn* (Per. اندیشه‌اند *andishidan*—to meditate upon) which has been misread *χ^vēšēnišn* (to regard as one's own). Har. says "I offer myself to".||

nmanayā, etc.—2/3 f. adj. from *nmāna*, etc.

zarθuštrotamā—2/3 f. adj. sup. from *Zarθuštra*. Belonging to the highest priest; *Zarθuštra*, as hinted above (Yas. IX. 1)¶, was the name of a priestly office. The highest spiritual authority in Irān (the *Dastur-i-Dasturān*) was known by this title in the superlative (see Whit. § 473a). In

* See introductory note to Yt. XIII, by Dar., S.R.E., XXIII, pp. 179 f. † *The New Calendar of Great Men* by Frederic Harrison, Preface. ‡ Wb. 1346. || Quoted by Kan., Kh. A. b. M., p. 383, fn. ¶ See also Introduction.

the ancient days the King was also the Chief-Priest, like the राजर्षि in India. Note that the previous four words indicate the *Ahus* whereas this word indicates the *Ratus* (see above, Yas. LVII. 1).

2. This verse is the same as Yt. XIII. 80.

āghām—6 3 f. pron. stem *a*. Of these, आघाम्.

paoiryānām—6 3 f. used adverbially.* Cf. *paoiryō* . . . *mašyō* above (Yas. IX. 3). Mills trans. "of these prior Fravašis"; Dar. says "of these ancient Fravašis".

avām—That. Jack., A. G., § 432. The word might be connected with *āva* (one) and may mean "first" or "foremost".

yām—2 1 instead of 1 1 needed by strict grammar, due to case-attraction.

mazīštām-ca—2 1 f. adj. sup. of *maz* (मह्). The greatest.

sraēštām-ca—the most excellent, the highest, श्रेष्ठाम्. The fairest (Dar. and Mills).

χraoδīštām-ca—2 1 f. sup. pt. adj. from the comp. *χraoδdā*. Cf. *χraoδdyehyu* (Yas. IX. 15). Most firm (Mills); most solid (Dar.); strongest (Sp.). Kan. trans. बलौज हिंसत आपनाह (most courage-giving). The Pah. trans. says "the most firm"† or the most severe (i.e. strictest) in decision, in other words "strictly just". Nair. Skt. says—माहनर.

χraθwīštām-ca—2/1 f. sup. of *θumant* Visest. The word *χratu* (क्रतु) is used more for soul-force (*geisteskraft*‡), rather than physical-force. The Vedic क्रतु and मनक्रतु have probably a similar connotation. See above, Yas. IX. 23.

hukərəptām—Jack. and others trans. "the fairest in form"—as the sup. of *hukərəpta* (well-shaped): see also *hukərəfš* above, Yas. IX. 16. The sup. is rather irregular, one syllable (*ta*) being dropped.‡ The same word, but in 6 1 m., occurs in Yas. I. 1. where Mills trans. "whose body is the most perfect", and explains in a footnote: "not that Ahura was conceived of as having a body proper. The stars are elsewhere poetically described as his body, as other divinities are said to be *tanu-māθra*¶, having the *māθra* as their body, that is incarnate in the *māθra*" (S.B.E., XXXI, p. 195, fn. 2). The positive form *hukərəpta* is found in Yt. V. 121, where it means "well-shaped." The Skt. trans. says विशालाकानि अन्वोन्यमनुकपतराणि. Kan., however, strikes out in another direction by making this word sup. of *hukərəp* (दुहपा) gracious and, distinguishing this word apparently from *hukərəpta-təma* (Diet, p. 591), trans. "practising good deeds in the highest degree" (वर्ज्य सवापकार).

* This may be included in the "construction according to sense" of Reich. § 608. † *sakhtum* (Pera, سکت, *sakht*—hard). ‡ Barth., Wb. 635. § Unless we regard it as sup. of *hukərəfš*.

¶ He may have added Kava-Vištāspa also Yt. (XIII. 99); he alludes however to Sraoša—Yas. LVII 33, above.

aṣṭi apanotəmām-ca—Cf. above, Yas. LVII. 4. Mills. trans. "one that attains the most its ends because of Righteousness". Dar. and Kan. trans. "supreme in holiness".

3. This verse is the same as Yt. XIII. 82.

ṣṣātanām—The Rulers (Kan.). See above *Yimō-ṣṣāto* (Yas. IX. 4). Mills and Jack. trans. "shining" or "brilliant". The Holy Immortals are the rulers of the various activities of the world under Ahura Mazda. See above Yas. LVII. 24; also Introduction.

varəzi-dōiθranām (ān.)—Of effective glance (Mills and Kan.); whose looks perform what they wish (Dar., S.B.E., XXIII, p. 199); of beneficent glance (Jack.).* Lit. the word means "of effective eye." √*varəz*. The comp. *varəzi-cašman* is also used for the Fravašis—*yā* (sc. *fravašyō*) *hwdōiθriš varəzi-cašmanō sraoθriš* (Yt. XIII. 29), which is rendered by Barth (Wb. 1421) "who are fine-eyed sharp-eyed and sharp-eared".

aiwiyāmanām—Very strong (Barth., Wb. 97) from *giwi* + *ama*. The sup. form *aiwiyamatama* is found in Yt. XIII. 3. and elsewhere. Mills trans. "devoted"; Kan. says, "coming for help", from *aiw* (*uvah* ?) + √*yā*; Dar. says, "quickly coming to do".

aiθyajāhō—Without corruption (Barth., Wb. 66–67). Neg. of *iθyajāh* corruption, the *i* being epenthetic; cf. Vedic *अजः* (assault) in RV., I. 119. 8, etc.

4. The verse is the same as the first half of Yt. XIII. 149.

paoiryānām-ṭkaēṣānām—Those of the ancient faith. The Z. faith has always recognized the ancient Mazda-worshipping (*māzdayasni*) faith† of the Aryans, which was the faith of Irān in the days before Zaratrustra. The later religion of Z. is called *daēnā māzdayasni yā āhuirīš zaratruštrīš* (Yas. XII. 8; see below, Sel. V).

paoiryānām sāsno-gūṣām—Those who first listened to the commandments (of Ahura). These were the ancient Teachers and Prophets of the Māzdayasni faith. In Yt. XIII. 87 *Gaya Marətan* is said to have been the first to listen "unto the thought and teaching of Ahura Mazda" (see below *Gayehe Marəθnō*, verse 5). From *sāsna* (𐬰𐬀𐬎𐬌), commands or teaching, and √*guš* to listen (cf. बुद्, बोध, Pers. گوش *gūsh* ear). Kan. says it refers to those who first listened to the teaching of Zaratrustra and thinks that the first disciples of Z., *Maidyō-Mānha*, *Vistāspa* and others (who are mentioned in Yt. XIII. 95–110), are meant.

aṣaoninām-ca—One notable feature of Z.'s teaching is the absolute spiritual equality of woman and man. In many other places we get the mention of men and women together on equal terms. See above the prayer

* i.e. not "evil-eyed" (Kan., Kh. A. b. M., p. 384, fn.).

† See above, Yas. IX. 26.

Yeṣhe hātām (Yas. LVII. 4) and verses 6, 7, 8 and 10 of this selection. In Yt. XIII verses 139–142 (comprising the 30th Kardeh) are devoted to the holy women of Irān beginning with Hvōvi*, the wife of Z. It is also notable that among the six Holy Immortals three are of the feminine gender.*

*ahūm*¹-*ca daēnā*²-*ca baodas*³-*ca urvānəm*⁴-*ca fravašim*⁵-*ca*—This passage seems to give the constitution of the human being according to Av. In another passage, Yas. LV. 1, another list is given of the principles building up a human being† which however contains seven distinct principles instead of five as here. These are the only two passages in the Av. when the five-fold or seven-fold constitution of the human being is mentioned. Unfortunately no regular or detailed attempt has been made by Western scholars to define these terms more accurately, as evidently they are meant to be defined in the Av., hence also their renderings are vague and uncertain as may be seen by the following translations:—

- I. Spirit¹, conscience², intelligence³, soul⁴ and Fravaši⁵—Mills.
- II. Spirit¹, conscience², perception³, soul⁴ and Fravaši⁵—Dar.‡
- III. Breath-of-Life¹, conscience², consciousness³, soul⁴ and Guardian-Angel⁵—Jack.
- IV. Life-force¹ (*Lebenskraft*), Individuality² or the Inner Ego (*Innere Wesen, geistiges Ich, Individualität*), perception³ (*Wahrnehmungskraft*), soul⁴ or spirit (*Seele, Geist*) and Fravaši⁵—Barth.
- V. *आन*¹, *अंतःकरण*², *बुद्धि*³, *स्वान*⁴, and *फरोहर*⁵—Kan. (Kh. A. b. M., p. 384).||

1. *ahu* is the same word as *अहु* (*आहु*) the life-force (*Lebenskraft*) which keeps the physical body alive. On the whole “Life-force” is the best rendering. In this sense the word is used only in this passage (Barth., Wb. 283).

2. *daēna* according to Kan. is the faculty which differentiates between right and wrong. There is another word *daēna* (see above, Yas. IX. 26), which means “religion” and evidently Barth. (Wb. 665–666) mixes up the two ideas, for he defines *daēna* as “the sum-total of those characteristics of a human being which bear upon his religion and his soul”. This *daēna* is probably what appears to the departed soul as “a beautiful, well-shapen, strong and well-formed maid” upon the *Cinvat*-bridge. (Ven. XIX. 30ff., also Hāδ. II. 9, and other places). The trans. of Kan. seems to be nearest the idea—the *अंतःकरण* which enables the human being to *see* (*√dāy* to see) the right from the wrong. The best English word would be “heart” which connotes the emotional and desire-aspect of the *daēnā* better than the word “conscience”.

* See also Introduction.

† See Introduction for details. See also *Zarthushti's Ethik* by N. F. Billimoria for some explanation of the details, pp. 130ff., and pp. 164ff. ‡ See his note to Yt. XIII. 74 (S. B. E., XXIII, p. 196).

|| Note that for the last three he uses practically the original Av. word in the Skt. or Pahl. form.

3. *baodah* (cognate with बुद्धि) is the faulty of the mind, the *intellect*, which enables us to acquire ज्ञान (Knowledge, ज्ञपरा विद्या).

4. *urvān* is the higher Reason, which enables us to acquire विज्ञान (Wisdom, परा विद्या) as distinguished from ज्ञान (or knowledge). Thus *baodah* and *urvān* respectively correspond to मनस् and बुद्धि of the Hindu systems.* Best translated by the Eng. word "soul".

5. *fravaši* has been rendered by many Western scholars as "guardian-angel", which is not correct. The Fravaši is the eternal portion of the human being and as such is emphatically a part and parcel of the human being, whereas a "guardian-angel" is an outside entity.

The five "principles" may therefore be best rendered as :

Life-force¹, heart², intellect³, soul⁴ and Fravaši⁵.

It would be interesting to work out how far these five correspond to the five *Koṣas* of *Vedānta*—ब्रह्मण्य, प्राणमय, मनोमय, विज्ञानमय and आनन्दमय.

aṣṭāi—4 1. • For righteousness, ज्ञताय.

vaonars—3/3 ppt. par. √van. Strove, struggled, वेचिरे.

Gēuš hūdāŋhō urvānēm—The first two words are 6/1. Jack. and others see in this a reference to the Primal Bull who, like the first man (*Gaya Marštan* (see below, 5), was slain by Ahriman. From this Primal Bull are derived all other animals.† The word *hūdāŋhō* is variously taken though all agree as to the etymology—*hu* (हु) + √*dā* (दा). Jack. renders "benevolent", Barth. trans. "gracious." In Yt. XIII. 86 we read *yām-ca* (sc. *fravašim*) *Gēuš yām-ca Gayehe*, which Dar. trans. "that of the Bull that of the living man".‡ Kan. trans. "that of animals, that of living beings". In Sirōzah I. 12. we have the mention of *Gēuš-āēvōdāta* "the first-created bull" (Dar. says "the only-created"), in connection with the *yazata Māŋha* (the Moon), who is said to possess the seed of the bull.|| In Sirōzah II. 12 this is repeated. But in verse 14 in both Sirōzah I and II there is mention of the *Gēuš urvān*, and in the latter¶ we get the phrase *Gēuš hūdāŋhō urvānēm yazamaide* which Dar. trans. "we sacrifice unto the soul of the bounteous Cow" (S.B.E., XXIII, p. 17). Here the Cow is the Divine *Dravāspa*** also called *Gōš*, who "κατ' ἐξοχῆν, is a personification of the animal kingdom whom she maintains and protects".†† Kan. in his Dict. (p. 159) says that in some places the word (*Gēuš-urvān*) is used for the (whole) animal creation. In the *Gāθ. Ahu.* (XXIX.) we read of the complaint of the "soul of the Cow", by which is typified the mother-earth‡‡, which view is also maintained by Kan. So it would be best to trans. here the phrase by "the soul of the bounteous mother-earth". The same idea seems to be at the back of the

* मनस्सु परा बुद्धिः (Bg. III. 42).

† Jack., A. B., p. 58.

‡ S.B.E., XXIII, p. 200. The

living man evidently refers to *Gaya Marštan*.

|| See trans. by Dar., S.B.E., XXIII, p. 8.

¶ See Sol. XXIV, Part II.

** Yt. IX, Sol. XXII, Part II.

†† Dar., S.B.E., XXIII, p. 116.

‡‡ See below Sol. XV.

legends of *Kṛṣṇa*, the Divine Cowherd, and the *Gopīs*; the very names *गोपाक*, *गोपी* etc., are suggestive. Cf. also the idea of the *Shepherd* in the Bible.

5. *yōi* . . . *vaonara*—refers to those mentioned below as the most conspicuous examples of such striving. Mills in his trans. (S.B.E., XXXI, p. 278) omits this phrase.

Gayehe Marānō—6.1 of *Gaya Maratan*—Lit. “the mortal man”. The name is given to the first great ruler of Irān. He is regarded as the first man created by Ahura. He was the first to bring the Māzdayasni faith into the world and was thus the first of the line of *Rājārṣis* who ruled in Irān. In Yt. XIII. 87 he is said to have been “the first who listened unto the thought and teaching of Ahura Mazda, of whom Ahura formed the race of the Āryan nations, the seed of the Āryan nations”.* He was both the physical as well as the spiritual ancestor of *Zarathuštra*. From Z. to Spitama see above Yas. IX. 13 (notes), from Spitama to *Θraētaona* see above Yas. IX. 13, and from *Θraētaona* onwards the line continues as follows:—

Θraētaona (پاریدون, *Paridūn*)—*Ādivya* (*Āspiyān Purtorā*†)—Seven more people having the name *Āspiyān*‡—*Yima-Xšāeta* (جمشید, *Jamshīd*)—*Vīvayhvat*—*Taxma Daēvō-thiš* (تخم دیوبند, *Tahmūrāp-Dīvband*)—*Haošyayh* (هوشنگ, *Hūshang*)—*Shyāmāk* (شیداعک, *Shīdāyāk*)—*Gaya-Maratan* (گدومرد, *Gayomard*).||

ašim-ca—Holiness. The Holiness of Z. was his pre-eminent characteristic, as it was also the foundation of his religion.

Kavōiš Vištāspahe—6.1 of *Kava Vištāspa*. For the title *Kava* (Pers. کیانی—*Kayāni*), royal, see above, Yas. IX. 18. *Vištāspa*, who is not to be confounded with *Υερδανης*, the father of Darius the Great,§ was the first royal disciple of Z. He is remembered in Yt. XIII. 99ff. as “the holy king *Vištāspa*, the gallant one, who was the incarnate Word,** the mighty-spearred, and lordly one, who, driving the *Druj* before him, sought wide room for the holy religion, . . . who made himself the arm and support of this law of Ahura, of this law of *Zarathuštra*” (S.B.E., XXIII, p. 305).

Iṣaṭ-vāstrahe Zarathuštrōiš—6.1. *Iṣaṭ-vāstra* son of Z. The custom of mentioning the father's name with and after the son's is a very old one and is still the rule among Parsis. *Zarathuštra* is mentioned in the Av. and Pah. books to have had three sons and three daughters, and three “mystic” sons, who are to be born as the *Saošyants* of future ages. His “children” are regarded by some to have been more in the spiritual sense rather than purely physical.†† The question is well discussed by N. F. Billimoria in his Gujarāṭī book *Asho Zarathosht ane temno Pegām* (ch. V, pp. 54–71). This

* S.B.E., XXIII, p. 201 (Dar.). † See Yas. IX. 7. ‡ According to Buz. § From Modi's Dict., where he gives a genealogical table at the end, based on Buz. and other authorities, ¶ Jack., A. R., pp. 95–96. ** *tanu-mātra*. Note that all the epithets here used are those of *Sraoṣh*; cf. also *beraṣṭi* (Yas. LVII, 11) above. †† See Introduction.

point of view seems also supported by a note of Dar.: "Z. had three sons during his lifetime. *Isaṭ-vāstra*, *Hvara-ciθra*, and *Urvaṭaṭ-nara* (Yt. XIII. 98), who were respectively fathers and chiefs of the three classes, priests, warriors, and husbandmen. They play no great part in Mazdean mythology, and are little more than three subdivisions of Z. himself, who was 'the first priest, the first warrior, the first husbandman' (Yt. XIII. 88)." * The Bun. XXXII. 5-6 says that *Isaṭ-vāstra* was chief of the priests, he became the Mobad of Mobaūs,† and passed away in the 100th year of the religion. The name signifies "he who desires pastures" according to Barth. (Wb. 372). *Hvara-ciθra*—(seed‡ of the sun) "was a warrior, commander of the army of *Pešōtanu* the son of *Vištāspa*"||. And *Urvaṭaṭ-nara* (friend of man; Barth. says "hemo-commanding")¶ "was an agriculturist and the chief of 100 enclosure formed by *Yima*"|| (Ven. II. 43). The three daughters of Z. were *Frēni*, *Θriti*, and *Pouru-cištā* (Yt. XII. 139). Their names signify "Fullness" (Barth., Wb. 1022), "Protecting" (?) (Barth., Wb. 807, *θru*, *θrita*, *θriti*) and "Full wisdom", respectively. The last is said to have married *Jāmāspa* (Barth., Wb. 899).** The three "mystic" sons of Z. are *Uχšyaṭ-arata* (Pah. *Hoṣedar-māh*), *Uχšyaṭ-namah* (Pah. *Hoṣedar-bāmi*), and *Saošyant*. Bun. XXXII. 8 relates the story thus: "Z. went near unto *Hvōvi* three times, and each time the seed went to the ground; the angel *Nairyō-saṃh* received the brilliance and strength of that seed, delivered it with care to the angel *Anāhita*, and in time will blend it with a mother".†† The seed is watched over by 99,999 Fravašis (Yt. XIII. 62) in the Lake *Kāsaoya*, where the maidens *Srūtaṭ-fedri*, *Vaṃhu-fedri* and *Aradaṭ-fedri* will respectively bring them forth. It may be noted that *Isaṭ-vāstra* is also mentioned in Yas. XXIII. 2, also, as here, with *Gaya Marštan*, *Zarathuštra*, and *Vištāspa*, these four being evidently the most important of the "ancient counsellors".‡‡

6. This verse forms the second half of Yt. XIII. 149.

nabānazdištanām—Close-connected, next-of-kin. Lit. "nearest the navel" (*naba*—नाभि + *nazdišta*—नेदिष्ट). The word here refers to co-religionists, brothers in Z. faith, as distinguished from the *paoiryō-kaēṣu* of the previous verse (Kan., Kh. A. b. M., p. 385, ftn.). Trans. "our nearest brothers". The list of blood-kindred included under the phrase *nabānazdišta* is given in Ven. XII. These include: (1) parents, (2) children, (3) brothers and sisters, (4) grandparents, (5) grandchildren, (6) children of brothers and sisters, (7) brothers and sisters of parents, and (8) children and grandchildren of (7) (Barth., Wb. 1040).

maṭ . . . Saošyantām—also found in Yas. XXIV. 5.

vispābyō aṣaonibyō are both f. because *fravaṣi* is f.

* Quoted by Billimoria, *op. cit.*, p. 69.

† For the word *Mobad* see below verse 7, *acθrapaiti*.

‡ Barth., "having the face like the sun", Pah. *Xʰarəst-eihr* (Wb. 1849).

|| Bun. quoted

by Dar., S.B.E., XXIII, p. 204.

¶ Barth., Wb. 1536, also see above Yas. LVII. 26.

** But see

Billimoria, *loc. cit.* †† Quoted by Dar., S.B.E., XXIII, p. 195.

‡‡ Mills, S.B.E., XXXI, p. 273.

iriribušām—6/3 pft. pt. par. $\sqrt{ra}\theta$, to pass away. Those who have passed away, i.e. have died (Barth., Wb. 1480-82). It is an *ahura*-word used especially in this sense. Cf. Goth. *leiðan*, to go. There is another $\sqrt{rā}\theta$ which is connected probably with Skt. रच and which means “to cling to”, “to be joined with”, which also gives the form *iririb-* or *irirab-*. Jack. postulates a \sqrt{irib} .

jvāntām—6/3 pres. pt. par. \sqrt{jiv} (जीव्) to live. Living—जीवन्ताम्. In Yt. XIII. 17, it is mentioned that the Fravašis of the *paoiryō-īkaēša* and of the *Saošyantas* are the most powerful, and, of the rest, the Fravašis of the *living* holy men are more powerful than those of the dead.

narām—Here used in the sense of “heroes”.

azātanām—Unborn. Note that the soul yet to come into the world has also a Fravaši to which his (or her) future body will attach itself.

frašō-carəθrām—An epithet of the *Saošyantas*. Cf. *frāšmīš* used of *Haoma* above, Yas. I.VII. 19. From *fraša* (renovated) and *carətar* (कर, \sqrt{kar}) maker”. Those who prepare the world for renovation”, “those who herald in a new age”. The essential idea is that from time to time, as the need arises in the world by the accumulation of sin and wrong-doing, a great Soul comes down to renew the law of Ahura and to usher in a new civilisation. These great Renovators are the *Saošyants* (see Yas. IX. 1. above; also cf. Bg. IV. 7). Mills and Dar. agree with this idea. This renovation brought about by a *Saošyant* is called *frašōkarəti*. See also *Cama Memorial Volume* pp. 200ff. referred to above in the Introductory note to this piece.

7. *iristanām*—6/3 p. pt. pass. $\sqrt{ra}\theta$. See above *iriribušām*.

yā ašaonām fravašayō—This phrase is repeated below in verse 11, where Jack. says that “the souls of the dead are the Fravašis”. Mills trans. the whole passage thus: “We worship the souls of the dead [(Pāzand) which are the Fravašis of the saints]”; and adds in a footnote*: “Whether a real distinction existed in the minds of these early writers, between a *Fravaši* and a departed soul, is hard to say. That a Fravaši was worshipped as existing before a person to whom it appertained was born, may be owing to a poetical, and not a dogmatic, anticipation”. Mills, however, is certainly mistaken because the distinction is very clearly maintained all through (see above verse 4). In *Khurshīd Nyayish* (verse 9) the worshipper invokes his own *urvān* and *fravaši* (the two highest principles in his constitution) and they are meant to be distinctly separate and clearly marked out from one another.† Mills putting the words into brackets, with the remark “Pāzand” preceding, seems to imply that he regards the words *yā ašaonām fravašayō* as a later (Pāzand) interpolation. Geld. in his text gives a footnote to the word *ašaonām* and says: “no all mss.”, as if he expected a different

* S. B. E., XXXI, p. 279.

† See Kan. 's note on this point, Kh. A. b. M., p. 32, fn.

reading, and therefore regards the passage as interpolated. It is certain that the grammatical construction is faulty. Kan. trans.: "those souls of the departed ones who belong to (i.e. are attached to) the Fravašis of the holy ones". Har.* and Dar. translate "urvān and Fravašis", which is a reasonable way out of the difficulty.

ahmya nmāne—In this house. In the sense of "family" or "fold" (?).

para-iristanām—Gone beyond (the mortal life). Geld. puts a stop after the previous *fravašayō*; but it would perhaps be better to put a stop after *parairistanām*, thus taking the clause—"those of our kindred who have passed beyond from this house"—as defining the Fravašis and the urvāns, mentioned above.

aēθrapaitiām—Teachers. Pahl. *aērpai*, Pers. *herbad*. In P. Guj. the term *एवद* (abbreviated *ए*†) is applied to a priest who is initiated and who has got the privilege of performing the rites and ceremonies. The distinguishing mark of these *Ervads* is the white turban. Note the orig. *-paiti* has become *-had* (*-vad*) in modern times. Cf. also Pers. *موبد* (*mūbad*)—P. Guj. *मोवेद* (Priest)—from Av. *magu-paiti* (a Magus, Grk. *Mávos*).

aēθryanām—Disciples; Nair. *श्रिष्यावास* Jack. deriv. as this from *aēθra* (fire-wood ?) basing this interpretation on Yt. XIII. 105.—*Māθravākahe* . . . *aēθrapatōiš hamīδpatōiš* (समिपदेः) *ašaonō fravašim yazamaide* Dar. says‡ that *aēθrapaiti* is "master of the hearth" and *hamīδpaiti* is "master of the sacrificial log". Kan. trans. "religious teacher" and "sacrificial priest" (बोर देनार—which is a technical name in P. Guj. for the priest whose duty is to tend the Fire in the temples). Barth (Wb. 1777) trans. the latter word by "Master of the assembly". He (as also Kan.) derives the *aēθrapaiti* (and *aēθryc*) from a hypothetical word *aēθra* (education)—through an Ar. word **aitra*. Very probably the Skt. *ऐतरेय* has the same meaning and signifies "education (in religious rites, etc.)." Ultimately perhaps the word is connected with *ātar* (Fire). See my paper on *ऐतरेय* in *Trans. 1st Ori. Con* (Poona, 1919).

narām nāirinām—To be taken with *aēθryanām*. Note here also the equality of the sexes. At about the age of seven "the daughter entered into the *aērpatastān*, a religious school" ¶

8. In this verse *all* teachers and disciples, belonging to any place in the world and to any creed, are mentioned; the *nabūnazdišta* teachers and disciples have been already mentioned above.

vispanām nāirianām—Note that the form of the 6 3 adj. is the same for both m. and f.

* Quoted by Kan., Kh. A. b. M., p. 384, fn.

† Orig. from *आचोरेवास* (*āθrawa*).

‡ S.B.E. XXIII, p. 200, fn.

¶ Wb. 20; also Kan., Dic.

¶ Darab Dastur Peshotan Sanjana—*The Position of Zoroastrian Women in Remote Antiquity*, p. 17. On the subject of Iranian Education generally see Modi, *Education among the Ancient Iranians*

9. *apərəndyūkənām* (v. l. °*nāyu*°, Kan.)—Youths; lit., “those who have not attained full age”; *a* + *pərəna* (पूर्व) + *āyu* (आयुः). The word is used to designate infants or minor persons.

dahmō-kərstanām—adj. Begotten of pious parents (Jack. and Dar.); those who fulfil deeds of piety (Mills); brought up by a *Dahma* (religious teacher or *Dastur*) (Barth., Wb. 706: cf. दह्म lordiy*). The word *dahma* also means the duties of a *dahma* (or religious teacher) hence the rendering of Mills is quite satisfactory. Nair. also says उत्तमकृत्यावाप्. Kan. says, “of pious nature” (उत्तमकृत्य—doing pious deeds). The word also occurs in Ven. XIII. 23, where it seems to refer to children under the age of fifteen or those who have just attained that age.† Cf. also *pañcadasa* in Yas. IX. 5.

ā-daṣṣyunām—adj. In this land, i.e. belonging to this land (Irān).

uz-daṣṣyunām (v. l. °*daṣṣyu*°, Geld.)—Adj. Outside this land, i.e. not belonging to Irān, i.e. foreigners. The ancient Z. distinctly recognized the righteous in other lands also, beyond the limits of the Āryas†. In Yt. XIII. (143-144) the Fravaṣis of the Righteous from non-Aryan lands—*Turān*, *Sairimya* (Europe and Western Asia), *Sanai* (China) and *Dahi* (Dahae—Ἀάαι) are mentioned.|| And Yt. XIII. 145 says: “we worship the Fravaṣis of the holy men and of the holy women of *all* countries”. This is the clearest recognition of universal brotherhood by the ancient Zoroastrians. This is all the more remarkable because the Turanians at least were the national enemies of the Āryans of Irān all through their history.

10. *ā Sāoḍyaṇtūt vərəθraγnaṭ*—5/1 for 2/1 by case-attraction. From *Gaya Marətan* to *Saoḍyaṇt* means a whole world-period.

* दह्म दह्म; RV, I. 129. 3. † See S.B.E., IV, p. 161, fn. ‡ For the Aryan lands see Ven. I. || S.B.E., XXIII, pp. 226-227.

7. May not¹ the radiance⁶ of-heaven⁵ ever² leave⁷ this³ house⁴, nor⁸ the strength¹⁰ that leads-to-salvation⁹, nor¹. clever¹³ offspring¹⁴ full-of-glory¹²: may we constantly^{21*} be-in-companionship²² with¹⁷ the Teacher¹⁶ of-(the-path-to)-salvation^{16†} and¹⁹ (with) Aši¹⁸ Vaghu²⁰.

8. At-will¹ and² supreme⁶ too⁷ Thou⁸, O Ahura⁴ Mazda⁵, rulest-over⁸ Thine-own⁹ creations¹⁰, at-(Thy)-will¹¹ the waters¹², at-(Thy)-will¹³ the trees¹⁴, at-(Thy)-will¹⁵ all¹⁶ the good¹⁷ (creation), the generation-of-Aša¹⁸.

Make ye²¹ (O Ahura, and ye Holy immortals!) the holy²⁰ (man) power-ful¹⁹, (but) the infidel²³ without-power²².

9. May^{*} the holy³ (man) be² full-of-sovereign-power¹, (but) may the infidel⁶ be⁵ without-free-power⁴; (may he be) defeated^{7*}, smitten-down⁸, (and) thrown-out⁹ from¹⁰ the creations¹³ of the Holy¹¹ Spirit¹², (may he who hath) turned-way¹⁴ (from the Law be) without-free-power¹⁵.

10. I will guide¹, even³-I², who⁴ (am) Zarduštra⁵, the leaders⁶ of (these) houses⁷ and⁹ of (these) villages⁹ and¹⁰ of (these) provinces¹¹ and of (these) lands¹³ too¹⁴, to follow-in-(their) thought^{17,*} to-follow-in-(their) words^{19,*} and²² to-follow-in-(their)-deeds^{21*} this¹⁵ Faith¹⁶, which²³ (is) of-Ahura²⁴, revealed-by-Zarduštra²⁵.

11. So-that¹, verily², the minds⁵ of these³ (leaders) (may be^{*}) full-of-joy⁴, (and their) souls⁷ (be^{*}) with-every-wish-fulfilled⁶, (and their) bodies⁹ full-of¹ heavenly-glory⁸, (and thus too theirs) may be¹⁰ the best¹¹ life¹² (hereafter): may they reach¹⁷, O Mazda¹⁶, the regions-of-Ahura¹⁶, even¹⁴ after the dis-closure¹³ (of their actions in this life).

12. Through the best² Righteousness¹, through the highest⁴ Righteous-ness³, may we catch-sight⁵ (of) Thee⁶, may we approach^{7,9} Thee⁸, may-we-be-in-perfect*-union^{10, 12} (with) Thee¹¹.

Verses 7. * Lit., "for long ages." † Braoša.

Verses 9. * Lit., "gone".

Verses 10

* ca¹⁸ and ca²⁰ omitted.

† Lit., "for the following-in-thought, etc. ... of this Faith".

Verses 11. * *hanti* to be construed with each clause, hence plu.

Verses 12. * Lit., adv.

- * See Introduction. † Jacks, K. G., § 222 (Ablative). ‡ G. b. M., p. 100, fin. § Note Wb. G. A. 3; see above note on *crearem* (Taa. IX, 11). ¶ Jacks, A. G., § 401. ** Wb. 1081.

savayhō—6/1. Bliss, happiness. The usual meaning in Gāṭh. is the eternal happiness (आनन्दिकं सुखम्);* but in Y.A. it is used for either material or spiritual bliss (Barth., Wb. 1562). Nair. trans. आनन्द; Kan. compares Skt. अमृत.

paṭhō—2/3 n.

siḥōiṭ—3/1 opt. pres. √ *sāh* (आह्) to teach. Barth. says it governs two accusatives as in Skt. (Wb. 1574).

ahyā—आह्या (Gāṭh.), Y.A. has *ayhe* or *aīḥe*.

manayhas-cā—Lit., pertaining to the mind. Used in Gāṭh. the mean spiritual as opposed to corporeal or physical.† cī. *ahvā astratas-cā hyaṭ-c*. *manayhō* (Gāṭh. Ahu., XXVIII. 2).‡

haiḥyēng—2 3 m. Real, सत्यम् Barth. (Wb. 1710) trans. "correct" or "right", and takes the adj. to refer to *paṭhō*; but *paṭhō* is neu. Mills trans. "the eternal worlds"; Kan. says, "the real worlds". The paths leading to the eternal worlds, hence the acc.

ā-stiṣ (v.l. *āstiṣ*, Gold.). *ā* is prop. meaning "to". *stiṣ* is 2 3 of *sti*. Barth. (Wb. 1592) takes *sti* to mean creation or world. स्ति (m.) is found in RV.,|| where the word seems to mean "members of the household". We also get स्तिपाः. Barth. (loc. cit.) suggests deriving from √ *ah*, to be (cf. Pers. هستی *hasti* existence); Kan. (Dict., p. 537) suggests √ *stā*, स्था (cf. स्थिति). The word *sti* when it occurs elsewhere in Av. is fem. It is noteworthy that the Skt. cognate is mas. as required in this passage; in any case *stiṣ* would be 2/3 for both m. and f.** In Ven. II. 40, we get the comp. *stidāta* (made in the world or artificial) as opposed to *χ^vadāta* (self-created) †† Geld.'s reading *āstiṣ* means "subjects".

yēng—यान्

ṣaēti—3/1 pres. par. √ *ṣi* (क्षि) to rule. Cf. *χṣaētiō*, Yas IX. 4.

arədrō—Worshipper, a pious or faithful person. Kan. (Dict.) postulates a √ *arəd*, to worship; but probably this word is cognate with आर्त्त Nair. trans. इच्छिषादाता Mills has "servant".

θwāvās—Like unto Thee (Barth.); ननुवा (Nair.); Mills says, "worthy of Thee". It probably means "absorbed in Thee". The same idea occurs in the last verse of this passage *haməm θwā haxma* (see below 12). See Whit. § 517; †† Reich. § 276; Jack., A. G., § 857, note 2.

huzōgtuō—1/1. Possessing good wisdom (Kan.); cf. *haozōtwa-ca*

* Unless expressly stated otherwise, as here. † Barth., Wb. 1127. ‡ Sel. XV below. § VIII. 19, 11; X. 148, 4. ¶ RV., VII. 68, 3; X. 69, 4. ** Kan., A. G., § 108. †† Barth., Wb. 1807, explains *stidāta* as "created for the world", i.e. "evanescent" and *χ^vadāta* as "eternal", p. 1808 below. †† Also § 1253 f.

savas-ca—Prosperity (Kan.);* benefit (Mills). Cf. *savayhō* in verse 1. The word is from \sqrt{su} (सु). Mod. Per. سود (*sūd*)-profit, interest, is a derivative from the same root. Barth. (Wb. 1561-62) notes the remarkable fact that the du. form *savā* (m.) or *savōi* (f.) is used to mean "profit and loss". He quotes in support Yas. XLIII. 12 and XLV. 7. Kan. however takes these differently.†

χ^varenas-ca χ^vābrēm-ca—Fame and health (Kan.); glorious welfare (Mills—he apparently takes the first as adj. to the second word). Kan. elsewhere renders the word as "salvation" (बाचावो) in the sense of मोक्ष‡. Kan. (also Mills) puts a fullstop after *χ^vābrēm-ca*, not so Geld.

dar-yō-fratemaḥwem-ca—Long-continued prominence (Mills); दीर्घप्रथमत्वम्. Mills takes this with the next verse. Kan. construes with *būyāt* understood.

yaṭ—See above Yas. IX. 4.

3. *asista* (v.l. *āsi*^o)—Kan. trans. "always" and remarks that the orig. form is *āsiṣṭa*. He also notes that Dar. derives it from *a* (neg.) + *sista* (cut off, from \sqrt{syagh} —सी) and that hence the word means that which is not destroyed i.e. eternal.|| Mills evidently takes it as sup. of the adj. *āsu* and trans. "with the greatest speed". Barth. takes it as pft. pt. pass of $\sqrt{saēd}$ (सिद् and trans. "undisturbed" (Wb. 1547).

haca—Within (Mills).

gāuś—Sg. used in a collective sense. This implies prosperity.

būyāt—Kan. trans. as a ben., "may arise" (उत्पन्न भवो).

narś—6 l. नृ.

4. *iθra*—to this place. From the pron. stem *i*; Skt. has अथ.

aḥōiś—6 l of *aḥi* (आहिस्) blessing. Of holiness (अमोक्षा) (Kan.); blessed gifts (Mills). Cf. Vis. IX. 1, *Haomanām aḥōiś ciśtōiś baḥḥāza hacimnanām* (where Mills trans. *aḥōiś* by "sanctity").

baḥḥāza—Means (उपायो), Kan.; he takes this as 2/3. Mills takes this as 3/1 and trans. "with healing virtues". Cf. Yas. XI. 17. In Yas. LXVIII. 15. we have *hazagrēm baḥḥāzanām*, *baḥvarē baḥḥāzanām* (a thousand healing remedies, ten thousand healing remedies). The word is neu.

hacimnā—1/3 f. pres. pt. atm. \sqrt{hak} (हक्), to accompany, to follow.¶ When used with an acc. it means to bring to, to carry (Barth., 1739f.). Here the acc. is *baḥḥāza*. Mills trans. "may they go hand in hand with us".

* In Diet (p. 522) he gives the meaning "blessing" also.

† G. b. M., p. 106 and p. 127.

‡ He evidently in some places confuses the idea with that of worldly happiness. || Kh. A. b. M., p. 419, fn. ¶ *hacimnā* is cognate.

zam-fraðayha—2/3 n. adj. to *baššaza* (thus also the following two words). Wide as the earth. Cf. *इयं, इषी*, etc. *

dānu-drāḷāyha—Long as the rivers. The word *dānu* is cognate with Oss. *don* (river). *दानु* in RV., means “dew” or “trickling drops of water”*; the epithet *दानुवयन्ती* is used of *मित्रावरुणा* in RV., I. 136. 3 and for the *Aśvins* in RV., VIII. 8. 16. For *drāḷayha* see Yas. IX. 26.

hvarā-barəzanha—High as the sun. *hvar* is *खर* of Skt. but there is a change of meaning.

ištē—Dat. inf. *इष्टे*. For the fulfilment of desires (Kan.). For the furtherance of better men (Mills). Barth. takes it as dat. inf. $\sqrt{aēš}$ to rule, to possess and trans. “so that (this *vis*) may possess better men”.

vaṇhaṇām—6/3 com. adj. from *vohu* (*vaṇhu*). Better people. Note the $\sqrt{aēš}$ governs gen. like the *ईष्ट* of Skt.

paitištātē—Dat. inf. $\sqrt{stā}$ + *paiti*, to oppose.

ātaranām—Wicked (Kan.); hostile (Mills). From \sqrt{tar} (𐬔) to attack, hence “one who attacks”. Cf. *हवतुरम् वक्ष्य* (RV., X. 99. 1) and *हवतूर्य* (RV., VI. 13. 1).† Probably the Skt. *आतुर* (sick) is also cognate.

fraša-vaxšyāi—Dat. inf. $\sqrt{vaxš}$ (to increase, to wax) + *frāš* (𐬑𐬀). For the greater increase (Barth., Wb. 1007). Cf. *उत्तवन्न, वक्ष्यम्*, etc. Ger. *wachsen*. The $\sqrt{vaxš}$ is also used for the waxing of the moon: *mā uxšyeiti* (Yas. XLIV. 3, Sel. XVI). The noun *vaxša* used with *hū*‡ means the rising of the sun (Yt. V. 91, etc.).

rayām-ca xʷarənaḡhām-ca—Wealth and fame (Kan.): but he suggests (Kh. A. b. M., p. 410, ftn.) “splendour and glory”. Cf. *ahe raya xʷarənaḡha-ca* above (Yas. LVII. 3, etc.).

5. *vainiḡ*—3/1 root-aor. ind. par. \sqrt{van} . *वैनोन्*. Jack. thinks it may be an opt. aor. with a weak ending (A. G., §§ 463 and 637). If we take it to be ind. the *i* may be compared to the *ई* in *वन्नोन्, वावोन्*, etc.

sraoḡš—used here in the lit. sense (from \sqrt{sru} to hear) of “obedience”. This is obedience to the Law of *Aša* which is the Law of God. In fact *Sraoḡša* represents this Obedience to Divine Law. See introductory note to Yas. LVII (Sel. II).

asruḡtim—Disobedience.

āxšiti—Peace. The derivation is doubtful. Probable cognate words are Pers. *اشتی* (*dāšti*), peace, and the word *अहि* which occurs in AV. (VI. 54. 1) and seems to mean “victory” or “attainment”. This *अहि* is also

* RV., I. 54. 7, etc.; Grass., Wb. 294f. † Grass., Wb. 1335. ‡ See above Yas. LVII. 10.

found in the comp. **जरदृष्टि*** which would mean lit. "attainment of old age" hence "long-life" or (when adj.) "long lived". *

rāitiś—Generosity. Cf. **रामि**, offering; Pers. **رای** (*rād*), generous.

ārmaitiś—Reverence or piety; right-thought.† Orig. the word was *arər-maiti* which with the corresponding *arəm-uxti* and *arəm-varəti* is found in Pur. 25 (Barth., Wb. 188-189). The form **अरमिति** is found in RV., VII. 35. 8; 42, 3, where Sāyana trans. **इषिदी**. (Barth., Wb. 335ff). Grass. (Wb. 103) says that the word means "devotion" or "piety" and also means the Goddess of Devotion. See also Spənta-Ārmaiti above (Yas. LVII. 24), who is the fourth of the Holy Immortals. She is the ruler of the earth and is also called the "daughter of Ahura" (Modi. Diet.).

tarōmaitim (v.l. *tarō-mai*?)—Contempt, pride, impiety. The word is also spelt *tarəmaiti*. In the later Pah. works (e.g., Bun. XXX. 29) this is the name of a daēva—*Tarmat-dēv*—who is a special foe of Ārmaiti. In the Skt. trans. of Yas. XXXIII. 4, Nair. renders this word by **दुहन्मना**. From *tara* = 'man, to hold in contempt' (Barth. Wb. 641 and 1123).

arəuxδō-vāxš—Cf. *arəzūxδəm* . . . *vācim*, Yas. IX. 25 a) ove.

miθaoxtəm—Falsely spoken. Cf. **मिथ्या**. The word is also spelt *miθōxta*.

Aṣa drujəm—Geld. and Kan. read *aṣa-drujəm* and Kan. takes it as a comp. adj. to *vācim* and trans., "inimical to righteousness". He however (Kh. A. b. M., p. 411, ftn.) suggests the reading here adopted and the trans. "(may) righteousness (overcome) evil". Barth. (Wb. 230) reads the words† separately. He mentions that the ideas of *Aṣa* and *druj* are to be found opposed to each other both in G. A. and in Y. A., e.g. *yezi* . . . *aṣā drujim vənayhaiti* (Yas. XLVIII. 1) (when the righteous man shall overcome the *druj*); also Yas. XLIV. 17 (Sel. XVI). Barth. also observes that the form *aṣa* here (as well as *aṣā* in Yas. XLVIII. 1) is 1 1 n. Therefore, *Aṣa* and *druj* here correspond to **अस** and **अधर्म**.

6. *yaṯa*—So that. (Kan.). Mills trans. "as" (= because).

Sraoṣāda—5/1. Mills in his trans. adds the explanation, "who governs hero". Kan. trans. "through *Sraoṣa*"; he being the first to praise the Holy Immortals, who come down when they are invited by him. Cf. above Yas. LVII. 2, 6, 8 and 12.

paitiṣṇ—3/3 sub. impf. par. Mills trans. "seek for". Kan. says "desire eagerly". Cf. Yas. LVII. 13.

vayhūs—2/3 m.

yaśnūs-ca-vahmās-ca—Cf. above Yas. LVII. 6. 8. Kan. explains *vahma* as mental repetition of the name of a deity.

* RV., VII. 37. 7; X. 85. 36.

† "The name *Sraoṣa* had not lost its original meaning, so *oṣ* *Arəmaiti*"; Mills, S.B.N., XXXI, p. 311, ftn.

‡ But Barth. reads *drujim*.

vohu, etc. The repetition of the three words in the sg. is rather remarkable. This may be an interpolation. Mills suggests that the sg. implies that the worship is of each particular Immortal.* Or is the plu. used for the Holy Immortals and the sg. for Sraoša?

hubərətīm-ca—Mills trans. "good offering" but adds (S.B.E., XXXI, p. 311, fn.), "possibly 'good support'". Kan. trans. "good gift" *hu* + *bar* (𐬨𐬀).

ustabərətīm-ca—Offering for salvation (Mills); gift of health (Kan.). Barth. (Wb. 418) trans. "desired offering" and thinks that the word probably means "those hymns beginning with the word *ušta*". The *Gāthā Ustavaiti* is so called from its first word *uštā*.† Cf. also Vis. XVIII. 1; *ušta Ahurəm Mazdām yazamaide ušta Amašē Spəntā yazamaide*, etc. (we worship Ahura Mazda with *ušta*, we worship the Holy Immortals with *ušta*). This word means "hail!" or "welcome!" Cf. also Yas. IX 25, above. Is there possibly a connection between this word and the Skt. वृष्ट? The second suggestion of Barth. is certainly supported by the v.l. he adopts (also noted by Geld.) *ušta-bərətīm*.‡

vanṭabərətīm-ca (v.l. *vanta-bərə*°, Barth.)—Good offering in praise (Mills); friendly offering (Kan.); offering of respect (or homage) (Barth.).

Kan. puts a full stop after *vanṭabərətīm-ca*, taking the last words as an independent sentence.

ā—Mills takes this prep. as governing the abl. and trans. "together with". Kan. takes *ā-darəyāt* as an adv. phrase and trans. "for a long time".

darəyāt—Mills takes this as an adj. and trans. "long-continued".

χ^vābairyāt (𐬭𐬀).—This word is taken in varied ways. Mills takes it as a noun (5/1) and trans. "offering of the whole self", or complete self-surrender to the Divine Will. And Mills puts a comma at the end of this verse, thus connecting it with the following. Kan. in his Ij. Vis. (p. 145) definitely takes the sentence *ā . . . χ^vābairyāt* with verse 7. In Kh. A. b. M. (p. 411), however, he takes it as in the text. In the latter he takes this to be an entirely independent sentence, unconnected with either what precedes or what follows. His trans. seems to imply that he takes the word as 3/1 opt. pres. par. of *χ^vā* (𐬭𐬀) + *bar* (𐬨𐬀), to be independent, and trans. "may (this community) be independent for a long time".|| But in Ij. Vis. (p. 145, fn.) he suggests the trans. "on account of their (i.e. of the Holy Immortals)

* "As they seek for (one) good sacrifice and act of homage (more especially their own)"; S.B.E., XXXI, p. 311. † *uštā ahmāi yahmāi uštā kahmāi-rit* (Yas. XLIII. 1). See also Sel. XVI, last verse.

‡ Probably all the three words *hubərətī*, *ustabərətī* and *vanṭabərətī* refer to formulas used in invocation. || That is to say, with the help of the Holy Immortals and of Sraoša there needs be no fear of a conquest by foreigners. The Fah. version quoted by Barth. (Wb. 1878) seems to support this view.

long-continued support may not glory desert this house, etc." Barth. (Wb. 1878) is uncertain of the meaning though he takes this as 5/1 for 2/1 (case-attraction) and trans., "welcome-home* during long ages". He seems to think that the word also implies the last judgment and that the reward of good deeds given at that time are "welcomed" (i.e. gratefully received) by the faithful of this place. The word is most probably (as Kan. takes it) 3/1 opt. pres. par. of $\sqrt{\text{bar}}$ with the prefixes *su* and *ā*. The transfer of the $\sqrt{\text{bar}}$, usually thematic, to the non-thematic root-class is a common enough phenomenon in the Veda as well as in Avesta.† The $\sqrt{\text{bar}}$ with वा in Veda means to extol (a divinity) through sacrifice; cf. $\text{वर्षे भोवाव जनवा समन्वरे . . . अमरा पनीषवे}$ † (RV., I. 57. 3), "To him the terrible, most meet for lofty praise . . . bring gifts with reverence in this rite"||. Probably the sense here meant to be implied is 1/3 but the form 3/1 (ending in -*āt*) has been used owing to the attraction of *daryāṭ*.

7. *yave*—Adv. Ever. Probably orig. it was 7 1 of *yav*, duration. The phrases *yavē vispāi* and *yavōi vispāi* mean "for all time" ¶ (Barth., Wb. 1264-65). Kan. (Dict.) compares the Ger. *jewels* and Fr. *jamaïs*.

$\chi^v\bar{a}bhravāt$ —Kan. trans. "salvation bringing"; brilliant (Mills).

frazahit—3/1 opt. pres. par. $\sqrt{\text{zah}}$ with *frā*, to leave completely, to abandon. Cf. विजयत (RV., I. 191. 7).

īstīś—Happiness (Kan.); abundance (Mills); strength (Barth., Wb. 376). Cf. *ahmāi īstīm pouruś-χ^vābhrām* (to him strength of full-salvation) Yas. LXVIII. 11; Skt. रष्टिः .

āsna—Naturally wise (Kan.); legitimately born (Mills). Barth. (Wb. 341) says "clever" or "intelligent". He says that the word when used with χratu also means, "inborn", the phrase meaning "natural (or inborn) strength (or wisdom)". Cf. Yas. XXV. 6, Yt. X. 107, etc. Barth. also suggests that there may be here a play upon words. The two senses are due to two derivations. The meaning "clever" is through *ā* + $\sqrt{\text{zan}}$ (जा), and in the other sense Barth. derives it as *ā* + $\chi\text{z(dh)-na}$ (वा + वाच + न). The Skt. version translates this as दुशीच . Cf. *ahmāi āsnām-ciṭ frazañtīm*, Yas. LXVIII. 11.

$\chi^v\bar{a}bhrō\text{-disyehe}$ —Teaching salvation (Kan.); lit., "pointing out salvation". Probably this refers to Sraoṣa; cf. *daēnō-disō*, Yas. LVII. 24. "Which teaches concerning glory" (Mills), but he takes it as an adj. to *Aṣōiś-ca Vayhuyā*.** And this is not very possible because of the *ca*. Kan. and Barth. construe: "He who shows the way to salvation and Aṣi Vayuhi". Note gen. used with *haχma*.

* Einheimisch. † Whit. § 625; Jack. (A. G., p. 145, fn. 2) notes the opposite type of transfer, from the non-thematic (root-class) to the thematic (s-class, 1st conj.). ‡ Note that the वच + वाच here corresponds almost exactly to *su + ā + bar*. || Trans. by Griffith. ¶ Yas. XLVI. 11; XLIX. 8. ** "That good blessedness which teaches concerning glory"; S.B.E., XXXI, p. 518.

paiti—With; governing the gen. here. Barth. (Wb. 825) says it governs the acc. (?)*

Aṣōiś-ca Vaphuyā—See above Yas. LVII. 3, where she is associated with Sraoṣa. I regard the words *paiti . . . Vaphuyā* as interpolated.

⁹²⁶ *haxma*—Barth. takes it as 3/1 of a noun. Kan. also (with Mills) takes it to be a noun "companionship" and construes with *mā yave imat nmānəm frazahit*. Better to take it as 1/3 aor. of $\sqrt{\text{hak}}$ used as a sub. "may we be in companionship of". See below verse 12.

8. *vasas-ca*—Adv., orig. 2/1. At will, i.e. unrestricted, unhampered. This adv. form is specially used with $\sqrt{\text{χ}}\text{ṣi}$ (Barth., Wb. 1383). Cf. *vasō-χṣaθrō*, Yas. IX. 17 and below in verse 9; also *vasō* below.

lū—l; l. A variant of *lūm*, लुम.

uṣṭā-ca—3/1 used as adv. With glory (Kan.); with a saving rule (Mills). Barth. takes it to mean much the same as *vasas-ca* and as 7/1 of *uṣṭā*, wish (Wb. 417).

$\chi_{aa}^{\ddot{a}}\ddot{a}$ —2/1 opt. pres. atm. $\sqrt{\chi_{ai}^{\ddot{a}}}$. The sense is almost indicative. Note also atm.

havanām—63 governed by *χṣāēṣa*. Belonging to thee, thine own (॥). The gen. with *√χṣi* is also to be found in RV. (V. 42. 11, X. 120. 8, etc.).

āpō etc.—**Kan.** takes these as referring to and enumerating the *dāmān* of Ahura. **Mills** construes differently and trans. “render ye the holy man also a sovereign at will over the waters, etc.”

voḥu—2/3 n. Kan. regards this as an irregular G.A. form† and trans. “all good things”; “all clean and sacred (creatures)” (Mills). In the Veda too *वहु* (n.) is used in this sense especially with other words like *विश्व* (RV., VIII. 103. 6, etc.); *पुरु* (RV., IV. 31. 8); *दिवानि पार्थिवा* (RV., VI. 59. 9, etc.); *सार्वा* (RV., II. 23. 9) and others (see Grass., Wb. 1234–1236).

Aša-ciθra—Which contain the seed of Righteousness (Mills). Rather it means "the seed of Aša," i.e. produced by (or in accordance with) the Law of Aša. *ciθra* in the sense of progeny, family or race is found in comp. words like *daēvō-ciθra*, † *Hvārā-ciθra* (the name of the second son of Z.)|| The word is found in O. Pers. in the phrase *ariyah-ciθrah* (of the Aryan race), Beh. VI. 2. In Pers. the word becomes **چیر** (*chihr*) as in **مینو چیر** (*Minū-chihr*), Av. *Mainyuθ-ciθra*. The other sense of the word is "clear" (**فرو**)¶. The etymology of both these may or may not be the same. After *ciθra* Kan. puts a semi-colon (;).

xəyayannem—2/1 pres. pt. atm. $\sqrt{x\dot{s}i}$. Ruler, i.e. powerful.

apavaññem—2/1. Sg. used collectively in a plu. sense.

* Probably he takes *diölä-en Vaghtyd* as acc.

† A.G., § 122.

‡ See below Sel. VI.

|| See above Yas. XXVI. 5. (Col. IV.), note on *Leat-vdstrya*.

¶ Sol. VI. below.

dāyata—2/3 imp. par. √*dā* (दा) to create, to make. Note the double acc. The change from the sg. (χṣāzā) to the plu. is remarkable. Probably the Holy Immortals are also included in this word.

9. χṣyāt (v.l. *hyāt*, Geld.)—3 1 opt. pres. par. √*ah* (अह) to be; आह.

drvā—1/1 of *drəgvant*. See Jack., A.G., § 291; Kan., A.G., § 134. The forms *drəgvā* and *drvō* are also found but the last is usually the 8/1.

gatō—Gone (Mills), i.e. from the world of the pious; defeated.

hamistō (v.l. *ōstō*)—Met as a foe (Mills). Kan. seems to take *gatō* as *hamistō* as almost a comp. and trans. "fallen into pain", taking *hamistō* as 7/1 of *ōsti* (f.). The word also means "battle".* Barth. (Wb. 1770) takes it as pft. pt. pass. of *ham* + √*maēθ* (*ham* + *nista*) and trans. "thrown down", "defeated". He compares O. Eng. *smītan*, Eng. *smite*, Ger. *schmeissen* (to fling down). His rendering of the whole passage is: "may the infidel be smitten down, and be taken away from the creation of Spēnta Mainyu".† In Yas. LXI. 2, we have *hamistē nīzberatē višpayā drvatō stōiš* where Mills trans. "for the encounter with", and Kan. "for opposing".

nīzberatō—Carried out from (Mills); cast out of (Kan.). Nair. for this passage in Yas. VIII. 6, says प्राप्नो वस्तुः अपव्रजतु स्वामानुजोचो वदितुः

varatō (v.l. *ōratō*, Barth. Wb. 1368)—Hemmed in (Mills);‡ having failed (in his schemes) (Kan.). Barth. explains the word as "surrounded", i.e. "deprived of free movement". Pers. *bardeh* (bardeh) means "a prisoner". √*var* (व) to surround. Possibly the word may be derivable from √*var* (to turn away from) and may mean "he who turns away from the law", hence a heretic. Cf. note on *drvant*, Yas. IX. 8.

avasō-χṣāθrō—Mills trans., "without power over any wish".

10. Mills says about this verse: "this piece is a reproduction, or close imitation, of some earlier fragment. It sounds like an exhortation delivered while the Faith was still new".

haχṣaya—1/1 imp. caus. atm. √*hak/c* (to guide) used in the sense of sub. with a slightly future connotation. I will incite (Mills); I will lead (Kan.). Barth. (Wb. 1740) regards this as 1/1 opt. atm. and trans. it interrogatively—"Shall I incite?"

azem-oič yō Zaraθuštrō—Even I who am Z. (Mills). Kan. says "I who am Z.", but in a ftn. on p. 25, (Kh.A.b.M.), he says: "I and others" (i.e. Z. and his disciples). Possibly the last two words were added later.

fratēmō—2/3. The leaders, the heads, lit. the first, प्रथमाव.

* Kan., Dict., p. 580.
which would seem bett

† Wb. 1105.

‡ He adds (S. B.E., XXXI, p. 232, ftn.), "Or 'shut out'

anumatayaš-ca—4/1 used as an adv Lit., according in thought, i.e. following in thought.

anvaritayaš-ca—For the dropping of the *u* of *anu* see above *hvaci* (Yas. LVII. 20). Cf. also *hvarita*.

11. *āphām*—Kan. omits this word in his trans. (Kh. A. b. M., p. 25). Mills takes it as an auxiliary verb and trans. "may be". He evidently reads *āphān**, a form which is not known, the nearest being *āphān*, which is 3/3 sub. pres. par. \sqrt{ah} (Jack., A.G., § 531). Barth. (Wb. 271) takes it as 3/3 sub. pft. par. (in the thematic conjugation irregularly). In any case the *-ām* ending is irregular and is probably due to the influence of the *nō* preceding, which has led to the use of this quasi-1/3 ending.

šyātō (v. l. *šātō*, Barth.)—Kan. takes it as p. pt. par. 1/1 (for 1/3).† Barth. (Wb. 1707) takes it as inf. of $\sqrt{šyā}$ (*šā*) to be satisfied, and construes with the auxiliary *āphām* above. The word is also found as *šātō*. Cf. O. Pers. *šiyāti* (happiness), Mod. Pers., شاد (*shād*) happy and شادی (*shādi*) happiness (used specifically to mean marriage).

mandā—1/3.

vaštō (v. l. *vahištō*, Geld. and Kan.)—This is the reading of Barth. He explains this as an adv. in much the same sense as *vasas-ca* above (verse 9). He translates this passage "may our souls be as they wish" (may their wishes be fulfilled, in other words, "may they get salvation").‡ Kan. takes *vahištō* as 1/1 for 1/3.

x^oathravaitiš—1/3. Full of heavenly glory. The idea seems to be that of attaining the ecstasy of spiritual life even while *in the body*, like the idea of some saints (Kabir, for example) of जीवे हि मर जाणा (dying while alive).

tanvō—Geld. remarks (p. 211, ftn.) that all mss. read *tanō*.

həntō (v. l. *hənti*, Geld.)—Mills takes it as 6/1 of the pres. pt. of \sqrt{ah} (चनः, चतः) and trans. in the plu. "of saints". Kan. takes it as 1/3 m. pres. pt. \sqrt{ah} (चनः) and trans. "our bodies being, etc." Barth. (Wb. 274) explains this as 3/3 imp. pres. par. \sqrt{ah} (चन्तु). The ending *-əntō* for *-əntu* is also found in *jasəntō* (Yt. XIX. 06) and *iθəntō* (Yt. XIII. 141)‖. The use of imp. (instead of sub.) in the relative clause (with *yatha*) is noteworthy.

vahištō aṇhuš—1/1. See above Yas. IX. 19.

* *ākds-cōit*—Clearly, openly (Kan. and Mills). Kan. derives this from *ā* + *škās* (कास) + *cōit* (चेत्, चित्).‡ Barth. (Wb. 309) takes *ākds-cōit* as made up of *ākā* and the enc. particle *cōit* (cf. *azəm-ciš* above, verse 10). He takes *ākā* here as 5/1 of *ākā* (disclosure, revealing). The word has the specific sense of the opening out of the record of the departed soul's life-work upon the Cinvaṭ-bridge.**

* S.B.E., XXXI, p. 312, ftn. 2. † Dict., p. 528. ‡ Wb. 1293. § Barth., Wb. 31, note 12; and 379, note 29. ¶ Dict., p. 78. ** Cf. G19. Vohā. LL. 13 (Scl. XXXVI, Part 2).

ahūire—Kan. takes this as 8/1 of *Ahura* and trans. "O Ahura". Mills trans. "devoted to Ahura" (case †). Barth. (Wb. 346-7) takes this as 2/3 of *āhūirya* (n.), lit. "belonging to Ahura" hence "the regions where Ahura dwells", Skt. आहुरीय. For the form ending in -re from a stem in -rya cf. *aire* 1/3 from *airya* (Yt. V. 69).*

jasənīām—3,3 imp. pres. atm. Kan. trans. "let these reach us" (i.e. be fulfilled for us). Mills says "let them (the minds, etc.) go likewise etc.". Barth. (Wb. 494) trans. "arrive at" with acc. of the goal reached. But in his trans. of the whole passage (Wb. 584) he takes this as 3/3 used for 1/3 ("So that we may reach").

The whole passage is, as may have been gathered, very obscure in construction. The individual words are by no means difficult but the construction is difficult to grasp.† In the first place I have ventured to alter the metrical arrangement. Geld. reads and divides the verse thus:—

yaθu-nō āphām ēyātō manā vahištō urwānō
χāθravaitiś tanvō hənī vahištō aphuś ākāscōi
ahūire Mazda jəsənīām.

Kan. trans. :—

So that our minds (may become) full of joy (and our) souls become (i.e. attain) the best; (and our) bodies being full-of-heavenly-glory (may be fit) for the best world (i.e. Heaven): O Ahura Mazda, may (all this which we have desired) reach (us) openly.

The defects of this rendering are: 1. *āphām* is omitted; 2. *hənīō* is taken in the sense of the Eng. nom. absolute which construction seems foreign to the genius of Av.

Mills trans. thus:—

In order that our minds may be delighted and our souls the best, let our bodies be glorified as well, and let them, O Mazda, go likewise openly (unto Heaven) as to the best world of the saints as devoted to Ahura, and accompanied by Aša, etc. (he joins this on to the following verse).

Mills himself admits that the nom. *vahištō aphuś* "is difficult" (S.B.E., XXXI, p. 312, fn. 3), also the rendering of *ahūire* is not clear as regards the case.

Barth. has this:—

In order that our minds may be happy and that our souls may be with every wish fulfilled‡ and in order that our bodies may be full of glory (may) the best life (come to us); so that we may reach, O Mazda, from the disclosure (at the Cinvat-bridge) to the regions of Ahura.

[Auf dass unsre Gedanken froh seien, unsere Seelen sich nach Wunsch befinden, soll uns das Paradies zu teil werden, indem wir, von der Offenlegung weg zu den ahurischen Räumen gelangen. Wb. 1393 (up to the word "befinden") and 585.]

* Jack., A.G., § 63 ff.

† See also Kan., Kh. A. b. M., p. 26, fn., where he makes the same

remark and adds that he is uncertain about his own trans.

‡ He reads *vaštō urwānō*.

The weak points in this rendering are: 1. he construes *nō aphaṭ* (lit., be to us, i.e. come to us) understood with *vahištō aphuš*, which is not very convincing; 2. taking the 3/3 *jasəntām* in the sense of 1/3 *jasāmaide* is also a difficulty, though this latter difficulty is by no means insuperable.*

I propose to join this verse (in sense) with the previous one, remembering the remarks of Mills quoted at the beginning of verse 10.† I now give my suggestions for what they are worth:

(1) I read *yaθa nō* (separately), i.e. I do not regard *nō* here as the enc. pron., but as a particle. This particle *nō* (sometimes *nā*) is orig. the same as the pron. *nō*. It is a sort of mildly emphatic assertion like the *नू* in Veda. This particle never begins a sentence or *pāda*. (Barth., Wb. 1072).

(2) I propose to take *āphām* as 6/3 f. of the dem. pron. (= *आवाङ्*) referring to the *fratəmā* of the previous verse. There is the gender difficulty but probably the influence of the last words of the previous verse which are fem. (adj. to *daēnā*) has worked in this case; (see Reich, § 602).

Hence my trans. runs:

So that, verily, the minds of these (leaders) (may be) full of joy, (and their) souls (be) with-every-wish-fulfilled (and their) bodies full-of-heavenly-glory; (and thus too theirs) may be† the best life (hereafter): may they reach, O Mazda, the regions-of-Ahura even after the disclosure (of their actions in this life).

12. *Aša*—3/1. Mills takes this verse with the preceding.

darəsāma—1/3 sub. aor. par. *√darəs* (दृश्).

pairi . . . jamyāma—May we come near (Kan.); may we come round about Thee (Mills); may we reach Thee (Barth., Wb. 499).

haməm-θwā haṣma—(May we attain) Thy eternal friendship (Kan.) taking *haṣma* as 2/1 n. Mills also takes the same way. Barth. (Wb. 1739) takes it as 1/3 sub. aor. par. *√hak/c*. May we consort completely with Thee, or may we completely unite with Thee, *समं वा *सखन्*. This best suits the spirit of the hymn which thus closes with a fine climax—seeing, reaching, completely uniting with, Ahura.

* See the final remarks on *X⁶ābairyaṭ* above (verse 6).
to be construed with each of the four clauses, hence the plu.

† See above p. 119.

‡ The *hantō* is

The Zoroastrian Creed—Yasna XII.

1. I shall cause the Daēvas² to perish¹.

I profess-myself⁸ (to be) a Mazda-worshipping⁴ follower-of-Zaraθuštra⁵ opposed-to-the Daēvas⁶, acting-according-to-the-Law³-of-Ahura⁷, a praiser⁹ of the Holy¹¹ Immortals¹⁰, (and) a worshipper¹² of the Holy¹⁴ Immortals¹³. Unto Ahura¹⁵ Mazda¹⁶, the Good¹⁷, the Lord-of-(all) Goodness¹⁸, the Holy²², the Resplendent²³ (and) the Glorious²⁴, do I attribute²¹ all¹⁹ good²⁰ (things)—yea²⁶, all^{27*} (things) which²⁵ (are) the be¹⁺²⁸; (unto Him) whose²⁹ (is this) Earth³⁰, whose³¹ (is) Righteousness³², whose³³ (is) Light³⁴, in whose³⁵ Light³⁶ (all other) lights³⁸ are clothed^{37,†}.

2. I choose-for-myself⁴ the excellent³ Holy¹ Piety^{2†}; may she⁵ be⁷ mine⁶. I solemnly-condemn^{8 10} both¹² the robbing¹¹ and¹⁴ the plundering¹³ of cattle⁹, (and) solemnly (-condemn)¹⁵ both¹⁶ the damaging¹⁸ and²¹ laying-waste²⁰ of the villages¹⁷ of Mazda-worshippers¹⁶.

3. I attribute⁹-completely¹ free⁴-movement⁵ (and) absolute⁶-sovereignty⁷ unto the Spiritual-Lords², who³ upon⁹ this¹⁰ earth¹¹ rule¹³ over (all) created-beings¹²; by-means-of¹⁷ fervent¹⁶ salutations^{14*} to Aša¹⁵ I praise¹⁹ these^{18**} (as well).

Never²⁰ from now²¹ onwards²² shall I stand-up²⁶ against²⁸ the village²⁹ of the Mazda-worshipper²⁷ (for) damaging²³ (it) or^{24††} (for) laying-(it)-waste²⁵; (nor shall I entertain) designs³⁴ (against) either^{30††} the limb³¹ or^{32††} the life³² (of the Mazda-worshipper).

4. Away¹ do I⁸ fling⁹ (all) allegiance³ to the wicked⁸ Daēvas², without-purity⁴ (and)-without-the-Law⁵ (of Aša), creators⁷-of-evil⁶, most-untruthful¹¹ among†† beings¹⁰, most-loathsome¹³ among†† beings¹², most-devoid-of-virtue¹⁵ among†† beings¹⁴; away¹⁶ (do I fling all allegiance) to the Daēvas¹⁷ (and) to the Daēva-worshippers¹⁹; to the wizards²¹ (and) to the companions-of-the-wizards^{23 1}; away²⁴ (do I fling all allegiance) to (these beings) inimical²⁷ to every²⁵ living-creature^{24*} ¶; to (their) thoughts²⁹, to (their) words³¹, to (their) deeds³³, (and) to (all their) manifestations^{35***}—away³⁶ indeed³⁷ do-I-fling⁴⁰ (all) allegiance³⁹ to any³⁸ whatsoever⁴¹ (of) the infidel⁴² tormentors⁴³.

5. Thus¹, even³ thus², did Ahura⁴ Mazda⁵ instruct⁷ Zaraθuštra⁶, during all⁸ the questionings⁹, during all¹⁰ the meetings-together¹¹, when^{12†††} (They two) conversed-together¹³, both¹⁵ Mazda¹⁴ and¹⁷ Zaraθuštra¹⁶.

+ aēšā²⁸ asti²⁹ daenayā³⁰ (mazdayasnōi³¹) āstūtiš³².

* Geld. reads *yā-aranā*; and so also below *tā-aranā-cā*. † I regard this *pāda* as a later addition. ‡ Geld. has the names separately. || This line is not in the text of the Yasna itself, but the last two verses with this line added make up the shorter "creed" which is known popularly as *Jasa-m-amyā-Mazda*. ¶ Geld. omits this word.

6. Thus¹, even⁸ thus², did Zaratuštra⁴ fling-away⁷ (all) allegiance⁶ to the Daēvas⁵, during all⁹ the questionings⁹, during all¹⁰ the meetings-together¹¹, when^{12*} (They two) conversed-together¹³, both^{16†} Mazda¹⁴ and¹⁷ Zaratuštra¹⁶.

In-the-same-way¹³, even²⁰ I¹⁹, who²¹ (am) a Mazda-worshipping²² follower-of-Zaratuštra²³, do fling-away²⁶ (all) allegiance²⁵ to the Daēvas²⁴, just as²⁷ He^{30,‡} the Holy³¹ Zaratuštra³², flung-away²⁹ (all allegiance) to them²⁵.

7. Of-what-faith¹ (are) the waters², of-what-faith³ the trees⁴, of what-faith⁵ the bounteous⁷ Mother-Earth⁶; of-what-faith⁸ Ahura⁹ Mazda¹⁰, [who¹¹ created¹³ the earth¹² (and) who¹⁴ the holy¹⁶ man¹⁵ (did also create)], of-what-faith¹⁷ was¹⁸ Zaratuštra¹⁹, of-what-faith²⁰ (was) Kava²¹ Vištāspa², of-what-faith²³ (were the two) Fərəšaoštra²⁴ (and) Jāmāspa²⁵, of-what-faith²⁶ (has been) any^{27||} of the truth-working²⁹ holy³⁰ Saosyantas²⁸; of-that-faith³¹ and³² of-(that)-Law³³ as-well³⁴. a Mazda-worshipper³⁵. am I³⁶.

8. Come¹ unto my² help³, O Mazda⁴: I am⁶ a Mazda-worshipper⁵. I profess-myself⁹ (to be) a Mazda-worshipping⁷ follower-of-Zaratuštra⁸, both^{11†} a devoted (-follower)¹⁰ and¹³ an ardent-believer¹² (in this faith): I solemnly-dedicate-myself¹⁴ to the true-conceived¹⁵ thought¹⁶, I solemnly-dedicate-myself¹⁷ to the true-spoken¹⁸ word¹⁹, I solemnly-dedicate-myself²⁰ to the true-performed²¹ act²².

9. I solemnly-dedicate-myself¹ to the excellent³ religion² (of) Mazda-worship⁴, (which is) quarrel-removing⁵, weapon-lowering⁶, self-devoting⁷ (and) holy⁸, which⁹ of both¹¹ those-that-are¹⁰ and¹³ of those-that-shall-be¹² (hereafter) (is) the *greatest¹⁴, and¹⁵ the best¹⁶, and¹⁷ the loftiest¹⁸, as well¹⁹, which²⁰ (is the religion) of-Ahura²¹ revealed-by-Zaratuštra²².

Unto Ahura²³ Mazda²⁴ do I attribute²⁷ all²⁵ good²⁶ (things).

Such^{28*} is²⁹ the vow³² of the religion³⁰ (of) Mazda-worship³¹.

* Lit., "during which".
Lit., "this".

† Lit., "and".

‡ Lit., "who".

Lit., "whoever".

NOTES.

1. Kanga: Khordeh Avestā bā Māeni (5th ed.), pp. 413-418. The last two verses (8-9) are also found at pp. 9 and 10.

2. Reichelt: Avesta Reader (verses 1-7 only); text at pp. 75-76, notes pp. 176-177.

3. Mills: S.B.E., XXXI, pp. 247-250.

Linguistically this passage is among the oldest in the Younger Avesta or the youngest of the Gāthic dialect. The names mentioned in verse 7 also give an indication of the age, but as Mills rightly remarks* the names are "not mentioned with any fanciful or superstitious exaggeration". Thus the period may have been within a couple of generations after the Prophet, before exaggerations had time to gather round his name.

The essential portions of this prayer are the last two verses which are repeated by every Zoroastrian each time he ties on his sacred girdle. They give the essential features of the religion—the establishment of peace and the stopping of bloodshed and fighting. But this is not a mere negative type of faith, but a positive one of actively suppressing evil. We shall see more evidences of it in later selections—*Yaṣṣā-ahu Vairyo*,† and in the *Gāthās*.

If Mills' idea be correct the opening verses, especially the 2nd and 3rd, would prove that the establishment of the Zoroastrian Faith marked definitely the adoption of agriculture and of settled conditions of life by the Iranian nations. Some support is lent to this view by the legend of the colony founded by Yima (Ven. II) and also by the very high praise of agriculture in other passages.‡ The view of Mills is well developed by Dr. J. J. Modi in a very interesting essay: *अवस्ता जनावाचो स्वरारवाहुं* (The Confession of Faith of the Avestan Age).|| But though interesting as a speculation the view of Mills is not generally accepted.

We may however take it that the *daēvas* and the *daēva*-worshippers represent tribes who were in a comparatively lower stage of civilisation as compared to the Iranian culture of this epoch, and in verse 4 there are abused in strong terms which means that the Zoroastrian was expected to be actively opposed to them. And this active opposition to the *daēvas* has continued to be the most marked feature of the Zoroastrians all through their history.

Verse 7 is very remarkable. The religion is said to be the religion of the waters, of the trees, of the bounteous Earth, and of Ahura Himself. The main feature of the *Māzdayasna* faith, as revealed by Z., is the Law of

* S.B.E., XXXI, p. 247, fn. 4. † Sel. VII a. ‡ Sel. X; also Ven. III (Sel. XXIX, Part 2).

|| Published with other essays on the Domestic Life and the Geography of the Avesta in the year 1907. The full title of the book is *अवस्ता जनावाचो स्वरारवाहुं जीवो. सुमोक्ष अने स्वरारवाहुं* (Bombay).

Aša, which is another name for the Law of God. To put it in modern language the basis of this religion (in fact of all religion) is the eternal Law of Progress so finely described by Tennyson as

“That God which always lives and loves,

“One God, one law, one element,

“And one far-off divine event

“To which the whole creation moves.”

No doubt the Sage who composed the seventh verse of this Yasna had an idea similar to that of Tennyson's in his mind.

1. *nāismī*—Note the final long *i*, a characteristic of the older dialect. Kan. explains this form as the caus. of \sqrt{nas} (नश्) This, as he explains (A.G., § 523), is made without the *-aya* and the root is conjugated in the thematic conjugation with a \sqrt{h} strengthening. He trans. this, therefore, as “I cause the *dāēvas* to perish”. Mills says, “I drive hence”; but he adds (S.B.E., XXXI, p. 247, fn. 5) that possibly it is from \sqrt{nad} , to curse. Reich. suggests a $\sqrt{naēd}$, also Barth. (Wb. 1034). Cf. Yt. XIII. 89, *Zarathuštrō . . . yō paoiryō . . . nāist dāēvō*. Nair. says निश्चयसि. Jack. (A.G., § 655) takes it as *s*-aor. (sub. ?) of $\sqrt{nās}$ (a caus. form of $\sqrt{naš}$, नश्, to perish) which is used in the caus. sense without the *-aya*.

dāēvaō—2/3. This is a unique example of the transfer of an *-a*-stem to the consonantal declension.

fravarāne—1/1 pres. atm. \sqrt{var} (वृ) + *frā*. Note atm. Cf. *fraorēnta* above Yas. LVII. 24.

mazdayasnō zaraθuštris—A Mazda-worshipping follower of Z. The *paoiryō-θkaēša* (Yas. XXVI. 4) were also Mazda-worshippers. Note also that the adj. *zaraθuštriš* when applied to persons means “a follower of Z.”, when applied to the *daēnā* (religion) it means “revealed by Z.”

vidaēvō—The name *Vendidad* is a corruption of *vidaēvadāt*, i.e. the law given in order to oppose the *dāēvas*.

The formula *fravarānē . . . ahura-θkaēšō* occurs very frequently throughout the Av. ritual.

vaphavē—4/1 of *vohū*. Good, वसवे. Cf. Skt. वाचव.

vohumaitē—Possessed of goodness (Kan.); endowed with good possessions (Mills); बहुमते.

višpā vohū—2/3 n. All good (things that are created).

cinahmī—From $\sqrt{k/caēs}$, to attribute something (acc.) to some one (dat.)* Cf. Yas. XLIV. 6.†

raēvaiiē (v.l. *°vañtē*)—Possessing riches (Kan.); resplendent (Mills). Barth. (Wb. 1484) says that when applied to human beings it means “rich”‡; but when applied to divine beings, especially to Ahura, it

* Barth., Wb. 429-30. † Sel. XVI below. ‡ Cf. *mašydanm raēvaiiē*, Ven. XX. 1.

means “resplendent”.* The word is also used as a proper name too of a mountain about which it is said (Bun. XII. 18): “*Raevand-kuh* (is) in Khorāsān on which the *Ādar-Burzin* (the *Burzin-Fire*) is established. It is called *Raevand* because it is full of splendour”. Cf. *रेवन्तो*.

yā-zī cīcā vahīšā (v.l. *cīcā†*)—Mills trans. “Whose are all things whatsoever which are good” (omitting the *zī*). Kan. says: “For whatsoever things are best (are His)”. *zī* (𐬫𐬀) is encl. and orig. means “because” and generally introduces a reason-clause. But sometimes it introduces a well-known-fact which is incontrovertible and self-evident.‡ Hence it is best to translate it here by the emphatic “yea”. *cīcā* is a reduplicated form of the inter. pron. with palatalisation. (Barth., Wb. 420). Nair. trans. *यस्य सन्तो वा काचित् उत्कृष्टतमता (किञ्च यं काचित् उत्कृष्टतमता सन्तो ददो)*. The *ददो* introduces an idea foreign to this context but Nair. has evidently imported it from Yas. XLVII. 5 where this phrase *yā-zī*, etc., is repeated.

gāuṣ—Cattle. Kan. suggests (Kh. A. b. M., p. 414, ftn.) that the Earth is meant; cf. *yā gām dadā* verse 7 below.

raocā—when used in the plu. it means “light”.

yeghē . . . χ^vāθrā—This is a quotation from Gāθ. Ahu. XXXI. 7.¶
rōiθwən—Barth. (Wb. 1528) takes this as an inf. (used with ins. *raocēbiš*) from the *√raēθwa*, to mix with.** Reich. takes it the same way and adds that it is originally a loc. form (§ 373), but he gives the meaning of *√raēθwa* as “to be filled with” (A.R., Gloss.), Kan. (Dict., p. 434) takes this as 3/3 impf. par. of the den. verb from the noun *raēθwa* (n.), impurity; he says the verb originally means to become impure or contaminated, then it came to mean “to mix with”. Cf. *nōiθ para ahmāt . . . yaθ aēša (daχmō) pāšnu raēθwāt* (Ven. VII. 50) “not before this (body) is mingled with the dust”. In the phrase *Tiθtryō . . . kəhrpəm raēθwayēiti* (Yt, VIII. 13) the verb means “takes on the shape of”.

χ^vāθrā—Kan. takes it as 1/3 and trans. “light” or “glory”. Barth. (Wb. 1876) says that the orig. meaning is “well-being”, “happiness”, etc., hence he takes it in the sense of a place where one finds happiness, i.e. paradise, blessed spaces.

The phrase *yeghē . . . χ^vāθrā* has been rendered variously. Kan. says, “whose splendour has blended with the (infinite) lights (in the sky)”. In G. b. M. (p. 38, ftn.) he explains that Ahura’s essence is in every star that shines in the sky. Mills says: “In whose glory the glorious beings and lights are clothed”. But in Gāθ. Ahu. (XXXI. 7.) he renders the phrase: “they (all) as (His) glorious (conceptions first) clothed themselves in the stars (*raocēbiš*)” (S.B.E., XXXI, p. 44). Reich. (A.R., p. 177) following

* Ved. *रेवन्तो* is used exactly similarly; Grass., Wb. 1182. † Metre requires *cīcā*. ‡ Reich., p. 504. ¶ Barth., Wb. 1490. § Sel. XXXIV., Part 2. ** See also Barth., Wb. 1482.

Barth. trans. "with whose lights the rooms (i.e. heavenly spaces) would be filled". Nair. says: **यस्य रोषिःसंविष्टानि शुभानि** (good things).

2. *varənē*—1/1 pres. atm. I choose; **हवे**. The word is used similarly in the Veda also, cf. **इन्द्रमग्निं कविष्वदा यज्ञस्य जुता हवे** RV., III. 12. 3. Nair. says **विदन्मयामि**, which at any rate expresses the sense.

hā-mōi astū—Nair. says **मे वपुषि वभ्यागता वसु**. Cf. *Gāθ. Ahu.*, XXXII.

2. *Spenātm vō Armaidīn vāvukim varəmaidi* : *hā-nō aghat*.

us-stuyē (अप.)— \sqrt{stu} + *us* according to Kan. means to protect something (acc.) by prayer from an evil (abl.). Mills trans. "I loudly deprecate". Barth. (Wb. 1594) says that the verb means "to solemnly abjure (abl.)". The verb would literally mean "to praise away from"; *us* being in the privative sense, or the sense of opposition * *us* is frequently used in this sense, e.g. *uz-uštān* (Ven. V. 45), lit. "without heat", i.e. dead; *uz-baoða* (Ven. V. 12), without intelligence; *uz-varəz* (Ven. XIII. 3), lit. "to undo", i.e. to expiate a fault; *uz-vad* (Yt. XVII. 59), lit. "not to marry", i.e. to carry away a maiden by force,† etc. See also Kan., Yt. b. M., p. 332, ftn. Other prep. also have this sense of opposition, or privation, e.g. *apayaz*, *vī-vap* (below), *vī-mrū* (below verse 4).

tāyāat-cā (अप.)—5/1 m. Robber (Kan.); robbery (Mills); so also Barth. (Wb. 647). The word *tāyu* was orig. **stāyu* hence probably *tāya* is the same as Skt. **लोभ**.‡

hazāghat-cā—5/1 of *hazah n*. Kan. says "plunderer"; Mills and others "plundering". The word is the same as Skt. **वहस**, strength, hence it came to be "taking away by force". In this sense it is used only here and in the *Frahang-i-oim* (25. b).|| The word is used in a good sense as well, e.g. *Vanhēuš ha:ō . . . Managhō* (Yas. XLIII. 4). Nair. says, **उवेजोपयन् लोमि खेनेभ्यः वदिभ्यश्च . . . वडो वसाम्कारौ** ||

zyānayaē-cā—4/1 for 5/1. Injury or wasting. From $\sqrt{zyā}$ (a variant of $\sqrt{z/ji}$), to injure, orig. to conquer. Pers. **زیان** (*ziyān*) injury. Nair. trans. **वनिभ्यः वजोति** (invulnerability) seems to be cognate.§

vivāpat-cā (v. l. *vīyā**, proposed by Mills)**—Mills is evidently thinking of *vī* + *āp* (water) and trans. "drought"; so also. Kan.; Barth. takes it from *vī* + \sqrt{vap} (to sow) and trans. "laying waste" (Wb. 1452); Nair. has **उदासेभ्यः**.

Mills trans. *zyānayaē-cā vivāpat-cā* as "all drought to (leading to) the wasting".

3. *forā . . . rāghē*— $\sqrt{rā}$ + *frā*, to grant, to attribute. Kan. takes this as dat. inf. "for the sake of granting". He also suggests (Dict., p. 445)

* Hence the abl. "object".

† The opposite is *upe-vad*.

‡ See also Barth., Wb. 638.

|| Barth., Wb. 1799.

§ RV., IX. 96. 6. nd 97. 30.

** S.B.E., XXXI, p. 248, ftn. He also proposes to read *vīyāp* in verse 3 as well.

that this may be 1/1 atm. fut. Mills trans. "I wish to lead away". Reich. takes it as 1/1 s-aor. atm. Barth. (Wb. 1518) takes it as 1/1 sub. s-aor. atm. governing dat. of person and acc. of thing (or quality attributed).

manyaēibyō (v.l. *mainyā*, Reich)—4/3. Reich. says (A.R., Gloss.) that as adj. it means "authoritative", as substantive "landlord" (i.e. householder). Kan. takes this as 5/3 and trans. "from (or through) the spiritual Lords" (i.e. the Holy Immortals and others). Mills also takes it as 5/3 but trans. "from their thoughts". Barth. (Wb. 1896) trans. as Reich. does, "persons in authority" or "heads of households", and quotes several parallel passages in support,* all of which are rendered differently both by Kan. and Dar. (S.B.E., XXIII).

vasō-yāitīm (f.)—Freedom of movement (Kan. and others); 'wandering at will' (Mills).

vasō-šaitīm (f.)—Freedom of dwelling; freedom of rule; Mills, thinking of nomadic tribes (see Introductory note to this sel.), trans. "free (nomadic) pitching of the tent".

yāiš—3/3 for 1,3 *yōi*, Reich. and Kan. Case attraction probably due to *gaobīš* following. Mills takes it in connection with *gaobīš*.

āya-zamā—Cf. Yas. IX. 12.

gaobīš—Kan. takes it as "property". Cf. Lat. *pecunia*.

šyenti—Live, or dwell (Kan.), also Mills. Reich. and Barth. (Wb. 1706) take it as "protect".

Geld. puts a stop after *šyenti*. Reich. and Kan. put a full-stop, taking the next clause with the rest of the verse. I propose to put a semi-colon here.

nəmaghā—3/1. नमसा, with salutations (to Aša). Used with dat. (Reich. § 467).

uzdātā (v.l. °*dātā*, Geld. and Barth.)—Kan. takes this reading and explains it as adj. 3/1 to *nəmaghā* and trans. "fervent"; from *uš* (warmth, cf. 𐬵𐬀𐬎) and /*dā* (𐬔𐬌). Barth. reading °*dātā* takes it as adj. 2/3, qualifying *zaōθrī* (offerings) understood. He trans. "uplifted" from /*dā* + *us* (𐬔𐬌). It is the usual term for the bringing of offerings to the proper place, especially used of *haoma* and *zaōθra* libations (Barth., Wb. 719).†

paiti—Kan. takes this as an *upasarga* with *stuyē*. Barth. (Wb. 825) takes this as a particle connecting the foregoing clause or conditions with what follows, and trans. "with (or together with) the uplifted (offerings)".

avaŋ—2/1. This. Used for 2/3 (*ave*) referring to *manyaēibyō* above (cf. *yaŋ* in Yas. IX. 4). Barth. takes it as a conj. introducing direct narration (Wb. 166).

* Yt. X. 137 (twice) and 138, and Yt. XVII. 10. † Cf. Afrin. IV. 5., Ven. IX. 56., Vis. IX. 1, etc.

stuyē—1/1 pres. atm. Barth. (Wb. 1594) explains this as "I promise solemnly". This is the only passage in which \sqrt{stu} is used in this sense. Note *stuyē* for *stuvē* (𐬥𐬀𐬌) to avoid the combination *uv* in writing. Cf. also *mruyē*, Skt. मृवे.

Geld. puts a stop here after *stuyē*. Kan. has a comma, Reich. has a col n. I propose to put a fullstop here, taking what follows as an independent sentence.

ahmāt—5/1 used adv. From henceforth, Kan. Cf. Yas. IX. 15. Could it mean "from this (person)", i.e. myself?

ā is to be taken with *ahmāt*. From now onwards, from this (time) forth. Kan. reads *āzyānim* which he trans. as "damage".

• *vivāpam*—See above verse 2.

χētā—1/1 aor. sub. par. χ *stā* (𐬥𐬀𐬌).* Note the χ affixed (cf. *fraxētāne* above, Yas. IX. 20)†. Kan. takes it as pres. but the regular pres. form is *hištāmi* (cf. 𐬥𐬀𐬌𐬀𐬌). This form is to be distinguished from *stā* which is 2/3 pres. par. of \sqrt{ah} —𐬥𐬀 (Jack., A.G., § 531). Reich. trans. "I shall practise against"; Barth. trans. "I shall not make myself guilty of" (Wb. 1691 and 1700-01).

aoi—𐬀𐬌𐬀, towards; with gen. *visō*.

astō—6/1 governed by *aoi*. Lit. the bone, hence the limb. Cf. "life and limb".

cinmāni—Kan. and Mills take this as 7/1 of *°man* and trans. "in the love of" (i.e. out of love of), from χ *ci*, to love. Barth. (Wb. 595) takes it as 2/3 n. from \sqrt{kan} (*cin*) and trans. "designs".

The verse is difficult in construction and has been variously rendered. Kan. says:

"I shall with fervent hymns praise (Ahura) in order, through the Spiritual Lords, to grant unto those who live upon this earth possessing property (lit. cattle), the power of moving about at will, and that of ruling at will; with fervent prayers I shall praise (Ahura) for the sake of Righteousness (i.e. in order that the people may live righteously). (And therefore) I shall not stand for (i.e. be responsible for causing) damage and drought to the village of the Mazda-worshipper (i.e. I would not engage in acts such as would bring these about),—neither (shall I act thus even) for the love of (my) body or (for the love) of my life (itself)".

He omits *avač* altogether and, in my opinion, needlessly complicates the sentence, e.g. the way he takes *ašāi*.

Mills trans. (S.B.E., XXXI, p. 248):

"Away from (?) their thoughts do I wish to lead (the thought of) wandering at will, (away the thought of) free nomadic pitching of the tent,

* Jack., A.G., § 642. † Reich., § 174. 1.

for I wish to remove (?) all wandering from (their) kine, which abide in steadfastness upon this land; and bowing down in worship to Righteousness I dedicate my offerings with praise so far as that. Never may I stand as a source of wasting, never as a source of withering to the Mazdayasnian villages, not for the love of the body or of life”.

Mills has here in mind the idea that the advent of Zoroaster meant a change in the life of the Iranians from the nomadic to the agricultural stage (see Introductory note). Doubtless the age-long rivalry between Turān and Irān, and later on between Arab and Persian, is due to this fundamental difference between the nomadic and the settled agricultural stages of civilization. But, even apart from the severe straining of the construction in order to reach this sense, Mills is himself not quite sure of his ground. He himself suggests (p. 248, ftn.) an alternative trans. for *ferā* *šyenti*:

“Forth to their thoughts I offer in my prayer free ranging at their choice, and a lodging where they will, together with their cattle which dwell upon this land”.

Barth. trans. thus (also Reich.):

“To these heads of households do I grant wandering at will, and lodging at will, (to those) who protect the kine upon this earth, with reverence unto Aša (and) with (offerings) lifted up I promise solemnly this:—‘Never from now shall I be guilty of damaging or laying waste the Mazdayasnian village, nor (shall I ever entertain) any design upon the body or the life (of a Mazda-worshipper)’”.

I venture to trans. thus:

I attribute completely free movement and undisputed sovereignty unto the Spiritual Lords (the Holy Immortals and the Yazatas) who upon this earth rule over (all) created beings: through fervent salutation to Aša do I praise them as well. Never from this (time) forth shall I stand up against the lands of the Mazda-worshipper for the purpose of damaging (it) or for laying (it) waste, nor (shall I entertain) designs (against) either the limb or the life (of a Mazda-worshipper).

4. *vi* *mruyē*—Lit. I speak against, hence I abjure or renounce completely or utterly. The trans. of Kan., “I do not accept”, is distinctly weak. “Away do I abjure” Mills. Barth. (Wb. 1196) notes that it is used with the acc. (here *sarəm*).

daēvūš—3/3. The ins. in this connection is doubtless due to the separative *vi*.

aydiš—Cf. Yas. IX. 8.

*avayhiš** (*āp.* v.l. **hūš*, Geld. and Kan.)—3/3. The form in *-iš* is special to Av. only (Reich. § 350). “Without goodness or purity”. If we accept the other reading it would be 2/3 used for 3/3.

* This is the reading given by Barth.

anarētāiš (𐬨𐬀𐬭𐬀)—𐬨𐬀𐬭𐬀; opposed to Aša (the Holy Law), (Barth., Wb. 120). The variant *arēta* for *aša* is used here. The same *arēta* is used in such names as *Artaxšaθra* (*Artakshir*, *Artaxerxes*). Kan. trans. "not going in the straight path"; Mills says, "utterly bereft of good".

akō-dābiš (𐬨𐬀𐬭𐬀)—Evil-knowing (Kan.): from *aka* (evil) + *√dā* (Pers. دانستن *dānīstan*, to know). Mills trans. "deceitful in their wickedness", from *aka* + *√dab* (𐬨𐬀𐬭𐬀) to deceive. Barth. (Wb. 47) takes it as "creators of evil" (*√dā*, 𐬨𐬀𐬭𐬀, to create) as opposed to *vagnudāh* in Yas. I. 19; XVI. 9 and other places).

sarēm—Authority (Kan.); shelter and headship (Mills); Barth. (Wb. 1564) takes it as f. and trans. "companionship" from *√sar* (to consort with), and compares Grk. *κεραίω* to mix with (Skt. 𐬨𐬀𐬭𐬀 is also cognate). Nair. says 𐬨𐬀𐬭𐬀. Kanga's trans. seems correct because the word *asārō* (without a ruler) occurs in Von. I, 19* (cf. Pers. سردار *sardar*, leader).

hatām refers to all created beings.

draojištāiš—Most lying (Kan.); Mills trans. "most like the demon (*druj*)". Cf. Pers. دروغ *(durūgh)*, a lie, untruth.

paoīštāiš—3/3 sup. of **pauš* (*√pu*—𐬨𐬀𐬭𐬀). Most filthy (Kan.); most loathsome (Mills). Nair. says 𐬨𐬀𐬭𐬀.

daēvavaθiš (𐬨𐬀𐬭𐬀)—Those belonging to *daēvas*, i.e. the *daēvayasma* people.

yātuš—3/3 though the form is indistinguishable from 2/3. This is due to the peculiarity of the Av. script, *-biš*, *-viš*, *-uš*.†

kahyā-cit—𐬨𐬀𐬭𐬀 in the sense of "whatsoever". Note sg.

ātarāiš—Enemies. Cf. Yas. LX. 4. Kan. trans. "any wicked man"; Mills says: "every existing being of that sort"; Reich. (A.R., Gloss.) says: "pernicious (i.e. inimical) to", with gen.

ciθrāiš—Kan. says 3/3 used adv. and trans. "openly". Mills says: "and their seed". Barth. (Wb. 586) says: "in all their manifestations".

Geld. has a stop after *ciθrāiš*, Kan. puts a full-stop, Reich. has a semi-colon.

zī is emphatic (cf. verse 1).

anā—3/1 of dem. pron. Kan. (Kh. A. b. M., p. 416, ftn.) says it is used adv. and trans. "in the same way". Reich. and Barth. (Wb. 1247) take *anā* . . . *yathanā* to mean "each and every", "all . . . whatsoever".‡

yathanā (v.l. *yatha nā*)—Kan. takes "in the manner which". Kan. trans. the last line of this verse: "I abjure (their) authority in the same way as I do (that of) the *druj*", which seems rather tautological.

* Barth., Wb. 210.
Wb. 113, and Reich. § 397.

† Barth., Wb. 1284; also Reich., § 364, note 6.

‡ See also Barth.,

rāxāyāntā (v.l. °ām)—3/1 fut. pt. √*ranj*. Tormenting (Kan.). Cf. رنجیدن (*ranjidan*) to give pain; probably Skt. रञ्ज is cognate. Barth. (Wb. 1528-29) is not sure of the exact sense but says it is somewhat like *phīyānt*. Nair. says रेहक. Mills trans. "the iniquitous of every kind (*yabānā*) who act as *Rākshasas* act".

5. *aθā aθā*—Kan. takes this as if it were *yaθā yaθā* and hence he takes verse 5 and 6 together; Barth. trans. "thus and so"; Mills also trans. the same way.

cōiṭ—Kan. says, "earnestly", "by way of injunction" (ताकीदयी); Mills trans. "in very deed". Cf. *ākās-cōiṭ* above Yas. LX. 11.

adaχšayaēitā—3/1 aor. atm. √*daχš* to instruct (दिम्). The initial *a* may be the augment or may be the upasarga *ā* (आ). Cf. आदेश उपदेश etc. Kan. reads *aḍā χšayaēitā** and trans. "ordered (√*χš*) at that time" (*aḍā*, आद्य). But in a ftn. Kh. A. b. M., p. 417, he gives the reading of Geld. and gives the correct trans. Mills too notes the two readings (S.B.E., XXXI, p. 249, ftn. 1).

frašnaēšū (v.l. *fraš°*)—Questionings, प्रश्नेषु. This refers to the "conversations" between Ahura and Z. through which the religion was revealed. Cf. Yas. LVII. 24, above.

hanjamanaēšū—Meetings, संगमनेषु lit. coming together. Pers. انجمن (*anjuman*), assembly. This is an *ahura*-word, the corresponding *daēva*-word is *haṇdvarena* (Yt. XI. 4.)†

yāiš—3/3. The ins. implies "during which".

apərəsaēitam—3/2 impf. atm. *अपश्यन्ताम्. Note the augment and also atm. The sense here is "conversed", i.e. "questioned (and answered)".

6. *vyāmrviṭā*—3/1 impft. atm. Note the retention of the augment.

*aθā*¹⁸—Thus, in the same way.

anāiš—See above *anā*, verse 4. This is of course 3/3.

yā—See above Yas. LX. 1.

7. *yāvarand†* (v.l. *yā-varanā*, Geld., in both the places)—1/3 f. Kan. trans. "of what faith". "To that religious sanctity to which the waters appertain" (Mills). √*var* (वृ), to choose; cf. *varənē* above verse 2.

gāuš huda (v.l. °dā)—Well-created cattle (Kan.); kine of blessed gift (Mills). Cf. Yas. XXVI. 4 above. Barth. (Wb. 1825) considers that the meaning is the same in both the passages.

gām—Kan. trans. "earth".

as—3/1 impf. par. (Gāθ) √*ah*. The form *ās* is also found (Jack., A.G.,

* Geld. notes this v.l.

† Barth., Wb. 1726.

‡ Kan.

§ 532). The form is from **āst*, the final *t* being lost on account of the *s* (Jack., A. G., § 192, note).

yavarānā—1/2.

Ferašaoštrā-Jāmāspā—This is a 𐬯𐬀𐬎𐬭𐬀𐬎𐬵𐬀 (Whit. § 1255), both words being du. Geld. takes them separately. They were two brothers, who are almost always mentioned together. They were both high in the favour of king Vištāspa and were among the most devoted disciples of Z. They were of the family of Hvōgva* (*Hvōva*, Pah. *Habub*), who was probably their father.† From the same family comes Hvōvi, the wife of Z. Ferašaoštra (also spelt Fraša") was probably the elder as his name always occurs first. They are said in later books to be sons-in-law of the Prophet and in one place (Yt. XXIV. 11) Z. addresses him as *puθra* (Modi, p. 136). But in another place where Ferašaoštra is mentioned (Yas. LI. 17)‡ he is taken by some scholars to have been the father of Hvōvi and hence the Prophet's fathers-in-law|| (Barth., Wb. 1007). His two sons, Hušyaošna and Xvādaēna, are mentioned in Yt. XIII. 104. The name Ferašaoštra is of uncertain origin, probably it means "he whose light is renewed". Jāmāspa¶ (Grk. *Zamaspēs*) the younger brother is the more famous person because he was the Prime Minister of Vištāspa. In the Gāθ. he is mentioned as *Dē-Jāmāspa*, i.e. the Wise Jāmāspa (Yas. XLVI. 17). In later works he has the epithet 𐬵𐬀𐬎𐬎𐬀 (*Hakim*)—the Wise—added to his name. In Yt. V. 68 he is mentioned as a warrior fighting with the enemies of Vištāspa and the new religion. The traditional legend says that on being initiated into the new faith, Jāmāspa was given a consecrated flower by Z., on smelling which he became full of wisdom. His name is attached to a book on astrological predictions called *Jāmāspī* (West, Pah. Lit., in the *Grundriss*, § 66). The origin of the name is doubtful. The *-aspa* indicates probably a prince. The word *jāmā* occurs only once in Yt. II. 7, which Dar. trans. "scornful"; Kan. in his Dict. says, "brotherliness", but in Kh. A. b. M., p. 208, trans. "generation". Barth. (Wb. 607) merely quotes the passage without any comment or trans. Jāmāspa had a son Haṇhaurvāh (Yt. XIII. 104). Another Jāmāspa is also mentioned in Yt. XIII. 127, but he is distinguished as *aparazāta* or "the Younger".**

haiθyāvarazām—Working truly. Mills says "doing deeds of real significance".

tavarmā-cā-ikaēšā-cā—The *tā-* is to be compounded with both.

mazdayasnō ahmi—Kan. takes these words with the next verse. This is no doubt due to the fact that the last two verses (8-9) are repeated each time the girdle is tied on and they are prefaced with the words *jasā-mē*

* The meaning is probably "possessing five cows" (𐬵𐬀𐬎𐬎𐬀). See Barth., Wb. 1867. † In Yt. XIII. 103 they are mentioned as sons of Hvōva. ‡ Sel. XXXVI, Part 2. || This seeming discrepancy has been well explained in Billimoria's book on Z. also quoted with reference to *Isagidra* (Yas. XXVI. 5 above). ¶ Barth., Wb. 607; Modi, pp. 61f. ** For further details see Jack., Z.

Moulton: Early Zoroastrianism, pp. 373-74, p. 369 and p. 382 (divided as with Mills).

Bartholomae: Die Gatha's des Avesta, p. 77, p. 63 and p. 96 (as with Mills).

Besides these I have made use of an unpublished translation of the Gāthas by Mr. Khodabakhsh Edalji Punegar, M.A.; I have to record here my grateful thanks to the learned author for allowing me the use of his typewritten ms. and for permission to quote from it.

There is also a very suggestive article on this hymn in the Gujarātī monthly *Oherāg* for July and Aug. 1915 (Vol. XVI, pp. 368ff., and pp. 428ff.). Certain allowances have however to be there made on account of the writer's peculiar view-point.

This hymn—*Kəm-nā Mazdā*—so called because of its opening words occurs almost complete (all except the single line of verse 3) in the eighth chapter of the Vendidad. And, it is except perhaps the three famous hymns, *Ahuna-Vairya*, *Aḥm Vohu* and *Yejhe hātūm*,* the most often repeated of the Avestan hymns. It is repeated by every Zoroastrian while untying the girdle, and it is an integral part of the *Sraoša Bāz* which forms the prelude to all ceremonies. It is given in Ven. VIII, where funeral ceremonies are described. It is enjoined there (14-19) that if a dead body has been carried over a highway, no person may pass along the same road before it is purified again. And this could be done among other things by repeating the *Ahuna Vairya* and the *Kəm-nā-Mazdā*. As a matter of fact, this last alternative is always followed now. Some distance behind the bier and heading the procession of mourners are two priests repeating these sacred mantras.

This hymn is made up of four parts put together for the purpose of the funeral ceremony and though of various linguistic strata they are well chosen and there is little feeling of patch-work about it, especially when we remember the original purpose for which this hymn was made up.

The first portion consists of lines 1-5 of verse 1. This is from Gāθ. Spen (Yas. XLVI. 7). It there constitutes the appeal of Zaraθuštra to

* See VII. a, b and c.

Ahura, when he found himself opposed very violently by the enemies of his faith. In the darkest hour his faith in the Law of Mazda—as represented by the Divine Fire and the Divine Mind—remains unshaken, and finds noble expression in these five lines. These formulate as it were the last refuge of the Zoroastrian in times of danger and difficulty and thus these lines are just those wanted to soothe the wounds left by death.

The second part (lines 6-9 of verse 1) is also from the same Gāθā (Yas. XLIV. 16)*. The original context shows that here also Z. is in doubt and difficulty, through which the "Words of Ahura" would serve as our strong shield and protection. A wise Teacher is needed—Sraoša—who is ever ready to help all whom Mazda loves.

These two making up the first verse (verse 20 in the Ven.) are linguistically among the earliest of the Avesta texts. What follows, verse 2 (verse 21 in Ven.), is in prose and is certainly of the same age as the rest of the Ven. It was specially composed to fit in with the ceremony for which it was intended. The contrast, linguistically, is great, but even greater is the contrast in the ideas—for this second verse is "semi-magical" in import. It represents the later religion where the pure unalloyed Mazda-worship of Z. was overlaid with the idea of driving forth the demon which is the main theme of the whole Vendidad.† The dead-body having passed along has rendered the road impure and infested with "the brood of demons" and these are to be ordered away before animals or human beings, or Fire or consecrated Baresman can pass along the same road.‡

The fourth part (verse 3) is not found in the Ven., but in the Sraoša Bāz. It is just one line taken from Gāθ. Spen. (Yas. XLIX. 10). As it stands by itself it is difficult to have the construction clear because in the original context it is closely connected with the two lines preceding. This line is also repeated thrice at the Tower of Silence after the dead body has been put inside it.

1.**kēm-nā* (v.l. *kēmnā*, Barth. and Kan.)—Kan. thinks it is for *kas-nā* (1/1). Others take it as it stands to be 2/1. The *nā* is enc. 1/1 of *nar* (𐬨𐬀, *ārp*), and when used with the pron. *ka* gets an indef. sense. (Barth., Wb. 424). The same idea is found in the same Gāθ. Spen. (Yas. L. 1.)—*kē mē nā*|| *θrātā vistō anyō Ašt θwaṭ-cā Mazdā Ahurā* (Who is for me a protector except Aša and thyself, O Ahura Mazda ?). Nair. trans. this line: के मयै॥ मयात्रानिम् मदीयेभ्यश्च पानारी दत्तु evidently taking *kē* as plu. Dar. says: "What protector hast thou given unto me, O Mazda ?" Mlt. (E. Z., p. 273) says, "Whom, O Mazda, can one appoint as protector for one like me ?" Pun. says, "What protection can a man give to my-follower ?"

mavaiiē—4/1 of *mavant*. Kan. trans. "to me and to my-followers" (see Skt. of Nair. above). Haug strangely says "my property". Mills trans.

* The first line is omitted, see Sel. XVI. † The name itself is *Vidaēvadh*. ‡ Ven. VIII. 15; see Sel. XXXI, Part 2. || Geld. notes v.l. *kēmā* which he also notes for our passage, Yas. XLVI. 7. ¶ Does he read *kēmā* (noted by Geld.) or *kē mē nā* as in Yas. L. 1?

simply “me” and adds (ftn. 4) that *ṣmāvatō*, *ṭwōvṣ* and *mavaiṣ* may be trans. simply as “of you”, “thou” and “to me”. Barth. (Wb. 1141) says, “one like me” (i.e. a mere mortal).

pāyūm—Kan. and Pun. trans. “protection”; the rest say “protector”.*

dadāt—3 1 sub. pres. par. See Jack., A.G., § 543. ✓

hyat—when; Nair. says *यतः*, Barth. (Wb. 1253) says it is an adv. denoting time. The *h* has no etymological value and two mss. even read *yyat*.†

dragrā—1/1 of *°vanṭ*. This seems to be the Gāṭh. form of *drvanṭ*. Nair. says *दुर्गतिः* (बलात्) which is explained further as *दांभिकः दयः*‡.

dīlarāṣṭatā—3 1 impf. atm. inten. of *√darāṣ* (दृष्ट्) to dare, to threaten. But in the trans. Kan. seems to take it from *√daras* (दृष्ट्) to see, for he trans. “glares at me” (चोटा ककडावे) Mills also suggests, “has set his eye on me for vengeance”, although he trans. “that wicked one still held me for his hate”. Barth. (Wb. 690) takes it as desid. of *√dar* (दृ) to hold used with a dat. inf. and trans. “makes himself ready to overcome me”. Note the reflexive sense of atm. Haug says “endeavour to hurt me”; Dar. trans., “while the hate of the wicked encompasses me”.

añṇaṇṇa—Dat. inf. (Barth., Wb. 21) used with acc. (*mā*) and sometimes with the gen. For injuring, for overpowering; *एनवे*

ṭwahnāt—5 1. Barth. takes it as an adj. “belonging to Thee”, “Thine”; Nair. says *तव*, Kan. and Mills say “other than Thee”; others take like Barth., Mlt. adds “‘They Thought’ is the same as ‘Good’ or ‘Best Thought’”.

Āthras-cā—Barth. regards this as the ancient abl. form found often in G.A. (see Jack., A. G., § 222). This is the Divine Fire within the man, which helps him in his moments of trouble. Kan. takes this as 6/1 and trans. the line thus “who else, but Thee (would be the protector) of (our) Fire (i.e. our hearth and home) and of (our) mind”. Nair. says: *अन्यात्मनोऽपि अद्यनाथ*** (*अन्यथाऽपि विदुः एतं कुर्वन्*) Dar. (p. 101, ftn. 2) thinks that the fire refers to the ordeal by fire.

Manaphas-cā of course refers to *Yohu-manō*, the first of the Holy Immortals.

yayd—6/2: i.e. of the Fire and of the (Good-) mind.

dyaoṭhāṇāis—3/3. Kan. trans. “through the actions of which two” and explains (Kh. A. b. M., p. 5, ftn.) that these are “acts which lead to family happiness and to peace of mind”. Haug. trans., “through whose

* EV. has *प्रायु* mostly in this sense, Grass., Wb. 806. † Geld. notes this v.l., see also Barth., Wb. 1847. ‡ Kan., Diet., p. 56. § S.B.E., XXXI, p. 136, ftn. 5. ¶ E Z., p. 374, ftn. 1.

** *अन्यथा* is *Feheenan*, see Nair's trans. of *Yohā Aṭh Vairya*, Col. VIIc.

operation." "By deeds performed in which (i.e. Ātar and Vohumanō)" Mills.

aṣm—1/1 n.

braoštā—3/1 sub. aor. atm. \sqrt{bru} , to ripen, to come to fruition (Barth., Wb. 801). Kan. trans. "increases". Mills says, "Thy righteous rule is saved and nurtured". Haug says, "Thou hast created rightful existence." Dar. says, "Through whose work I keep on the world of righteousness", translating literally Nair.'s Skt. rendering वैश्वं करोमि: पुण्यं पादुषामि कामिज (विश्वं कार्यं पुण्यं करोमि).

mōi—4/1. मे (मद्यस्).

dāstvām—2/1f. Teaching (Barth., Wb. 745). Kan. trans. "knowledge" (ज्ञाने) and explains (Kh. A. b. M., p. 5, ftn.) that this means the knowledge that God is the only protector and refuge. Mod. Pers. دستور (*dastur*, older *dastavar*) means bearer of knowledge, hence a teacher of religion. In P. Guj. the word दस्तर is used to indicate the highest order of priest. From $\sqrt{dāh}$ to teach. Cf. Grk. δίδασ (from **dāw*, to learn). The word *dahma* is cognate (see Yas. XXVI. 9) and probably also *dām* (line 7 of this verse). Other scholars have taken the word differently. Mills trans., "that spiritual power (vouchsafing) me".* He also adds (S.B.E., XXXI, p. 138, ftn. 6): "One might be tempted to read *taṭ mōi dās tvam* etc.; 'That granting (*dā*) me do Thou speak forth for the Faith'". Dar. trans. this line: "Reveal to me Thy Religion as Thy Rule" (i.e., he explains, "one must take religion as one's rule"). Haug has, "Toll me the power necessary for upholding that religion". Pun. says, "that direction for the religion". Nair. renders the word by चादेह.

daēnayāi—4/1. For religion (Kan.). Barth. and Mlt.† take it in the sense of *daēnā* the second principle in the constitution of man†; and Mlt. trans. "for my very Self". Mills takes (rather needlessly) the last two words as an independent clause and trans. "for the (holy) Faith (its truths) declare". The writer in the *Cherāg* trans. "for (the spreading of) the Faith"||.

frāvaocā—2/1 imp. aor. \sqrt{vac} + *frā*, to instruct.

kē—1/1. Who. This is a G.A. form (Kan., A.G., § 228). Nair. takes it as 1/3, कै.

vorōbram-jā—1/1. Smiter of the foe (Kan.); who smites with victory (Mills); Pun. says, "Fiend-smiter"; Nair. has कै विजयितया वस्तारः.

pōi—This word occurs only here, and in Yas. XLIV. 16. Barth. (Wb. 898) takes it as inf. from $\sqrt{pā}$, to protect. Kan. (Dict., p. 334) takes it as 1/1 and trans. "protecting". Mills takes it as "in the protection of".

* He takes the last two words of this line as a separate clause. † Mlt. practically retranslates Barth. into English with a few occasional changes. ‡ See above, Yas. XXVI. 4. || Vol. XVI, p. 377 (July 1915).

śāhā—Teaching; $\sqrt{\text{śāh}}$ (शह्) to teach. Nair. says तत्र एवमा शिक्षायाः । (किम् नै शिक्षया ते दीया* पापकर्मिणो निवृत्ति एषा च वदते के कुर्वन्ति)॥ Barth. takes it as 3/1 and trans. the line: "Who is he, who victorious would protect by thy doctrine all that are". Mills trans.: "Who smites with victory in the protection (of all) that are". Dar. says: "Who is the victorious who will protect Thy teaching", which leaves off *yōi hənī* which Pun. renders, "that are extant"†. Haug's rendering is quite unintelligible; he has for the two lines *kā . . . cīdī* the following (p. 160): "Who killed the hostile demons of different shapes, to enable me to become acquainted with the rules established for the course of the two lives (physical and spiritual)?" Kan. says: "Who (shall be) the smiter of the enemy by the help of Thy Words, which are protecting."

cīdrā—Kan. and Mills take it adv., चिद्व् clearly; Nair. says प्रकटतया Barth. (Wb. 586) takes it as 3/1 and trans. "by a vision". But in this unusual sense this is the only example quoted by Barth.

dām (see *dāstvām* above)—2/1 adj. Wise (Kan.); having power (Mills). Cf. the name *Dā-Jāmāspa*. Barth. (Wb. 745) takes this as an inj. from $\sqrt{\text{dā}}$ (दा) to set up, to fix. But this is the only instance quoted.

ahūm-biś-ratūm—This is the reading favoured by Barth. (Wb. 285). Geld. reads *ahūmbiś ratūm*; but he says that only one MS. reads thus. Among the v.l. noted by Geld. one reads *ahū-biś* and all the rest read *ahūm-biś*. Kan. reads in this hymn (Kh. A. b. M., p. 5.) *ahūbiś*, but in G. b. M. (p. 126) he reads *ahūmbiś*. The word *ahūmbiś* occurs in three places only—all in the *Gāθ*: *Gāθ. Ahu.*, XXXI. 19†; *Gāθ. Ušt.*, XLIV. 2|| and XLIV 16||. In all the three places Nair. says मुननदवेऽधि. Kan. also gives the same sense to the word in all three places, taking it as 3/3 of *ayhu* (*ahu*—अहु) life or world.¶ But in the trans. he says, "for both the worlds (du.)".** Mills says, "for the worlds (plu.)" (Yas. XXXI. 19), "for both the worlds" (Yas. XLIV. 2) and "for both lives" Yas. XLIV. 16). Haug in this passage says, "both the lives"; Dar. also trans. similarly. Barth. (loc. cit.) takes it as a comp. of *ahu* (life) + $\sqrt{\text{biś}}$ (भिष्) to heal, and trans. "healer of life". Barth. also proposes to read *ratūm* joined on to this making a sort of comp. The opposite is *ahum-mərəncō* (Yas. IX. 31.). The opposite idea is also found in the phrase *bānayan ahūm* (Yas. XXX. 16).††

cīdī—2/1 imp. pres. par. Kan. trans. "reveal" ($\sqrt{\text{cīd}}$). Dar. says: "make it clear that I am the guide of both the worlds". Barth. trans.: "By vision assure me how to set up the judge that heals the world". And Mlt. adds (E.Z., p. 369, ftn.): "This seems to be Z. himself—he is praying for a vision that may openly confirm his designation as a prophet". I am, however, inclined to think that the *Ratu* meant here is *Sraoša*.

* *daśna*, faith.

† For the rest he agrees with Dar.

‡ Sol. XXXIV, Part 2.

§ Sol. XVI,

¶ Dict., p. 18; also A.G., § 199 (p. 88).

** i.e. to gain merit here and hereafter.

†† Sol. XXXIV.

hōi—4/1 (Gaθ.). An enclitic form of the 3rd pers. pron. sometimes used reflexively (Jack., A.G., § 395 and § 416). It refers, when reflexive, to the subject of the same sentence in which it is found (Reich. § 598). Here however it may be taken as an ordinary pron., 3rd pers., referring to *yahmāi* in the next line. See also Kan., A.G., § 212.

Voḥū . . . *Manayhā*—3/1 in the sense of “accompanied by”.

Sraoṣō—The G.A. form of *Sraoṣa*. Dar. remarks (S.B.E., IV, p. 101, fn. 4); “This stanza with in the original Cāθās refers to the human incarnation of *Sraoṣa*,* the victorious protector of the Prophet and his religion, is applied here to *Sraoṣa* as a protector of the soul in its passage from this world to the other”.

vaṣi—2/1 pers. par. √*vaś* to wish, to love (Kan.) To whom thou thus desired (Barth., Wb. 1382). Whomsoever thou pleasest (Dar.).

2. This portion is omitted in Nair’s version of the *Sraoṣa Bāz*.

pāta . . . *pāiri*—Completely protect, lit., protect all round. Cf. पारि + पा in Ved.†

ṭhiṣyantaṭ—5/1 pres. pt.

nase—2/1 imp. pres. par. √*nas* (नश्) to perish. The root is of the 4th class (दिवादि) and hence the form was orig. **nasya* written as *nase* (Barth., Wb. 1055-6).

daēvō-frakarāste—From √*kareṣ* (कर) + *frā*, to sow‡. More probably it is from √*karat* (कर्त) + *frā* (cf. *fraca kərəntaṭ*, Yas. IX. 8.). Seed of the Demon (Kan.); creation of the fiend (Dar.).

daēvō-fradāite (ān.)—Follower of the *daēva* law or ritual. World of fiend (Dar.). Barth. regards this as practically synonymous with the previous word (Wb. 672.). *dāta* means “law”, cf. *dāto-rāzō* above, Yas. IX. 10 and the name *Vidaēvadāta*, which means lit. the laws against the *daēvas*.

apa . . . *nase*—Perish utterly.

dvāra—√*dvar* to run. (a *daēva*-word).

apāxədre—7/1 (construed with *naēme*, direction, understood). North. Kan. gives the derivation as from *apa* and *aṣtar* (star) (Pers. اختر *akhtar*, star), i.e., as he explains, away from the stars of the Zodiac (the path of the sun)||. Barth. (Wb. 79-80) regards this as wrong and suggests that the real meaning is “backward”. The word *frata* means South as well as front. The North is regarded as the region of evil and the South is the region of the Holy Spirits—exactly the reverse of the Hindu ideas.¶ Probably the reason is what has been suggested by an anonymous writer,** that

* Yas. XXVI. 5, (Scol. III above) note on *Karbi*, *Vidēvapak*. † Grass., Wb. 796. ‡ Kan., Diet., p. 345 and p. 130. § Diet., p. 35. ¶ But *Hara-kərəntā* is in the North. ** Cherrag, Vol. XVI, p. 439 (Aug. 1915).

during the day the Zoroastrians turn their faces to the Sun while praying and hence naturally the North would be left out and thus would acquire a sinister reputation. Very likely this is partially true but the original cause of this reversal of ideas is the same as has led to the significations of the words *Ahura* (अहुर) and *Daēva* (देव) to be reversed. It may be noted in passing that the dead body is never laid out with the head to the north.

nasyehet—2/1 pres. atm. used as sub. (Kan., Dict., p. 288).

mərəncainiš (v.l. *māmərən*°, Geld.)—Barth. (Wb. 1145) takes it as 3/1 (?) impf. par. $\sqrt{\text{marək}}$ (*mahrk*) to destroy (the root is of the seventh class, *वहृदि*), cf. *mahrkâi* (Yas. IX. 8), and *ahūm-mərəncō* (Yas. IX. 31). Kan. takes it as an adj. 1/3 f., and trans. "fit to be destroyed", construing with *būyāt* (बुयात्) understood. Jack. (A. G., § 565, note) says, "peculiar js 2,1 impf. par. *mərəncainiš* weak nasalised root with added *an* (५१)". The *i* is as in *प्रवर्तित*, *चावित*, etc. The form is an augmentless impf. with a sub. force. (Jack., A.G., § 445 (2), Whit. § 563). About the so-called root *mərəns* Jack. (A. G., § 563) says that it has "practically become stereotyped as a root according to the *a*-conjugation* by transfer, hence the thematic forms". Barth. (loc. cit.) also states that it is a word used in the sense of destroying or killing one of the *ahura*-creation. He cites only one case (Ven. XIX. 6† where Z. is asked by Anro-Mainyuš not to destroy the evil-creation) where it is not used in the *ahura*-sense.

3. *Ārmaitiš*—See above, Yas. LX. 5.

Izā-cā—Religious zeal (Barth., Wb. 378); from $\sqrt{\text{az}}$ (अज्). In Yas. LI. 1‡ Geld. takes it as "sweetened milk". Kan. trans. "prosperity"; takes Nair. (in Yas. XLIX. 10) says *इदि*: This line is taken (out of its context) from Yas. XLIX, 10, and is without a verb. Hence Kan. takes *nemas-cā* to mean "salutations be unto" (Kh. A. b. M., p. 7) here, though in the orig. context (G. b. M., p. 188) he trans. the line, "prayer from which come Reverence and Prosperity". Nair. says: नमो या खंदारमदा॥ मज्जरा (किञ्च या चंपूरेमानवा इच्छी मज्जरा तस्यै नमः) ॥ The orig. passage may be quoted here in order to fully appreciate the value of this line:

tae-ca¶ *Mazdā θwahnī ādām nīpāṇhē*

manō vohū urunas-cā aṣṣunām,

nemas-cā yā Ārmaitiš Izā-cā.

This may be rendered :

"And these, O Mazda, shall I offer into Thy safe-keeping, good mind, and the souls of the holy and (their) prayers, also** (their) piety and (their) zeal.

* The *वहृदि*-class.

† Sel. XIV. Probably this *akura* word is used out of regard to Z who is

the person addressed. Or more probably the Devil being the speaker would use the best word for his own creatures. ‡ Sel. XXXVI, Part 2. ¶ Spenta Armaiti. ¶ So Kan., Geld. has *taf-ed*.

** Lit. "(that) which (is)", *ya*.

On the whole it is better to take this line independently as Kan. has done. *Armaiti* is invoked here because she is the chosen one of the Zoroastrian (see Yas. LX, 5, Sel. V). And when after the dead body has been put inside the Tower of Silence and the bearers have come out the whole assembly of mourners assembled chant aloud three times this line.—thus leaving as it were the dead to the care of their chosen guardian angel *Armaiti*.

¹ Lit. "of" (gen.).

† Lit. "of" (gen.).

‡ Lit. "and".

NOTES.

These three prayers are the most famous of the ancient verses of Iran. They are regarded by all tradition to be specially holy and efficacious and they have had the unique distinction of having an Avesta commentary for each. These latter are Yas. XIX, XX and XXI which together make up what is called the *Bayān Yašt*.^{*} All the three pieces are of a great antiquity though linguistically the *Yaθā* (or *Ahuna Vairya*) is probably the oldest—being practically equal to the oldest *Gāθās*.[†] The meaning of these verses has not been properly settled, each scholar takes it in his own way. The words are quite easy but the construction is exceedingly obscure and involved.

VII. a. *Yaθā ahū vairyo*.

The *Yaθā ahū vairyo* is regarded as the most ancient and also the most sacred of the three. Kan. (Kh. A. b. M., p. 2, ftn.) regards this as pre-Zarathuštra in age. Yas. XIX is a commentary on the *Yaθā* and throughout the Av. we have praises of this prayer. Ven. XIX. 2.† mentions that Z. used this *mantra* to fight the evil demons. Yas. IX (14-15) also mentions Z. using this *mantra* for a similar purpose. The *Sraoša Yašt Hāboyt* (Yt. XI. 3) says: *Ahunō-Vairyo vacām varəθrajaštəmō* (*Ahuna Vairya* is the most victorious among the Words). *Sraoša* uses this *mantra* as his victorious weapon (Yas. LVII. 22). The *Hāδ*. (Yt. XXI 4) says: "The pronouncing of that formula the *Ahuna Vairya* increases strength and victory in one's soul and piety"||. The Parsis have got such a traditional faith in its efficacy that in times of difficulty and trouble they always exclaim *યાથા તારી મદદ* (*Yaθā, thy help!*). There is the traditional saying that if this *mantra* is chanted in the proper metre with the proper intonation, and with a full understanding of the sense, the "merit" resulting is equal to the recitation of the whole Avesta. Even the most illiterate Zoroastrians who do not know any other prayers are expected to know the *Yaθā*.

Like the other two, the construction of this prayer is very obscure and there have been practically as many translations of this as there have been translators. I venture to give my own version for what it is worth. The prayer being the most sacred should in my opinion be translated so as to embody some fundamental truths of life. The religion of Z. is a religion of the *Karma-mārga*, which teaches us to reach the goal of life through action, and I have tried in my translation to indicate that the *Ahuna-Vairya* gives us the essentials of a life lived for the good of humanity and of service to mankind.¶ The *mantra* consists of 21 words (corresponding to the 21 *Nasks* of the original Avesta texts**) which are arranged in three lines of the same measure as the *Gāθ*. Ahu.†† The first line lays down the general

^{*} See below Sel. VIII. [†] The name *Ahunaeviti* is given to the first Gāθ because it is in the metre of the *Ahuna Vairya*. [‡] Sel. XIV. [¶] Dar., S.B.E., XXIII., p. 311. ^{¶¶} The whole idea is elaborated by me in a Gujarātī article in the *Cherry*, Vol. XX (1919), pp. 616 ff. Here of course I can give the mere outlines. ^{**} See Introduction. ^{††} Each line of 7 + 9 (sometimes 8) syllables.

proposition which is true for all religions that the Spiritual Teacher (*Ratu*) is all-powerful just as any earthly Prince (*Ahu*) may well be in the material world. The reason for the power of the *Ratu* is his *Aša*. This *Aša* (𐬀𐬎𐬎 in Veda) represents the Divine Will in manifestation, the Law of God, which is the Law of Purity or Righteousness (in the sense in which Jesus spoke of it). There is no one word (except the word 𐬀𐬎𐬎 as understood in the Veda*) which would exactly give the same idea. The Skt. 𐬀𐬎𐬎 comes very near it in connotation but even that is not exact. This *Aša* is what Tennyson speaks of as

"One God, one law, one element,

"And one far-off divine event,

"To which the whole moves" (*In Memoriam*).

*After making this statement the second line tells us that the gifts of Good Mind are for those who are working for the Lord. That is, those who try to help God's work in the world by doing good deeds and helping the cause of human progress, they shall have their understanding strengthened so as to grasp better and better the higher truths of the spiritual life (the gifts of *Vohu-Manō*). Thus they would be able to progress and would have better powers wherewith to serve the Lord.

And the third line says that besides the "gifts of Good-mind" the "Strength of the Lord" too shall come to such people who give help unto their poor brothers. Poverty here is to be understood not merely as poverty of worldly goods but as poverty of moral and spiritual things as well. The duty of the Mazda worshipper is to give what he has got from the Lord unto those that possess less of those gifts. Wisdom and strength are given unto him that he may serve those of his brothers who are lower than himself in any respect and thus help them onwards in their progress. And the more a man serves the Lord by serving the least of His creatures, the greater the measure in which he receives of the "Strength of the Lord".

Such, to my mind, is the meaning of the holiest Zoroastrian prayer. It contains the essence of the teaching of our faith—service of humanity. Hence it is that in every ceremony we are required to repeat this *mantra* several times. And this *mantra* is the last earthly sound that a Zoroastrian should hear on earth for it is always repeated in the ear of the dying person by the nearest relative.† This *mantra* to the Zoroastrian is the key to happiness both here and hereafter, for it has been said: *Ahunam-Vairim tanūm† pāiti*, "Ahuna Vairya saves the man".||

ahu . . . ratu—For the distinction between these two see above Yas. LVII. 2: Kan. (Kh. A. b. M., p. 3, ftn.) explains these as "the Lord who looks after worldly affairs" and "the Lord who looks after religious affairs". In his trans. he renders *ahu* by king and *ratu* by *Dasturān-Dastur*, i.e. the Supreme Priest.

* See Grass, Wb. 286f.; cf. RV., VII, 65, 3; VIII. 12. 3; etc.

† Some use the *Ašm vohu* for this purpose.

‡ Lit. "the body", *tanu* used in the sense of "self" as in Ved. and in Gāg.

|| *Gracia Bar.*

dazdē (द॒र.)—Kan. takes this as 1/3 of the p.pt. pass. n. of $\sqrt{dā}$ (दा) to give and trans. “gifts”.* This explanation seems quite correct. The Ved. form would be द॒त्ता. Jack., A.G. §§ 600 and 606 mentions the form *dazdē* which is 3/2 pft. atm. $\sqrt{dā}$ (दा) to create. This form would be phonetically equal to द॒त्ते; the regular Skt. form is of course द॒दाते. Barth. (Wb. 702) takes this as 1/1 of an agent noun *dazdar* and trans. “he who offers”. Har. takes similarly.

šyaōθananām—8/3 pres. pt. atm. The “root” here seems to be *šyu*† a variant of $\sqrt{šyu}$, यु, to strive. Generally the word *šyaōθana* is used for “work” or “action”; cf. Yas. IX. 31. and Kəm-nā Mazdā. The corresponding word श॒यन is found used participially in RV., X. 50. 4., यु॒यो नृ॒य॒यो वि॒श्व॒सि॒क॒रि (In every combat casting down heroes upon the ground). Kan. in his trans. (Kh. A. b. M., p. 3) says “workers” (काम करनार).

aphēuš—6/1. The word here seems to denote all creation.

Ahurāi—4/1 used for 6/1. Cf. *staotā-cā Ahurāi yesnyā-cā Vap̄hēuš Manap̄hō* (Praises of Ahura and worship of Good-Mind), Yas. XXX. 1.† See Reich. § 468.

drigubyo—4/3. Cf. Yas. LVII. 10.

patdram—2/1—Kan. trans. “protector”. He translates the clause “Who makes himself protector of the poor”. The use of par. (*dada*) for the atm. (reflexive) sense would certainly be unusual for G.A. which is the language of this piece. Barth. (Wb. 1413) trans. “shepherd” (in the Biblical sense), or one who looks after the nurture and safety of the flock entrusted to his care. The word occurs only in one other place Yas. XXIX. 1.,‡ *nōit mōi vāstā xēmāt anyō*, which Barth. renders “there is no other shepherd for me than Thou”. I take *dada* from $\sqrt{dā}$ (दा) to give|| and I propose to render in both passages the word *vāstar* by “help” or “succour”. Nair. says व॒हाय्यं पा॒क्षमं च but in Yas. XXIX. 1. he trans. पा॒क्षयि॒ता.

The various trans. may now be enumerated :

1. Nair : य॒था क्षा॒मि॒तः क्षा॒मः (कि॒ञ्च य॒था अ॒हम॑र्ज॒ज्दक्षः॒) एवं आ॒दि॒शः पु॒ण्यात् व॒क्ष्या॒म्यक्षा॒यिन् (कि॒ञ्च य॒त्किञ्चि॒त् कार्य॑ प्र॒यं तस्य॑ त॒था आ॒दि॒शः कर्तु॑म्॥ य॒था अ॒हम॑र्ज॒ज्दक्षः** रोच॑ते ना॒म्यथा किं वि॒मि॒ष्टात् पु॒ण्यात्)††

अ॒हम॑र्ज॒ज्दक्षे॒ दाते॒[क्षानि॑]मे॒वः‡‡ कर्म॑यां च॒नर्भु॑वने अ॒हम॑र्ज॒ज्दक्षः। (कि॒ञ्च ते पु॒ण्यप्र॑सादं उ॒त्तमं॑ म॒जः उ॒त्तमं॑ म॒जः इति॑ ग॒व्यक्षः॒ अम॑रा॒क्षन्तो द॒दाति॑ वे॒क्षोवे॒ [य॒त्कि] च॒न॒स॒क्षि॒न् कर्म॑चि क्षा॒मि॒ते च वत् अ॒हम॑र्ज॒ज्दक्षे॒ रोच॑ते) ‖

* Dict., p. 248 and A.G. § 558. † Sel. XXXIV, Part 2. ‡ Sel. XV. || Kan. and Barth. take it from $\sqrt{dā}$ (दा).

¶ Nair. uses this in the sense of कर्म॑चः or कर्तु॑म् पु॒ण्यवे—Bharucha.

** For दा॒य. †† “May perhaps mean ‘even though the meritorious deed may be howsoever unique, it is of no use unless ordained by Ahuramazda’”, Bharucha. ‡‡ दा॒ति is पा॒रि॒तोषि॒क or दा॒यव्.

राजं च अहमैजदात् तस्य (किं तेन अहमैजदः सततो राजा हतो भवति) च दुर्बलानां-
इदानीं पात्रमात् (किं दुर्बलानां सहाय्यं पात्रमं च करोति) ॥

2. Haug trans. (p. 141): "Just as a heavenly Lord is to be chosen so is an earthly master for the sake of righteousness (to be) the giver of good thoughts and of the actions of life towards Mazda, and the dominion is for the Lord (Ahura) whom he (Mazda) has given as a protector of the poor".

3. Sp. trans.: "As is the will of the Lord so (is he) the ruler out of purity. From Vohumanō (will one receive) gifts for the works (which one does) in the world for Mazda. And the kingdom (we give) to Ahura when we afford succour to the poor".*

The rendering of the last line is an echo of the Paternoster, "Thy Kingdom come".

4. The Pah. version is: "As is the will of the living spirit, so should be the pastor, owing to whatsoever are the duties and good works of righteousness. Whoso is the gift of good thought which among living spirits is the gift of Ahura Mazda. The sovereignty is for Ahura Mazda, who gives necessities to the poor".*

5. Dar. (S.B.E., XXIII, p. 23.): "The will of the Lord is the law of holiness, the riches of Vohumanō shall be given to him who works in this world for Mazda and wields according to the will of Ahura the power he gave to him to relieve the poor".*

6. Har.: "As there is a Supreme Lord, so there is a religious chief for the propagation of religion by means of purity. He is also the executor of good thoughts and of the works of the Mazdayasnian Law. The powerful kingdom belongs to Ahura, and he has made the spiritual chief the protector of the poor".*

7. Kan.: "Just as a ruler of this world (a king) acts according to his will, so does the chief of spiritual matters (the High Priest) by means of righteousness act according to his own will. The reward of Vohumanō is for those working for the Lord of the world. He who constitutes himself the protector of the poor accepts the sovereign rule (as it were) for Ahura".

8. Khan Bahadur N. D. Khandalavala (late Judge, Poona) read a paper in 1885 at Bombay on "*Primitive Mazdayasnyan Teachings as contained in the Honvart and Ashem, the two celebrated Prayer-Stanzas of the Parsees*". In this paper he makes a very bold attempt at an original trans. of the *Ahura-Vairya* and he has quoted *in extenso* all the available trans. of this verse with his criticisms thereon. He tries to base his trans. on the opening verses of Yas. XIX. But his trans. is too startlingly original to be acceptable to scholars generally. Some of the words are given senses absolutely unique.† His trans. runs as follows:—

* This is quoted by Khandalavala (see below), pp. 10f.

† The Pah. form of *Ahura-Vairya*.

‡ To my mind the chief value of the paper lies in the elucidation of the ancient teaching of Mazda-worship.

As¹ is the Will² (or Law) of the Eternal-Existence³ so⁴ (its) Energy⁵ solely⁷ through⁸ the Harmony⁶ (Aḥa) of the Perfect⁹ Mind¹¹ (is) the producer¹⁰ of the manifestations¹² of the universe¹³ (and) (is) to¹⁷ Ahura¹⁶ Mazda¹⁴ (the Living Wise One) the Power¹⁵ which¹⁸ gives²⁰ sustenance²¹ to the revolving-systems¹⁹.

9. The latest translator is Barth. (Reich. and Mlt. merely repeat his version). Mlt. (E.Z., pp. 160f.) gives the rendering of Barth. in a free Eng. trans.* "Even as he (Zaraḥuštra) is the Lord for us to choose, so is he the Judge according to the Right, he that bringeth the life-works of Good Thought unto Mazda and (so) the dominion unto Ahura even he whom they made shepherd for the poor". Mlt. calls this a "profoundly difficult text".

10. Mlt. also quotes Geld.'s version (E.Z., p. 161, ftn. 2):

"Even as he is the chosen Ruler so also is he (appointed) by Aḥa (himself) as Instructor of the World in the works of Good-Mind for Mazda. And the Kingdom belongs to Ahura, who for the needy has appointed a Shepherd".

Mlt. also calls the *Ahuna Vairya* "the great creed of Parsism, composed after Zaraḥuštra's day, but at so early a date that the key to its meaning seems to have been mostly lost".

11. The most startling of all is the versions of Bishop Meurin:† "Supplication to thee, O prince of Angels (Ahura, St. Michael), Rightful Ruler of men, Leader on sanctity's path. Thou that directs to God the good thoughts and actions of mankind, raising them^{up} as a gift towards the Father on high. Yea, the dominion above and beneath is Ahura's (St. Michael's); the All-Wise made him victor renowned over the dragons of hell".

Evidently the *drigu* is the *dragons*!!

The trans. of Mills is quoted at the beginning of Yas. XIX. (Sel. VIII, Introductory remarks).

I venture to give my own version for what it is worth. As can be seen it is made up by taking bits from various versions; but I think I have made a continuous sense out of it which hangs well together. The passage is indeed very obscure and we cannot quite say what the true version may be. Each writer (including myself) reads into it his own preconceived notions as can be easily seen.

VII. b. *Aḥem vohū*.

This is among the most frequently used of the Avestan prayers. Geld. in *Grund*. (Vol. II, p. 27) thinks that it is prose, but in the Av. text (Vol.

* The orig. of Barth. runs thus:—Wie der beste Oberherr, so der (beste) Richter ist er (nämlich Zoroaster), gemäss dem heiligen Recht, der des guten Sinnes Lebenswerke dem Mazda zubringt, und (so) die Obergewalt dem Ahura, er (Zoroaster), den als den Armen als Hirten bestellt haben. (Quoted by Mlt. E.Z., p. 161, ftn. 2.) † Quoted by Khandalavala, op. cit., p. 16.

II, p. 35) he prints it as three lines of verse, the lines ending at the 4th, 8th and 12th words. Kan. prints it similarly as metrical. Though most frequently used in the ritual it is certainly not of the same sanctity as the *Yaṣā ahū vairyō* (VII. a). There is a very fine article on its inner significance in *Cherāg* (Vol. XVI, 1915, p. 632). There are frequent references to this prayer in the Av. itself by the name of *Aṣem* or *Aṣa-Vahišta*.* (Barth., Wb 238-39). The second section of the *Bayān Yašt* (Yas. XX) is an ancient Av. commentary on this verse.*

Aṣa is the keynote of all Zoroastrian teaching. It is the Law of Ahura, the plan of Ahura about the development and the progress of the Universe. For mankind, it means living the life in accordance with the Divine Law—for that is the only way in which the mortal may help the progress of the world. It implies a life led according to the laws of Truth and Purity—everything in fact which is implied by the word *अश्वे*. "Righteousness" is the word which is nearest in sense to *Aṣa*—"righteousness" in the sense in which Jesus has used it. The earlier writers, e.g. Haug, saw in this word only the outer ritual purity and sacrificial observances. But this sense came to attach to the word only in later ages when the spirit of *Aṣa* was lost and only the letter was left.

This verse has no word intrinsically difficult but every scholar practically has given a different rendering of it.

1. The Skt. of Nair. runs as follows:—

पुणं सद्यश्च अत्युत्तमा (अत्युत्तमा) अस्ति । (सद्यश्चैव पुण्यं उत्तमा । यतो वा काचित् शुभा सद्यश्चैव अस्ति [न चैव] सा सर्वापि पुण्यमप्यस्ति) ।

शोभनमस्ति (किञ्च तत्पुण्यमेव शोभनमस्ति) । शोभनः (किञ्च सः शोभनः सुंदरवत्) एव ।

यः पुण्यं प्रचारयति, (किञ्च यः पुण्यं प्रवर्तमानं करोति) यतः परः पुण्यः (किञ्च अयं च अत्युत्तम-पुण्यकारी) ॥ †

2. Mills (S.B.E., XXXI, p. 266):

"A blessing is Righteousness (called) the best; there is weal, there is weal to this man when the Right (helps) the Righteousness best (when the pious man serves it in truth)".

He adds in a ftn. (loc. cit.)—"When *Aṣa* is for *Aṣa Vahišta*".

3. Dar. (S.B.E., XXIII, p. 22):

"Holiness is the best of all good. Well it is for it, well is it for that holiness which is perfection of holiness".

4. Haug (p. 14 1, ftn. 2):

"Righteousness is the best good, a blessing it is; a blessing be to that which is righteousness towards *Aṣa Vahišta* (perfect righteousness)".

* See. VIII 6; H&S, I (Yt. XII) also recites the praises of the *Aṣem*.

† Bharucha remarks:

"the Skt. trans. is correct as far as the Pahl. rendering goes. But the same cannot be said of it as regards the original Av."

He adds; “‘Righteousness’ here and elsewhere where it translates *aṣam* means ‘what is right or meritorious’ in a ritualistic or materialistic sense, and does not necessarily imply holiness any more than the Sanskrit *युष्मद्* does”. This view, characteristically of the Western scholar, is not accurate at all. The earlier sense is in fact more spiritual than the later use of the word. This is true not only of the word *aṣa* but others also.*

5. Kan. trans. (Kh. A. b. M., p. 1):

“Righteousness is the best good† (and it) is happiness. Happiness is to him who is righteous for the sake of (i.e. in the matter of) the best righteousness”.

It may be noted that in Guj. we use the word *अविर्त* for the Av. Aṣa. There is no mistake about the sense because we have the inherited tradition of millenniums as regards this word.

6. Barth. translates‡ in a very ingenious manner and Reich. (A.R., pp. 173-4) and Mlt. (E.R.P., p. 116) merely retranslate him. Mlt. trans. thus:

“Right is the best good: it falls by desire, it falls by desire to our portion, even our right to that which is the best right”.

The word *uṣtā* is taken as an adv. to mean “according to our desire”. Curiously enough he takes *ahmāi* as 4/3 of *azem* (Reich. § 402) which is found but very rarely in G.A. (Jack., A.G., § 389; Kan., A.G., § 210, ftn. 3).¶ It is however better to take *ahmāi* as 4/1 of the dem. pron. (*अस्मै*) especially as we have a similar Gāθ. passage, *uṣtā ahmāi yahmāi uṣtā kahmāi-ciṭ* (Gaθ. Uṣt., Yas. XLIII. 1)**. Barth. regards this as a play on the various senses of *aṣa*; *aṣa* “the best doing” and *aṣa* “the best reward” (Reich., loc. cit.). Mlt. explains (E.R.P., p. 116): “Primarily denoting abstract Right, the divine order, it (*Aṣa*) comes to mean (2) right-doing, action in accord with Right, and (3) a man’s rights as determined by that divine order He who lives rightly gets his rights in the end, and therefore

* ‘because right is right to follow right
 † ‘Were wisdom in the scorn of consequence.’

This note by Mlt. is a remarkable instance of how some Western scholars read European ideas and even words into Eastern scriptures. The third sense of “right” given by Mlt. most assuredly cannot be read into *aṣa*. The temptation of word-play has been too strong for Dr. Moulton!

* See, e.g., the word *aseshā* Yas. LX. 1. † Kan. uses the Pers. word *نعمت* (*n’emat*) which means a blessing or a good thing granted by God. ‡ Often spelt *अविर्त*. ¶ Wb. 233: “*das beste Gut; nach Wunsch wird es, nach Wunsch uns zu teil das Aṣa für das beste Aṣa.*” ¶ This corresponds to *अस्मै* (4/3 of *अस्मद्*) in Veda, see Grass. Wb. 164. ** See last verse of Yas. XLIV, Sel. XVI.

7. One more trans., that of Sp., may be added though it is not literal for the last phrase. He says:

“Purity is the best good: happiness, happiness is to him, namely to the best pure in Purity.”

Khandalavala in his paper mentioned above quotes the following from Hād. I: “Whoever recites the Aṣem with believing enquiry in his mind, praises me who am Ahura Mazda; he praises the water, he praises the trees, he praises all good created by Mazda that is of rightful origin”.*

Khandalavala adds:†

“The fourth name of Ahura Mazda in the Ahura Mazda Yt. (Yt. I. 7) is *Aṣa Vahišta*, which represents the sublime order and harmony of all this ‘Changing World of changeless Law’. *Aṣa Vahišta* or *Ardibeshi* is in later Zoroastrianism looked upon as the angel presiding over celestial Fire, who ministers to order and the preservation of things. *Aṣa Vahišta* however is the second *Ameshaspend* after *Vohu-Manō*, the Perfect Mind, and literally means the Highest Harmony. The meaning of the above quoted passage (from Hād. I, 4) now becomes clear. He who recites the *Aṣem* with an inquiring mind praises the Divine Power and all the creation, in which he could see exquisite order prevailing everywhere, for *Aṣu* literally means order and regular motion, and the word bears a very wide significance as we carry the idea suggested by it from the physical into the moral and intellectual worlds.

“The *Aṣem* formula teaches that Purity (meaning Righteousness) is the highest Good; that it is a blessing only to those who practise it for its own sake, having but one aim—to try to reach up to the highest Righteousness—to the most perfect Harmony of thought, word and deed. In short, the *Aṣem* teaches that virtue is to be practised for its own sake irrespective of the personal benefits it may bring to a man.”

VII c. *Yējhe hātām*.

This has been treated very fully in Yas. LVII. 4. (Sel. II., pp. 66-67, above).

* See S.B.E., XXIII, p. 311. The whole of this fragment, called Yt. XXI by Dar., is in praise of the Aṣem Vohu † Op. cit., pp. 18-19.

* Geld. and Reich. read *Ma. sa.* † Geld. and Reich. read *tem.* ‡ Geld. prints these separately.

§ The last three lines are from Geld. Ute. (Yas. XLV. 3). The Geld. version spells the words differently; see notes.

Him²¹; (and) *šyaoθananām*²³ here²⁴ refers²⁶ (to him as) the (active) Sovereign-Ruler²⁵.

14. When¹ (the phrase *ayhēus*) *Mazdāi*⁵ acknowledges⁴ Him² (as Lord) of (all) creation^{3*}, then⁶ unto Him⁷ (is ascribed that) which⁸ (is indeed) His⁷ (own) creation^{10†}; (the words) *χṣaθrēm*¹¹ *Ahurāi*¹² (etc.) acknowledges¹⁸ that¹⁴, O Mazda¹⁵, (which constitutes) Thy¹⁶ Power¹⁷; *drigubyō*¹⁸ *vīstāram*¹⁹ (etc.) indicates²⁰ as-it-were²¹ (one who is) a friend²² to Spitama²³.

(Thus) the five²⁴(-fold)-teaching²⁵.

The whole²⁶ hymn²⁷† (is) a revelation²⁸, the whole²⁹ (is) the Word³⁰ of Ahura³¹ Mazda³².

15. The highest¹ Ahura² Mazda³ (first) repeated-aloud⁴ the Ahuna⁴ Vairya⁵, (and then) the Highest⁷ did fashion⁹ the whole⁸ (creation).*

The Evil-One¹¹ was¹² (His) companion¹⁰, but¹⁴† He repelled¹⁶† the Wicked-One¹⁵ at-a distance¹⁶ with this¹⁷ repelling¹⁸-speech¹⁹;

“Never²⁰ shall our²¹|| minds²² harmonise²³, nor²³¶ (our) doctrines²⁴, neither²⁵¶ (our) spiritual aspirations²⁶, nor-yet²⁷ (our) beliefs²⁸, neither²⁹¶ (our) words³⁰, nor-yet³¹ (our) actions³², neither³³¶ (our) hearts³⁴, nor³⁵¶ (our) souls³⁶”.

16. And² this¹ hymn² uttered-by-Mazda⁴ (is) in-three⁶-parts⁶, (and belongs) to-the-four⁷-classes³, (and) to-the-five⁹-Lords¹⁰, (and its) fulfilment¹²-(is)-charity¹¹.

Through what¹³ (arise) its¹⁴ (three) parts¹⁵ ?—(Through) good-thoughts¹⁶, good-words¹⁷ (and) good-deeds¹⁸.

17. With what¹ classes² (of men) ?—The priest³, the warrior⁴, the prosperity-bringing⁶-agriculturist⁵ (and) the artisan⁷: in each^{8*} (of these classes a special) duty⁹ attaches-itself¹⁰† to the holy¹² man¹¹ (which is to be fulfilled) by holy¹³ thoughts¹⁴, by holy¹⁶-words¹⁵ (and) by holy¹⁷-deeds¹⁸; (such a holy man) reveres²⁰-(his)-Teacher¹⁹† (and) studies²²-the-Scriptures²¹† (and) through his²³|| actions²⁴ the worlds²⁵ advance²⁷ towards¶ righteousness²⁶.

18. Who¹ (are) the Lords² ?—He-of-the-house³, he-of-the-village⁴, he-of-the-province⁵, he-of-the-land⁶, (and) Zaraθuštra⁷, the fifth⁸ in those^{9*} lands^{10*} which¹¹ (are) other¹² than Raya¹³ of-Zaraθuštra¹⁴.

The Raya¹⁷ of-Zaraθuštra¹⁵ (has) four¹⁶-lords¹⁶.†

Who¹⁹ (are) the Lords²¹ of this²⁰ ?—He-of-the-house²² and²⁵ he-of-the-village²⁴ and²⁶ he-of-the-province²⁶ together-with²⁷† Zaraθuštra²⁸ (as) the fourth²⁹.

‡ ca. || -ca¹⁷ omitted. ¶ Orig. 4/1. *Verse 5.* * Sel. II.

NOTES.

The *Bayān* (or *Bayām*) *Yast* is the name given to the three Chapters (XIX–XXI) of the *Yasna*, which form a sort of commentary on the three Sacred Prayers (Sel. VII). The word *baya* f. (see below verse 3) meant originally a part (भाग) and is applied specially to a part of the Scriptures; hence it comes to mean a hymn or a sacred verse.* And these three chapters extolling the “merits” of the three prayers are appropriately named *Bayān Yast*. It may be noted in passing that the 14th Book of the original Avestic collection of 21 *Nasks* was also named *Bayān Yast*. It was said to have had 17 sections “of great beauty” and it dealt with the chief deities (*baya* m., भग) of Avesta, viz., Ahura Mazda and the Holy Immortals.† *Yasna XIX* is a commentary on the *Yaθā*. *Yasna XX* refers to the *Aṣem*. It is also called the *Hā Frāmraoṭ* from its first word. And *Yasna XXI* deals with *Yejhō hātēm*.

Yasna XIX.

1. Haug—Essays on the Religion of the Parsis, pp. 185–189.
2. Mills—S.B.E., XXXI, pp. 259–266.
3. Reichelt—Avesta Reader, pp. 73–75 (text) and pp. 174–176 (notes).
4. Kanga—*Yaçna and Vispered* (Gujarāṭi trans., 1886), pp. 88–94.

Mills says by way of introduction (S.B.E., XXXI, p. 259, ftn.): “The obvious errors contained in this ancient comment cannot destroy its great interest as a specimen of early exegesis . . . The *Ahuna Vairya* is in the *Gāḍic* dialect and the *Ahunavairi* metre. This *Zand* (commentary)‡ is in the *Zend* (sic)”.

In order to point out “the obvious errors”, Mills gives his own version of *Yaθā* in the beginning:

“As the *Ahū* is excellent so (is) the *Ratu* (one who rules) from the righteous order, a creator of mental goodness and of life’s actions done for Mazda: and the Kingdom (is) for Ahura which to the poor shall offer a nurturer.”

1. *mainyō*—8 l. Spirit. The word is applied to divine beings who have no visible physical forms. Nair. says मय्युत्तं. In Guj. we use the word मौनो in the same sense.

spēništa—8 l sup. of *spēnta*. The holiest. The word is used most often with the word *mainyu* (Barth., Wh. 1618). The Skt. trans. says मय्युत्तं or मुयुत्तं wherever the word occurs.

dātaro—8/1 of *dātar* (दात).

aθaum—8/1. The Holy One. Kan. explains this as an irregular form for *aθavan* which is the usual 8/1 (Dict., p. 64). He also quotes in A.G.,

* Kan., Dict., p. 364.

† Haug, p. 132.

‡ Cf. Yas. LVII. 8 (p. 68 above).

§ 142 (p. 102) the forms *āθraom** (from *āθravan*, a religious teacher), *θrizafəm*† (from *θrizafan*, three-jawed), and *yum*‡ (from *yvan*, youth).

ciŕ—Cf. Yas. IX. 3, etc. above.

avaŕ—1/1 n. That.

ās—See *as* above, Yas. XII. 7.

2. *asməm*—2/1 m. The sky. The word is used in contrast to *zām* the earth. The declension here is thematic (i.e. of the *a*-stems), the orig. form being *asman*. O. Pers. is *asmānam*|| used in the Insc. of Darius and Xerxes at Persepolis. The word is also found as *asan* ¶ It is cognate with Skt. अश्मन् (*stone*); in Av. the word also means stone. The Pers. آسمان (*āsmān*), sky and سنگ (*sang*), stone are derivatives. The word पर्वत is found in RV in the sense of cloud.** A similar connection of meaning is found between the pairs *cloud* and *clod*, *rack* and *rock*. Barth. (loc. cit.) suggests that the sky was supposed to be made of stone.

zām . . . *gām*. The metre seems to show that one of these (probably *gām*) is a later interpolation. Nair. says प्राक् जगत्प्राक् प्राक्गोः। Kan. understands by *gām* the whole animal creation. Cf. Yas. IX. 20.

Ātrəm—Cf. Yas. IX. 1. He is almost always called *Ahurahe Mazdā mθra* (Ny. V).

para naram aθavanəm—The Pah. version says that *Gayomard* (Av. *Gaya Marətan*) is referred to. In the Pah. invocation to the *Fravāšis* he is called *Gayomart nar aθō*.

para daēvāiš—Geld. marks this line as spurious. The sudden use of 3 3 in place of 2/1 supports this view. But see Jack., A.G., § 229; see also below *yāiš* in verse 9.

xrafstrāiš—3 3. Haug takes it as an adj. to *mašyāiš* and trans. "savage (cannibal) men". Kan. says "wicked men". Nair. has बुद्धिजडेभ्यो मनुषेभ्यः. Mills trans. similarly but adds (S.B.E., XXXI, p. 260, ftn. 4) "while the term may be applied to wild beasts one is strongly inclined to hold that foul insects are chiefly referred to". Barth. (Wb. 538) says that the word *xrafstra* (n.) in the Gāθ. means "a wild beast" or "an evil beast". In Y.A. the word is applied to vermin and foul insects who were regarded as the creation of *Ayrō-Mainyuš*. It also seems to be used for all the minor evil creation, spirits, goblins, etc., of weird shapes. The phrase *daēvāiš-ca xrafstraiš mašyāiš-ca* is also found in Gāθ. Ahu., XXXIV. 5, where, according to Barth. (loc. cit., note 1), the words *daēvāiš* and *mašyāiš* may be taken attributively. The etymology is uncertain. The first part (*xraf-*) is probably cognate with *kəhrp* (body). Pers. خرفسار (*kharfstar*) means the same thing and is used in purely Z. literature. P.

* Vis. III. 7. † *Āθa θri*° *Dahaku*; Yt. XIX. 50. ‡ Yt. XXII. 11, 12; Yt. XXIV. 58. || Also used contrasted with *būmi* (भूमि). ¶ Barth., Wb. 207. ** य इक्षयन्ति पर्वताम् तिरः

चतुर्दशवत् (RV., I. 19. 7); प्र वक्ष्या अभिजत् पर्वतानाम् (RV., I. 32. 1), etc.

Guj. has the word **जबलर** used in the sense of one who possesses a robust body which can stand a lot of wear and tear.

vispa—Note short final, a sign of later age.

mazdadāta—√*dā* (धा) to create. Created by Mazda.

aša-ciθra—contrast *daēvō-ciθra* above. Ven. VIII. 21 (Sel. VI, verse 2)

3. *mraot*—3/1 impf. par. √*mru* (मृ) to speak. *

baya—1/1 f. Kan. says "parts" and thinks (Ij. Vis., p. 88, ftn.) that the three lines composing the *Yabā* are referred to. Mills trans. "piece (of composition)". Dar. says "hymn" or "sacred prayer".* Barth. (Wb. 927) says "a piece out of the Scriptures, i.e. a hymn". Pah. trans. says *frakart* (section, part). Nair says **विभजना**. In this sense the word is the same as Skt. भागः but is f. But the word is used in the other two genders as well. When n. it means "luck", Skt. भाग्यम्. When m. it corresponds to Skt. भगः and means God. It is found in O. Per. also; *Baga vazarka Aura Mazda* (Ahuramazda, the Great God), Insc. Xerxes. In Y.A. it means "a divinity", e.g. *Māghem . . . bayem raēvantem*, Yt. VII. 5. The word is cognate with Russ. *Bogu*, God; Eng. *bogey*; P. Guj. बाड (coll. बाड or बाड). The title of the Nask *Bayān Yašt* is evidently from this last *Baya*, m.

Spitamā—Kan. trans. throughout this word by "holiest."

aēša refers to the *yašt* above in verse 1. See Barth., Wb. 33.

tē (v.1. *taštē*)—4 1. ते, तुभ्यम्.

5. *mē*—Kan. takes this with *Ahuna Vairya*. Haug takes it with *baya*. Mills says "which (i.e. the *Ahuna Vairya*) especially belongs to me".

anapayūχda—Barth. takes it as 7/1 of an abstract noun f. (Wb. 116); Kan. (Dict., p. 28) takes it as 1/1 p. pt. (f.) of √*vac* with *api* and the neg. *an* qualifying *baya* and trans. "without interruption". The idea is that while the verse is being repeated nothing else must be spoken in the middle. Nair. seems to mean the same thing when he says अनधिकोक्त्या (किल अविसात् अन्यात् मध्ये न वक्ति)। Reich. says "without insertion (of other words)"; Haug trans. "without mistakes"; Mills says "without needless repetition".

anapišūta—Barth. (Wb. 115) says "not disarranged"; Kan. (also Mills) trans. "without omission" (*an* + *api* + √*śu*, श्रु, to fall); Haug trans. "without mispronunciation".** Nair. says अनधिकरीयित्वेन (किल न वेदे).††

* "Prière divine".

† Of. *Yasnō kerstayo* above, Yas. I.VII. 22.

‡ Of. Eng. "portion".

|| The word means a spirit or ghost; the phrase **दाबडामांनो बाड** means Jack-in-the-box.
¶ Attraction of *yašt*. ** Mills adds a ftn. (op., cit. p. 261): "I do not think mispronunciation is here intended . . . I am strongly inclined to read *anepašūta*". †† A very extraordinary rendering, but see the Pah. version below.

srāvayamna—1 1 pres. pt. caus. pass. f. √*śru*. Being chanted. Cf. Yas. IX. 1.

satam—सतम्. The syntactical use of this numeral is exactly as in Skt. (Whit. § 486 b, c.)

paiti with acc. means “equal to” (Reich. § 522).^{*} The word is also used in the sense of “reward” or “return for service rendered” (esp. with reference to divinities) with the same construction.

ratwām gāthanām—Reich. says “Gāthā of *Ratu* force”. Barth. (Wb. 1499) explains this, that the literal idea of the word, namely “the authority of the *Ratu*” receded into the background in course of time and the word got the generalised sense of “authority”. (Generally however it was confined to mean authority of the holy books. Kan. trans. “precious” (कौमन्तौ) i.e. “full of merit” †; Haug says “principal”; Mills trans. “prominent in the ritual”; Nair. says गुह्यरक्षणम्. The word *gāthā* need not be taken in the special limited sense but in the orig. meaning of “chants”. The old Aṅ. texts, like the Vedic, had to be chanted.

āt—Even. • Mills says “further”; Kan. says “but”; Nair. has चेत्.

anyē—1, 3 for 2/3 required with *paiti*.

ratavō—refers to the *gāthanām* mentioned above.

6. *mē*—Mills and Haug take it with *ayhvō*. Better take it the same way as in the last verse.

ātahmi—7/1. In this, एतस्मिन्.

marāt—3 1 opt. pres. Shall recall (mentally). Haug. The √*mar* is the Skt. मृ. Nair. says चर्धेति [चर्धेते]. The idea is that the verse is mentally repeated.

marō—1 1 pres. pt. par √*mar*. Remembering. The participial stems in -ant often have the 1'1 in -ō (Jack., A.G., § 295). Haug trans. “in the course of recalling”. Mills says “having recalled”.

dr̥ṇjayāt—“Shall mutter” (Reich.); Barth. (Wb. 772-3) says that the word means “to learn by heart”, to repeat constantly in a low voice as is done while learning something by heart; “shall undertone it” (Mills); Nair. says प्रकृष्टं तदधीतं गुणयति ‡ (किल कामलीकुरते). It is a technical term used in ritual for muttering, corresponding to the अप.

srāvayāt—Shall chant aloud (in contrast to the above). “There are three expressions used for the recital of the sacred texts, viz. *mar*, ‘to recite’, *dr̥ṇj* (or *frāmrū*), ‘to recite in a low tone’, and *srāvaya* (or *frasrāvaya*), ‘to recite with a loud voice observing musical accents’. The first expres-

^{*} See also Barth. Wb. 824. † Kāś. adds (1j. Vis., p. 89, ftn.) that the word may be connected with मृत् and hence would mean, in this context, “leading unto truth” i.e. serving as spiritual guides. Hence I have translated “holy”. ‡ Cf. Guj. मन्त्रमृत् to buzz, to mutter.

sion conveys the most general meaning, viz. 'to repeat from memory' (*mar*, मर, to recollect), which was very likely done in the same way as the Brahmanas repeat the verses of the *Rigveda*, observing the accents in general. *dr̥ṇj* means evidently a peculiar kind of recital; it is chiefly applied to spells, and may be compared to the recital of the verses of the *Yajurveda*, which is done with a low voice, and monotonously. *frasrāvaya* is the solemn recital in the form of a very simple tune, comparable to the *Sāmaveda* by the Brahmanas. This expression is pre-eminently applied to the *Gāthās* (Haug, p. 142, ftn.). I am rather inclined to take these three terms as corresponding to the Skt. दृष्ट्वा, जप् and मै respectively.

yazāite—"Should praise it" (Kan.); "prays to it" (Reich.). "After chanting or reciting sacred verses one prays to them (the versé, or hymn, being considered a deity) with the formula: *Ahunəm Vairim yazamaidē*". (Haug, p. 186, ftn.). The formula *stāomi Aṣem* is also used for the Aṣem.

θriš-ciṭ—All commentators (including Nair.) have taken this word to refer to the crossing of the bridge three times. Mills seems naturally puzzled at the idea of the triple crossing and attempts to introduce a new idea in his trans., "with even threefold (safety and speed)" and adds (S.B.E., XXXI, p. 261, ftn.): "three times seems to me to lack meaning, but it may have given rise to the foolish belief that the soul went three times before death to heaven". I propose to take it as referring to the three regions referred to immediately after.

tarō—ACROSS, तिरस्.

paratūm-ciṭ—From √*par* to cross over (Barth. Wb. 851). Bridge. Here the reference is to the bridge—the *Cinvatō paratūš*; the bridge which the soul crosses on the morning of the fourth day after leaving the body, and where it is judged by *Sraoša* and *Rašnu*. Nair. says चांदोर पुळलेन सेतुना. Cf. Kur. *purd*, Pers. پل (pūl), bridge.

frapārayeni—1 I sub. pres. caus. par. √*par*. I shall cause to cross over, i.e. help to cross over. Cf. Grk. *πείρω*, to pierce through; Goth. *faran*. Nair. says प्रापयामि. The same idea and the same words occur in Yas. LXXI. 16,* Ven. XIX. 30,† and Vis. VII. 1.

ā—Unto, with abl. Cf. *ā-darəyāt*, Yas. LX. 6, above.

raocōbyō—Note plu.; cf. Yas. XII. 1, above.

7. *aparaodəyete*—Makes less (Kan.); omits (Reich.); Mills trans. "takes ought therefrom"; Nair. says परिहरति.

yaṭ . . . vā—Whether.

naēməm—Half. Pers. نیم (nīm) half. Cf. *antara-naēmāt*, etc., Yas. LVII. 21.

* *frapārayəne urvīnəm tarō Cinvatō paratūm*. † Sol. XIV.

brīṣum, *caṣruṣum*, *paṭtaṭhum*—A third, a fourth, a fifth (part). These are special formations only found in Av. and not paralleled elsewhere.

pairi . . . *tanava*—1/1 pres. sub. par. $\sqrt{\text{tan}}$ with *pairi* to keep away from, to twist away from (Barth., Wb. 633).* Cf. *pairi-tē tanava vrodnam haca acištāt aṇhao*, Yas. LXXI. 15. Nair. says विक्षेपयामि.

dīm—Cf. Yas. IX. 1.

avavaitya—Orig. 3/1 f. of *avavañt*.† As much; Barth. (Wb. 175) takes it as 7/1 used adv. Nair. says तावन्मात्रेण.

bāzas-ca—Kan. takes this as 2/1 of the n. stem and trans. “length” (Dict., p. 381) and *bāzō* below as adj. 1/1 meaning “long”. Barth. (Wb. 962) seems to take it as “in height” (7 1 ?)‡. Nair. says पिण्डेन. Mills takes it in both places as “large”.

fraṭas-ca—Nair. says इष्टुल्लेन. Kan. takes this in both places as he does *bāzas-ca*. Mills in both places takes it adj. and trans. “wide”.

pairi-tanuya—1/1 opt. pres. atin.

īm—1/1 f. *iyam*.

zā—1/1 f. The stem is *za/em* (ज़ा). Jack. (A.G., § 318) explains this form as from $\times zān$ (?) + *s*. The declension of this word is apt to be confounded with that of *zyām* (ज़िम), winter (Reich. § 384). Cognate are Gk. *χαμαί*, Lat. *humī*, Russ. *zemlyā*; Pers. *zami* (زامی) is a derivative.

asti . . . *fraṭas-ci*—Nair. trans. अस्ति च इय जगती तावन्मात्रेण पिण्डेन यावती इष्टुल्लेन. Haug and Mills regard this sentence as *Pāzand*, i.e. an explanatory parenthesis. *bāzo* is length, the meaning usually given is “height”. *fraṭas-ci* refers to the breadth. Kan. takes these words as adj. f. 1/1 (Dict., p. 381).

8. *vaoce*—1/1 ātm. pīpft. $\sqrt{\text{vac}}$ (Reich.); Kan. takes it as pft.

ya *ahumai* *ya* *ratumai*—Barth. (Wb. 284) trans. “which contains the words *ahu* and *ratu*”. Mills also seems to agree with this idea. Haug trans. “about the heavenly lord and the earthly master”; and Kan. follows him when he says, “referring to the *ahu* and to the *ratu*”. The same two words occur also in Vis. I. 5. and Vis. II. 7. and the Pah. commentary on the former passage (quoted by Barth.¶) says: “that divine being (*mēnuk*) upon the path to whom one finds the Lord and the Teacher”. Nair. says, यत् स्वामिनम् यत् गुरुमन् (इदं एतस्मान् प्रकटं यत् स्वामिनो गुरोर्गुरुणम्). The meaning seems to be that the *Ahuna Vairyā* leads a man to *Ahu* and to *Ratu*.

avaighe—6/1 m. That yonder. “That heaven as contrasted with this earth”.**

* परिपत्तम् in RV. has a similar sense, used with acc.; परि यां जिज्ञया तनत् RV. VII 72. 8. † Kan., Dict., p. 52. ‡ See Reich. § 355. ¶ G.B.E., XXXI, p. 262, fn. 3, where he says that this refers “to the wording of the *Ahuna*”. ¶ Loc. cit. The Pah. passage runs: *ān mēnuk iō X atdō s dostawar dārend pa rās i ōi*. ** Reich. A.R., p. 174.

aṣṇō—6/1 of *asan*. See *asmam* verse 1 above.

dāghōi—5 1 m. Creation. The usual form of the word is *dāhi* (see below, the last word of this verse).* The variant *dāghī* is found only here. Cf. Skt. धानि (dwelling place) which occurs in RV, IV 55. 7, and in other places.

-paīśtānāyā—(cf. *maiḍyō-paīśtānūs-ōa* (Yas. LVII. 6; Sel. II).

narš aṣaonō—Nair, as usual following the Pah. tradition takes this as a proper name and says प्राक् नरात् मुक्ताकनान्. (गद्वीमदीन्); cf. above verse 2. It may be noted that in Yas. XII. 7 (Sel. V.). Nair says only नर पुष्पाकनम्

zūlāi 5 1 of a noun from *zan* (जन्), to be born. Birth. (cf. Yas. XLIV. 3 (Sel. XVI)

hū—6 1 of *hvar* in. Sum of Yas. LVII 10 (Sel. II). Har takes this as equivalent to *hu* (हु), good and compounds it with *θwarštō* †

θwarštō (𐬔𐬭𐬀) —Barth. (Wb. 796) takes this as 7 1 of, *θwaršti* f 1 —from *θwaras* to cut out, to create. Kan. takes *θwarštō-kōhrpya* as a comp. 7 1, taking *θwarštō* as p.pt.pass. of *θwaras*. (Dict., p. 237), and trans. "created-shape". The loc. may be due to the idea of creation *into* a shape. Haug takes *hū θwarštō kōhrpya* as "sun-composed matter"; Nair. says सूर्यस्य विनिर्मितकृत्यात्. The loc. ending *-ya* is due to "an enclitic postpositive *a*" which is added to the regular ending *-i*. (cf. also the endings *-āda* (5 1; Yas. IX. 4)‡, and *-āva* (7/3; Yas. IX. 5¶). .

ape (𐬀𐬨) —After (in the sense of time); Barth., Wb. 82. Thus also Kan. in Ij. Vis., p. 90. But in ftn. 5 on the same page he suggests that it may be 7 1 of *apa* wish (𐬀𐬨, to wish) and he gives this latter rendering in his Dict. (p. 33), where he quotes another passage: *yā me daēnām mādza-yasnīm tras-ca dāt apau-ca aotāt* (Yt. IX. 26**), which he trans. (Kh. A. b. M., p. 261) —"Who (Drvāspū) may fix her faith†† in my law of Mazda-worship and may proclaim her wish". But in Dict. (p. 463) he quotes the same passage with the v.l. *api-ca aotāt* and trans. *api-va* as "to learn", "to come to know".‡‡ Haug trans. the word *ape* "before", and renders the whole sentence *para hū . . . dāhim* by "before the Sun-composed matter for the creation of the archangels". Kan. quotes this,|| with the remark that the Ameshaspends, according to this idea, would seem to have been born from the solar radiance. Mills remarks on Haug's trans.¶¶ that this "would give us a materialism". He himself renders the passage thus: "before this sun with its body made for the acquisition of the creation of the

* *dāhi* occurs only in one other place besides this verse, viz., Yt. XIII. 77, Barth. Wb. 744, † Quoted by Kan., Ij. Vis., p. 90, ftn. 5. ‡ Beich (§ 363, ftn. 3) explains the f. 7/1 ending in 5 as due to the influence of the *a*-stems. The syntax of the loc. as here is explained in § 519.

|| Jack., A.G. § 222. ¶ Sel. I. ** Sel. XXII, Part 2. The words quoted are the words of Z. †† The word *yas* is cognate with Skt. ऋद् in ऋद्धि. ‡‡ Cf., Yas. IX 25, Sel. I. See Barth.

Wb. 41, where he compares *api-aot* to Lith. *pajauti*, impression. ¶¶ Ij. Vis., p. 70, ftn. 5 ¶¶ S.B.E., XXXI, p. 262, ftn. 4.

Bountiful Immortals"—explaining further: "Enabling us to receive the blessings which they bestow through the influence of the sun".* Nair. says *अनाद्योके च अमराणां गुरुणां दत्तम्* which is rather inexplicable.† If we take Barth.'s trans.—"before the creation of the sun . . . but after that of the Holy Immortals"—the idea implied is that the Immortals being parts of the Almighty Himself have in a sense co-existed with him, before they were "created" as individual entities. On the whole it were best to take *ape* as a variant of *aipi* (अपि)‡ and to trans. it by "even", construing *para* and *dāhīm* both with *hū* and with *Amāšanāra*.

9. *frā* . . . *vavaca*—Barth. (Wb. 1332) says that here (and only here) the word is used in a "pregnant" sense of "calling forth (into existence) through Speech". The idea seems to be that of creation through the power of sound or of the *mantra* corresponding to the Grk. idea of the music of Apollo, or of the *lógos* in *St. John*, I. 1. Haug also translates the same way. Kan. and Mills merely say "declared".

mē—Reich, omits this word in his trans. Mills takes it as governed by *vavaca* and trans. "declared to me (*Zarathuštra*)" and adds (p. 262, ft. 7): "Of course fictitious, as Z. had long been among the dead". Kan. follows Mills, but does not try to explain who the "me" may be. Haug. trans. "my two spirits" and explains: "The two spirits united in Ahura Mazda, as the one God, are *Spəntō-Mainyūš*, 'the beneficent spirit' and *Ayro-Mainyūš*, 'the hurtful spirit'".||

spanyā—1 1 com. of *spənta*. Holier (Barth., Wb. 1612). Cf. *Mainyū* . . . *ya_{yā} spanyā ūti mraot yəm angrəm*, the two spirits . . . of whom the holier spoke thus to the hurtful one (Yas. XLV. 2.). This is of course the *Spəntō Mainyūš* and not, as Mills understands it, Ahura.

Manivā—6 2.

stim—2 1. Creation. See note on *ā-stiś*, Yas. LX. 1 (Sel. IV). The whole phrase *stim* . . . *bušyeiñtim-ca* is also found in Yas. LII. 1. and LXVII. 22.¶

bavaiñtim-ca.—Lit. this is the philological equivalent of Skt. भवन्तीम्. And Barth. (Wb. 927) translates it lit. as pres. pt. of *bū* (भू) "becoming", i.e. about to come into existence. The three words *haiti*, *buvaiñti* and *bušyeiñti* occur together elsewhere also—Yas. XXI. 4, Vis. XXIII. 2.** and the two passages (Yas. LII. 1 and LXVIII. 22) noted above. In all these cases the Pah. trans. takes it in the sense of the p.pt. *būtā*. The Pah. trans. in these passages runs: *kēca hēnd, kēca bāt hēnd, kēca bavēnd* (Barth., Wb. 933, note 5). Nair in the Yas. passages always translates वर्तमान, अतीत and भविष्य. Kan. and Haug support this traditional trans. which is in fact

* S.B.E., XXXI, p. 262, ft. 4.

† Skt. Par., II, Note III.

‡ Geld. notes a v.l. *api*.

¶ P. 187, ft. 1; cf. also note on *Ayro-Mainyūš*, Yas. IX. 8. (Sel. I).

¶ Barth., Wb. 1662

** These two passages read the first word *hantem* (m.) and the other two words correspondingly in the same gender.

the most obvious one. Mills trans. like Barth. but asks whether it cannot mean the past.*

šyaobnō-tāitya—Through the words beginning *šyaobananām*; Barth. (Wb. 1713) takes this as 7/1 of *°tāitāt* (f.).† The word occurs only in one other place besides this—*šyaobnō-tāitya havanaēibyō paitijaphōit*, “at the word *šyaobananām* he shall spring to seize the mortar” (Nir. 81)‡. Similar in formation is the word *uštātāt* which designates (1) the portion of *Aṣem* beginning with *uštā asti* . . . (see Yas. XXI. 2. below) and (2) the opening verse of *Gāθ. Ušt.*, Yas. XLIII. 1|| (used in Yas. XX. 4.¶ and Vis. XVIII. 1 and 2 in this sense).** The *-tāt* is a secondary suffix corresponding to *तति* (or *-तत्*) of Skt. In Avesta as also in Skt. the suffix has a general abstract signification “but opinions are at variance as to its nature”††. We often find the *-tāt* used almost as an independent word, e.g. *yavōē-ca*‡‡. *tātaē*, “for eternity” (Yas. LXII. 6) as contrasted with *yavatātaē* (Yt. XIII 50). The words *Haurvāt-tāt* and *Amərətā-tāt* show the same suffix. Barth. trans. *šyaobnō-tāt* into Ger. as “*šyaobna-tum*”, i.e. the (words beginning) *šyaobananām* (Wb. 1713) and similarly *uštātāt* he renders by “*ušta-tum*” (Wb. 418). Mills||| and Kan. (Ij. Vis. and also Dict., p. 560) trans.: “With reference to the performance and realisation ‘of the actions of a life devoted to Mazda’.”¶¶ Haug trans. “Through the operation of the actions of life towards Mazda”. Reich. (A.R., p. 175) says “by (speaking) the passage *šyaobananām*, viz. *šy. a. M.*”

10. *uxdanām*—Prayers. Barth. translates the word (here as well as elsewhere) by revelation or “words revealed by a divine being”***

uxdotama (अ॒प॒.)—Lit. that which is most a prayer; i.e., the greatest or the most efficacious prayer. Mills says “most emphatic”. Nair. says वाक्योऽथो वाक्यतमम् (किञ्च सुलतमम्).

yāis (v.l. *yāi*)—Reich.††† says that 3/3 is used for 1/3 and cites Yas. LVII. 17 (*vispāis ayān-ca xšafnas-ca*)‡‡‡. Jack. notes that *yāis* is used as a general plural case. This he notes is often the case with 3/3 terminations.|||

vaocē—Barth.¶¶¶ takes this as 3/1 pass. \sqrt{vac} . He takes the following two verbs also the same way. Haug and Kan. take this to be 1/1, and the latter apparently takes *yāis* as an irregular form of 2/3 of *ya* (m.).**** Nair. says यः कदाचित् प्रकटं ज्योषत्.

mruyē—Mills asks (p. 262, ftn. 10): “Can *mruyē* (-vē) be a third singular like *ghnē*, *išē*?” The ending *-e* is sometimes found for 3/1 atm.†††† *br̥ē* as 3/1 atm. (pass. in sense) is found in RV., V. 61. 8 (उत वा नेमो ब्रूचेतः उमा इति ब्रूचे पविः).

* S.B.E., XXI, p. 262, ftn. 8. † Can it not be 3/1 of *°tāiti* (f.)? ‡ Dar., S.B.E., IV, p. 356. || Sel. XVI, last verse. ¶ See below p. 194. ** Barth., Wb. 418. †† Whit. § 1238. ‡‡ From *gess*, time, duration; cf. *gess* (Yas. LX. 7, Sel. IV). ||| S.B.E., XXXI, p. 262. ¶¶ “Through the state of action”, Mills adds in a ftn. *** Wb. 381. ††† A.R., p. 175; and Reich. § 427. ‡‡‡ Sel. II, above. |||| A.G., §§ 230 and 402; see also Kan., A.G., p. 148, ftn. 8. ¶¶ Wb. 1331. **** A.G., p. 148. †††† Jack., A.G., § 450 and § 518, 1. ii (ftn. 5) and Whit. § 613.

vaχšyete (v.l. *yeite*)—Kan. takes the verbs *vaocē* and *mruyē* as 1/1 but he takes this as 3/1 (pass.); Haug also takes similarly.

ana—Barth., Wb. 112 ff. takes it as a pron. used substantively, referring to the prayer.*

avavaŋ . . . yaθa yaŋ—So much . . . that (Barth.)†. Cf. *avavata aōjaṇḥa yaθa pañca narō*, “with as much strength as i. (there were) five men”, Ven. XV. 10.

uxdata (अ॒प.)—Word-effectiveness (Reich., A.R., p. 175). Barth. takes similarly‡. The word is fem. with *-tā*-suff. Kan. (Dict., p. 95) trans. the word by “praiseworthiness”, but in Ij. Vis. he says “worth” (स॒त्त्व॒क॒त्त॒वः). Nair. says तत् एतावत् वाक्यम् (किल एवं कार्योक्तिः)।

yaŋ—If.

diŋ—Barth., Wb. 685 reads thus, but later, Wb. 1553, he reads *dim*. Reich. also (A.R., p. 175) gives both the variations within half-a-dozen lines. There is an enc. pro. *dī* (*day*) which shows a few sporadic forms. These forms may be used as referring back to a previous substantive or sometimes as anticipatory||. The forms are *dīm* (2/1 m. f. n.); *dī* (2/1 n.), *dīš* (2/3 m. f.) and *dī* (2/3 n.)¶. Kan. also mentions a form *dēm* (2/1 m.)** Kan. puts a stop after *astvā* and trans., “its worth is equal to the whole corporeal world”, evidently omitting the *yaŋ*.††

āsaχšat—3/1 s-aor. subj. par. √*sak*‡‡ with *ā*, to hold in memory.

saχšās (v.l. *sašās*, *sašās*, *saχšyās*)—1/1 pres. pt. par. √*sak*. Kan. trans. “learner”, or “pupil”.

dadarānō—1/1 pft. pt. atm. √*dar* (दृ)‡‡||. Holding in mind, retaining in mind. Kan. trans. *āsaχšat . . . dadarānō*: “the learner if he studies diligently”, taking the last word as “diligently”.

nī pairi . . . haraitē—The atm. is here used reflexively. It means “protects itself from (*pairi* with abl.)”¶¶. Cf. *nišhaurvaiti*, Yas. LVII. 16 and *hišārō*, Ib. 17. (Sel. II).

iriθyāstāt (अ॒प.)—5/1 f. pres. pt. par. √*raeθ*. Death. Cf. *iristanēm* Yas. XXVI. 7.

11. Kan. takes this verse as spoken by Z.

frāvaocē—Pass. as in previous verse, Mills and Haug trans., “I (Ahura) have proclaimed”. Kan., however, takes it as pass. and trans., “has been declared unto me (Z)”.

saχšāēm (v.l. *siχšāēm*, Barth.; *siχšim****) (अ॒प.)—Adj., “worthy to be

* Reich., A.R., 175. † Wb. 176. ‡ Ib. 382; “Spruchtum eva. Spruchgewalt,—wirksamkeit”. || Ib. 694 ff.; and also Reich. § 580. ¶ Reich., § 398; Jack., A.G., § 396. ** A.G., p. 141. †† Or does he take *yaŋ diŋ* together? ‡‡ √*sak* means “to learn”, “to understand”, Skt. ज्ञ॒क् and ज्ञि॒क् are connected. ||| Barth., Wb. 690. ¶¶ Ib. 1787. *** Ib. 1580.

learnt". Used with dat. of the person. Nair. says शिक्षणीयम्. Barth. takes it as a sort of desid. pt. (*Grundriss d. iran. Phil.*, I. § 320). Mills* suggests another way of taking this sentence: "it has been declared to us, the learner and the one in charge of the ritual". Haug trans., "(I) repeated"; Kan. says "in order to be taught".

hiṣmārim-ca (अ०).—Pft. pt. Bost to take it like the previous word *saṣṣaēm* and trans. "worthy to be thought over". The word lit. means "worthy to be remembered" (ॐ mar, ॐ smar. स्मृ-स्मर) and Kan. takes it thus. Nair. says उदीरणीयम्.

yaθna (v.l. *yaθana*, Reich.)—Barth. takes it as an indec. and trans., "and indeed"†. Kan. takes it in the sense of "so that"‡, but in his Ij. Vis. he apparently omits to trans. this word.

12. *yaθa*—Geld., Barth., and Reich. print this *y a θ a* as if it were a quotation from the text. Haug takes it in the ordinary sense, "as" or "when".

frā . . . āmraot—Kan. trans. "has recited with understanding". Reich.|| calls it "an universal injunctive".

iða—Refers to the beginning of the hymn.

dim—Reich. thinks it refers to Z. Kan.|| takes it as referring to Ahura Mazda. Haug merely says "it" without further explanation.**

uhūm-ca ratūm-ca—Kan. strangely enough follows Haug here in taking *ahu* to be the spiritual leader and *ratu* as the earthly sovereign, दौन तथा दुनियांना बडा. Usually he takes it the other way††. Mills trans. "Lord and regulator". Nair has स्वामिने गुरवे च.

ādadaṭ (v.l. *dadṭ*)—Geld., Barth. and Reich. print *ā d a d a ṭ*. Kan. trans. "appoints" (मुकरर करेके). Nair says दधाति and adds by way of explanation किल वपुः आचार्याय दत्ते.

iθa—Thus, in this manner. Cf. इत्या॥, इत्यम्. Reich. prints *i θ a* for he thinks the word is meant for *aθā* in the first line of the hymn, hence a quotation. Geld. thinks that *iθa* is a variant of *iða*||. Mills adds by way of explanation, "by thus reciting these authoritative words". Nair. says एवम्. Kan. says "likewise" (तथा).

dim—Kan. takes it, consistently with the previous *dim**, as referring to Ahura Mazda and so do the others. Nair. seems to refer it to the *dāmabyō*, माः याः . . . दृष्टयः.

para-cinasti—, *kaes* with *pura*; Barth. says that in exigetical texts like this it means "to refer to" and is used with the acc.||. Kan. (Dict., p.

* S.B.E., XXXI, p. 263, ftu. 1.

† Wb. 1250.

‡ Dict., p. 421.

|| § 660.

¶ Ij. Vis., p. 91, ftu. 4.

** Probably referring to the hymn itself, see his trans. of the next

verse. †† See his Dict., p. 430.

‡‡ Grass, Wb. 204.

|| Quoted by Barth., Wb. 366, note 2.

¶¶ Wb. 430.

181) takes the word as from *cūt* (7th or ८th-class) with *para* meaning "to acknowledge," "to regard". Haug says "recognises as prior". Nair. has बासादयति.

manas-paoiryāēbyō dāmabyō—('reation prominent in possessing mind. Kan. explains this to refer to humanity. Haug trans. "the creature, the first being the Mind".* Mills trans. "creatures who have 'the mind' as their first" and add. (S.B.E., XXXI, p. 263, fn. 3), "see *dazdā manayhō* coming 'before' *šyuoŋananūm apħēuš*, *χsathrm* and *vāstūrēm*." Reich. says "for the creatures with the first thinking (?)", and he says "according to the Pahlavi translation these creatures are *Gayomart* . . . and the first creatures of the good creation"; † and he adds the word "obscure". Barth. (Wb. 1126) says "first in thinking" (der erste im Denken). Nair. apparently following the Pah. version says एवं ताभ्यः बासादयति याः होर्मिउदस्य मनसि प्राक्तनाः सृष्टयः (किल सृष्टीः प्रवर्तमाना कुर्वन्नास्ते । होर्मिउदमनः प्रमोदकरः) ॥ Haug seems to have hit the true sense; Ahura is the first of the Holy Immortals.‡

y a θ a . . . a) a*—These are quotations. Haug trans. these words in the usual manner. Kan. trans. the whole sentence rather lamely: "(such a person) acknowledges him as the greatest of all creatures"; he, however, admits this weakness of his renderings and thinks it might have been better.‡

This verse and the next two are very obscure in construction. The words are not difficult. Nair. is more than usually involved in these verses. Kan. does not even attempt the verses 13 and 14 for the reason that he cannot offer a connected rendering of the whole.

13. *hujitīs*—1 I. Good beings (Haug); amenities of life (Mills); good conduct of life (Reich.); happy life or the happiness of life (Kan., Diet.); good life (led according to the teaching of the Scriptures) (Barth., Wb. 1821). Nair. says सुजीवनि. Mills thinks that *Mazdā hujitīs vayhēuš* is a quotation from an earlier and lost version of the Ahunavar.*

θritim tkaēšam—Third sentence (Mills); third proposition (Reich.). Barth. understands the word *tkaēšam* here to mean a single sentence of the scriptures or a single doctrine or dogma**. The first two teachings have* been given in the previous verse when explaining the two phrases beginning with *y a θ ā* and *a θ ā*, and the word *vayhēuš* now introduces the third teaching contained in the Ahuna Vairya.

ādranjayeiti—*drang* + *ā*, to affirm, to fix††. I have followed the trans. of Barth.‡‡

* The Immortals with Good-Mind at their head. † In the Pah. as given in the version of West (S.B.E., XXXVII, p. 467), there seems to be no mention of Gayomart. Perhaps Reich. thinks of some other Pah. text. The trans. as given by West of the Pah. version is given at the end of these notes. ‡ See above, p. 84 (top). † Ij. Vis., p. 91, fn. 5. ‡ S.B.E., XXXI, p. 263, fn. 4. Wb. 813. † Barth., Wb. 772. †† Ib., loc. cit., and 1721.

im—This is an enc. pron. *i*, of which the following forms are found. 2/1 m. *im*; 2/1 n. *iḥ* (G.A.), *iḥ* (G.A.)*; 1/2, 2/2, and 8/2 *i*; 1/3 n. *i*; 2/3 m. *iḥ*, n. *iḥ*; Mills refers it to Ahura and Haug to Ahunavar.

Manaṇhe—4/1. I take this word to refer to Vohu-Manō. Nair mentions मनुष्य here.

fradaḥṣtārēm—Teacher, or Master. The word is used in Gāθ. Ahu. (XXXI. 17) for Ahura Mazda: *zdī nē Mazda Ahurā vaṇhēuš fradaḥṣtā manaphōḥ*† (Barth., Wb. 982). Mills trans. "one who indicates (the truth) to mind".

aētavaitya—Barth. (Wb. 18-19) takes it as the 7/1 of *aētavan*‡ used adv. and trans. "therewith".

kārayeiti—Caus. √har. Makes out to be, i.e. points out.||

14. *yaṭ dim . . . dāmān*—Reich. call this passage "obscure. Haug trans. thus:—

"And he acknowledges it for the creatures through Mazda, so (he does) this, that the creatures are his". Mills says: "And when he acknowledges Him for the creatures thus, 'O Mazda!'¶ he acknowledges Him (as their ruler) when he assigns the creatures to Him thus". The order of words here is very obscure—this being the beginning of prose style is necessarily involved like that of the *Brāhmaṇas* in Skt.

M a z d ā i—Geld. reads *M a z d a*, but says in his footnote (2): "So all Mss. Bb. 1** above, *Mazda yiṭaḥ*†—*Mazdāi iṭa*?" I have adopted his suggestion here and take the word as a quotation.

dim (v.l. *dēm*, *d . . .*)—Geld. and others read *tēm*, but Geld. notes the other v.l. mentioned here as well as the *dim*. I have adopted this reading to keep up the uniformity with the preceding verses; as referring to Ahura Mazda.

ahmāi—4/1 used for 6/1. Cf. *ahurāi* in the Yaθā (Sel. VII. a).

taṭ . . . ḥṣaθrēm—The words also occur in Yas. LIII, 9 (Gāθ Vah.), *taṭ Mazda tava ḥṣaθrēm yā vrazdajyōi dāhī drigaovē vahyō*.

drigub yō etc. (v.l. *drē*° Reich. and Haug)—Note that in the quotations the full text is not given, and often only the crude words (uninflected are quoted): The last sentence (*d r i g u b y ō . . . Spitamāi*) is characterised by Reich. as obscure. Haug connects it on with the following words up to the end of the verse. His trans. follows closely the Pah.

* Used as a particle only. Skt. इत्. † Jack., A.G. § 397. The *im* is not to be confounded with *im* (इयम्) which is the 1/1 f. of the stem *acm*. It may be noted that for the *im*** in verse 12 Geld. notes the v.l. *acm*, *yim* and *ym* (?). ; Sel. XXXIV, Part II. || Barth. Wb. 488; he compares Skt. मनुष्यम्. ¶ He adds a footnote: "Reading Mazda (?)"—S.E.E., XXXI, p. 363, fn. 4.

** See his *Prolegomena*, p. II. †† The letter *y* here has got the medial form and hence it may be read the other way also. This MS. Geld. notes is a carefully written one on the whole.

version. He says "(The phrase) *dragubyō vāstārēm* ('protector for the poor') acknowledges, as a friend to Spita na, the five phrases, etc. "Somewhat similarly also Nair.: यः दुर्बलेभ्यो वाहारं वासादयन्नाले । (किल श्रमं तेभ्यो कुर्वन्नाले) । यथा मित्रं स्थितमाय पञ्चन्यायो भूतः ॥ etc.

vabā—As it were.

urvaθēm—Friend, Barth. derives it (with a query) from \sqrt{var} to choose.* Cf. *kē urvaθō Spitamāi Zaratruštrāi nā Mazdā?* Yas. LI. 11.†

Spitamāi—4.1 for 6.1? Or is the Av. idiom the same as the Eng. "friendly to a person".‡

pañca-ṭkaēṣu—Geld. prints these separately. I have made them into a comp. "five (-fold)-teaching". The punctuation of Geld. is notable. He puts a stop both before and after these words. And he adds this valuable footnote: "All manuscripts connect *pañca ṭk* continuously with the foregoing|. J3|| alone has a large stop before *pañca*, the translation however does not begin till *ṭkaēṣa*; cf. Yas. XX. 3, XXI. 2".** Hence I trans. the words separately as an ending—" (Thus) the five (-fold)-teaching". The commentary proper ends here; what follows is a catechism (see below). The "five-fold teaching" is rather hard to explain, very probably the phrases beginning 1. *yuθā*, 2. *aθā*, 3. *vaykēus*, 4. *χəθrēm* and 5. *dragubyō* are meant.

vispēm is used in the sense of "whole".

fravākēm—Haug trans. "recital"; Barth. says "revelation" ††

haurum (v.l. *rem*)—सर्वम्, the whole. Note that the word *vacaḥ* in Av. is neu.

15. *vahištō hāmō kārayaṭ*.—This *pāda* has been taken variously. "The same impressed it on ('his' or 'our'?) memory" (Barth. and Reich.), taking *kārayaṭ* to mean "impressed on the memory" ††. Haug says "the Most-Excellent, the Eternal, caused it to be repeated (after him)". Mills trans., "and as he pronounced it the best, so He caused it to have its effect, (He, ever) the same, (as He is)", an unnecessarily involved and verbose rendering. Kan. (Dict., p. 585) takes, *hāmō* to be 8:1 used for 2/1||, and he trans. the word as "complete" or "whole" (संपूर्ण)-सम in the sense of "whole" or "complete" is found in the phrase सद्दिमनः समस्य (RV., VI. 27. 3 and X. 54. 3). Kan. trans. the whole phrase thus (Ij. Vis., p. 92): "and (accordingly He) the Highest made (it) complete", and he does not explain what the "it" may be. But in a footnote (loc. cit., fn. 1) he suggests an illuminating alternative trans., "and (in accordance with the Ahura Vairya) the Highest fashioned the whole (creation)"; and he explains further that the

* Wb. 1537. † Sel. XXXVI, Part 2. ‡ Cf. Whit. § 296. || Hence Nair's and Haug's trans. ¶ This is a MS. with the Skt. trans. of Nair., see Geld, *Prolegomena*, p. IV. Also note the words "large stop". ** Kan. in XX, 3 (Kh. A.b.M. p. 137) supports my way of translating this passage. †† Wb. 995. ‡‡ Ib. 448. ||| May be due to "attraction" of *vahištō* or the influence of the *akar*; see Whit. § 208 a (सर्वो रूपं कला).

Ahunavar expressed as it were the thought or plan in God's mind regarding the creation and later the thought was bodied forth into the visible universe. Nair. says *इदिकारितया समयं संक्षिप्तो भूतः (किल संपूर्णो भूत्)* ।

hiθwaŋ (अ०).—Barth. (Wb. 1813) takes it as an adv. used with *abavaŋ* in the sense of "seized with anxiety". He takes it from *hi* (चि) to bind. Kan. derives it from the same root but following the Pah. trans. (*iēz*) he trans. the word as "quickly"* (Dict., p. 589) and he trans. the *pāda*, "the Evil One disappeared quickly". Mills renders it, "the evil one at once arose (to oppose Him)". Haug has got the very curious rendering, "owing to a pause Evil originated". There are two words found in the *Gāθ.* (each only once), *hiθa* and *hiθu* which are probably from the same *hi* and are therefore to be taken as guiding us to the true sense of the word *hiθwaŋ*. *hiθa* occurs in *Gāθ. Ahu.* (Yas. XXXIV. 10), *Spəntān Arməitīm . . . hiθām Ašaŋhā* (Spənta Armaiti . . . the companion of Aša). *hiθu* is m. and means "union" or "companionship"; it occurs in *Gāθ. Spən.* (Yas. XLVIII. 7), *Aša . . . yehyā hiθaušnū Spəntō* (Aša . . . in whose companionship the holy person)†. Kan. compares these words with *सेतु* in his Dict. (p. 589) and G.b.M., p. 175, fn. Hence I trans. the word *hiθwaŋ* as "companion". As remarked above‡ the two Spirits are companions and are eternal. Such is the teaching of the *Gāθas*. In later Av. literature the Good Spirit is often identified (as here) with Ahura Mazda. This is clearly seen from the words *nōiŋ*, etc., of this verse, which are quoted from *Gāθ. Ušt.* (Yas. XLV. 2).

aŋtarə . . . āmrūta—*antarə* is a sort of verbal prefix here. Lit. "speak (or conjure) an evil to a distance", hence to repel at a distance.¶ Note that this form is atm. Haug says "kept him within bounds, restrained".

-*ca*—I take this in the sense of "but" here. Though the evil one was a companion to the Good Spirit still the latter kept the Wicked One far from himself.

aŋtarə-uχti (अ०).—3 l. Interdict‡. Lit. "speech to keep at a distance"; Mills says "repelling renouncement".

The three lines *nōiŋ*, etc., are a quotation from *Gāθ. Ušt.* (Yas. XLV. 2), but the language has lost its *Gāθ.* peculiarities, e.g. long final. The orig. text very clearly brings out the association of the two Spirits in the work of creation and these words (ascribed here to Ahura Mazda) are in the orig. spoken by Spənta Mainyuš. The verse in the *Gāθ* runs thus:—

aŋ fravaχšyā aŋhəuš mainyū pouruyē,
gayā Spənyā ŋiti nraŋat yəm . Izyrəm :
"nōiŋ nū manā nōiŋ səuŋhā nōiŋ χratəwō
"naēdā varanā nōiŋ uχdā naēdā šyaoŋanā
"nōiŋ daēnā nōiŋ urvəŋō hacaŋtē".

* Nair. says *अक्षिप्त*.

† Barth., Wb. 1813, Kan. takes it slightly differently, G.b.M.,

pp. 174 f. ‡ Note on *Ayro-Mainyūš* (Yas. IX. 8) pp. 25 f.; see also Yas. LXII. 2 and 17 (p. 64 and p. 74). See also Introduction. ¶ Barth., Wb. 1108 f. ¶ 1b. 133.

(Z. speaks): "I will speak of the Spirits twain at the first beginning of the world, of whom the holier thus spake unto the wicked:* etc., etc.

nā—6;2. Our. नौ (बावयो):†

sayha—Precepts, doctrines. See *Kām nā Mazdā*, 2. (Sel. VI); Barth., Wb. 1575.

xratavō—Spiritual aspiration, Barth., Wb. 535.

naēdā—Nor yet; a sort of emphasised negative.

dcēnā—Consciences (Mills); personalities (Reich.); creative ideas (Haug); religions (दैन) (Kau.). The last, however, in G.b.M. (p. 133) says *चतःकरण* and followed by *urvānō* this is the best rendering.

hacinte—*hak* e to harmonise mutually‡. Note atm.

16. From here begins what is called by Mills "catechetical Zand". Because from here begins a sort of catechism upon the Abunavar. We have lost the clue to the signification of some of these questions and answers. But apparently these represent a hoary tradition.

tri-afsmam—Cf. Yas. LVII. 8. Consisting of three parts or *padas* (Kau.); three stages or metres (Mills); त्रिप्रमाणम् (Nair.).

caθru-piθtra—चतुर्विद्यम् (Nair.). The word *piθtra* in the sense of "caste" is used only here, and only in this passage of the Av. are the four classes or castes mentioned. They are mentioned by name in the next verse. In the various other places, where the classes are mentioned, only three are named, the last two being put together. A notable passage where three castes are mentioned is Yt. XIII. 89; *yō; paōiryō āθravō, yō paōiryō rathāēstā, yō paōiryō vāstryō fšuyāns*, (who is the first priest, the first warrior, the first agriculturist). The Gāθ. have different names for the three castes: (1) *airyaman* or *haxman*, the Priest; (2) *x^haθra* or *nar*, the Warrior; and (3) *vāstrya*, *vāstrya-fšuyant* or *vərəzana*, the Husbandman.§ The word *piθtra* is derived by Barth. (Wb. 908) from *paēs* (पिम्) to colour. He suggests that the word originally meant colour (cf. Skt. वर्ण which has had a parallel history). Mod. Pers. پیشه (*pishā*) trade or profession is also a cognate.

pañca-ratu—Belonging to the five chiefs (Mills); he adds by way of explanation "in the political world, without whom its efficiency is marred". These are the Lords of the house, etc.** see below. Nair. says पंचगुर.

rāiti-hankərəθem—Cf. Yas. LX. 5. (Sel. IV). Barth. (Wb. 1520) thinks *rāiti* here may mean "helpfulness", "readiness to serve" (*Dienstwilligkeit*) or "charity" (*Freigebigkeit*). Both are appropriate. "Charity" is the

* Mit., E. Z., p. 370.

† Reich. § 412.

** Cf. Yas. IX. 27, p. 46 above.

best Eng. rendering here*. *han̥kərəθem* (= संकृति) means fulfilment, or end to be reached. Mills says "it has a conclusion ending with a gift", referring doubtless to the last three words of the Yaθā. The Pah. version says "its summing up is with liberality".†

kāiš—Reich. thinks that 3/3 is here used for 1/3 (§ 427) and trans. "Which are its verses?"; Haug, probably more correctly, trans. "How (i.e. through what) (arose) its verses?"; Nair. trans. this sentence: किं तस्य प्रमाणम् ।

humatəm, etc. are explained further in verse 19.

17. *kāiš pištrāiš*—Mills trans. the ins., "With what classes of men?"

vāstrya-fšuyās—Prosperity bringing agriculturist (Kan.);‡ the systematic tiller of the ground (Mills). The word *fšuyant* means lit. "possessing cattle" (*fšu*). Cf. *Pšūšas-ca Māθrō*, Yas. LVII. 22 (p. 77).

hūtiš (हृति.)—Artisan. This name of the fourth class is found only here. Barth. derives it from *√hu*, to work (Wb. 1823)||. The Pah. form is *hutoḥša*.

Nair. gives these classes as चाचार्यः कृषियः कुटुम्बी¶ and प्रधानिकर्मा (ordinary labourer?)

For the rest of this verse Reich. says that "the grammar is corrupt, the cases do not agree".

vispaya—7/1. In all (i.e. in each of these classes). Barth. (Wb. 1463) calls this word uncertain.

irina (इरि.)—Evidently the text is corrupt here. There are many v.l. noted by Geld.—*irona*, *arəna*, *arina*, *airina* and *vispa ayairini* (see below). Barth. does not even give this word in his Wb. Reich. (A.R., p. 266) says that the word is obscure. Kan. (Dict., p. 46) takes the word to be *arəna* and trans. "glory". He also gives other renderings, "duty" (Mills); "manner" (Har.). He himself takes it as 1/1 but he mentions that Mills and Har. take it as 3/1. And Kan. also notes that Geld. reads *irina* and that Mills compares it to इरि. The whole phrase *vispaya irina hacimna naire ašaone* has been very variously rendered. Haug trans., "through the whole duty pertaining to the righteous man". Mills says "these classes therefore accompany the religious man throughout his entire duty (or experience**)". Kan. says, "(Glory (as it were) follows the holy man". Kan. also quotes the rendering of Har.:†† "In every way the righteous man should follow these professions with good thoughts, etc." Nair says समग्रं दृढं‡ संक्षिप्तं नरे शुक्लाकृतिं सत्यमनसि etc. This follows closely the Pah. ver-

* Of. "But the greatest of these is charity" 1. Cor. XIII. 13. † West, S.B.E., XXXVII, p. 460. ‡ चाचार्यी करनार सेवुत. || Of. Skt. कुत, charioteer. ¶ A Sanskritised form of Gej. कुचवी, an agriculturist. ** This he adds in ftn. 3 at p. 265, S.B.E., XXXI. †† Ij. Vjs., p. 63, ftn. 1. ‡‡ Some MSS. omit दृढम् and some read समग्रम्.

sion,* “who are the whole day (and) night with a righteous man”. The explanation of the *समयं इदम्* is very ingeniously given by Bharucha.† “The Avesta phrase *vispaya irina* is rendered into Pahlavi by *hamā yam lēlya* (all day and night) which Neriȳosengh renders by *समयं इदम्*. How he comes to this meaning is unintelligible. If we adopt the reading of the MSS. which have *समयं* instead of *समयं*, it may approximate to the Pah. rendering. And then we may take the Avesta phrase as *vispa ayaṛana* (all day), as is suggested by Spiegel. Compare also the Gāthic phrase *vispā yārē*.‡ Most probably Neriȳosengh’s original rendering was *समयं समयम्* (all time) which has lost one or other of the two words through the ignorance of careless copyists”.

ratuṣ-marota (अ०.)—“Which give attention to the rulers” (Mills); “to appoint a spiritual || guide (Haug). Kan. says ‘honouring the leader’ and explains|| that lit. it means ‘remembering the leader’. Barth. trans. similarly, “he who follows the teaching of his *ratu*”. He thinks that the orig. form was *ratuṣ-maṣa* (सु)** the *ṣ* usually dropped†† having reappeared.‡‡ Nair. says *गुरुपाठिते* (किल गुरु संयुक्ते)। The case seems to be 3/1 used instead of 4/1 (qualifying *nair*) probably due to case attraction of **manayha*, etc.

daēnō-sāca—Studying the religion (Kan.); fulfil the (‘aws) of religion (Mills); to fulfil religious duties (Haug). Barth. takes this to be 3/1 and trans. “he who has studied religion”. The word is also found in Yt. XIII. 115. Nair. says *दौनिश्चिते*.

frādante—Advance (Haug); prosper (Kan.); are furthered in righteousness (Mills). √*pād* ṣ (orig. *frā* + √*dā*).

18. *Rajōit*—5.1. Kan. trans. “kingdom (राज)”: Mills says “regency or domain”. Haug takes it as a proper noun and says it is “a softer form of *Rayi* which variant of *Raya* seems to have been used, as we find traces of more than one form of the name in Greek writings”||. Barth. takes it the same way and gives three variant forms; *Ragi*, *Rayi* and *Raji*.¶¶ The name belongs to a town and a province as well.*** It is said to have been the home of Z. and of his mother. The Av. refers to this place in two passages, Ven. I. 15 and this present passage. Jack.††† discussing our passage: “This construction evidently signifies that the *Dāxyuma*, or governor, is everywhere the supreme head, but there is acknowledged one who stands above him as representative of the church, as well as state, the chief pontiff Zoroaster (*Zarathuštra*), or ‘the supreme Zoroaster’ (*Zarathuštrōtēma*), as he is elsewhere termed (e.g. Yas. XXVI. 1.††† Yt. X. 115, etc.). In the papal

see of Rayā, however the temporal power (*Dāxyuma*) and the spiritual lordship (*Zarathuštra*) are united in the one person. For some reason Rayā is plainly the seat of the religious government. The Pahlavi version (ad loc.) speaks of it in connection with Zoroaster as being 'his own district' (*maṭā-i-nafāman*); the Sanskrit of Nēriyōsang glosses the allusion by asserting that Zoroaster was the fourth lord in this village, because it is his own—तस्मिन् ग्रामे यत् स्वीयं जमीन् गुह्यतुर्योऽभूत्. Rayā is plainly a centre of ecclesiastical power".

zarathuštrōi—5/1 of *ōtrōiš*.

19. Reich. thinks this verse is obscure and attempts no translation. The cases seem to be very much involved here also.

manas-paoiryō—The words are separate in some MSS. The word has already occurred in verse 12 above. The meaning assigned here to this comp. by Barth. is the same as he assigns to it there. The phrase also occurs in Vis. XIX. 1: *spəntō-dātāiš dāmān . . . dāmān manas-paoiryā aṣavanō*. The first answer here is variously rendered by different scholars. The righteous original mind (Haug); the one who holds the holy thought to be before all other things (Mills); the first holy thought (Kan.); thinking truly of ancient sages (Har.); * मुक्तमना ध्यात्रा प्राक्तनेन (किल गदधोमर्देन बभूव) ॥ (Nair.). The real difficulty is to reconcile the cases here. In other respects the rendering of Haug is the best. It probably refers to *Vohu Manō* who is of course the ruler of all good thoughts, his "gift" to those who work for the Lord.

maṭra spəntā—The bounteous word of reason (Mills). * †

staotāiš etc.—Through praise (Kan.); (that done) by praising creatures first in righteousness (Haug); it is that done with praises and by the creatures who regard Righteousness as before all other things (Mills). Mills adds an explanation of the word "praises" that it implies "ritual strictness based upon practical piety"†. Nair. says स्तुत्या पुण्येन च प्राक्तनायाः स्तुतेः । (किल स्तुतिनिः स्वरं च पुण्यं यत् स्तुत्या क्रियते) ॥ It may be that the ins. here is used in the sense of nom. (Reich. § 427)‡. Barth. quotes this passage (Wb. 1589) without trans. and with a query (?).

20. *cim*—2 1 m.; Whom. Nair. says कस्मै and thus also Kan. and Reich., "to whom". Haug says "what" and accordingly he trans. the answer, "the righteous (Ahuna Vairya) both spiritual and earthly". Mills takes the *cim* differently and trans., "whom did he announce?" and the answer is, "some one who is holy and yet both heavenly and mundane", and he explains this "some one" as "Saosyant"¶. Kan. and Reich. trans. the answer, "to the spiritual and material righteous one". I think Mills is nearest the true sense: of the three questions in this verse the

* Quoted by Kan., l. j. Vis., p. 93, fn. 3. † S.B.E., XXXI, p. 266, fn. 2. ‡ See also *kin* in verse 16 above. § Barth., Wb. 422 (last two lines). It is also neu., Reich. § 401. ¶ S.B.E., XXXI, p. 266, fn. 3.

first (*cim*) refers to the subject-matter of the revelation, the second (*evās*) refers to the status of the revealer and the third (*crantəm*) refers to the position of the person to whom the revelation is vouchsafed.

evās—1,1 Barth., Wb. 601 says "in what capacity," or "in which character"*. This question refers to the revealer—Ahura Mazda. "What was he who proclaimed?" (Haug). Nair. says किमर्थम् . . . (कस्य कामाय . . .)†

ṣṣayamnō—Cf. Yas. IX. 8 (Sel. IV).

crantəm—2,1 m.† What kind of person was he to whom, etc. Mills takes it as an amplification of the first question. "Of what character (. . . the coming one)". Haug takes it as practically a repetition of the second question, for he says "As what (did he proclaim it)?"

avasō-ṣṣā'ram—Cf. Yas. IX.9 (Sel. IV). I have incorporated the rendering of Mills into mine. The ruler is a Sage-Ruler (ऋषि) who has attained fullness of earthly power but has at the same time Wisdom enough not to use his power but according to the law of Aša.

21. *frasrao'ram*—Loud chanting. Cf. *frs'rūti*, Yas. IX. 14 (Sel. 1). This word and the following three correspond to the *marūt*, *dranjayūt*, *srīragūt* and *yazūt* of verse 6 above‡. Nair. trans. these four by प्रहृष्टाश्वाः प्रहृष्टाभ्ययनेन, प्रहृष्टं गायया and प्रहृष्टं इजिब्या.

framara'ram—Low murmuring repetition (Barth., Wb. 987).

fraṣṣā'trem.—Singing aloud (Barth., Wb. 977). This is to be distinguished from the *chanting*. An exactly similar difference is to be found between the Sama Veda and the other words.

frāyastīm—Adoration or consecration (Barth., Wb. 1018). Mills says "its use in the full Yasna".

Yasna XX.

1. Kanga—Khoṣdeh Avesta ba Māenī (5th ed.), pp. 135-137.
2. .. —Yaçna Vispered (Gujarāṭi trans., 1886), pp. 94-95.
3. Mills—S.B.E., XXXI, pp. 266-268.

This Hā is also known by the name of *Frāmrao't* from the first word. This constitutes a commentary on the Aṣəm. There is another passage in the Av. which praises the Aṣəm. That is the so-called Yašt XXI||. It is really the first section among the existing fragments of the Hādoxt Nask.||

1. This verse is rather involved in construction. No two authorities are agreed in their translations.

Kan. puts a stop after *Mazdā*; he takes the words *a š ə m* . . . *astī*† with the following sentence, and as obj. of *frāmrao't* he takes "the prayer Aṣəm" understood.

* Qualia, in welcher Eigenschaft. † Barth., Wb. 601 ‡ Ib. 1003f. § In Westergaard's edition. ¶ See Kan., G.b.M., pp. 386ff.

para . . . cinasti—See above Yas. XIX. 13 for the construction.

ahmāi—I take “this” to mean earthly happiness.

χ^vaētave χ^vaētātəm—This phrase occurs twice in the Av. and apparently both times in the same sense. The other passage is Yas. XXXIX. 5; *vaphēuš χ^vaētus χ^vaētātā vaphēuš aṣahyā θwā pairijasūmaidē*. Both words are from χ^va (𐬬) oneself, the first is the form with -tu-suff. (𐬬𐬵𐬰) and the second is -tāt-suff. (𐬬𐬵𐬰𐬀) Barth. trans. this phrase as “possessions belonging to the (proper) possessor”*. Kan. trans. “kinship with the kindred”, Mills says “property to an owner”. I take it to be “the nearest possession of one's-very-self”; and I take the 2/1 *‘təm* in apposition with *vahištəm*”.

* *ikaṣṣəm*—This is the first of the three “teachings”. See below verse 3. The verse being involved I give here the other renderings for comparison

1. Kan.:

Aṣəm vohū vahištəm asti—(uttering these words, the worshipper) acknowledges for Him the highest good just as if he were accepting the kinship of his kindred. *vohū vahištəm asti*—(uttering these words, the worshipper, as it were) puts into practice the holy law.

2. Mills:†

To this Aṣa, the holy ritual sanctity, one attributes the qualities of “good” and “best”, as one attributes property to an owner; thus this sentence *vohū vahištəm asti* is substantiated (at once).

He adds by way of explanation: “It is carried into effect; possibly ‘rendered fit for praising’ (?)”

3. Barth. (Wb. 1859).

(The words) *aṣəm vohū vahištəm asti* are so to be understood that to him the best good shall be the portion, i.e. like possessions to the possessor.

[Die Worte *aṣəm v. v. a* sind so zu verstehen, dass ihm das beste Gut zu teil wird, nämlich dem Zugehörigen als Zugehör.]

2. This verse too is excessively involved. I am very doubtful indeed of my own rendering which may be taken for what it is worth.

uštātāitya—7 1. Kan. (Dict. 113) trans. it as health, prosperity, happiness, etc. Barth. (Wb. 418) thinks that the word means “*ušta* -hood”† and thinks that in this passage it refers to the sentence *uštā asti*, etc. of the Aṣəm. The word also occurs in Yas. XXI. 4 below when Barth. understands the first verse of (iāθ. Ušt. (Yas. XLIII. 1)).** Nair. says शुभप्रदति in both the passages. I am inclined to think that the word has a double signification here and in the other passage as well. Besides the meaning

* See trans. quoted below. Barth., Wb. 1459. † See above, p 193, about the construction as taken by Kan. ‡ Mills divides the verse by a stop at *asti*, just as in the text here. § S.B.E. XXXI, p. 267, fn. 1. ¶ *Usta-tum*. ** The first two lines of which are quoted in Yas. XXI. 3 (see below). Of. also *uštābrotim* in Yas. LX. 6, Sel IV).

given by Barth., it means also "the winning of happiness", which is to be got by actively following the teaching given in the verse beginning *uṣtā ahmāi yahmāi uṣtā kahmāi-ciṭ* (Yas. XLII. 1).^{*} The religion of Z. teaches Karma-yoga, i.e., salvation through active good work for humanity. The same lesson is taught by the Yaθā (Sel. VII. a). It is mentioned that after death the soul of the holy man sits near the head (of the body ?) during the first three nights chanting the Uṣtavaiti Gāθa :

asv. va-yḍanāṭi nishidaiti Uṣtavaitim Gāθām srūveyō uṣtatatam nimraomnō :
 "uṣtā ahmāi yahmāi . . ."†

yathanā—Geld. separates the words, but he notes this v.l. Cf. Yas. XII. 4 (Sel. V.) above‡. Barth. reads the words separately and explains *nā* as an enc. 11 of *nar*, a man. He says the word here has no meaning, but is merely a particle (Wb. 1030 and 1052).

stāitya—3 1 (for 5/1 ?). Kan. says "strength" or "endurance" and compares the word स्ति॒ति॒. The word implies strength of the soul. It occurs only in one other place.§

The trans. are so various that they may be given here :

1. Kan :

uṣtā . . . ahmāi (in repeating these words, worshipper) associates firmly every righteous man with every righteous man (i.e. righteous people mutually share each other's happiness)**, just as every righteous man accepts happiness from every righteous man.

2. Mills :

uṣtā . . . ahmāi : by this attribution of blessedness (the praiser) assigns every person (or thing) of a sacred nature to every holy person, and as one usually (?) and regularly (?) assigns every person or thing (?) that is holy to every holy man. •

Barth. makes no attempt to trans. any part of this verse anywhere in his Wb.

I am not at all sure of my own rendering. I think there is some amount of "straining" apparent in it. But I give it for what it is worth as emphasising the "active" aspect of the Z. faith.

3. This verse has also been translated variously though it is easier in construction. I have made some changes in Geld.'s text and have indicated them in the footnotes on p. 170.

The first sentence is an exact parallel in its construction to *uṣtatāitya . . . para-cinasti* of the previous verse except that *para-cinasti* here stands at the beginning instead of at the end. I think that here we should construe *aṣāi vahīṣtai aṣem* with this sentence, these words being taken both as a

^{*} The first two lines of which are quoted in Yas. XXI. 3 (see below). Cf. also *utaberetim* in Yas. LX 6. (Sel. IV). † H&S. II. 2. ‡ See also Barth., Wb. 1249. || Dict., p. 537. ¶ *Frzhang-i-Oim* quoted by Barth. (Wb. 1695). ** Jj. Vis., p. 94, fn. 6.

quotation as well as forming part of the commentary. I propose to make *aṣāi vahištai* as corresponding to *uštātāitya* of the previous verse and to take *aṣəm* as a proper noun defining the *māθrəm*. Thus the trans. would run:

yaṭ aṣāi vahištai aṣəm: (this phrase) affirms the whole hymn [*Aṣəm* on account of the best Righteousness (taught therein)] (to be) superior to every (other) hymn.

Kan. takes the *māθrāi* to mean "the knower of the *māθra*" and trans. the first sentence thus:

"(Repeating these words, the worshipper, as it were) accepts all the hymns for every knower of the hymns, just as he accepts power for Righteousness, etc."

Mills says:

"By these words the worshipper ascribes the entire *Māθra* (to *Aṣa Vahišta*) and ascribes all to the *Māθra*, as one ascribes the kingdom to Righteousness, etc."

zbayante—4 1 pres. pt. *zbay* (𐬰𐬀), to invoke.

xmāwōya—4 3. युष्मद्*. Mills very strangely trans. "to us".

θrāyō-θkaēša—The "threefold teaching" is 1. *aṣəm* etc., 2. *uštā*, etc., and 3. *yaṭ*, etc. For the construction see above *pañca-θkaēša* (Yas. XIX. 14). Kan. takes this as I do.

5. This is identical with Yas. XIX. 21 except for the name of the *bayām Aṣəm Vahištam* here refers to the prayer *Aṣəm*. See Barth, Wb. 238f.

Yasna XXI.

1. Kanga: *Yaçna and Vispered* (Gujarāṭi trans., 1886), pp. 95-97.

2. Mills: S.B.E., XXXI, pp. 268-269.

This is the commentary on the third hymn—*Yeğhe hātām*. Mills notes that the original form is Yas. LI. 22† and notes that the commentary here is not upon the original *Gāθ.* verse but upon its later version.‡

1. *yesnīm* (v.l. *yas°*)—Mills trans. "Yasna"; Kan. says "worthy of praise", Barth. says: "belonging to the Yasna". Mills trans. "a word for the Yasna"§.

Mazdā—6 1.

dāta—All trans. this as law¶, that which is fixed or settled. Kan. (Dict., p. 259) takes the word as 3 1. Nair. says योद्धे खामिने** विद्यमानेभ्यः इजिषिम्. I propose to take the word as 3/1 of the p.pt. of *dā*, to create.††

Ahurahe—Geld. apparently expects another word here; for he says in a footnote "so all MSS. except . . .". Did he expect *aphōuš*?

* Jack., A.G. § 390. † The passage is quoted and discussed above p. 66. ‡ S.B.E., XXXI, p. 268, ftm. 2. § Wb. 1274. ¶ Barth. Wb. 726. ** Evidently reading *Ahurāi* (v.l. noted by Geld). †† See Kan., Dict., p. 259 (2. *dāta*).

yaθa haḍbiṣ jijiṣṭām—Geld. takes these words with the next verse but not so Barth*. Barth. takes *jijiṣṭām* as an abstract noun (f.) meaning "life". Kan. takes it as an adj. meaning "desirous of life" (6 7 of pres. pt. desid.). The word also occurs in Yas. XXV. 8. Kan. takes *haḍbiṣ* as 3 3 of *haṇt* (pres. pt. of , *ah*, to be) but trans. as if it were *hātām* (6 3)†. Mills construes like Kan., but trans. "among those who are destined to live", which he explains as meaning "fit to live, clean"‡. Yas. XXXV. 8 also has *hātām jijiṣṭām*. Nair trans. here कुटुम्बीनां जीवितस्य चाकाक्षी and in the other place he says वर्तमानेभ्यः जीवनं दृष्टवः. I take *haḍbiṣ* lit. as 3 3 "with the Truth".

2. *Ārmaiti-paōirganqām* : ἀπ. 1.—Those who have Ārmaiti at their head (Mills). This evidently refers to the last three of the Holy Immortals whose names are fem.; Kan. trans. the name *Ārmaiti* and renders the phrase as "those who are first in piety". Barth. (Wb. 337) takes similarly. This apparently is supported by Nair, who says संपूर्णमनसा प्राक्तनादाम्. But see the Pab. version.

rahmanm—Homage (Mills); glorification (Kan.). Cf. Yas. LVII. 6 (Sel. II) above.

Amāṣaēibyo refers, of course, to the Holy Immortals.

brūyō—refers to the three lines composing the hymn.

cīm etc. The text here seems to have been disturbed. This question should belong to verse 4 which should have come immediately after verse 2. Verse 3 should have been verse 4. For *cīm* see above Yat. XIX. 20. *cīm noi* should be rendered "with reference to whom", "about whom".

paīti—Kan. takes it as equivalent of *paūtis* 1 1 (for 1/3) and trans. "lords"§. Mill's trans. as a prep. "to".

yasnahe—Mills renders "in the course of the Yasna".

3. *uštā . . . Ahurō*.—This is the first verse of Gāθ. Ušt. (Yas. XLIII. 1) and it is repeated at the end of each Hā of that Gāθā.** I have indicated the spelling of the Gāθ. text in the footnotes on p. 172.

yahmāi—4 1 for 5 1 due to case attraction.

vasa-xšayās (Barth.†† separates the words in quoting the Gāθ. text).—The meaning is "ruler-at-will".

4. With this verse compare Yas. XX. 2 above.

paītivaca—3,1 Answer (Mills); sentence (Kan.); sentence or dictum (Barth., Wb. 833). The noun *paītivac* is used only here. Probably this refers to the *uštā ahmāi yahmāi* etc.

* Wb. 609. See also Geld. text, note 4. † 1j. Vis., p. 96, fn. 2. ‡ S.B.E., XXXI, p. 200, fn. 2. § Dar. quoted at p. 67 above. ¶ 1j. Vis., p. 96, fn. 7. ** See Yas. XLIV below, Sel. XVI. †† Wb. 1583.

paityāmraot (अपि)—Answered (Mills)*; proclaimed (Kan.). Barth. notes that it takes two accusatives of the thing proclaimed and of the person to whom the proclamation is made (instead of the dat.).†

uštātātē . . . uštātātīya etc.—This is an involved sentence like Yas. XX. 2 above. Barth. (Wb. 418) understands *uštātātīya* to mean the verse quoted above in 3. This is a very satisfactory explanation. Kan. takes the word to mean merely “happiness”; Mills renders it as “state of Salvation”, which certainly is nearer the sense of the word *uštātāti*. There is a play on the two meanings of the word.

*vahištēm*¹³ . . . *ašaone*²³—Kan. trans. thus: “The Supreme (Ahura Mazda) proclaimed (the holy man to be) the best” and he adds‡ that he is not at all clear about this sentence. Mills takes many words as implied here and trans. as follows: “(Question. Who answered thus? Answer.) The best One. (Question. What did He answer? Answer.) The best thing. (That is) the best One, Mazda, answered the best and the holy (answer) for the better and the holy man.”

This is a needlessly complicated and a very unnatural translation.

Barth. says§ :

“The Supreme Mazda has proclaimed the holiest believer (i.e. Z.) unto every holy believer.”

I propose to take *vahištēm*¹³ and *vahištēm*²⁴ *ašavanem*²⁵ to refer to the *māθra* (Yas. XLIII. 1) quoted above. The word *ašavan* is frequently used for various hymns especially for Gāthic verses, for Yasna Haptanhāiti and Staota Yasna¶. In the very next verse (5) the word is so used for *Yejhō Hātām*.

5. *hufrāyaštām*—Well-consecrated (Barth., Wb. 1830). Nair. says **युद्धप्रबोधन-वर्जिततया** | Kan. says “well-praised”, Mills says “prominent”.

* Mills overlooks the *ā*. † Wb. 1191. ‡ J. Vis., p. 97, fn. 6. § Wb. 1191. ¶ Barth. Wb. 252 (under *ašavan* I. 3. 8).

APPENDIX A.

THE PAHLAVI VERSION OF THE BAYĀN YAŠT.

As could be seen the text of the Bayān Yašt (Yasna XIX-XXI) is very involved in places and is perhaps a corrupt version by later compilers at a period when much of the ancient Avesta lore had perished. Still there must have been remnants of traditional exigesis which had come down a long line of teachers and pupils and this is embodied in the Pahl. version. I here give it *in extenso* from the English trans. by West (S.B.E., XXXVII, pp. 453-464). I do not give the numbers as given by West but the verses according to the Av. text; the numbers of West are indicated in brackets at the end of each verse. Nair., as has already been stated in the notes, has followed the Pahl. very closely. The comparison between our modern philological and the ancient Pahl. version composed purely from the ritualistic and orthodox point of view would be of extreme interest to the student.

Bakō Nask.*

Pahl. Yas. XIX—Bakō I.

[The beginning of the Ahunavairya of the Bakan.]†

1. Zaratuštra inquired of Ahuramazda thus: "(O) Ahuramazda, propitious spirit, creator of the world of embodied existences (and) righteous! which were those words, (O) Ahuramazda! that (were) spoken by thee for me (1-2).

2. before the sky, before the water, before the earth, before the [well-yielding]‡ cattle, before the plants, before the fire which is Ahuramazda's son, before the righteous man [Gayomard] before the demons, [who remain] noxious creatures and mankind, before all embodied existence [the creation of sovereignty] (and) before all the excellence created by Ahuramazda, [which is owing to] the manifestation of righteousness?" (3)

3. And Ahuramazda spoke thus: They were the apportionment of the Ahunavairya, (O) Spitama Zaratuštra! [That spirit who would make the religion current, who has formed that religion from the Ahunavairya] which was spoken out by me for thee; (4)

4. before the sky, etc. (as in 2). (5)

5. Whoever chants that apportionment of the Ahunavairya, (O) Spitama Zaratuštra without talking [that is, he does not speak out in the middle of any of its difficult Avesta] (and) not without anxiety [that he

* The Dinkart (IX. 47-49) gives an account of the contents of the Bakō Nask (the 11th of the 21). See also Dar., S.B.E., IV. p. xxiv. † The brackets represent the italics in West. See next footnote.

‡ Words in square brackets [] have no equivalents in the Av. (S.B.E., XXXVII, p. 453, fn. 23). These are probably parts of the Pahl. exigesis.

(may) slumber], (it is) like a hundred above any other authority of those of the Gāōās, when (one) chants (them) without talking, (or) not without anxiety; [thus it becomes (fit) for the ceremonial]. Whoever chants (it) while talking, (or) without anxiety [thus it becomes fit for the ceremonial] (it is) like ten above any other authority of those of the Gāōās. (6-8)

6. Whoever in that embodied existence of mine, (O) Spitama Zaraθuštra, recalls the apportionment of the Ahunavairya, [that is, seeks for (it),] and, further, mutters that which he recalls, [that is, shall accomplish (it) easily,] and, further, chants that which he mutters, [that is, fully understands its ritual,] and, further, reverences that which is chanted, [that is, shall celebrate the ceremony,] his soul I pass on to the best existence, three times over the Cinvaṭ bridge, I who am Ahuramazda, [that is, on that day (in) which he shall faithfully provide the ceremony it shall lead his soul three times unto (the world) yonder, and shall cause its happiness therein,] to the best existence, the best righteousness, and the best light. (9-11)

7. Also whoever in that embodied existence of mine, (O) Spitama Zaraθuštra, mutters the apportionment of the Ahunavairya, [that is, shall accomplish (it) easily,] (and) drops, [that is, cuts off,] either as much as a half, or as much as a third, or as much as a fourth, or as much as a fifth. [at a fifth the foundation (of the sin) is laid, at a half it becomes quite complete, and when he shall cut off the whole (it is) a *Tanāpūhar* (sin),*] I twirl away the soul of him, I who am Ahuramazda, from the best existence, [that is, I would put it out] to such an extent and width is the twirling away as (that of) this earth, (and) even so the extent of this earth is as much as its width. (12-15)

8. This saying is proclaimed [a revelation] possessing an Ahu (and) possessing a Ratu [from which this is manifest, namely, the possession of a ruler and high priest. This, too, is said, that (it was)] before that sky (was) created, before the water, before the earth, before the plants, before the creation of the four-legged ox [which (was) the sole-created ox], before the creation of the two-legged righteous man [who (was) Gayomard], (and) before that sun of definite form [the body of the sun] (was) created as an acquirement of the archangels.† (16-20)

9. It (was) [likewise] proclaimed to me by the spirituality of propitiousness, [it likewise became possible for the spirituality of propitiousness to say (what was) said to Zaraθuštra,] concerning the whole material (existence) of the righteous who are, who have been, and who (will) arise, as to the progress of work, [that is, while they shall perform for it that which is specified by it, and good works shall arise through them,] (that) this work, among the living, is for Ahuramazda, [that is, that which they may perform, suitable for Ahuramazda, they shall so perform as is declared by this *far-gard*‡]. (21-23)

* Defined in Dinkart (VIII. 20, 45) as threatening a person with an uplifted weapon

† The

Holy Immortals. ‡ Section. For this word see below introductory note to Sel. X.

10. This, too, is the most expressive [most in effect] of those statements which (were) ever spoken forth [till now], (or which one) speaks forth [at present], (or shall) speak forth (even henceforth); for it is (through) such a statement [such in effect] as that, (if) the whole embodied existence learnt it (and) having learnt, [that is, they shall accomplish (it) easily,] they retain (it) [that is, they should rely upon it.] abstinence from passing (away) would be quite masterful, [that is, they become immortal]. (24-26)

11. This, too, is car saying spoken forth, [preserved among the revelation mentioned (in) this *fargard*.] which is learnt [that is, they shall accomplish (it) easily,] and (one) recites, [that is, he utters it in a ceremonial,] thus (for) any one whatever of the beings whose righteousness is be t, [that is, should he do it for a ceremonial, he becomes (fit) for it; it is when he utters this in a ceremonial (that) his soul becomes immortal]. (27)

12. As (it is) here spoken forth, [that a ruler and high-priest are to be maintained; as these things are so spoken, (and) as this law is so,] even when it gives him an Ahu and a Ratu, [that is, it gives up (his) person to the priestly assembly] so it is thereby taught to him (that) the thought of Ahuramazda is the creature (with) the first thinking, [that is, the Gāthāic lore is set going by him;] whatever teaches this [is the person of him who is king of kings, who] is the greatest [of men] of every description, [that is, it possesses a person in the king of kings;] (and) so it is taught (that) the creatures are for him, [where the Gāthāic lore is set going by him]. (28-30)

13. Whatever is a good emanation for Ahuramazda, [that is, has an origin in his personality,] is through (the word) *vayhēuš* [which in the division becomes the beginning of] the third assertion here, whose recital is "he gives through Vohūman"* [that is, the recitation which he utters properly is accomplished by him,] and, besides, here is that which Vohūman has taught, [that is, the reward and recompense which they give Vohūman, they attribute also to him;] whatever is a further indication by Vohūman,† [that is, anything which he may accomplish properly as a token, and is performed by him,] became so through this summing up [that is, its end occurred] in *šyaobenanām*; here among the existences was the summing up, [that is, it was its end]. (31-33)

14. What it teaches to the creatures of him who is Ahuramazda, is thus: he (who is) like him is he who is his own creature, [that is, even those people it tells something so, (and) thus they attain again, through purity, to the possession of Ahuramazda, just as Ahuramazda produced (them) through purity]. (By) "the dominion is for Ahuramazda"‡ it has taught, that he has made Ahuramazda his ruler, over his own person, [who shall perform that which is revealed by the Avesta;] and this is taught, (that) through him is the ministration of the poor, [that is, happiness is thereby caused by him,] which is friendship (for) the Spitama; [and the religion of Spitama became] (these) five assertions, [that is, the decrees in it were five,]

* *dazd* ? *Manuškō*.† The word *Manuškō*.‡ *Xšāθrem Ahura*.

(which) were the whole enunciation of the saying, (and) the whole saying was that of Ahuramazda.* (34-37)

15. For the sake of development Ahuramazda, [for cherishing the creatures] pronounced the Ahunavairya, and in its development there was a summing up, [that is, its end occurred] Quickly, when destruction arose [that is the destroyer,] and rushed in, even among the wicked he uttered [(as) resistance|this interdict:—"Neither our thoughts, nor teachings, [(as) I have not taught that which thou hast taught,] nor wisdoms, [for I consider wisdom as virtuousness, and thou considerest (it) as viciousness,] nor wills, [for my will is a virtuous wish, and thine a vicious (one),] nor words, [for I speak that which is virtuous, and thou speakest that which is vicious,] nor actions, [for my actions are virtuous, and thine are vicious,] nor religions [for my religion is the Gāthic lore, and thine is witchcraft,] nor souls are themselves in unison, [for (as to) those who rely upon my things, and those who rely upon thy things, their souls are not in one place"; he who said this, that even their souls exist, must thus say that (they are) not souls in unison (with) ours]. (38-43)

16. Also this saying, which Ahuramazda uttered, (has) the three degrees, the four classes, [priest, warrior, husbandman, and artisan,] the five chieftainships, [house-ruler, village-ruler, tribe-ruler, province-ruler and supreme Zaratuštra,] and its summing up is with liberality, [thus it is possible to make (it) completely for their own, when they deliver themselves up to the priests]. Which are the degrees of it? Good thoughts, good words, and good deeds: [they are, indeed, virtuous among the degrees of religion]. (44-45)

17. Which are the classes? The priest, warrior, husbandman, and artisan, who are the whole day (and) night with a righteous man, who are thinking rightly, speaking rightly, and acting rightly, who (have) recognised a priestly authority, [that is, possess a high priest,] who (have) taught the religion, [that is| have provided a ceremony,] (and) who, through their actions, are a furtherance of the world of righteousness, [owing to the work they accomplish]. (46-49)

18. Which are the chiefs? The house-ruler, village-ruler, tribe-ruler, province-ruler and Zaratuštra is the fifth (in) those provinces which are other than the Raya of Zaratuštra; (with) four chieftainship is the Raya of Zaratuštra. Which are the chiefs of that? The house-ruler, village-ruler, tribe-ruler, and Zaratuštra is the fourth; [that is, when he was in his own province, he also produced its period (of prosperity), who arises fourth]. (50-52)

19. How (was it) when through good thought, [that is, the religion remained in the degree of good thought]? When it arose first in a righte-

* West says of this passage (op. cit., p. 459. fn. 1), "As the Pahlavi text of the foregoing interpretation is a commentary upon an Avesta commentary on an obscure Avesta text, it must be expected to be difficult to translate with certainty". These remarks may apply to the whole of this Bakó Nask.

ous thinker, [it arose in Gayomard, and he thought for it]. How, when through good words? When (it was) the bounteous text, [doing good]. How, when through good deeds? When (it was) the praise even of righteousness (by) the first creature, [that is, they shall perform the ceremonial, and also other good works, through the Gāθā lore]. (53-55)

20. Ahuramazda proclaimed; for what (was it) proclaimed by him? For the righteous spiritual and worldly (existence), [(for) the benefit of the spiritual and worldly (existence)]. Owing to what desire [owing to what necessity] (was) the said announcement proclaimed by him? [So that he shall become] the privileged developer [he who is a resolute ruler]. For how many righteous [it is requisite to utter (it)]? [So that (one may) become] a developer, [even he who may be] an irresolute ruler, [for whom they reveal this words. So that the glory of the Kayāns* such as (it is) with good rulers, should be even so with evil rulers; with good rulers for this purpose, that so they shall produce more benefit: and with evil rulers for this purpose, that so they shall produce less harm]. (56-58)

21. . . .

Pah. Yas. XX.—Bakō II.

[The beginning of the second subdivision].†

1. It was a proclamation of Ahuramazda, the *ašom volū vahīštām asti*; besides perfect excellence is taught by it to him, [that is, benefit is produced by it for him,] who shall make progress his own, [that is, shall produce, that which is necessary to produce,] through *volū vahīštām asti* thus become the summing up of the assertion, [that is, it become its end]. (1)

2. *astā asti uštā ahmāi* has, besides, taught the righteous of every kind the happy progress which is necessary to arise for the righteous of every kind, [so that, happiness (may) be caused thereby]; whatever endurance of man [(or) diligence], it is necessary for the righteous of every kind, to occasion is, besides, taught to the righteous of every kind, [so that one's happiness (may) be caused thereby]. (2)

3. *hya† ašai vahīštāi ašom* has, besides, taught (at) all [the duty and good works which are revealed in] the text are the whole text, [for him whose Avesta and Zand are easy, so that, through its Avesta and Zand, he can make manifest all the duty and good works of that whole text,] which teaches (that) the dominion is for righteousness‡, [so that, (one) may exercise authority through virtuousness, that is, it should be the opinion that it teaches or dominion through virtuousness, so that (one may) possess authority through virtuousness;] which also teaches the truth to that righteous invoker, [so that he may make a true decision;] (and) which also teaches the truth to you that are fraught with advantage, [so that it may

* The Kayanian Princes. † The brackets are not given by West. ‡ So the reading given in West. || See note on *mtwāzantā* (Yas. LVII. 4, Sc. II), p. 68 above. ¶ "Just as the Ahunavairya says that 'the dominion is for Ahuramazda'" (West, op. cit., p. 162, fn. 6).

produce true judgment]. (These) were the three assertions, [that is, three decrees were in it,] (and) the whole saying was a proclamation, the whole saying was that of Ahuramazda. (3-7)

4. Ahuramazda proclaimed; (as above in Yas. XIX. 20). (8-10)

5. . . .

Pah. Yas. XXI.—Bakō III.

[The beginning of the third subdivision].*

1. A saying of the righteous Zaratuštra, to be revered, was: "Whoever of those existing is thus in worship as regards (the good)". Here what is taught by it is the worship of Ahuramazda, [that (it is) that which (one) should provide for,] which is the law of Ahuramazda, [that is, his virtuous law,] whereby the reverence (of) existence is taught, [that is, that which he would most occasion, which is the ever-asking for progeny (by) mankind; and he mentions that thing to them,] (through) which (it) is possible for them to live well. (1)

2. Here, besides, the reverence of those males (and) females of the righteous, through complete devotion†, who (was) the first, is taught by it, which is the obeisance (for) the archangels, [that is, it would occasion the propitiation of the archangels]. (These) were the three assertions, [that is, three decrees were in it,] (and) it was (in) every way a saying to be revered. Unto whom was the reverence? (Unto) the archangels in that worship. (2-3)

3. And Ahuramazda spoke thus: "Happy is he whose happiness is the happiness of any one whatever, and (may) Ahuramazda grant it, through predominance of will, [through his requirement]". (4-5)

4. What reply did he speak through that utterance of words, [what (was) the thing he spoke about]? He spoke the reply of happy progress, the happy progress of the righteous of every kind, who are, who have been, and who (will) arise. The developer told [that man, as] the development, (in) reply; (and) [the reward as] the development that Ahuramazda mentioned (in) reply (was): "That development [I call] righteous, [which] is a development for the righteous. (6-8)

* The brackets are not given by West, op. cit., p. 463, fn. 3)

† "The archangel Ārmaiti, or Spendarmad" (West,

NOTES.

1. Kanga: Yaçna and Vispered (Gujarati trans., 1886), pp. 125-126.
2. Reichelt: Avesta Reader; text p. 76, notes at p. 177.
3. Mills: S.B.E., XXXI, p. 293.

The first verse is one of the important hymns of the Avesta and it is used in the marriage blessing.* The Yazata invoked is Airyaman (अर्यमन्). "This Indo-Iranian divinity originally conveys the idea of comradeship and occurs mostly in the Vedas and casually in the Avesta in connection with the wedding rites. The fifty-fourth chapter of the Yasna is consecrated to Airyaman. He is invoked to come down to the wedding for the joy of the faithful. In regard to the attributes given to Airyaman we may add in this connection that his standing epithet is 'the beloved' "†. Airyaman is also a healer of diseases and he is invoked to drive away diseases and death and his help is asked against magic and witchcraft. He is "the angel, presiding over the medical art "‡. In Ven. XX. 11, this hymn (Yas. LIV. 1) is given in full and it is then used as a charm for driving away the *yātu* and *pairikā* and *jahi* and all manner of sickness and death (Ven. XX. 10-12). A further description of Airyaman is found in Ven. XXII where Ahura Mazda asks him to overcome the diseases spread by Anrō Mainyu. It may be noted that the name *airyaman* in (Gāth.) for the priestly class. The praises of this hymn are given in Dinkart, IX. 46, where it is mentioned that Saosyants will recite this hymn at the "resurrection", "and up the dead are arrayed by it; through its assistance, they give life back unto the body, and the embodied life they then possess is such that they do not die". **

1. *Airyāmā*—1 l. The word lit. means "friend".†† Barth., Wb. 198-199 compares the Mod. Pers. word ايرمان (*ērman*), guest.

īdyō—Adj. Desired (friend) (Mills); liked or beloved (Kan.); Dar. (S.B.E., IV, p. 229) says "vow fulfilling".

rafōdrā—Dat. inf. *rap*. For protection or help (Barth., Wb. 1509f.): for graces (Mills); Kan. says "happiness" and following Justi derives it from *rap* which he connects with Skt. रभ,‡‡

ā . . . jāntu—*gam*. अगन्तु. The palatalising seems to be due to the I.E. form ^x*gem-*†.

nərəbyas-cā . . . Zərəθuštrahē—Kan. understands that the followers

* See the Skt. version of the Parsi marriage service in Ooll. Skt. Par., I. pp. 43-48. This hymn (1st verse) is given at p. 46, verse 30. Nair. trans. slightly differently in his रजिनि (Ooll. Skt. Par., II. p. 125). † Dhalla, Z. Theo., p. 119. ‡ Haug, p. 257. || See Introductory note by Dar. to this Frigard of the Ven., S.B.E., IV, p. 238. ¶ Barth., Wb. 198, see also note on the four classes given above on Yas. XIX. 17 (Sel. VIII). ** Trans. by West, S.B.E., XXXVII, p. 303. †† Grass, Wb. 116. See also Mlt., F.Z., p. 117. ‡‡ See Geld., Studien Zum Av., p. 29ff. for a criticism of this view. ||| Barth., Wb. 494ff. (note 1)

of Z. are meant here. So also Mills who trans. the last word as "who are taught of Z." Geld.* thinks it means the family circle of Z., for he thinks it is the wedding hymn of Z.'s daughter. Note the final long vowels in this verse indicating older language. The second verse is obviously a later addition. Note also the 4:3 (*byas-cā*), used for 6:5† by case-attraction.

Vaṇhēus . . . Manaphō—6.1. Geld. trans. "holy community".

yā—Mills takes this as 3.1 and construes it as referring to the *Manaphō* above (or to the whole of the previous clause.) and trans. "whereby the conscience, etc.". Kan. takes *yā* to refer to Airyaman which is decidedly bad grammar. The others refer it to *daēnā* and construe "the *daēnā* which etc.". This last manner of construing is decidedly supported by the metre: the verse divides into two halves of three *pādas* each, each containing 12 syllables.‡ See below, however, for a farther discussion of this word.

daēnā—Religion (Dar.); those who accept the (Z.) faith (Kan.); conscience (Mills); soul (*Seele*) (Geld.); Self (Mlt.). See above Yas. XXVI. (Sel. III).

vairim—Pleasing; sacred (Mills); desirable (Dar.).

hanāt—, *han* (हन्) to earn. In the Av. it is most often used with *miždəm*.

miždəm—Reward. Skt. मोक्ष, Mod. Pers. مزد (*muzd*) reward.

aṣahyā—6/1 (Gā). In Y.A. it would be *aṣahe*.

yāsā—Cf. *ā . . . yāsaṇuha* Yas. IX. 2 (Sel. 1). This form is 1/1 ātin.

aṣīna—Barth.|| explains the word to mean reward of an action performed (whether good or bad). Here of course used for good reward.

masatū—Barth takes this as s-aor. of √mad, to apportion, to mete out, and compares Goth. *mitan*.¶ Kan. trans. "regards as great"; Mills trans. "may grant" and adds** "or can *masatū* (sic) equal 'with his liberality, or majesty', leaving *jantu* to be understood with Ahuro?"

The trans. of this verse are various by the various writers, though they do not differ so much as do those of Yaθā, Aṣəm and Yeṇhē-Hātām.††

1. Kan: ‡‡

May Airyaman, the desired One, come to (give) joy unto the men and women of Zaratūstra, (and) for (giving) joy to the holy mind.

(I.e. may he come in order to give joy to the holy minded men and women).|| ||

* Op. cit., p. 33, fn. 2. † See *Vaṇhēus . . . Manaphō* (6.1) in the next line. ‡ See Appendix on Avesta metre below. Geld., prints this verse in four lines 1, 2, (3, 4), (5, 6). || Wb. 241. ¶ Ib. 1113. ** S.B.E., XXXI, p. 298, fn. 3. †† Sel. VII a, b, and c. ‡‡ Ven. XX. 11 (Guj. trans., 1884, pp. 261 f.) In Ij. Vis. he gives the same trans. but omits his parenthetical explanations. |||| I have given merely the substance (not a trans.) of the parenthetical explanations here.

Who (Airyaman) makes those who accept the faith (of Z.) fit for receiving rewards.

(I.e., all who believe faithfully in the Z. religion are regarded by Airyaman as fit for rewards.)

I seek the Truth of Truth (i.e. Perfect Truth),* which (is) to-be-desired, (which) Ahuramazda (Himself) has acknowledged to be great.

(I.e., Truth is such a thing that God Himself has given it a high place and has regarded it as worthy of reverence.)

The one strong recommendation for this is that it keeps up the sense line by line. The rendering of *daēnā* as a collective seems far fetched, *masatā* is not found in Kan.'s Dict. at all. But he evidently follows Har.† and takes it from *√maz*.

2. Dar. (S.B.E., IV, p. 229):

May the vow-fulfilling Airyaman come here, for the men and women of Zarauštra to rejoice, for Vohu-Manō to rejoice; with the desirable reward that Religion deserves. I solicit for holiness that boon, that is vouchsafed by Ahura!

3. Geld. (*Studien zum Avesta*, I, p. 33).

May the dear Friendship appear for a call‡ upon the men and women of Z., for a call upon the (whole) faithful company. To every soul who earns the precious reward, I wish the granting of Righteousness, which is to be longed for, which Ahura Mazda shall accord.

4. Mills:

Let the Airyaman, the desired friend and peersman, draw near for grace to the men and to the women who are taught of Z., for the joyful grace of the Good Mind, whereby the conscience may attain its wished-for recompense. I pray for the sacred reward of the ritual order which is (likewise so much) to be desired; and may Ahura Mazda grant it (or cause it to increase).

5. Burth: (Wb. 199, 1288, 378 and 1113).

May the dear Airyaman come hither to protect|| the men and women of Z., to protect the Good Mind. Whichever Self¶ earns the precious reward, to him I offer the prize of righteousness, (which is) to be desired, which Ahura Mazdā shall award.

Reich. is exactly the same except that he puts the word *daēnā* untranslated (§ 19).

6. Mlt. (E.Z., p. 390) strikes out a new line rather plausibly:

Let the dear Brotherhood come for support of Z.'s men and women,

* संपूर्व राक्षी.

|| Zur Unterstützung.

† *Manuel de la Langue de l'Avesta*, Anthologie, p. 182.

‡ Welches Ich.

§ Zum Besuch.

for support of Good Thought. Whatever Self may win the precious men of Right, for this one I beg the dear Destiny that Ahura Mazda bestowed.

The word "Brotherhood" deserves some attention. It seems kin to Gêld.'s rendering "Friendship".* He takes *ašim* to be a proper name and trans. "Destiny", and suggests that *masatū* is, as pointed out by Barth. (*Flexionslehre*, 27) from a root *mas* to bestow (not in Wb.)†

7. The Pah. rendering (Pah. Ven. XX. 11) is given by Haug (p. 393):

The longing for Airyaman is for me the arrival of joy [that is, it is necessary for thee to come with joy], (and) they compel (him) to act for the men and women of Z. Vohumanō is joyful, [that is, it is necessary for thee also to come, that they may compel thee to act with joy]. He who is desirous of religion becomes worthy, with the foward here (in this world), and that also there (in the other world). The reverent supplication for righteousness is Aša Vahišta [that is, my reverence is through him]; may he become the dignity of Ahura Mazda, [the *mohad*-ship of the *mohads*].

8. In the marriage-service where this verse occurs the Skt. rendering is given by a priest दीनिदाह ‡

आ अयमा इष्यः प्रमोदाय गच्छतु । नमस्य नारीभ्यश्च जरयुष्यस्य । येन धर्मशीलजना
वयं चनेम किल प्राप्नुम पारितोषिकम् ॥

नृतस्य याचे नृतिं यां इष्यां स्वामी संहिता किल ददातु महाज्ञानी ॥

9. Nair. in his इजिदि (Coll. Skt. Par., II, p. 125) trans. thus:

स आदिशमिलाषः प्रमोदाय प्राप्नोतु नरभ्यो नारीभ्यश्च जरयुष्यस्य । उत्तमं च प्रमोदय
मनः । (किल यद्यनोपि इदं कार्यं करोतु) । ये दौने अभिलाषकाः (किल ये नारीनराः दीनि-
शीलाः) अनुरूपः प्रमोदय । (परलोकोयस्य) । पुण्यस्य अभोषशी भक्तिशीलं (शिष्यम्) । येषां
अभोषया स्वामिनो महत्त्वं महाज्ञानिनः । किल मे दीनिः तनौ प्रवर्तते ॥

I now give my own rendering. There is a general agreement with regard to the first three *pādas*. The last three are really complicated. In the first place I propose to take *yā*¹⁴ to be 1,3 n. because it refers to the two genders (*nara* and *nāri*).‡ This *yā* would be subject of *hanā*, *daēnā* I propose to take as 3/1. The fifth *pāda* I have marked as metrically defective and I propose to fill it out thus:

ašahyā (*təm vaṇuhim*) *yāsū ašim*.

This completing of the *pāda* has been suggested by Yas. I.1. 21,¶ which also gives the clue for interpreting this verse. It is also Gāthic (Gāth. Vohu.) and it runs as follows:—

* See op. cit., p. 117 for details. † Ib., p. 390, fn. 5. ‡ वैवाह्यस्य [विवाहस्य] परमाप्तौ
(contract, solemn promise) संकृतभाषाया[यां] पदिसि भाषायां[यां] दीनिदाहवचनेन
अवतारिता ॥ Thus runs the beginning. See Coll. Skt. Par., I, pp., 43ff. This verse is numbered
30 there at . 46. § Reich. §§ 6045 606. ¶ Kol. XXXVI, Part 2.

*ārmatōiṣ nā spəntō hvō
cistīš, vχdāiṣ, ḡyaoθana,
daēnā aṣəm spəntvat
vohū χəθrəm manayhā
Mazdā dadāt Ahurō
təm vaγulīm yāsā aṣīm*

Barth. trans. this verse thus : *.

Through Piety one becomes holy. Such a man advances Righteousness through his thinking, his words, his deeds and his Self. By Good Thought Mazda Ahura will give the Dominion. For this precious blessing do I beg.

Hence my trans. runs thus.

May the ever-welcome Airyaman come hither for the rejoicing of the men, and of women as well, of Zaratuštra for the rejoicing of the Good Mind (may he come hither). Who (ever of these men and women) earns the precious reward, (for him or her) do I beg the blessing of Aša, (the blessing) (most-) to-be-desired which Ahura Mazda doth bestow.

It may also be noted in passing that the blessing (*aṣi*) of Aša is frequently mentioned in the Gāthās.†

2. Note that this verse is distinctly later in point of language. It seems a mere ritualistic addition.

viθbāēṣaγhəm—Keeping away from hatred (Kan.); the opponent of assuiling malice (Mills); directed against enemies (Birth).‡

sravaγhām—G 3. Among the words (i.e. hymns).

spəntā—Prosperity bringing (Kan.); bounteous (Mills); holy (Barth.).§

ratuχəθrā—Who rule supreme in righteousness (Kan.); that rule supreme in the ritual (Mills); possessing in themselves the strength of the Ratu, i.e. ruling as Ratu (Barth.).¶. This epithet used for the Gāthās occurs in several places and in only one place (Vis. XI. 1) the word is used in this sense for Ahura Mazda.

Staota Yesnya—Neu. plu. This name is used to designate 33 chapters of the Yasna. What these chapters are is not very certain, but they evidently represent the oldest portion of the Yasna. Geldner thinks that "the Gāthā dialect is indispensable" for the *Staota Yesnya*.** They include at any rate the five Gāthās, the Yasna Haptaγhāiti, and Hās 14,†† 15, 54, 56 and 58 (Barth., Wb. 1589), and, of course, the three chief prayers Yaθā, Aṣəm and Yəjñh-Ḥātām.

yā—Neu plu.

* Gāth., p. 111; see also Mlt., E.Z., p. 387.

† Cf. e.g. Yas. LI. 10, also Yas. XXI. 4 (Sel. XXXIV, Part 2). ‡ Wb. 1447. § Ib. 1619 ff. (B. 2 b). ¶ Ib. 1502. ** See Av. Pahl. Anc.

Per., p. 39. †† The *Yasnyas* mention that the *Staota Yesnya* begins, with the words: *vidēti cō Amēdā spəntā*, i.e. with Yas. XIV. 1

dātā—Laws (Kan.); productions (Mills).

aṇhəuš—6/1 of *ahu*. Kan. trans. "life", Mills says "world". Could it not mean here "ruler" or "lord" and refer to the ancient Sage-kings who gave the law of Mazda to pre-Zoroastrian Irān?

paouruhyā—6/1. Ancient. "The later Avesta notes the antiquity of the older",* as is also done in the Veda, *प॒रमि॒र्द्धमि॒* (RV., I. 1, 2), etc.

* Mills, S.B.E., XXXI, p. 293, fn. 4.

An assembly¹⁵ did (likewise) call-together¹⁶ (he) who¹⁷ (was) Yima¹⁸ the King¹⁹, the magnificent²⁰, together-with²¹ the holiest²² (among) mortals^{23*}, in Airyana²⁵ Vaēja²⁶ of-high-renown²⁴ (on-the-banks-)of-the-hallowed²⁷ Dāityā²⁸.

2. (21). To¹ that² assembly³ did-come-to-confer⁴ (He) who⁵ (is) the Creator⁷ Ahura⁸ Mazda⁹, together-with¹⁰ the celestial¹¹ Yazatas^{12*}, in Airyana¹⁴ Vaēja¹⁵ of-high-renown¹³ (on-the-banks-)of-the-hallowed¹⁶ Dāityā¹⁷.

To¹⁸ that¹⁹ assembly²⁰ did-come-to-confer^{21, 22} (he) who²³ (was) Yima²⁴ the King²⁵, the magnificent²⁶, together-with²⁷ the holiest²⁸ (among) mortals^{29*}, in Airyana³¹ Vaēja³² of-high-renown³⁰ (on-the-banks-)of-the-hallowed³³ Dāityā³⁴.

3. (22). Thereupon¹ Ahura² Mazda³ said² unto Yima⁵:

Yima⁶, (thou) fair⁷ son-of-Vivanghvāt⁸! upon⁹ the wicked¹² material¹¹ world¹⁰ shall descend^{14*} the winters¹³, (and) through¹⁶ these^{15†} (shall come) fierce¹⁷ deadly¹⁸ cold¹⁹. Upon²⁰ the wicked²³ material²² world²¹ shall come²⁶ winters²⁴, (and) through²⁷ these^{26†} first-of-all²⁸ shall fall³¹ deep²⁹ snow³⁰ (extending) from the highest heights³² of the mountains³³ to the depths³⁴ of the waters³⁵ (of Arədvī).

4. (23). And² (all the) three kinds¹ of animals⁵ here³, O Yima⁴, shall disappear⁶⁻⁷ (those) which^{8*} live^{10†} in the most-terrific¹¹ of wildernesses^{12†} and¹⁴ (those) which¹² live^{15†} on¹⁷ the tops¹⁶ of mountains¹⁸, and²⁰ (those) which¹⁹ (live domesticated) in the river²²-valleys²¹ (even though protected) in well-built²³ stalls²⁴.

5. (24). Before¹ (that) cold² there is^{5*} (at present) production^{6†} of food⁷ in[†] this⁸ land⁴; (and there is) water⁹ in plenty¹⁰ for irrigating¹¹|| it⁸ after¹² the melting¹³ of the (winter's) snow¹⁴.

But^{16¶} (later on), O Yima¹⁸, (the land) here¹⁷ shall appear²¹ uninhabitable^{15**} for (all) corporeal²⁰ life¹⁹; (even) here²³, where²² the footprints^{26††} of lowing²⁵ cattle²⁴ are^{††} (at present) to be seen²⁷.

4. Pt. Vidhusēkhara Bhattachārya: Bengali trans.†

The Vendidad (*Vidaēvadāt*), as the name implies, is a collection of "rules against the Daēvas", rules, that is, for the various departments of activity in the life of a Zoroastrian, which are calculated to keep him away from the path of the Daēvas. Most of this book deals with the ceremonies of physical purification and the methods of protection against the attacks of various types of Druj, which represent the various impurities.‡ Interspersed here are various legends and myths, some of them going back to a very remote antiquity and representing the undivided Āryan (i.e. Indo-Iranian) period. The legend of Yima, the son of Vivanghvāt (यम, son of विवस्वान् ||), is of this latter class. As given in the second Fragard of the Ven. this story falls into two clearly marked divisions, 1-19 and 20-43. The first part tells us that Ahura Mazda asked "the fair Yima, the son of Vivanghvāt," to spread the law of Mazda among the mortals of this earth. Yima, however, pleaded his unworthiness to undertake the salvation of human souls and so he was asked to protect his subjects (both man and beast) from all the ills of flesh. In this he was eminently successful and his rule of over nine hundred years was the Golden Age of Iranian mythology.§ When nine hundred years of the rule of Yima had passed, Ahura Mazda appeared unto him again and gave him warning of an approaching disaster. This warning and the steps Yima took to guard those under his charge form this catastrophe form the subject-matter of the second half of this Fragard.

The disaster predicted by Ahura is the approach of snow and winter over the fair face of Airyana Vaejā where Yima ruled. He is commanded to build a *vava*, or enclosure, in which he should preserve those who deserve protection, and from those who were thus preserved the earth was to be repopled. The story of Manu and the Deluge,** and of Noah and his Ark†† at once suggest themselves as parallels. The story of the Deluge does represent a great catastrophe in the history of the human race, otherwise we would not get it practically among all the nations of the world.‡‡ But there is one very significant difference between the Avestic tradition and the other legends of the Deluge, viz. that the former speaks of ice and

* The first ed. (1874) contained a glossary and a valuable note replying to the criticism brought by the Rev. Dr. Wilson of Bombay against the contents of the Vendidad. See Int. † The whole of Vendidad II has been translated lately by this learned Pandit in शान्तिनिकेतन, Vol. II, No. 3 (A:Jd, 1327), pp 146-156. The magazine is published at Rabindranath Tagore's Brahmacharyaśrama at Bolpur. The title of the article is पारसीकप्रसंग. ‡ See Int. || RV., X. 14. 1. ¶ Cf. Yas. IX, 4-5, Sol. I. ** Sat. Br., I. 6. 3; Mbh., Vana., 187; Matsya Purāṇa, I., and Bhāg. Purāṇa, VIII. 24. †† Genesis, vi viii. ‡‡ Donnelly in his *Atlantis* gives a detailed account of all these.

snow destroying a fair land and its people, while the others speak of a deluge of waters. This difference of treatment in what, at first sight, appears to be the same tradition is deserving of some notice. But no Western writer seems to have drawn any conclusion from this difference at all. We would probably be justified in taking the Deluge legend and the Avestic story of Yima as distinctly separate traditions but with some features in common. At any rate the localities might have been distinct and that is the most important point to consider. The Deluge might reasonably be taken to embody the memory of a gigantic catastrophe which impressed our remote ancestors very deeply indeed—so deeply that the tradition itself has come down through all the succeeding millenia.* This event might well have been the catastrophic flooding of the Mediterranean basin, about which event there is no doubt among geological authorities.† And it may also be noted that this event took place about the end of the last glacial period. Chronology in these matters is very doubtful and experts put this great flood at any thing up to 30,000 years ago. In any case the main point is that human beings did then exist upon earth. Probably both the events—the Deluge and the Ice-Age—were somehow connected and we may be almost certain that in the mind of the humanity of that period the events were in close association. This would sufficiently account for the similarity of treatment, though I believe the Avesta legend records an event quite distinct from that of the Deluge.

Only one writer, as far as I know, B. G. Tilak, has attempted any reasonable explanation of this in his book on *The Arctic Home in the Vedas*.‡ He holds this avestic tradition to be “a distinct reminiscence, however fragmentary, of the ancient Aryan home”. He takes the first two chapters of the *Veda* as connected together and forming one whole; “they have no connection with the subsequent chapters of the book, and appear to be incorporated into it simply as a relic of old historical or traditional literature”. The first *Frangard* enumerates the sixteen lands created by Ahura Mazda and describes how in opposition Agro Mainyu created different ills or plagues to disturb the good creation of Ahura. The first land mentioned is Airyana Vaeja which Agro Mainyu strove to overcome with snow and ice. Scholars have identified these lands with the existing provinces of Persia.‡ But Tilak thinks that this enumeration is not merely geographical, but more or less a *historical* one; in other words, he thinks that this enumeration mentions the lands *successively* occupied by the Iranian peoples in the course of their long wanderings from their ancient Airyana Vaeja, and it also gives the causes why each land had to be vacated in turn. There is nothing intrinsically impossible in such a view of the matter. Of course, there must have been alterations made in these

* Of course the actual writing down of this story must have been ages after the event actually took place. † See H. G. Wells, *The Outline of History* (1920), XI, § 6. (Vol. I, pp. 70-71). ‡ Chapter XI. I give only the more important points of this intensely fascinating and (to me) very convincing chapter. The quotations given here are from this chapter. Tilak (op. cit., p. 359) gives a good comparative table of these identifications by various scholars.

traditions and names might have got mixed up or the order might have got somewhat changed, but the essential idea holds good. Finding similar names in modern Persia would not justify us in taking it as identical with "the cradle of the Āryas", any more than finding Windsor and Surrey and other names in New Zealand would do for identifying that country with the ancient home of the English race. As Tilak has put it "but for the preconceived notion that the original home of the Iranians cannot be placed in the far north . . . no scholar would have cared to put forward such guesses".

The whole story of the overwhelming of the ancient land by the powers of the Evil One is clearly stated, in Ven. I. 3-4 :

3. "The first of the good lands and countries which I, Ahura Mazda, created, was the Airyana Vaējō, by the Vaghuhi Dāitya.

Thereupon came Aṣrō Mainyu, who is all death, and he counter-created the serpent in the river and winter, a work of the Daēvas.

4. "There are ten winter months there, two summer months; and those are cold for the waters, cold for the earth, cold for the trees. Winter falls there, the worst of all plagues".*

The latter verse states in unequivocal terms the climatic catastrophe which made the whole region absolutely incapable of bearing life.† The allusion to the serpent is also noteworthy—he is the Vṛtra of the Vedas who used to lock up the waters.‡ This passage, therefore, with the legend of Yima given in the second Fragard may be taken as conclusive in support the Arctic theory.¶

Coming to the second Fragard itself we see here first the clear warning given to Yima about the approaching encroachment of snow and winter—snow which would extend upto "fourteen-fingers above the mountain tops", according to the Pahlavi commentators. I translate the passage as meaning that snow and ice would extend from the high mountain tops upto the depths of the ocean.¶ Then Yima according to the instructions received builds his *vara*, and in this *vara* the sun and other heavenly bodies rose but once a year, "and a year seems only as a day".** This latter point is no mere poetic imagination but it embodies a long forgotten truth about the ancient home, which even the writer of the Fragard may or may not have clearly understood.††

* Dar., S.M.E., IV, pp. 3 f. † The Tab. gloss, quoted by Dar. (loc. cit.), states: "it is known (in the ordinary course of nature) there are seven months of summer and five of winter". The Pahl. writer was evidently thinking of the climate of Persia in the Sassanian period. ‡ Tilak, op. cit., Chap. IX. ¶ There are other supporting passages (notably one regarding the keeping of dead bodies in the house during long winter nights—even upto a month at a time, Ven., V. 10-13), which are mentioned by Tilak, loc. cit. ¶ See the notes on verse 3, pp. 231 f. ** Ven. II, 40 (see below). †† Possibly there was some vague understanding of the fact of a Polar home. Nair., who certainly had inherited a long tradition, transcribes all proper names of Avesta into *devanāgarī* letters, more or less accurately, but he translates the name *Hara-barra* by the Skt. मेरु. Both these names indicate the centre of the ancient land, i.e. the North Pole.

The whole of this direct traditional evidence contained in these two Fragards may be now summed up:

1. The land of Airyana Vaeja enjoyed salubrious climate and was a land of plenty and prosperity, first created among the countries of the world to cradle the Aryan race.

2. This land was made uninhabitable by the oncoming of horrible winters and deep snow and ice, which destroyed all life.

3. The *vara* (or enclosure) of Yima was so situated that it had a year equal to a day.

It would seem difficult to avoid the obvious conclusion that this is a tradition of the destruction of the Polar home which once possessed genial climate and where mankind grew and flourished till the glacial period completely destroyed this paradise. But the fact remains, nevertheless, that this conclusion has not been arrived at by any of the earlier scholars. And when the snow came and covered up the land the people were pressed southwards* to other lands and very probably we have the story of their migrations in the first Fragard.

There is another point in this story which is also common to the traditions of all countries—the destruction of the world owing to sins accumulating and the preservation of the best in the dying race in order that after the destruction is complete a new and regenerated race might take the place of the old one. The choice of the “colonists” into the *vara* made by Yima under Divine guidance is very interesting from the point of view of eugenics and of race-preservation. Just at the present day, when the old order lies dead and a new order is struggling fiercely to come into being, this old old story of Yima’s choosing the right type of people for future generations is of deep interest. It shows us that at the birth of every new civilisation there is a careful selection of the best of a race, who survive to carry on the work of God at a higher level. Thus, in spite of wholesale destructions from time to time, humanity as a whole has gone forward. The present need of the world, owing to the Great War and the resulting unrest and chaos, seems to be a wise selection of people possessing the qualities which are to build up the newer and greater race that is to be. The qualifications which guided Yima in the choice are surprisingly like what our modern thinkers say are needed to-day. Even in the infancy of our Aryan race we had thought out the same problems that are pressing us to-day and this echo of a long forgotten past has its special message for us to-day.

As regards language, the *Vendidād* is almost entirely in prose. But the prose is vigorous and the evident ease with which it is handled points to a

* It is significant that before the ice-age came upon Airyana Vaeja, Yima had to extend his domains thrice on account of the growing numbers of his people and each time he extended them southwards, Ven. II, 10, 11 and 14.

long history of the development of prose style in ancient Irān. Unfortunately we do not possess specimens illustrative of the development. But we can conclude from what we know of the development of prose style in other languages, that in Avesta too the earliest prose was very clumsy, and that gradually it developed into an instrument of great power. We possess specimens of the oldest Avestic prose, like the passages in Yas. XIX-XXI* which show the clumsy beginnings. It is evidently an instrument rarely and therefore awkwardly, wielded. We do not possess pieces which may be put down in a regular historical sequence of development. The Vendidād is the final stage of prose in the extant Av. literature. It shows here considerable development. The style is vigorous and direct and the sentences are well-balanced and express their meaning clearly. There is no confusion of sentences as with the earlier examples and hence the Vendidād forms in some respects the easiest of the Av. texts.

1. (20).† Dar. omits the verse before this because it belongs to the commentary, and he numbers this verse as 21. Kan. too numbers this verse 21 because he puts down as 20 the verse from the commentary. Geld does not give that verse in his text nor does Spiegel.‡ Reich. gives only half this verse (the first para) and says the rest is a later addition."

hanjamanam—See Yas. XII, 5 (Sel. V) above.

frabarata—When. ātm. *bar* with *frā* means to call together, to bring about.

daδvā—The Creator.

ha⁹ru—Together with. This governs the ins. (cf. मत्रा जनेन RV., VII 93. 5) or sometimes the dat. (as here) or the loc.‡

mainyuoibyo—The word is here used in the sense of "celestial" or "divine". In Parsi Guj. the word मौनो is used in the same sense, e.g. मौनोई जहान (the heaven-world).

srūtō—Kan. takes it as an adj. to *Mazdā*, Dar. trans. "in Ai. Vai of high renown". The case is irregular as Dar. takes it, but the trans. c Kan. does not seem to fit in with the following phrase.

vaghūyā Dāityagā—The Dāityā was one of the holy rivers of Irān. The epithet *vaghūhī* is often added on to the name. This river is said to be the chief of the rivers.** The Bun. mentions (XX. 13) that "the Dāitī river is a river which comes out of Airān-Vōj and goes out through the hill-country."†† Justi identifies this with the Araxes.‡‡ Dar. also thinks that it is the Araxes, he says:§ that this river was named *Vāguhī* and that the name signified "the Vāguhī of the law (the Vāguhī by which

* Sel. VIII above. † The numbers in brackets refer to the "verses" in Ven. II. ‡ Kan. Ven., p. 61, ftn. § A.R., p. 130. ¶ Barth., Wb. 1762. ** Bun., XXIV, 14. †† West, S.B.I V, pp. 78-79. He gives the Av. references on p. 78 (ftn. s) but he thinks "this may not be a river though this phrase has, no doubt, led to locating the river Dāitīk in Airān Vōj". ‡‡ Ib., p. ftn. § S.B.K. IV, p. 4, ftn.

Z. received the Law)". Z. performed his first act of worship in Irān on the banks of this river and here he received his first disciple, his cousin Maiḍyōi-mānha. Hence the river has got its sacredness in Z. literature. Jackson thinks it was perhaps a border stream between two territorial divisions".* But he identifies the stream with Safēd Rūd (the Amardos of Ptolemaeus' Geography). The case is 6-1 but trans. "on the banks of".

mašyākzēibyō—The word is a derivative of *mašya* and means the same thing. Cf. *यक*-suff. in Skt. (Whit. § 1181).

2. (21). *paiti-jaraṭ*—Dar. trans. simply "came". Kan. trans. "came to confess", or "came to meet" (*सभि सव्यो*).

3. (22). *Vivahana*—A patronymic from *Vivahant* (*विवसन्*)†. The name of Yima's father occurs only a few times in the Av.‡, chiefly in this Fragar of the Ven. and in Yas. IX.

ani—upon.

aym goes with *ahum*, but Dar. takes this as an adj. to *zimō*. "He seems to have been thinking of the word *Malkōšān* in the Pahl., which he traces to the Av. *Mahrkūšā*, a demon mentioned only once in a Fragment.|| *Malkōš* however is mentioned several times in Pahl. literature as a demon who will produce intense cold and all living things will perish and therefore after the "Vara of Yima" will again be of use for re-peopling the earth.*]

zimō (v.l. *zamō*, Reich., also Barth.)—I 3. Barth. thinks that *zamō* is the better reading.** The noun is *zyām* m. (see Jack., A.G., § 318, note 2).

japhantū (v. l. 'ti)—3 I s-aor. imp. in the sense of fut.††

staχrō—Orig. adj. meaning "hard" or "firm", applied especially to the winter's frost with its iron grip. The word occurs here and in Wester. Fr. VIII. 2, where it also means "strong" or "hard"—*zaya araṭa staχrō gaṭ* (the winter is hence strong). Reich. here also trans. "a strong . . . winter." Dar. says "fierce . . . winter." Cf. O.H.G. *stahal*, steel.‡‡

mrūrō (*ār*)—Deadly.

zyd—1 I of *zyām*.

snaoδō—1 I. Clouds (collective noun), Barth. Kan. takes the word as compared with the *rafra* following and trans. "thick snowflakes" (Dict., p. 541). Dar. also takes similarly. Kan. says that the word is originally in the sense of falling or dripping (*snud*, *खड्*)§§ and the derivatives of this word are especially used for snow. The word *snāoda* may have originally meant a "snow-drift" and hence come to signify excessive

* Zs., pp. 196-197; see also p. 211. † Barth., Wb. 1451. ‡ Modi, Dict., p. 174. || Wester. Fr. VIII. 2; the same passage has the word *mūrōs* which is probably the same word; see Barth., Wb. 1147 and 1176. ¶ *Didinā-i-Dinik*, XXXVII, 94-95, also *Dinkart*, I, 24 and VIII, 3-4; see also S. B.E., XVIII, p. 109, fn. 2 and p. 479. ** Wb. 1700; also Reich. § 290. †† Jack., A. G. § 663. ‡‡ Barth., Wb. 1591. §§ *Gewōk*, Barth., Wb. 1626, he compares Bal. *wid*. ¶¶ Used in Yt. XIX, 90 (see Kan., Yt. t. M., p. 376, fn.), in the sense of dropping tears.

or powerful. The word is used, besides here, in three other compounds *снаодо-манаш*, °*vacah* and °*gyaoθna*, all in Vyt. 31. Barth. (Wb. 1626f.) calls these spurious and meaningless; but Kan. (Dict., 540-41) trans. these as, "of effective thought", "of effective word" and "of effective deed", respectively.

-*vafra*—Snow. Mod. Pers. برف (*barf*).

снаѣзѣ—Subj. √*снаѣg* (Barth., Wb. 1626), to fall as snow. Kan. postulates √*sniz* to snow (स्निज्).* The O. H. G. *snīwit*, Lith., *snėga* and Lat. *nix* (**snix*) are cognate words. Is this √*снаѣg* also connected with *снаода* above?

bāṣṇubyō (𑀧𑀲)—Depth or height. Note that it is 4 3 while the previous two words are 5 3. Reich. however calls this an "ablativus comparationis" (§ 481).

arəduyā—Dar. takes this as a measure of length and trans. the phrase *barəzištaēibyō* . . . *arəduyā* thus: "even an *arəvī* deep on the highest tops of mountains". Apparently he followed an explanation given in Pah. which says, "even where it (the snow) is least, it will be one *vitasti* two fingers deep" i.e., as Dar. explains, 14 fingers deep.† Sp. takes *arəduyā* to be "height" or "mountain" (a sort of variant of *arəvā*?) and Har. also takes it the same way.‡ But the *arəvī* is found so often in Av. as the name of the great waters from which all the rivers of the earth take their rise. The word is cognate with 𑀧𑀲, 𑀧𑀲𑀭, and Grk. ἄρδω. In later times the worship of the goddess *Arəvī-sūra Anāhita* gained great strength all over Persia and in other lands. Yt. XI is dedicated to her, as also one Nyāyis.

4. (23). *θrižat-ca* (𑀧𑀲)—Barth. takes this as 1/1 n. of °*zant*,§ and trans. "a third". Kan. takes it as adv. (orig. 5 1) and trans. "from three regions".** Dar. omits the word altogether. There is also a word *θrižvat* found in Von. IX. 39, which is rendered by "thrice" or "threefold".†† I am inclined to take both these words to mean the same thing and would like the trans. here "of three kinds". Pt. Vidhuśekhara seems to support this view, for he suggests that out of five kinds of animals‡‡ the three kinds mentioned here shall be saved.

* Dict., p. 542. † S.B.E., IV, p. 16, fn. 1. The idea is that snow would reach to a height of at least 14 fingers above the highest mountains (cf. अत्यतिष्ठद्वाङ्गुलम् RV., X. 90. 1). ‡ Quoted by Modi, p. 16. 𑀧𑀲 seems to have acquired the sense of sweetness (sweet liquids) in the RV. The epithet 𑀧𑀲𑀭 is used in three places in the sense of "giver of good things"

(Grass., Wb. 280); cf. also 𑀧𑀲𑀭 विहदूहय (RV, VIII. 77. 11). § Wb. 812. ** Dict., p. 233. †† Jack., A.G., § 378 ‡‡ Mentioned in Yas. LXXI. 9, these are *upīpu* (those living in water), *aprasa* (those living upon land), *fraptarəjāt* (possessed of wings, lit. progressing by flying), *raśacrat* (moving about free, i.e. wild, as opposed to domesticated, animals) and *caṣra-θak* (those which gather together on the meadows, i.e. domesticated animals). The types of these last are mentioned in Bun. (XIV. 6) to be goat, sheep, camel, pig, horse and ass; cf. Yt. XII. 7, 9, 11, 15, 23, (Barth., Wb. 540).

apajasat—Shall disappear, lit. shall come away from; cf. Hād. II. 16. Dar. says, "shall take shelter in". Barth., though he gives the sense given here for the passage from Hād., trans. this differently as "shall escape (with their lives)",* and also quotes Ven. VII. 39† where the word bears the latter sense. Kan. also trans. similarly.

avyāstamāēṣu—Most terrific. The Pah. commentary most curiously thinks that the sandy and salt deserts round Ispahan are meant.‡ The word is from *√vi* (= वि), the *v* being prefixed partly to avoid confusing with the particle *vi* (or *vi*) and partly under the influence of *ibh*; cf. *ivaēṣāt* above in Yas. LVII, 18 (p. 75).

asaṃhām—The word means "place" or "region". It is trans. in Skt. where it occurs elsewhere as *स्थान*. Barth. compares *आश्रम* (= *दिश*).§

jāfsnuṣva—7.3. The word always occurs with *raonām* and means the valley (of a river). Barth. connects *jafra* (deep), Mod. Pers. *جاف* (zharf), depth. Kan. connects *jap* (जप), to gape; cf. "a yawning chasm."

raonām—Kan. is curiously misled by the sound and trans. the word as "ravine" (*sic*)¶ and takes it from a root *rā* (= रू), to cut or separate. The word however means a river.

paxrunāēṣu—Dar. construes the last two words with *apajasat* and trans. "shall take shelter in underground houses". Kan. and Barth. trans. the word as "strong", but Kan. construes like Dar. Barth. takes the last two words in apposition to *jāfsnuṣva* and trans. the whole phrase *yaṭ¹⁹-ca²⁰ . . . nmanāēṣu²⁴* thus: "and those who live in the valleys of the rivers in strong houses" and explains that this refers to domesticated animals kept in well-built stalls as opposed to the animals of the deserts and of the mountains.**

The idea in this verse seems to be that all creatures shall be destroyed, those that roam free in the forests and in the mountains, as well as the domesticated animals, which are kept by human beings in their settlements along the river valleys, and which are protected from the rigors of winter by well-built stables and stalls.

5. (24). Gell. prints this verse in two parts, the first four *pādas* as verse, the rest as prose. The sense apparently follows this arrangement. The first part describes the state of affairs *before* the coming of the terrible winter and the second tells us what it would be after the great cold had come. The trans. of various scholars differ considerably especially in the second half. The first half may have been an earlier fragment describing the ancient "cradle-land of the Āryas".

aētaṃhā—6.3 f., एतस्मिन्. Refers to *daṃhēuṣ*. Dar. takes it with *zimō* and probably reads *daṃhēuṣ* 11.

* Wb. 196.

† Sel. XII.

‡ S.B.E., IV, p. 16, fn. 2.

§ Wb. 209.

¶ Dict. p. 443.

** Wb. 819.

baratō—Reich. takes it as loc. inf.*

vāstram—Barth. takes it (in this passage only) to refer to fodder†, but it may equally well be applied to food for men as well as for cattle.

tam—Sc. *vāstram*.

āfā—1/1 of *āp*, water.

paurva—Kan. says "first of all"; Dar. trans. "before"; Barth. trans. "in abundance".‡

vazaidyāi—Dat. inf. √*vaz* (वृज्). Reich. trans. "shall flow" and says that the inf. is used with the force of the imp.‖ Kan. trans. "for irrigating".

vitaxti—Melting. Cf. also Ven. VI. 38.

abda-ca—This word has been translated in three ways. Kan. says "clouds" (अब्द)‖ and, taking *sadayūt* from √*sad* (सध्), to destroy,** construes, "here, in the corporeal world, clouds shall cause destruction" Reich. trans. the word as "wonderful" and Dar. also trans. similarly "a place wherein the footprint of a sheep may be seen will be a wonder in the world". The word *abda* does mean "wonderful" in two passages†† but the etymology is doubtful.‡‡ Barth. takes the word here as from *a-pada*‖ and trans. *unbetretbar* (where no foot can tread). He compares अपद in AV. where it is translated "no place to step upon".§§ Barth. thinks the trans. of Dar. to be due to a misreading of the Pahl.

sadayūt—Caus. from √*sad**** Shall appear.

pasēuš anumayeke—Of lowing cattle. Barth. and others take the words to mean "sheep". In Pahl. *anūmōyē* means "sheep", the bleating animal; ††† but very likely this was a later specialisation of meaning Kan. trans. "an animal of small size" (√*mā*, to measure). He takes *yač* . . . *vaēnāite* as an independent sentence and trans., "here (people shall see the footsteps of small animals)".‡‡‡ This does not fit in at all with the context.

vaēnāite—3/1 subj. atm. The atm. giving a passive sense.

6. (25). *varəm*—From √*var*, वृ, to enclose, to conceal. The meaning is an enclosure, a place fenced in and kept apart.‖‖‖ Here it would mean the place of safety to which Yima has to lead the creatures who were to be saved from destruction. RV. also has the words वर and वरस् in the sense of "space".§§§

caratu-drājō—A *caratu* in length. The Pahl. com. explains this

* § 373. † Wb. 1414. ‡ Wb. 854 ff. § § 703 and A.R., p. 140. ¶ Dict., p. 53. ** Ib., p. 51. †† Yt. XIX. 10 and Yt. V. 84 (*abdō-tama*). ‡‡ Barth., Wb. 96. ‖‖‖ Ib., loc. cit., *sa-b* §§ S.B.E., XLIII, p. 167. *** Barth., Wb. 1559 f; Jack., A.G., § 685a. ††† S.B.E., XXXVII p. 1 ftu. 3. The word is from √*mā*, to bleat; cf. RV. I. 164. 28. ‡‡‡ He adds, by way of explanation "people shall see the footsteps of animals on the ground after the waters of the deluge have subsided". §§§ Barth., Wb. 1380 and 1383. §§§§ Grass., Wb. 1217-18.

asprās drahnāk.* i.e. the length of a racecourse. The length is further explained as equal to two *hāθra*, which latter is said to be equal to 1000 double steps, about one mile English.†

caθruša—Side of a square.

hāθra—Thither (Kan.); Barth. takes it merely to mean “and” or “also”.‡

taoxma—Seed. Pers. تخم (*tukhm*), pedigree.

staoranām—This word is used for large animals (camel, ox, horse and ass) as opposed to *pasu*, which is a small animal. (Goth. *stiuw*, Eng. *steer*, Pers. سئور (*sutor*), a war horse.)

suχra—Red or brilliant, 𐬯𐬀𐬭𐬀. Pers. سرخ (*surāh*), scarlet.

saocintām—Blazing, burning with a brilliant flame.

aiwī-χšōiθne (𐬀𐬯𐬀).—Inf. √ *šī* with *aiwī* (𐬀𐬯𐬀𐬀), to dwell. For dwelling. The form *χšōiθni* (71) is found in Ven. I¹. 21,⁴ used in the sense of “inhabitant” or “dweller”.

gāvayanam—Lit. what is used for cattle. Hence “a stall” or “a stable”. Ven. XIV. 14 has *umānəm gāva*°.

7. (26). *fratā-cayt*—2/1 caus. imp. of √ *tak* with *frā*, to flow.** Kan. (Dict., p. 180) takes it from √ *cī* with *frā* and trans. “cause to collect”. The insertion of the *t* is due to the peculiarity that the *c* is often written as *t-c* (or *tc* or *δc*).†† This peculiar spelling was probably due to the fact that the *c* often sounds like *s* ‡‡ and in order to get the original *c* sound a *t* has to be prefixed (cf. the German combination *tsch* and *dsch* for *c* and *j* sounds). The wrong division of the word as found in the mss. is due to a false impression that the *-taṭ* marks the ending of a word.|||| Probably the analogy of *urvat-caya* (which occurs in Yt. XIII. 11, 22, 28 in the sense of “to nourish”) is also at work in this case.¶¶ The word *fratā-carata*, a part. adj. is also found in several places.***

hāθrō-masapham—One *hāθra* in length. Note that the water-supply is to extend along half the length of a side of the square *vara*.

marāyā—Meadows (Barth.); bazars (Kan.); birds (Dar.). Kan. (Dict., p. 409) distinguishes the fem. °*yā* from the *marāya* (m.), bird, 𐬨𐬀𐬭𐬀. He compares the former with Eng. *market*. Barth. sharply distinguishes *marāya*, bird, from this word, and compares Pers. مرغ (*margh*), a meadow.

avastaya—2/1 caus. imp. √ *stū* with *ava*, to establish, to lay out.

ari . . . ayyanum is probably a later interpolation in the nature of a comment.

* Quoted by Barth., Wb. 582. † S. H. E., IV, p. 16, fn. 5; see also Barth., Wb. 180? 3. The word is used also for a measure of time. ‡ Wb. 1762. § Ib., 1590-91. ¶ Ib., 180

** Barth., Wb. 625f. †† Reich., § 61. So also *j* is written as *δj*. ‡‡ This peculiarity is very noticeable among the Parai priests to-day. ||| See Jack., A. G., § 81 and also note 2 thereon.

¶¶ See Kan., Dict., p. 140 and Barth., Wb. 1535. *** Barth., Wb. 1012.

avi . . . *χ^vairyeite* (v.l. *cyete*, Kan.)—3/1 pass. of *χ^var* with *avi*, to eat.*

maṭ—Here used in the sense of “always”. Cf. *maṭ saoci-buye* (Yas. LXII. 3), eternally blazing (fire).

zairi-gaonəm—See Yas. IX. 16 above, Sel. I.

ajyamnəm—See Yas. IX. 21 above, Sel. I.

This line *avi* . . . *ajyamnəm* has been trans. differently by Dar. and Kan. The former says (taking with the previous *pāda*), “there thou shalt settle birds, on the green that never fades, with food that never fails”. Kan. trans., “there shalt thou establish markets full of green-coloured (i.e. fresh) (fruits) and fresh food (i.e. food which cannot get decayed)”.

nmānā . . . *katəm-ca*—Barth. says “houses . . . room”, by the latter word he understands a “storeroom” or “celler”†; Kan. also takes similarly. Dar. trans. “dwelling-places consisting of a house”. See *katayō*, Yas. IX. 22 (p. 41 above).

fraskəmbəm (*ṣṣṣ*)—Portico supported on pillars.‡ Dar. trans. “with a balcony”. Kan. merely says “with pillars”. Cf. *𐬭𐬀𐬎𐬌* which is probably a dialect variant of *𐬭𐬀𐬎𐬌*.||

fravāram (*ṣṣṣ*)—With an enclosure (Barth.); ¶ Kan. says “with a long wall”. Dar. trans. “with a courtyard”.

pairi-vāram—Dar. says “with a gallery”. With an enclosing wall (Barth.),** also Kan.

8. (27). *yōi⁹*—Mas., because “the rel. agrees with the strongest gender” (Reich., § 604). The *yōi²⁶* below is 1 3 m. instead of neu. probably owing to attraction of the previous *yōi*.

sraēšta-ca—Dar. explains that these are “the best specimens of man kind, to be the origin of the more perfect races of the latter days”.††

sarədanəm—Kind, sort. The word also occurs in O. Pers. (Beh. IV as *θard*).

9. (28). *kuhaoiḍitoma*—The sweetest smelling. The Pah. com. adds by way of explanation, “the highest of size, like the cypress and the plane tree; the sweetest of odour, like the rose and the jessamine”.‡‡

χ^varəganəm—Lit. that which could be eaten, hence food in general. Here it seems to be used in the sense of vegetable food (fruits and grains as opposed to animal food. The word is chiefly used for the food of human beings.¶¶ Dar. says “fruit” relying on the Pah. com. which he quotes:¶¶ “the best of savour, like the date; the sweetest of odour, like the citron”

χ^varəzišta-ca—The most tasty (Barth.)***; the best of savour (Dar. fittest to be eaten (Kan.).

* Barth., Wb. 1866. † Ib. 432. ‡ Ib. 1062. § Grass., Wb. 1585. ¶ Wb. 996
** Ib. 866. †† S.B.E., IV, p. 17, fn. 1. ‡‡ Quoted by Dar., loc. cit., fn. 2. ¶¶ Barth., Wt 1869f. ¶¶ Loc. cit., fn. 3. *** Wb. 1874.

tē—2/3n., referring to the various *taoxma*, of human beings and animals, mentioned above, hence neu. (Reich., § 604).

miθwaire—2 2 adj. n. In pairs.

ajyamnam—2 1 n. The varied numbers used here are rather confusing but the sense is quite clear, the construction being *ad sensum*. Here the sg. implies *each* pair. The meaning here is “safe from harm”. See Yas. IX. 4.

varəfšva—7 3 of *vara* with postposition *-ā*. Barth. regards this word as corrupt. He thinks that the confusion is due to the *varəfšva* in verse 30 below, which is a different word.* The plu. is rather unexpected probably due to the plu. *narō*.

10. (29). In this verse Kan. takes all the words in a moral sense, but Dar. and others give to most of them a physical meaning. This is a very significant passage, as it shows the eugenic considerations which guided Yima in the choice of the human beings whom he had to take into his *vara*. As Dar. says he chose only “the best specimens of mankind, to be the origin of the more perfect races of the latter days . . . in order that the new mankind may be exempt from all moral and physical deformities”.†

frakarō—Pride (Kan.); humpbacked (Dar.); with a lump on the chest (Barth.). Barth. thinks the word *kara* (n.) means a hump and he compares the Skt. कर्बु but with a query mark.‡ Kan. says that the meaning is uncertain. The word also occurs in Yt. V. 92-93 where some of the other words of this passage also occur. There too the meaning is evidently some defect in a human being but whether physical or moral is not very clear.§ Skt. कर्बु means niggardly or stingy, from कृ. **

apakarō—Kan. trans. “idleness” but adds in a parenthesis “back-biting” (speaking ill behind another’s back), the latter certainly is a better sense apparently from कृ with अप. Dar. says “bulged forward”. Barth. says, “having a hump on the back”. This word also occurs in Yt. V. 92-93.

apāyava (ān.)—Impurity or unrighteousness (अपवित्राई) (Kan.); impotent (Dar.). Barth. does not trans. the word but merely says that it is the name of some defect or illness and for etymology he marks a query.†† Reich. (A.R., p. 215) gives the derivation as from *apu* + *āyaya* and trans. “castrated”. Kan. in his Dict. (p. 35) gives other meanings from other scholars as well: stupidity (Haug); enmity (Har.); quarrel or hatred (Justi).

harədiš (ān.)—Tyranny (Kan.); lunatic (Dar.); Barth. supports the latter and thinks that the name *Harəddəpu* (Yt. XIII. 117) may mean “he who possesses a refractory or stubborn horse”.‡‡

* Wb. 1363f., note 2; see p. 239 below. † S.B.E., IV, p. 17, ftn. 1 and 5. ‡ Wb. 142; but see Grass, Wb. 318. § Dict., p. 340. ¶ It may be noted that in the Yt. Kan. trans. like Dar. (Yt. b. M., pp. 35-36). ** Grass, Wb. 318. †† Wb. 80. ‡‡ Ib. 1789-90.

driwiš—Poverty or misery (Kan.); malicious person (Dar.); mole or birth-mark (Barth.).* A daēva of this name is mentioned in Ven. XIX. 43, where a famous list of the important lieutenants of Ahrō-Mainyuš is given.

daiwiš—Deception (Kan.); he evidently connects it with *daw*, दम्; cf. *davāiθyō*, Yas. IX. 18. (p. 37 above). Dar. says "liar". Barth. thinks it to be the name of a wasting disease.† This name is also in the daēva-list mentioned above.

kasviš—Meanness (Kan.); spiteful (Dar.). Barth. here also says that it is the name of a defect or disease.‡ The word occurs again in the list of daēvas and also in Yt. V. 92-93.¶

vizbāriš (āx.)—Lit. crookedness, dishonesty (Kan.); from *zbar* (cf. *zbarataēibyō*, Yas. IX. 29, p. 47 above). Jealous (Dar.); Barth. takes it in the sense of crookedness of the body.¶

vīnūtō-dantūnō—Evil-speaking (Kan.); he adds the parenthetical explanation that lit. it means "possessing crooked teeth". Barth. takes it lit., and Dar. trans. "possessing decayed teeth". The word also occurs in Yt. V. 92-93.

paēsō—Leprous. Pers. پيسى (*pīs*), leprosy, Skt. पिट्ट.

vilareto-tanuš—Spread over the body (Kan.); but this trans. is in Yt. V. 92-93 where the whole phrase, *māpaēsō . . . tanuš*, occurs. In this passage he trans. "may there not be a body wasted away to below the usual size", without making it clear how he got at this trans. Dar. trans. "(a leper) to be pent up"; and quotes Herodotus (I. 133) to point out that lepers lived segregated outside the towns in ancient Persia.** Barth. trans. similarly, "one whose body must be isolated".††

māda—Not here (Kan.); he explains this as *mā* + *aḍa*. Barth. takes *aḍa* as merely an asservative particle and trans. as an emphatic "not indeed".‡‡ *mācim* also is found (ved. माकि). Note that in verse 37 the words are *nōi* and *naēda-cim*.

daḫstanām—Characteristics or qualities (Kan.); brands (i.e. marks), (Dar.); signs or outward symbols (Barth.).¶¶ Elsewhere, where the word occurs, the Skt. trans. has चिह्नम्.

mašyāiš—Kan. following Westergaard¶¶ reads *mašāiš* and trans. "connected with death" (i.e. leading to death). But he gives the reading *mašyāiš* in a ftn. Geld. has no mention of the v.l. adopted by Kan.

11. (30). *fratəmən daiḡhōuš*—The syntax of the cases in this verse is confused. Here 2/1 is used for 7 1. In the first portion of that place (the *vara*). Kan. takes *daiḡhu* here in the lit. sense of "country" and adds a long footnote*** to explain why the numbers in each of the three divisions

* Wb., 778. † Ib., 680. ‡ Ib., 421. § In the latter place the reading is *maškarō*, in one word. ¶ Wb. 1472. ** S.B.E. IV, 17, ftn. 4. †† Wb. 1441. ‡‡ Ib. 1168. ¶¶ Ib. 676 f. ¶¶ Dict., p. 401. *** P. 64 of his trans.

(the first, the middle and the last) should have been regularly diminishing. He thinks that this refers to Yima's moving southwards at regular intervals during his rule;* this would naturally leave the earliest portion of his land the most thickly populated. All this is rather far-fetched because clearly the *vara* is meant here. Dar. trans. "in the largest part of the place". Barth. calls this "the qualitative first".†

parəθwō—2 3 m. or f. Passages or roads. Dar. trans. "streets". *paratu* is the crude form. The word also means a bridge (cf. Yas. XIX. 6. p. 178 above).

maðəmō—Bad syntax again, this ought to have been 7 1. This refers to the part of the *vara* second both in size and position.

nitəmō—The smallest; so all take it. I would like to take it as "the nethermost". All the three divisions were underground and one above the other; the smallest (as judged by the number of people it would contain) being also the lowest. There are three reasons for this suggestion: (1) Kan. consistently trans. *vara* as a cave (𐬨𐬀𐬎𐬌), and this is the ancient tradition (Bun. XXXII. 5); (2) the word *kata* in verse 7 implies a dug-out chamber (𐬕𐬀, *kan*, खन्); (3) the mention of some sort of internal lighting arrangement also seems to show that ordinary daylight was excluded‡ (this verse and verse 40). Dar. thinks the three-fold division corresponded to the three castes.§

aiwi . . . *varəšša*—2 1 imp. of 𐬕𐬀𐬨𐬀 *varəp* with *aiwi*, to seal with a signet (ring). Skt. वपम् is cognate. Kan. takes this word as 7 3 of *vara* (irregularly instead of *varəšša*).

tē refers to the three parts of the *Vara*.

suwrya—3 1. Seal-(ring) (Dar.); this is the traditional meaning. The emblems of Yima's sovereign power, which were bestowed upon him by Ahura Mazda, were the seal and the sword verse 6 of this chapter (also verse 10). These are also mentioned by Firdausi.¶ Kan. unaccountably takes it here to be "a weapon". In his Diet. (pp. 528 f) he says that this weapon is the plough.** Barth. for reasons not very clear takes the word to mean "an arrow" and he compares the word *surb*, arrow, in the *Shighni* dialect of the Pamirs.††

api-marəza—Provide with, equip with. It governs two obj. *varəm* and *dvaram*.

dvaram—द्वारम्. These doors are meant for going in and out.

raocanəm—Light-giving (Barth.).‡‡ Kan. and Dar. trans. "window", lit. "an aperture for light" (cf. Urdu *roshandān*, skylight). Barth., however, says that in Ven. VII. 14 the word means "window", and he admits

* Ven. II. 10, 14 and 18; see also the introductory note to this selection. † Wb. 979. ‡ Kan. however trans. quite differently in this verse; see notes below (see also S.B.E., IV, p. 20, fn. 1). § S.B.E., IV, p. 18, fn. 1. ¶ Quoted by Dar., S.B.E., IV, p. 12, fn. 2. ** Yima is credited with having introduced agriculture into Irān. †† Wb. 1593. ‡‡ Wb. 706 and 1480.

that this is the traditional sense. But his trans. "light-giving" (if it implies admitting day-light) leaves the following words rather meaningless.

χ²āraoχēnam etc.—Cf. Yas. LVII. 21 (p. 77 above).

Kan. trans. the words, *aiwi*²⁶-*ca*²⁸ to the end, thus: "Within thy enclosures, around each one, on the inner side construct doors and windows with thy golden weapon such that natural light may enter". But the syntax does not support this version.

12. (31). *kuθa tē*—Kan. takes *tē* as *tava* and trans. "thy (Ahura's) *nara*". Barth. takes *tē* here as merely a strengthening particle.

yā—3 1. About which. Reich. calls this "the instrumental of cause" (§ 451).

aīghā zamō—6 1 used for 2 1. This is a partitive gen. used objectively.*

pāsnābya—3 2. Heels, Skt. पाणि. This word is from *spar*, (स्पर्) (see below), to kick with the foot; the initial *s* was lost very early, probably before the separation of the various I.-E. races.†

vīspara—Crush. From *spar* with *vī*. Kan. trans. "turn about the soil with thy heels".

vīχada—From *χad*, to dig. Dar. and Barth. trans. "knead" but Kan. has "dig".

mānayən ahe yaθa—Barth. says the phrase means "just like".‡ A variant phrase is *mānayən bā yaθā*. Barth. explains this phrase as meaning lit. "they (people) might indeed think that", taking *ahe* in a mildly emphatic sense, "think of this". Kan. (Dict. p. 413) compares it with Pers. مانیدن (*mānidan*) or مانستن (*mānistān*) to resemble and says that the phrase lit. means "just as if they made a comparison of it"||. Kan. observes that *mānayən* (3 3 impf. caus. par.) is often used by itself in an adverbial sense, "just as", the Pers. مانند (*mānand*) is used exactly similarly.

nū—A particle used after the first word in a clause.¶

χšivisti (v. l. *χšvi*¹⁰, Barth.)—Kan. trans. "fit for cultivation", but the word is not found in his Dict. Barth. takes it as 7/1 (written thus instead *χšusti****) of *χšustā*, which means wetted or mixed with water. The root is **χšul*, to flow from which are derived the words *χšaodah* (n.), river, Skt. शीरः, and *χšudra*, fluidity or semen.

zamē—7 1. Pronounced sometimes *zmē*; †† the words *χšusta* + *zam* in 7/1 give the doubtful word *šutāšme* (*Frahang-i Oim*, 5) through **χšustasme*.

vīšavayeinte—3 3 pres. of *šyav* (*šar*) with *vī*, to knead.‡‡ Kan. takes it to mean "extend in breadth" from *šū* with *vī*.|| ||

* Reich. § 397.

† Grass, Wb. 308.

‡ Wb. 1123.

|| Taking the verb as causal.

¶ Barth., Wb. 1069.

** Reich. § 33. 8.

†† Ib. § 351, fn. 2 (p. 185).

‡‡ Barth., Wb. 1916.

|| Dict., p. 559.

Kan.^{*} trans. the last phrase *mānayan*²³ etc. thus: "Just as at present people increase the extent of cultivable land".

On this verse Dar. notes that the Sheh. mentions how Jamahid taught the spirits under him how to knead clay "by mixing the earth with water".* Reich. thinks that the *vara* is to be constructed "after the world becomes an ocean by the flood",† but there is no reason to think thus.

19. (38). *hō*²⁷—Geld. notes v.l. in only two mss., in one *hē* and in the other *tā hō*, the *tā* being a later addition. But for *hō*²⁸ there is no v.l. noted in Geld. The syntax is wrong in both cases.

varafšva—Geld. notes that one ms. "has appended † *secunda manus* to *varafšva*" and another ms. has *varamēva* with the *m* corrected to a *f*.

20. (39). *cayō*—1/3 f. inter. pron.

*yō*¹⁸—Wrong gender and number, because *raocā* is f. plu.

varafšva—See above verse 28. The plural refers to the three parts of the *vara*.

*yō*¹⁹—Wrong number.

21. (40). *χ^oadāta*—Natural, lit. self-created. The Pah. trans. says that this refers to the eternal lights of the heavens, which are mentioned below.

stīdāta—Artificial, lit. created in (or by) the world; hence the non-eternal artificial lights are meant. See note on *ā-stīš*, Yas. LX. 1 (p. 111 above).

hakərat—Once, चक्रत्.

irixtake—6/3 n. The word is used for the rising of heavenly bodies (Kan.); Barth. however says it means "setting" of heavenly bodies.‡

sadaya—7/1 f. Setting of heavenly bodies (Kan.); Barth. says "rising" (Wb. 1557). The latter derives it from *√sand*, to appear.

vaēnaite—Sg. for plu., perhaps each individually is meant. The atm. has here the passive sense—"are seen".

taē-ca . . . yāra—Dar. reads these words with this verse (40) where they really belong. Kan. and Barth. (also Reich.) follow Geld. and read them in 41.

taē-ca—1/3 m. Who these are is difficult to say, probably the people in the *vara*.

ayara—See note on *ayān-ca* in Yas. LVII. 17 (p. 74 above).

yāra—Year. The Iranian year was 12 months of 30 days each and 5 extra days at the end to make up the total.|| This passage is perfectly plain about the Polar home of the ancient Iranians. In fact nothing could be more explicit than the words here and this is the only possible explanation that would fit. It seems that Dar. had some inkling of the true signi-

* S.B.E., I, p. 18, fn. 2. † A.R., p. 140; italics mine. ‡ Wb. 1520. || See Int. In order to be accurate as regards the solar year one extra month was intercalated, every 120 years.

...the passage, for he says by way of comment "as there is the sun".* Kan. is clearly puzzled over it and his comment gives no clearer sense.†

(41.) *carvareatam*—2/1. Accusative denoting extent of time.

carvareatam—The word means orig. winter and hence a year. (cf. *carvā* (hangm), time.

carvā—An एवमेवम्.

carvareatam—1/2. Twins, निवृत्त.

carvareatam—3/1; cognate instrumental, see Reich. § 452.

carvareatam—जीवन्ति.

Dar. has a long quotation from the *Mainyō-i-Khard* which says that in those days the life of a human being was 300 years and that of cattle 150 years.

23. (42). *avada*—There, in that place (Barth., Wb. 172).

24. *Karīptā*—Kan. takes it as one noun *Viśkarīptā* and says that there was a prophet of that name in the *vara*.‡ In the Pah. commentary on Vis. I. 1 he is called the Ratu of all birds. In Bun., XIX. 16 it is said that "it knew how to speak words, and brought the religion to the enclosure which Yim made, and circulated it; there they utter the *Arveta* in the language of birds".** In Bun., XXIV. 11 it is said to be the chief of the birds,†† Barth. derives the name from I.-E. **krēi* + *pter* and thinks it means "quickflier".‡‡ See Modi, pp. 52f.

24. (43). *Urvatā-nara*—Lit. "friend of mankind" (?) He was the third (and youngest) son of Z. He was the chief of the agriculturists and was the head of the *vara* of Yima. Bun., XXXII, 5 says of him, "*Urvatā-nar* was an agriculturist, and the chief of the enclosure formed by Yim, which is below the earth".||| Dar. has got the following note:¶¶ "*Urvatā-nara*, as a husbandman, was chosen to be the *ahu* or temporal Lord of the *vara*, on account of the *vara* being underground. Z., as a heavenly priest, was, by right, the *ratu* or Spiritual Lord in Airyana Vaejā, where he founded the Religion by a sacrifice".

* S.B.E., IV, p. 20, fn. 2. † Ven., p. 66, fn. ‡ Reich. § 459. § S.B.E., IV, p. 20, fn. 3. ¶ Ven., p. 67, fn. ** S.B.E., V, p. 70 †† Ib., p. 89. ‡‡ Wb. 452. || Ibid., p. 142. ||| S.B.E., IV, p. 21, fn. 1.
